118.001 Duties and powers of school boards; construction of statutes. The statutory duties and powers of school boards shall be broadly construed to authorize any school board action that is within the comprehensive meaning of the terms of the duties and powers, if the action is not prohibited by the laws of the federal government or of this state.

History: 1995 a. 27.

This section expresses the legislature's intent to give school boards broader powers and wide discretion in exercising those powers, but does not mean that when the legislature had previously authorized the board to take particular actions using specified procedures the board has the authority to follow other procedures in taking those particular actions. *Madison Metropolitan School District v. Burmaster*, 2006 WI App 17, 288 Wis. 2d 771, 709 N.W.2d 73, 05-0875.

The duties and powers under ss. 118.001, 120.12 (14), and 120.13 extend to individual teachers as employees of the school board. It would be absurd to require teachers to obtain special permission from the school board with respect to every detail of their teaching. Summer homework, particularly for an honors class for which students receive additional credit, fits comfortably within the range of what is reasonable and is not unconstitutional. *Larson v. Burmaster*, 2006 WI App 142, 295 Wis. 2d 333, 720 N.W.2d 134, 05-1433.

118.01 Educational goals and expectations. (1) PURPOSE. Public education is a fundamental responsibility of the state. The constitution vests in the state superintendent the supervision of public instruction and directs the legislature to provide for the establishment of district schools. The effective operation of the

public schools is dependent upon a common understanding of what public schools should be and do. Establishing such goals and expectations is a necessary and proper complement to the state's financial contribution to education. Each school board should provide curriculum, course requirements and instruction consistent with the goals and expectations established under sub. (2). Parents and guardians of pupils enrolled in the school district share with the state and school board the responsibility for pupils meeting the goals and expectations under sub. (2).

(2) EDUCATIONAL GOALS. (a) Academic skills and knowledge. Since the development of academic skills and knowledge is the most important goal for schools, each school board shall provide an instructional program designed to give pupils:

1. Basic skills, including the ability to read, write, spell, perform basic arithmetical calculations, learn by reading and listening and communicate by writing and speaking.

2. Analytical skills, including the ability to think rationally, solve problems, use various learning methods, gather and analyze information, make critical and independent judgments and argue persuasively.

3. A basic body of knowledge that includes information and concepts in literature, fine arts, mathematics, natural sciences, including knowledge of the elements of agriculture and the con-

ervation of natural resources, and social sciences, including knowledge of the rights and responsibilities of the family as a consumer, cooperative marketing and consumers' cooperatives.

1. An understanding of the basic workings of all levels of government, including the duties and responsibilities of citizenship.

(d) *Personal development.* Each school board shall provide an instructional program designed to give pupils:

1. The skills needed to cope with social change.

2. Knowledge of the human body and the means to maintain lifelong health, including:

a. Knowledge of the theory and practice of physical education, including the development and maintenance of physical fitness;

b. Knowledge of the true and comparative vitamin content of food and food and health values of dairy products and their importance for the human diet; and

c. Knowledge of physiology and hygiene, sanitation, the effects of controlled substances under ch. 961 and alcohol upon the human system, symptoms of disease and the proper care of the body. No pupil may be required to take instruction in these subjects if his or her parent files with the teacher a written objection thereto. If a pupil does not take instruction in these subjects as a result of parental objection, the pupil may not be required to be examined in the subjects and may not be penalized in any way for not taking such instruction, but if the subjects receive credit toward graduation, the school board may require the pupil to complete an alternative assignment that is similar to the subjects in the length of time necessary to complete. Instruction in physiology and hygiene shall include instruction on sexually transmitted diseases and shall be offered in every high school.

3. An appreciation of artistic and creative expression and the capacity for self-expression.

4. The ability to construct personal ethics and goals.

5. Knowledge of morality and the individual's responsibility as a social being, including the responsibility and morality of family living and the value of frugality and other basic qualities and

The skills needed to make sound decisions, knowledge of the conditions which may cause and the signs of suicidal tendencies, knowledge of the relationship between youth suicide and the use of alcohol and controlled substances under ch. 961 and knowledge of the available community youth suicide prevention and intervention services. Instruction shall be designed to help prevent suicides by pupils by promoting the positive emotional development of pupils.

8. Knowledge of effective means by which pupils may recognize, avoid, prevent and halt physically or psychologically intrusive or abusive situations which may be harmful to pupils, including child abuse, sexual abuse and child enticement. Instruction shall be designed to help pupils develop positive psychological, emotional and problem-solving responses to such situations and avoid relying on negative, fearful or solely reactive methods of dealing with such situations. Instruction shall include information on available school and community prevention and intervention assistance or services and shall be provided to pupils in elementary schools.

History: 1983 a. 412; 1985 a. 29, 213; 1989 a. 31; 1995 a. 27, 229, 448; 1997 a. 27, 35.

(1) In the 2013–14 school year, each school board and the governing body of each charter school established under s. 118.40 (2r) shall, using the appropriate, valid, and reliable assessment of literacy fundamentals selected by the department, annually assess each pupil enrolled in 4-year-old kindergarten to first grade in the school district or in the charter school for reading readiness. Beginning in the 2014–15 school year, each school board and the governing body of each charter school established under s. 118.40 (2r) shall, using the appropriate, valid, and reliable assessment of literacy

The provisions of this section are in addition to, and do not supplant, the requirements under ss. 118.01 (2) (d) 2. c. and 8. and 118.13 (1), which are critical to maintaining the physical and psychological health of each pupil.

(1m) DEFINITIONS. In this section:

(a) “Age–appropriate” means suitable to a particular age group of pupils based on their developing cognitive and emotional capacity and consistent with adolescent development and community standards.

(b) “Medically accurate information” means information that is scientifically–based and published, where appropriate, in peer–reviewed journals and textbooks.

If an instructional program is provided, the following instructional program is recommended:

sexually transmitted infections, and shall identify the skills necessary to remain abstinent.

Nothing in this subsection shall be construed to prohibit a school board from approving an instructional program under this section that includes instruction on abstinence from sexual activity or that is abstinence–centered.

(d) Assist economically disadvantaged pupils to obtain the uniforms.

2. If a school has notified the parent, legal guardian or guardian ad litem that a pupil's name and address has been designated as directory data, has informed the parent, legal guardian or guardian ad litem of the pupil that he or she has 14 days to inform the school that the pupil's name and address may not be released without the prior consent of the parent, legal guardian or guardian ad litem, has allowed 14 days for the parent, legal guardian or guardian ad litem of the pupil to inform the school that the pupil's name and address may not be released without the prior consent of the parent, legal guardian or guardian ad litem and the parent, legal guardian or guardian ad litem has not so informed the school, the school district clerk or his or her designee, upon request, shall provide a technical college district board with the name and address of each such pupil who is expected to graduate from high school in the current school year.

3. If a school has notified the parent, legal guardian or guardian ad litem of the information that it has designated as directory data with respect to any pupil, has informed the parent, legal guardian or guardian ad litem of the pupil that he or she has 14 days to inform the school that such information may not be released without the prior consent of the parent, legal guardian or guardian ad litem, has allowed 14 days for the parent, legal guardian or guardian ad litem of the pupil to inform the school that such information may not be released without the prior consent of the

parent, legal guardian or guardian ad litem and the parent, legal guardian or guardian ad litem has not so informed the school, the school district clerk or his or her designee, upon request, shall provide any representative of a law enforcement agency, district attorney, city attorney or corporation counsel, county department under s. 46.215, 46.22 or 46.23 or a court of record or municipal court with such information relating to any such pupil enrolled in the school district for the purpose of enforcing that pupil's school attendance, investigating alleged criminal or delinquent activity by the pupil or responding to a health or safety emergency.

(k) A school board may disclose personally identifiable information from the pupil records of an adult pupil to the parents or guardian of the adult pupil, without the written consent of the adult pupil, if the adult pupil is a dependent of his or her parents or guardian under 26 USC 152, unless the adult pupil has informed the school, in writing, that the information may not be disclosed.

(L) A school board shall disclose the pupil records of a pupil in compliance with a court order under s. 48.236 (4) (a), 48.345 (12) (b), 938.34 (7d) (b), 938.396 (1) (d), or 938.78 (2) (b) 2. after making a reasonable effort to notify the pupil's parent or legal guardian.

(m) A parent who has been denied periods of physical placement with a child under s. 767.41 (4) does not have the rights of a parent or guardian under pars. (a) to (j) with respect to that child's pupil records.

(n) For any purpose concerning the juvenile justice system and the system's ability to effectively serve a pupil, prior to adjudication:

1. A school board may disclose pupil records to a city attorney, corporation counsel, agency, as defined in s. 938.78 (1), intake worker under s. 48.067 or 938.067, court of record, municipal court, private school, or another school board if disclosure is pursuant to an interagency agreement and the person to whom the records are disclosed certifies in writing that the records will not be disclosed to any other person except as otherwise authorized by law. For the purpose of providing services to a pupil before adjudication, a school board may disclose pupil records to a tribal school if disclosure is pursuant to an agreement between the school board and the governing body of the tribal school and if the school board determines that enforceable protections are provided by a tribal school policy or tribal law that requires the tribal school official to whom the records are disclosed not to disclose the records to any other person except as permitted under this subsection.

2. A school board shall disclose pertinent pupil records to an investigating law enforcement agency or district attorney if the person to whom the records are disclosed certifies in writing that the records concern the juvenile justice system and the system's ability to effectively serve the pupil, relate to an ongoing investigation or pending delinquency petition, and will not be disclosed to any other person except as otherwise authorized by law.

(p) A school board may disclose pupil records to appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the health or safety of any individual.

(2m) CONFIDENTIALITY OF PUPIL PHYSICAL HEALTH RECORDS. (a) Except as provided in par. (b), any pupil record that relates to a pupil's physical health and that is not a pupil physical health record shall be treated as a patient health care record under ss. 146.81 to 146.84.

(b) Any pupil record that concerns the results of an HIV test, as defined in s. 252.01 (2m), shall be treated as provided under s. 252.15.

(3) MAINTENANCE OF RECORDS. Each school board shall adopt rules in writing specifying the content of pupil records and the time during which pupil records shall be maintained. No behavioral records may be maintained for more than one year after the pupil ceases to be enrolled in the school, unless the pupil specifies in writing that his or her behavioral records may be maintained for

a longer period. A pupil's progress records shall be maintained for at least 5 years after the pupil ceases to be enrolled in the school. A school board may maintain the records on microfilm, on an optical disk, or in electronic format if authorized under s. 19.21 (4) (c), or in such other form as the school board deems appropriate. A school board shall maintain law enforcement officers' records obtained under s. 48.396 (1) or 938.396 (1) (b) 2. or (c) 3. separately from a pupil's other pupil records. Rules adopted under this subsection shall be published by the school board as a class 1 notice under ch. 985.

(4) TRANSFER OF RECORDS. Within 5 working days, a school district and a private school participating in the program under s. 118.60 or in the program under s. 119.23 shall transfer to another school, including a private or tribal school, or school district all pupil records relating to a specific pupil if the transferring school district or private school has received written notice from the pupil if he or she is an adult or his or her parent or guardian if the pupil is a minor that the pupil intends to enroll in the other school or school district or written notice from the other school or school district that the pupil has enrolled or from a court that the pupil has been placed in a juvenile correctional facility, as defined in s. 938.02 (10p), or a secured residential care center for children and youth, as defined in s. 938.02 (15g). In this subsection, "school" and "school district" include any juvenile correctional facility, secured residential care center for children and youth, adult correctional institution, mental health institute, or center for the developmentally disabled that provides an educational program for its residents instead of or in addition to that which is provided by public, private, and tribal schools.

(5) USE FOR SUSPENSION OR EXPULSION. (a) Except as provided in par. (b), nothing in this section prohibits a school district from using a pupil's records in connection with the suspension or expulsion of the pupil or the use of such records by a multidisciplinary team under ch. 115.

(b) Law enforcement officers' records obtained under s. 48.396 (1) or 938.396 (1) (b) 2. or (c) 3. and records of the court assigned to exercise jurisdiction under chs. 48 and 938 or of a municipal court obtained under s. 938.396 (2g) (m) may not be used by a school district as the sole basis for expelling or suspending a pupil or as the sole basis for taking any other disciplinary action against a pupil, but may be used as the sole basis for taking action against a pupil under the school district's athletic code.

(6) APPLICATION TO EXISTING RECORDS. Any records existing on June 9, 1974 need not be revised for the purpose of deleting information from pupil records to comply with this section.

(7) DISCLOSURE OF LAW ENFORCEMENT UNIT RECORDS. A school board shall treat law enforcement unit records of juveniles in the same manner as a law enforcement agency is required to treat law enforcement officers' records of juveniles under s. 938.396 (1) (a).

A public school student's interim grades are pupil records specifically exempted from disclosure under s. 118.125. A failure to specifically state reasons for denying an open records request for records that are specifically exempted from disclosure does not compel disclosure of those records. State ex rel. Blum v. Board of Education, 209 Wis. 2d 377, 565 N.W.2d 140 (Ct. App. 1997), 96-0758.

A court need not wait until trial to disclose pupil records under sub. (2) (f) and may instead base its decision on the review of deposition testimony. Sub. (2) (f) refers to an action, which is a much broader term than trial. A witness who has been deposed has testified in the action. Anderson v. Northwood School District, 2011 WI App 31, 332 Wis. 2d 134, 796 N.W.2d 874, 09-1881.

A court may not disclose confidential records under sub. (2) (f) merely because they are relevant to a plaintiff's claim. The court's gatekeeper role is to protect the privacy of the pupil whose records are sought, releasing only those records that may concern a specific witness's credibility or competency. Anderson v. Northwood School District, 2011 WI App 31, 332 Wis. 2d 134, 796 N.W.2d 874, 09-1881.

When neither defense counsel nor the school was familiar with the requirements of sub. (2) (f) and neither wholly complied with the statute during discovery when the school faxed the records directly to defense counsel upon defense counsel's request for records rather than provide them to the court for *in camera* inspection, the trial court was not correct to prohibit the defense from using the records. The trial court

should have, upon receipt of the documents, conducted the *in camera* inspection required by the statute, while requiring the parties to keep the documents confidential. *State v. Echols*, 2013 WI App 58, 348 Wis. 2d 81, 831 N.W.2d 768, 12–0422.

118.126 Privileged communications. (1) A school psychologist, counselor, social worker and nurse, and any teacher or administrator designated by the school board who engages in alcohol or drug abuse program activities, shall keep confidential information received from a pupil that the pupil or another pupil is using or is experiencing problems resulting from the use of alcohol or other drugs unless:

(a) The pupil using or experiencing problems resulting from the use of alcohol or other drugs consents in writing to disclosure of the information;

(b) The school psychologist, counselor, social worker, nurse, teacher or administrator has reason to believe that there is serious and imminent danger to the health, safety or life of any person and that disclosure of the information to another person will alleviate the serious and imminent danger. No more information than is required to alleviate the serious and imminent danger may be disclosed; or

(c) The information is required to be reported under s. 48.981.

(2) A school psychologist, counselor, social worker or nurse, or any teacher or administrator designated by the school board who engages in alcohol or drug abuse program activities, who in good faith discloses or fails to disclose information under sub. (1) is immune from civil liability for such acts or omissions. This subsection does not apply to information required to be reported under s. 48.981.

118.127 Law enforcement agency information. A school district, private school, or tribal school may disclose information from law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. only to persons employed by the school district who are required by the department under s. 115.28 (7) to hold a license, to persons employed by the private school or tribal school as teachers, and to other school district, private school, or tribal school officials who have been determined by the school board or governing body of the private school or tribal school to have legitimate educational interests, including safety interests, in that information. In addition, if that information relates to a pupil of the school district, private school, or tribal school, the school district, private school, or tribal school may also disclose that information to those employees of the school district, private school, or tribal school who have been designated by the school board or governing body of the private school or tribal school to receive that information for the purpose of providing treatment programs for pupils enrolled in the school district, private school, or tribal school. A school district may not use law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. as the sole basis for expelling or suspending a pupil or as the sole basis for taking any other disciplinary action against a pupil, but may use law enforcement officers’ records obtained under s. 938.396 (1) (c) 3. as the sole basis for taking action against a pupil under the school district’s athletic code.

118.13 Pupil discrimination prohibited. (1) Except as provided in s. 120.13 (37m), no person may be denied admission to any public school or be denied participation in, be denied the benefits of or be discriminated against in any curricular, extra-curricular, pupil services, recreational or other program or activity because of the person’s sex, race, religion, national origin, ances-

try, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.

(2) (a) Each school board shall develop written policies and procedures to implement this section and submit them to the state superintendent as a part of its 1986 annual report under s. 120.18. The policies and procedures shall provide for receiving and investigating complaints by residents of the school district regarding possible violations of this section, for making determinations as to whether this section has been violated and for ensuring compliance with this section.

(b) Any person who receives a negative determination under par. (a) may appeal the determination to the state superintendent.

(3) (a) The state superintendent shall:

1. Decide appeals made to him or her under sub. (2) (b). Decisions of the state superintendent under this subdivision are subject to judicial review under ch. 227.

2. Promulgate rules necessary to implement and administer this section.

3. Include in the department’s biennial report under s. 15.04 (1) (d) information on the status of school district compliance with this section and school district progress toward providing reasonable equality of educational opportunity for all pupils in this state.

(b) The state superintendent may:

1. Periodically review school district programs, activities and services to determine whether the school boards are complying with this section.

2. Assist school boards to comply with this section by providing information and technical assistance upon request.

(4) Any public school official, employee or teacher who intentionally engages in conduct which discriminates against a person or causes a person to be denied rights, benefits or privileges, in violation of sub. (1), may be required to forfeit not more than \$1,000.

For a school system that was a dual system when Brown I was decided in 1954, the measure of the school board’s post-Brown I conduct under its unsatisfied duty to liquidate the dual system was the effectiveness, not the purpose, of its actions to desegregate the system. *Dayton Board of Education v. Brinkman*, 443 U.S. 526 (1979).

It is impermissible for a school district to rely upon an individual student’s race in assigning that student to a particular school so that the racial balance at the school falls within a predetermined range based on the racial composition of the school district as a whole. *Parents Involved in Community Schools v. 118.134 Race-based nicknames, logos, mascots, and team names. (1) Notwithstanding s. 118.13 and except as provided in sub. (3m), a school district resident may object to the use of a race-based nickname, logo, mascot, or team name by the school board of that school district by filing a complaint containing a number of signatures of school district electors equal to at least 10 percent of the school district’s membership, as defined in s. 121.004 (5), with the state superintendent. A signature on a complaint is valid only if the signature is obtained within the 120-day period before the complaint is filed with the state superintendent. The state superintendent shall do all of the following:

(a) Notify the school board of the receipt of the complaint and direct the school board to submit, if applicable, any of the information under sub. (1m) (a).

(b) Except as provided in sub. (1m), refer the complaint to the division of hearings and appeals for a contested case hearing. The division of hearings and appeals shall schedule a hearing on the referred complaint with reasonable promptness.

(1m) (a) The state superintendent may determine that no contested case hearing is necessary if, no later than 10 days after being notified of the receipt of the complaint, the school board submits evidence to the state superintendent that demonstrates all of the following:

(1m) (a) The state superintendent may determine that no contested case hearing is necessary if, no later than 10 days after being notified of the receipt of the complaint, the school board submits evidence to the state superintendent that demonstrates all of the following:

2. A federally recognized American Indian tribe that has historical ties to this state has entered into an agreement with the school board under which the tribe grants approval to the school board to refer to, depict, or portray the tribe or American Indians, in general, in a specific nickname, logo, or mascot or to use the name of the tribe or American Indians, in general, as a team name in the specific manner used by the school board.

3. The use of the nickname, logo, mascot, or team name that has been approved by a tribe under subd. 2. is the use to which the school district resident objects in the complaint filed under sub. (1).

(b) If the state superintendent determines that a contested case hearing is not necessary, the state superintendent shall notify the school district resident who filed the complaint under sub. (1) and the school board of his or her decision in writing. A decision under this paragraph is subject to judicial review under ch. 227.

(2) At the hearing, the school district resident who filed the complaint under sub. (1) has the burden of proving by clear and convincing evidence that the use of the race-based nickname, logo, mascot, or team name promotes discrimination, pupil harassment, or stereotyping, as defined by the state superintendent by rule.

(3) (a) The division of hearings and appeals shall issue a decision and order within 45 days after the hearing. If the division of hearings and appeals finds that the use of the race-based nickname, logo, mascot, or team name does not promote discrimination, pupil harassment, or stereotyping, the division of hearings and appeals shall dismiss the complaint. Except as provided in pars. (b) and (d), if the division of hearings and appeals finds that the use of the race-based nickname, logo, mascot, or team name promotes discrimination, pupil harassment, or stereotyping, the division of hearings and appeals shall order the school board to terminate its use of the race-based nickname, logo, mascot, or team name within 12 months after issuance of the order.

(b) 1. In this paragraph, “extenuating circumstances” includes circumstances in which the costs of compliance with an order issued under par. (a) pose an undue financial burden on the school district and circumstances in which the work or the requirements for bidding a contract to complete the work required to bring the school district into compliance with the order issued under par. (a) cannot be completed within 12 months after the issuance of the order.

2. a. If, at the hearing under sub. (2) or after a decision and order have been issued under par. (a), the school board presents evidence to the division of hearings and appeals that extenuating circumstances render full compliance with the decision and order within 12 months after the issuance of that decision and order impossible or impracticable, the division of hearings and appeals may issue an order to extend the time within which the school board must terminate its use of the race-based nickname, logo, mascot, or team name. Except as provided in subd. 2. b., the extension may not exceed 24 months and shall apply only to those portions of the decision and order to which extenuating circumstances apply.

b. The division of hearings and appeals may extend the time granted to a school board under subd. 2. a. if the school board presents evidence to the division of hearings and appeals that compliance with a portion of the decision and order issued under par. (a) may be accomplished through a regularly scheduled maintenance program and that the cost of compliance with that portion of the decision and order exceeds \$5,000. The extension granted under this subd. 2. b. may not exceed 96 months and applies only to that portion of the decision and order with which compliance will be accomplished through the regularly scheduled maintenance program and that costs more than \$5,000.

(c) Decisions under this subsection are subject to judicial review under ch. 227. The venue for a proceeding to review a decision under this section is the circuit court in any county in which territory of the school district is located.

(d) No school district is required to comply with a decision and order issued under this subsection before December 21, 2013, to terminate the use of a race-based nickname, logo, mascot, or team name.

(3m) A pupil attending a public school in a nonresident school district under s. 118.51 may not file a complaint under sub. (1) in which the pupil objects to the use of a race-based nickname, logo, mascot, or team name by the school board of the nonresident school district.

(3r) A school district may not be a member of an interscholastic athletic association that prohibits the use of a nickname, logo, mascot, or team name on the basis that the nickname, logo, mascot, or team name is race-based unless the use of the nickname, logo, mascot, or team name violates a decision and order issued under sub. (3) on or after December 21, 2013.

(4) (a) Except as provided in par. (b), the state superintendent shall promulgate rules necessary to implement and administer this section.

(b) The state superintendent may not promulgate a rule that creates a presumption that a nickname, logo, mascot, or team name is race-based or promotes discrimination, pupil harassment, or stereotyping.

(5) Any school board that uses a race-based nickname, logo, mascot, or team name in violation of sub. (3) shall forfeit not less than \$100 nor more than \$1,000. Each day of use of the race-based nickname, logo, mascot, or team name in violation of sub. (3) constitutes a separate violation. The state superintendent may not assess or collect a forfeiture under this subsection for a use that violates a decision and order issued under sub. (3) before December 21, 2013.

(2) A pupil who complies with a request under sub. (1) shall provide evidence of an eye examination or evaluation by December 31 following the pupil’s enrollment in kindergarten. The school board or charter school shall provide pupils with the form distributed by the department of safety and professional services under s. 440.03 (16) for that purpose.

(3) (a) Except as provided in par. (b), if a school board establishes a 4-year-old kindergarten program, the program shall be

available to all pupils eligible for the program under sub. (1) (a) or s. 120.12 (25).

The district board of the technical college district in which the child resides shall admit the child. Every technical college district board shall offer day class programs satisfactory to meet the requirements of this paragraph and s. 118.33 (3m) as a condition to the receipt of any state aid.

(c) 1. Upon the child's request and with the written approval of the child's parent or guardian, any child who is 16 years of age may be excused by the school board from regular school attendance if the child and his or her parent or guardian agree, in writing, that the child will participate in a program or curriculum modification under par. The written agreement shall state the services to be provided, the time period needed to complete the high school equivalency program or program leading to the child's high school graduation and how the performance of the pupil will be monitored. The agreement shall be monitored by the school board on a regular basis, but in no case shall the agreement be monitored less frequently than once per semester. If the school board determines that a child is not complying with the agreement, the school board shall notify the child, his or her parent or guardian and the high school equivalency program or program leading to the child's high school graduation that the agreement may be modified or suspended in 30 days.

The agreement shall specify that the child is excused from regular school attendance while he or she is enrolled in the program and making progress toward completion of the program, or successfully completes the program. If the agency providing the program determines that the child is not making progress toward completion of the program, the agency shall notify the child and his or her parent or guardian that the agreement may be suspended within 30 days. Any organization or agency to which a defendant is assigned pursuant to an order under this subdivision acting in good faith has immunity from any civil liability in excess of \$25,000 for any act or omission by or impacting on the defendant.

(2) (a) Every school board shall identify the children at risk who are enrolled in the school district and annually by August 15 develop a plan describing how the school board will meet their needs.

(b) If in the previous school year a school district had 30 or more dropouts or a dropout rate exceeding 5% of its total high school enrollment, the school board may apply to the state superintendent for aid under this section.

(3) (a) 1. Every school board that applies for aid under sub. (2) (b) shall make available to the children at risk enrolled in the school district a program for children at risk.

2. Upon request of a pupil who is a child at risk or the pupil's parent or guardian, a school board described under subd. 1. shall enroll the pupil in the program for children at risk. If the school board makes available more than one program for children at risk, the school board shall enroll the pupil in the program selected by the pupil's parent or guardian if the pupil meets the prerequisites for that program. (4) (a) Annually in August, a school board that applied for aid under this section in the previous school year shall submit a report to the state superintendent. The report shall include only information about the pupils enrolled in a program for children at risk in the previous school year that is necessary for the state superintendent to determine the number of pupils who achieved each of the objectives under par. (b) Upon receipt of a school board's annual report under par. (a) the state superintendent shall pay to the school district from the appropriation under s. 20.255 (2) (bc), for each pupil enrolled in a program for children at risk who achieved at least 3 of the objectives under par. (c) A school district administrator may not designate an individual under par. (a) unless the individual agrees to the designation in writing.

(d) A school district administrator who makes a designation under par. (a) shall provide each individual so designated with an identification card of a form determined by the school board. The designee shall carry the identification card on his or her person at all times while the designee is on official duty under s. 938.19 (1m) and shall exhibit the identification card to any person to whom the designee represents himself or herself as a person authorized to take a child into custody under s. 938.19 (1m).

(e) A school district administrator who makes a designation under par. (a) or the individual designated under par. (a) shall immediately attempt to notify, by personal contact or telephone call, the child's parent, guardian and legal custodian that the designation has been made and that the child may be taken into custody under s. 938.19 (1m). The school district administrator, or the designee, is not required to notify a parent, guardian or legal custodian under this paragraph if the parent, guardian or legal custodian is the person who requested that the child be taken into custody under s. 938.19 (1m).

(3) All private schools shall keep a record containing the information required under ss. 115.30 (2) and 120.18. The record shall be open to the inspection of school attendance officers at all reasonable times. When called upon by any school attendance officer, the school shall furnish, on forms supplied by the school attendance officer, the information required under ss. 115.30 (2) and 120.18 in regard to any child between the ages of 6 and 18 who is a resident of the school district or who claims or is claimed to be in attendance at the school.

(4) (a) The school board shall establish a written attendance policy specifying the reasons for which pupils may be permitted to be absent from a public school under s. 118.15 and shall require the teachers employed in the school district to submit to the school attendance officer daily attendance reports on all pupils under their charge.

(b) No public school may deny a pupil credit in a course or subject solely because of the pupil's unexcused absences or suspensions from school. The attendance policy under par. (a) shall specify the conditions under which a pupil may be permitted to take examinations missed during absences, other than suspensions, and the conditions under which a pupil shall be permitted to take any quarterly, semester or grading period examinations and complete any course work missed during a period of suspension.

(c) The school board may establish policies which provide that as a consequence of a pupil's truancy the pupil may be assigned to detention or to a supervised, directed study program. The program need not be held during the regular school day. The policies under this paragraph shall specify the conditions under which credit may be given for work completed during the period of detention or assignment to a supervised, directed study program. A pupil shall be permitted to take any examinations missed during a period of assignment to a supervised, directed study program.

(cm) 1. The school board may establish policies which provide that a pupil of an age eligible for high school enrollment in the school district, as determined by the school board, may be assigned to a period of assessment as a consequence of the pupil's truancy or upon the pupil's return to school from placement in a correctional facility, mental health treatment facility, alcohol and other drug abuse treatment facility or other out-of-school placement. The policies shall specify the conditions under which a pupil may participate in the assessment without being in violation of s. 118.15 and the maximum length of time that a pupil may be assigned to an assessment period.

2. A school board may not assign a pupil to an assessment period without the written approval of the pupil's parent or guardian. A school board may not assign a pupil to an assessment period for longer than the time necessary to complete the assessment and place the pupil in an appropriate education program or 8 weeks, whichever is less. A school board may not assign a pupil to an assessment period more than once and may not assign a pupil to an assessment period if the school district has an alternative education program, as defined in s. 115.28 (7) (e) 1., available for the pupil that is appropriate for the pupil's needs. An assessment need not be conducted during the regular school day.

3. The goals of an assessment period are to develop an educational plan for the pupil, implement an appropriate transitional plan and facilitate the pupil's placement in an education program in which the pupil will be able to succeed. The school board shall provide pupils who are assigned to an assessment period with information on other education programs that the school district or other community providers have available for the pupil. The assessment may include any of the following new or previously completed activities:

- a. An assessment for problems with alcohol or other drugs.
- b. An assessment of individual educational needs.
- c. An assessment of whether the pupil is encountering problems in the community or at home that require intervention by a social worker.
- d. A vocational assessment, which may include career counseling.
- e. A medical assessment.

(d) The school board shall provide each pupil enrolled in the public schools in the district with a copy of the policies established under this subsection and shall file a copy of the policies in each school in the district. In addition, the school board shall make copies available upon request.

(e) Except as provided under s. 119.55, a school board may establish one or more youth service centers for the counseling of children who are taken into custody under s. 938.19 (1) (d) 10. for being absent from school without an acceptable excuse under s. 118.15.

(5) Except as provided in sub. (5m), before any proceeding may be brought against a child under s. 938.13 (6) for habitual truancy or under s. 938.125 (2) or 938.17 (2) for a violation of an

ordinance enacted under s. 118.163 (2) or against the child's parent or guardian under s. 118.15 for failure to cause the child to attend school regularly, the school attendance officer shall provide evidence that appropriate school personnel in the school or school district in which the child is enrolled have, within the school year during which the truancy occurred, done all of the following:

(a) Met with the child's parent or guardian to discuss the child's truancy or attempted to meet with the child's parent or guardian and received no response or were refused.

(b) Provided an opportunity for educational counseling to the child to determine whether a change in the child's curriculum would resolve the child's truancy and have considered curriculum modifications under s. 118.15 (1) (d).

(c) Evaluated the child to determine whether learning problems may be a cause of the child's truancy and, if so, have taken steps to overcome the learning problems, except that the child need not be evaluated if tests administered to the child within the previous year indicate that the child is performing at his or her grade level.

(d) Conducted an evaluation to determine whether social problems may be a cause of the child's truancy and, if so, have taken appropriate action or made appropriate referrals.

(5m) Subsection (5) (a) does not apply if a meeting under sub. (2) (cg) 3. is not held within 10 school days after the date that the notice under sub. (2) (cg) is sent. Subsection (5) (b), (c) and (d) does not apply if the school attendance officer provides evidence that appropriate school personnel were unable to carry out the activity due to the child's absences from school.

(6) (a) If the school attendance officer receives evidence that activities under sub. (5) have been completed or were not required to be completed as provided in sub. (5m), the school attendance officer may do any of the following:

1. File information on any child who continues to be truant with the court assigned to exercise jurisdiction under chs. 48 and 938 in accordance with s. 938.24. Filing information on a child under this subdivision does not preclude concurrent prosecution of the child's parent or guardian under s. 118.15 (5).

2. Refer the child to a teen court program if all of the following conditions apply:

a. The chief judge of the judicial administrative district has approved a teen court program established in the child's county of residence and has authorized the school attendance officer to refer children to the teen court program and the school attendance officer determines that participation in the teen court program will likely benefit the child and the community.

b. The child and the child's parent, guardian and legal custodian consent to the child's participation in the teen court program.

c. The child has not successfully completed participation in a teen court program during the 2 years before the date on which the school attendance officer received evidence that activities under sub. (5) have been completed or were not completed due to the child's absence from school as provided in sub. (5m).

(b) If a child who is referred to a teen court program under par. (a) 2. is not eligible for participation in the teen court program or does not successfully complete participation in the teen court program, the person administering the teen court program shall file information on the child with the court assigned to exercise jurisdiction under chs. 48 and 938 in accordance with s. 938.24. Filing information on a child under this paragraph does not preclude concurrent prosecution of the child's parent or guardian under s. 118.15 (5).

(7) Any school district administrator, principal, teacher or school attendance officer who violates this section shall forfeit not less than \$5 nor more than \$25.

NOTE: 1993 Wis. Act 339, which created sub. (4) (cm), contains explanatory notes.

A court must consider evidence under sub. (5) prior to entering a finding of contempt based on truancy from school. *T. J. N. v. Winnebago County Social Services Dept.* 141 Wis. 2d 838, 416 N.W.2d 632 (Ct. App. 1987).

Sub. (5) does not limit a court's discretion in setting school attendance requirements in a dispositional order for a delinquent juvenile and in imposing sanctions if the order is violated. By its terms, sub. (5) is limited to children who are habitual truants and therefore in need of protection and services. *State v. Jason R.N.* 201 Wis. 2d 646, 549 N.W.2d 752 (Ct. App. 1996), 95–1728.

When under school board policy a suspension is not an excused absence, an absence as a result of the suspension is not an "acceptable excuse" under sub. (1) (a) or "legal cause" under sub. (1) (c) and may result in a finding of habitual truancy. *State v. Isaac*, 220 Wis. 2d 251, 582 N.W.2d 476 (Ct. App. 1998), 97–1611.

(h) If a county department of human services has not been established under s. 46.23, a representative of a county department established under s. 51.42 or 51.437, designated by the director of the department established under s. 51.42 or 51.437.

(i) Any other member as determined by the committee.

A copy of the report shall be submitted to each of the entities identified in sub. (1) (b) to (h) and any other entity designating members on the committee under sub. (1) (i).

(4) Not later than September 1, 1989, each school board shall adopt a truancy plan which shall include all of the following:

(b) Plans and procedures for identifying truant children of all ages and returning them to school, including the identity of school personnel to whom a truant child shall be returned.

(c) Methods to increase and maintain public awareness of and involvement in responding to truancy within the school district.

(d) The immediate response to be made by school personnel when a truant child is returned to school.

(e) The types of truancy cases to be referred to the district attorney for the filing of information under s. 938.24 or prosecution under s. 118.15 (5) and the time periods within which the district attorney will respond to and take action on the referrals.

(b) A forfeiture of not more than \$50 plus costs for a first violation, or a forfeiture of not more than \$100 plus costs for any 2nd or subsequent violation committed within 12 months of a previous violation, subject to s. 938.37 and subject to a maximum cumulative forfeiture amount of not more than \$500 for all violations committed during a school semester. Any county department of human services or social services, community agency, public agency or nonprofit charitable organization administering a supervised work program or other community service work to which a person is assigned pursuant to an order under this paragraph acting in good faith has immunity from any civil liability in excess of \$25,000 for any act or omission by or impacting on that person.

(c) An order for the person to remain at home except during hours in which the person is attending religious worship or a school program, including travel time required to get to and from the school program or place of worship. (2m) (a) A county, city, village or town may enact an ordinance permitting a court to suspend the operating privilege of a person who is at least 16 years of age but less than 18 years of age and is a dropout. The ordinance shall provide that the court may suspend the person's operating privilege until the person reaches the age of 18. The court may take possession of any suspended license. The court shall forward to the department of transportation a notice stating the reason for and the duration of the suspension.

(b) A court may order a school district to provide to the court a list of all persons who are known to the school district to be dropouts and who reside within the county in which the circuit court is located or the municipality in which the municipal court is located. (4) A person who is under 17 years of age on the date of disposition is subject to s. 938.342.

History: 1987 a. 285; 1991 a. 39; 1993 a. 363; 1995 a. 27 s. 9130 (4); 1995 a. 77, 352; 1997 a. 3, 35, 239; 2001 a. 16; 2009 a. 103.

A circuit court judge hearing a municipal truancy case is acting as a juvenile court and the case is governed by ch. 938. The court lacks statutory authority to order sanctions if the court never enters written dispositional orders that could serve as a basis for sanctions. Under s. 938.355 (6m) (ag) a court may sanction a juvenile who has been adjudicated truant if it finds by a preponderance of the evidence that the juvenile violated a condition of a dispositional order. Section 938.355 (2) (b) states that the dispositional order shall be in writing. A court's minutes sheet is not a court order. A court order must be signed by a judge. *State v. Dylan S.* 2012 WI App 25, 339 Wis. 2d 442, 813 N.W.2d 229, 11–1338.

The teacher shall send the pupil to the school principal or his or her designee and notify the school principal or his or her designee immediately of the reasons for the removal. In addition, the teacher shall provide to the principal or his or her designee within 24 hours after the pupil's removal from the class a written explanation of the reasons for the removal.

(3) (a) The school principal or his or her designee shall place the pupil in one of the following:

2. Another class in the school or another appropriate place in the school, as determined by the school principal or his or her designee.
3. Another instructional setting.
4. The class from which the pupil was removed if, after weighing the interests of the removed pupil, the other pupils in the class and the teacher, the school principal or his or her designee determines that readmission to the class is the best or only alternative.

(b) This subsection does not prohibit the teacher who removed the pupil from the class or the school board, school district administrator, school principal or their designees from disciplining the pupil.

History: 1997 a. 335.

- (c) The program provides at least 875 hours of instruction each school year.
- (d) The program provides a sequentially progressive curriculum of fundamental instruction in reading, language arts, mathematics, social studies, science and health. (2) An institution may request the state superintendent to approve the institution's educational program as a private school. The state superintendent shall base his or her approval solely on the criteria under sub. (1).

The school board or governing body shall not assign to any pupil an identification number that is identical to or incorporates the pupil's social security number. This section does not prohibit a school board or governing body from requiring a pupil to disclose his or her social security number, nor from using a student's social security number if such use is required by a federal or state agency or private organization in order for the school district or private school to participate in a particular program.

History: 1997 a. 128.

History: 1985 a. 29; 1995 a. 27.

Cross-reference: Section 120.12 (11) provides for free books and school supplies for indigent children.

public school, including a charter school, or in a school or institution operated by a county or the state shall first procure a license or permit from the department.

(1m) (a) The department of public instruction may not issue or renew a license or permit or revalidate a license that has no expiration date unless the applicant provides the department of public instruction with his or her social security number. The department of public instruction may not disclose the social security number except to the department of revenue for the sole purpose of requesting certifications under s. 73.0301 and to the department of workforce development for the sole purpose of requesting certifications under s. 108.227.

(1r) (a) As provided in the memorandum of understanding under s. 49.857, the department of public instruction may not issue or renew a license or permit or revalidate a license that has no expiration date unless the applicant provides the department of public instruction with his or her social security number. The department of public instruction may not disclose the social security number except to the department of children and families for the sole purpose of administering s. 49.22.

(b) As provided in the memorandum of understanding under s. 49.857, the department may not issue or renew a license or permit or revalidate a license that has no expiration date if the applicant, licensee or permit holder is delinquent in making court-ordered payments of child or family support, maintenance, birth expenses, medical expenses or other expenses related to the support of a child or former spouse or if the applicant, licensee or permit holder fails to comply, after appropriate notice, with a subpoena or warrant issued by the department of children and families or a county child support agency under s. 59.53 (5) and related to paternity or child support proceedings.

(1s) (a) Notwithstanding subs. (1m) and (1r), if an applicant does not have a social security number, the applicant, as a condition of applying for, or applying to renew or revalidate, a license under this section shall submit a statement made or subscribed under oath or affirmation to the department that the applicant does not have a social security number.

(b) The teaching license of a person who submits a false statement under par. (a) is invalid.

(2) Until the end of the 1971–1972 school year, no certificate or license to teach in any public school may be issued unless the applicant has completed, beyond the work of the high school, 2 years of school work which were devoted to pedagogical instruction and training. Any teacher who has taught in any public school in the 1937–1938 school year or prior thereto may continue to teach in the public schools without complying with this subsection.

(3) (a) No license to teach in any public school may be issued unless the applicant possesses a bachelor's degree including such professional training as the department by rule requires, except as permitted under par. Notwithstanding s. 36.11 (16), no teacher preparatory program in this state may be approved by the state superintendent under s. 115.28 (7) (a), unless each student in the program is required to complete student teaching consisting of full days for a full semester following the daily schedule and semester calendar of the cooperating school. No license to teach in any public school may be granted to an applicant who completed a professional training program outside this state unless the applicant completed student teaching consisting of full days for a full semester following the daily schedule and semester calendar of the cooperating school or the equivalent, as determined by the state superintendent. The state

superintendent may grant exceptions to the student teaching requirements under this paragraph when the midyear calendars of the institution offering the teacher preparatory program and the cooperating school differ from each other and would prevent students from attending classes at the institution in accordance with the institution's calendar. The state superintendent shall promulgate rules to implement this subsection.

(b) The state superintendent shall permanently certify any applicant to teach Wisconsin native American languages and culture who has successfully completed the university of Wisconsin–Milwaukee school of education approved Wisconsin native American languages and culture project certification program at any time between January 1, 1974, and December 31, 1977. School districts shall not assign individuals certified under this paragraph to teach courses other than Wisconsin native American languages and culture, unless they qualify under par. (a).

(4) (a) Notwithstanding subch. The state superintendent may grant the license only if the person establishes by clear and convincing evidence that he or she is entitled to the license.

(b) Notwithstanding par. (a), the state superintendent shall grant a license to a person convicted of a crime described under par. (a), prior to the expiration of the 6-year period following the conviction, if the conviction is reversed, set aside or vacated.

(4m) The state superintendent may not issue or renew a license to teach the visually impaired unless the applicant demonstrates, based on criteria established by the state superintendent by rule, that he or she is proficient in reading and writing braille and in teaching braille. In promulgating rules under this subsection, the state superintendent shall take into consideration the standard used by the librarian of congress for certifying braille transcribers.

(5) A person is not required to be licensed as an alternative education program teacher under s. 115.28 (7) (e) 2. to teach in an alternative education program, as defined in s. 115.28 (7) (e) 1.

(6) In granting certificates or licenses for the teaching of courses in economics, social studies or agriculture, adequate instruction in cooperative marketing and consumers' cooperatives shall be required. In granting certificates or licenses for the teaching of courses in science or social studies, adequate instruction in the conservation of natural resources shall be required.

(7) No certificate or license to teach industrial arts subjects may be issued unless the applicant has had 3 years of practical experience beyond apprenticeship or 4 years of institutional training in such subjects. For purposes of salary schedules and promotion, any person teaching an industrial arts subject on January 1, 1936, who had 5 years of practical or teaching experience in such subject shall be deemed to have the equivalent of a bachelor's degree.

(8) The state superintendent may not grant to any person a license to teach unless the person has received instruction in the study of minority group relations, including instruction in the history, culture and tribal sovereignty of the federally recognized American Indian tribes and bands located in this state.

(9) (a) Except as provided in par. (b), the state superintendent may not issue an initial teaching license, school district administrator's license or school administrator's license unless the applicant has demonstrated competency in all of the following:

1. Resolving conflicts between pupils and between pupils and school staff.
2. Assisting pupils in learning methods of resolving conflicts between pupils and between pupils and school staff, including

training in the use of peer mediation to resolve conflicts between pupils.

3. Dealing with crises, including violent, disruptive, potentially violent or potentially disruptive situations, that may arise in school or at activities supervised by a school as a result of conflicts between pupils or between pupils and other persons.

(b) The state superintendent may waive the requirements under par. (a) if the applicant demonstrates competency in the subjects under par. (a) 1. to 3. within 12 months after the date on which the license is issued.

(10) (a) In this subsection, “educational agency” has the meaning given in s. 115.31 (1) (b).

2. Over a 5-year period, conduct a background investigation of each person who holds a license, issued by the state superintendent, that has no expiration date and who is employed by an educational agency.

(c) If the person under par. (b) is a nonresident, or if the state superintendent determines that the person’s employment, licensing or state court records provide a reasonable basis for further investigation, the state superintendent shall require the person to be fingerprinted on 2 fingerprint cards, each bearing a complete set of the person’s fingerprints, or by other technologies approved by law enforcement agencies. The department of justice may provide for the submission of the fingerprint cards or fingerprints by other technologies to the federal bureau of investigation for the purposes of verifying the identity of the person fingerprinted and obtaining records of his or her criminal arrest and conviction.

(d) Upon request, an educational agency shall provide the state superintendent with all of the following information about each person employed by the educational agency who holds a license, issued by the state superintendent, that has no expiration date:

1. The person’s name.

2. The person’s social security number or the license identification number given by the department when the person’s original license was issued.

3. Other identifying information, including the person’s birthdate, sex, race and any identifying physical characteristics.

(e) The state superintendent may issue or renew a license or permit conditioned upon the receipt of a satisfactory background investigation.

(f) The state superintendent shall keep confidential all information received under this subsection from the department of justice or the federal bureau of investigation. Except as provided in par. (g), such information is not subject to inspection or copying under s. 19.35.

(g) At the request under s. 49.22 (2m) of the department of children and families or a county child support agency under s. 59.53 (5), the state superintendent shall release the name and address of the applicant or licensee, the name and address of the applicant’s or licensee’s employer and financial information, if any, related to the applicant or licensee obtained under this subsection to the department of children and families or the county child support agency.

The phonics instruction need not be provided

as a separate course. In this subsection, “phonics” means a method of teaching beginners to read and pronounce words by learning the phonetic value of letters, letter groups and syllables.

(14) (a) The department may not issue an initial teaching license that authorizes the holder to teach in grades kindergarten to 5 or in special education, an initial license as a reading teacher, or an initial license as a reading specialist, unless the applicant has passed an examination identical to the Foundations of Reading test administered in 2012 as part of the Massachusetts Tests for Educator Licensure. The department shall set the passing cut score on the examination at a level no lower than the level recommended by the developer of the test, based on this state’s standards.

(c) Any teacher who passes the examination under par. (a) shall notify the department, which shall add a notation to the teacher’s license indicating that he or she passed the examination.

(16) The department shall ensure that teaching experience gained while a person held an emergency permit issued by the department under s. PI 34.21 (2), Wis. Adm. Code, counts toward fulfillment of the teaching experience requirement for a license based on experience under s. PI 34.195 (2), Wis. Adm. Code, or for a license in a school administrator category under s. PI 34.32, Wis. Adm. Code.

118.192 Professional teaching permits. (1) The state superintendent shall establish an alternative teacher training program for music, art, foreign language, computer science, mathematics and science teachers. The program shall consist of approximately 100 hours of formal instruction.

(2) An individual who holds a bachelor’s degree in engineering, music, art, foreign language, computer science, mathematics or science from an accredited institution of higher education, has at least 5 years of experience as a professional in the subject area in which his or her degree was awarded and demonstrates, to the satisfaction of the state superintendent, competency in that subject area that is current and compatible with modern curricula may apply to the state superintendent for enrollment in the alternative teacher training program. The state superintendent shall charge a fee sufficient to cover the costs of the program.

(3) The state superintendent shall grant a professional teaching permit to any person who satisfactorily completes the program under sub. (2). The permit authorizes the person to teach the subject area specified by the state superintendent in grades kindergarten to 12. The initial permit shall be valid for 2 years. During the initial permit period, the person shall be supervised by a person who holds a regular teaching license. The permit is renewable for 5-year periods.

(4) A school board that employs a person who holds a professional teaching permit shall ensure that no regularly licensed teacher is removed from his or her position as a result of the employment of persons holding permits.

118.195 Discrimination against handicapped teachers prohibited. (1) No person otherwise qualified may be denied a certificate or license from the state superintendent under s. 118.19 (1) because the person is totally or partially blind, deaf or physically handicapped nor may any school district refuse to employ a teacher on such grounds, if such handicapped teacher is able to carry out the duties of the position which the person seeks.

(2) Any school board may request the state superintendent for advice and assistance in interpreting this section.

History: 1993 a. 492; 1995 a. 27 s. 9145 (1); 1997 a. 27.

118.20 Teacher discrimination prohibited. (1) No discrimination because of sex, except where sex is a bona fide occupational qualification as defined in s. 111.36 (2), race, nationality

or political or religious affiliation may be practiced in the employment of teachers or administrative personnel in public schools or in their assignment or reassignment. No questions of any nature or form relative to sex, except where sex is a bona fide occupational qualification as defined in s. 111.36 (2), race, nationality or political or religious affiliation may be asked applicants for teaching or administrative positions in the public schools either by public school officials or employees or by teachers agencies or placement bureaus.

(2) The state superintendent or a person designated by the state superintendent may receive and investigate complaints charging discrimination in employment, assignment or reassignment of teachers or administrative personnel in the public schools and the state superintendent or designee may hold hearings, subpoena witnesses and take testimony to effectuate the purposes of this section.

(3) If the state superintendent finds probable cause to believe that any discrimination prohibited by this section has been or is being practiced, the state superintendent shall immediately endeavor to eliminate the practice by conference, conciliation or persuasion. In case of failure to eliminate the discrimination, the state superintendent shall issue and serve a written notice of hearing, specifying the nature of the discrimination which appears to have been committed, and requiring the public school official, employee, teacher agency or placement bureau named, hereinafter called the “respondent” to answer the complaint at a hearing before the state superintendent. The notice shall specify a time of hearing not less than 10 days after service of the complaint, and a place of hearing within the county in which the discrimination is alleged to have occurred.

(4) After hearing, if the state superintendent finds that the respondent has engaged in discrimination prohibited by this section the state superintendent shall make written findings and recommend such action by the respondent as shall satisfy the purposes of this section and shall serve a certified copy of the findings and recommendations on the respondent together with an order requiring the respondent to comply with the recommendations. Any person aggrieved by noncompliance with the order shall be entitled to have the order enforced specifically by suit in equity. If the state superintendent finds that the respondent has not engaged in the alleged discrimination, the state superintendent shall serve a certified copy of the state superintendent’s findings on the complainant together with an order dismissing the complaint.

(5) If any public school official, employee, teachers agency or placement bureau violates sub. (1) or fails or refuses to obey any lawful order made by the state superintendent pursuant to this section, such person shall forfeit and pay into the state treasury not less than \$25 nor more than \$50, or be imprisoned not less than 5 nor more than 30 days. Such violation or failure or refusal to obey an order shall be grounds for the removal of any school district administrator, member of a school board or other public school official. Findings and orders of the state superintendent under this section shall be subject to judicial review under ch. 227.

(6) Upon request of the state superintendent, the attorney general or district attorney of the county in which any investigation, hearing or trial under this section is pending, shall aid and prosecute under supervision of the state superintendent, all necessary actions or proceedings for the enforcement of this section and for the punishment of all violations thereof.

(7) In administering this section the state superintendent shall have authority to make, amend and rescind rules necessary to carry out the purposes of this section.

Section 118.20 is not the exclusive remedy of a wronged teacher; it is supplementary to the fair employment act, ch. 111. *Kurtz v. City of Waukesha*, 91 Wis. 2d 103, 280 N.W.2d 757 (1979).

118.21 Teacher contracts. (1) The school board shall contract in writing with qualified teachers. The contract, with a copy

of the teacher’s authority to teach attached, shall be filed with the school district clerk. Such contract, in addition to fixing the teacher’s wage, may provide for compensating the teacher for necessary travel expense. A teaching contract with any person not legally authorized to teach the named subject or at the named school shall be void. All teaching contracts shall terminate if, and when, the authority to teach terminates.

(2) Any person who contracts to teach in any public school shall file in the office of the school district administrator, within 10 days after entering into such contract, a statement showing the date of expiration and the grade and character of certificate or license held. In any school district not having a school district administrator, the statement shall be filed with the school district clerk. Teachers employed by a cooperative educational service agency shall file the statement in the office of the agency coordinator. No order or warrant may be issued by the school district clerk in payment of the salary of any teacher, unless the teacher has complied with this subsection.

(3) School boards may provide in the contracts of teachers of agricultural and homemaking courses for payment out of school district funds for services performed outside the school district and connected with the performance of their regular teaching duties, and for travel expenses connected with such services.

(4) School boards may give to any teacher, without deduction from the teacher’s wages, the whole or part of any time spent by the teacher in attending a teachers’ educational convention, upon the teacher’s filing with the school district clerk a certificate of attendance at the convention, signed by the person or secretary of the association conducting the convention.

History: 1979 c. 301; 1993 a. 492.

Cross-reference: See s. 118.22 (2) for requirement that majority vote of full board membership is required for employment of a teacher.

A collective bargaining provision that releases only teacher members of a majority union from in-service days to attend, with pay, a state convention of the union is discriminatory, but the school board can deny compensation to minority union members who attend a regional convention of their union if they do so in good faith. *Board of Education v. WERC*, 52 Wis. 2d 625, 191 N.W.2d 242 (1971).

A teacher’s lack of legal authority to teach assigned courses, although known to the school board at time of hiring and subsequent assignments, was sufficient ground for dismissal despite the fact that school superintendent repeatedly assured the teacher that the certification problem was an administrative omission that would be cured by the board. *Grams v. Melrose-Mindoro Jr. School Dist. No. 1*, 78 Wis. 2d 569, 254 N.W.2d 730 (1977).

An individual teacher’s contract under ss. 118.21 and 118.22 is subservient to a collective bargaining contract under s. 111.70. 60 Atty. Gen. 342.

School boards have authority to contract with teachers to provide for an increment or sum in addition to their regular salary in return for the teacher choosing an early retirement option. 63 Atty. Gen. 16.

Even though a teacher was properly dismissed for an admitted violation of school rules, she was entitled to a due process hearing on other charges affecting her reputation as a teacher. *Carpenter v. Greenfield School Dist. No. 6*, 358 F.Supp. 220 (1973).

118.22 Renewal of teacher contracts. (1) In this section:

(a) “Board” means a school board, technical college district board, board of control of a cooperative educational service agency or county children with disabilities education board, but does not include any board of school directors in a city of the 1st class.

(b) “Teacher” means any person who holds a teacher’s certificate or license issued by the state superintendent or a classification status under the technical college system board and whose legal employment requires such certificate, license or classification status, but does not include part-time teachers or teachers employed by any board of school directors in a city of the 1st class.

(2) On or before May 15 of the school year during which a teacher holds a contract, the board by which the teacher is employed or an employee at the direction of the board shall give the teacher written notice of renewal or refusal to renew the teacher’s contract for the ensuing school year. If no such notice is given on or before May 15, the contract then in force shall continue for the ensuing school year. A teacher who receives a notice of renewal of contract for the ensuing school year, or a teacher who does not receive a notice of renewal or refusal to renew the teacher’s contract for the ensuing school year on or before May 15, shall accept or reject in writing such contract not later than the follow-

ing June 15. No teacher may be employed or dismissed except by a majority vote of the full membership of the board. Nothing in this section prevents the modification or termination of a contract by mutual agreement of the teacher and the board. No such board may enter into a contract of employment with a teacher for any period of time as to which the teacher is then under a contract of employment with another board.

(3) At least 15 days prior to giving written notice of refusal to renew a teacher's contract for the ensuing school year, the employing board shall inform the teacher by preliminary notice in writing that the board is considering nonrenewal of the teacher's contract and that, if the teacher files a request therefor with the board within 5 days after receiving the preliminary notice, the teacher has the right to a private conference with the board prior to being given written notice of refusal to renew the teacher's contract.

History: 1971 c. 154; 1981 c. 223; 1983 a. 189; 1993 a. 399, 492; 1995 a. 27 s. 9145 (1); 1997 a. 27, 164; 2011 a. 10, 114.

Notice of intent not to renew that part of a contract providing extra pay for extra work as a coach is not necessary. *Richards v. Sheboygan Board of Education*, 58 Wis. 2d 444, 206 N.W.2d 597 (1973).

Under the facts of the case, the failure to timely provide notice of the right to a private conference under sub. (3) did not provide sufficient grounds to issue a writ of mandamus. *Rawhouser v. CESA No. 4*, 75 Wis. 2d 52, 248 N.W.2d 442 (1977).

In the absence of evidence of a school board's bias, the trial court had no jurisdiction to hold a de novo hearing regarding the competence of a teacher facing nonrenewal under sub. (3). *Naus v. Sheboygan Falls Joint School District No. 1*, 76 Wis. 2d 104, 250 N.W.2d 725 (1977).

Arbitration was proper under a "discharge and nonrenewal" clause in a collective bargaining agreement when the school board did not offer teacher a second contract after rejecting a contract that was signed and returned by the teacher with the title "probationary contract" crossed out. *Jefferson Joint School Dist. No. 10 v. Jefferson Education Association* 78 Wis. 2d 94, 253 N.W.2d 536 (1977).

Under sub. (2), a board has the exclusive right to hire and fire a teacher. Due process does not require that the board be an impartial decisionmaker. *Hortonville Education Association v. Hortonville Joint School District No. 1*, 87 Wis. 2d 347, 274 N.W.2d 697 (1979).

An employment contract that recites that a teacher's employment will not be renewed cannot be construed as a waiver of rights granted by this section. There is a presumption of good faith applicable to a board's decisions. *Faust v. Ladysmith-Hawkins School Systems*, 88 Wis. 2d 525, 277 N.W.2d 303, 281 N.W.2d 611 (1979).

The layoff of a teacher is not the equivalent of a "refusal to renew" when a collective bargaining agreement under s. 111.70 contains layoff provisions incorporated in the teacher's contract. *Mack v. Joint School District No. 3, Hales Corners*, 92 Wis. 2d 476, 285 N.W.2d 604 (1979).

Arbitrators appointed pursuant to the grievance procedure contained in a collective bargaining agreement properly held a de novo factual hearing to determine whether just cause existed for the school board to terminate a teacher. *Fortney v. A teacher who forgot to accept an employment offer under s. 118.22 (2) and who was consequently terminated did not voluntarily terminate employment under s. 108.04 (7). *Nelson v. LIRC*, 123 Wis. 2d 221, 365 N.W.2d 629 (Ct. App. 1985).

Sub. (2) requires written notice of nonrenewal. A district must follow the explicit written notice requirement. *Sterlinske v. School District of Bruce*, 211 Wis. 2d 608, 565 N.W.2d 273 (Ct. App. 1997), 96-2624.

118.225 Teacher evaluations. A school board may use value-added analyses of scores on the examinations administered to pupils under s. 118.30 and 20 USC 6311 (b) (3) to evaluate teachers if the school board has developed a teacher evaluation plan that includes all of the following:

- (1) A description of the evaluation process.
- (2) Multiple criteria in addition to examination results.
- (3) The rationale for using examination results to evaluate teachers.
- (4) An explanation of how the school board intends to use the evaluations to improve pupil academic achievement.

118.23 Populous counties; teacher tenure. (1) In this section "teacher" means any person who holds a teacher's certificate or license and whose legal employment requires such certificate or license, who is employed full time and meets the minimum requirements prescribed by the governing body employing such person and who is employed by a school board, board of trustees or governing body of any school operating under chs. 115 to 121 and lying entirely and exclusively in a county having a population of 500,000 or more. "Teacher" does not include any superintendent or assistant superintendent; any teacher having civil service status under ss. 63.01 to 63.17; any teacher in a public school in a 1st class city; or any person who is employed by a school board during time of war as a substitute for a teacher on leave while on full-time duty in the U.S. armed forces or any reserve or auxiliary thereof and who is notified in writing at the time of employment that the position is of a temporary nature.

(2) All teachers shall be employed on probation, but after continuous and successful probation for 3 years and the gaining of the 4th contract in the same school system or school, their employment shall be permanent except as provided in sub. (3). All principals shall be employed on probation, but after continuous and successful probation for 3 years and the gaining of a 4th contract in the same school system or school, their employment shall be permanent except as provided in sub. (3). Upon accepting employment in another school system or school to which this section applies, a teacher who has acquired permanent employment under this section shall be on probation therein for 2 years. After continuous and successful probation for 2 years and gaining the 3rd contract in such school system or school, employment therein shall be permanent except as provided in sub. (3). A person who acquired tenure as a teacher under this section shall not be deprived of tenure as a teacher by reason of the person's employment as a principal.

(3) No teacher who has become permanently employed under this section may be refused employment, dismissed, removed or discharged, except for inefficiency or immorality, for willful and persistent violation of reasonable regulations of the governing body of the school system or school or for other good cause, upon written charges based on fact preferred by the governing body or other proper officer of the school system or school in which the teacher is employed. Upon the teacher's written request and no less than 10 nor more than 30 days after receipt of notice by the teacher, the charges shall be heard and determined by the governing body of the school system or school by which the teacher is employed. Hearings shall be public when requested by the teacher and all proceedings thereat shall be taken by a court reporter. All parties shall be entitled to be represented by counsel at the hearing. The action of the governing body is final.

(4) If necessary to decrease the number of permanently employed teachers by reason of a substantial decrease of pupil population within the school district, the governing body of the school system or school may lay off the necessary number of teachers, but only in the inverse order of the appointment of such teachers. No permanently employed teacher may be prevented from securing other employment during the period that the teacher is laid off under this subsection. Such teachers shall be reinstated in inverse order of their being laid off, if qualified to fill the vacancies. Such reinstatement shall not result in a loss of credit for previous years of service. No new permanent or substitute appointments may be made while there are laid off permanent teachers available who are qualified to fill the vacancies.

(6) This section does not apply after December 21, 1995. Any person whose employment is permanent under sub. (3) on December 21, 1995, shall retain all of the rights and privileges of such permanent employment after that date.

History: 1971 c. 154; 1979 c. 89; 1981 c. 223; 1983 a. 391; 1993 a. 492; 1995 a. 111; 2011 a. 10.

Layoff and reinstatement provisions in this section are to be applied separately to classroom teachers and principals. 70 Atty. Gen. 6.

118.235 Lunch period for teachers. Every school board shall grant daily a duty-free lunch period to each of its teachers, except that a school district may contract with any teacher employed by it for services during such period. Such period shall be not less than 30 minutes and shall be provided at or near the time of the regular school lunch period.

118.24 School district administrator. (1) A school board may employ a school district administrator, a business manager and school principals and assistants to such persons. The term of each employment contract may not exceed 2 years. A contract for a term of 2 years may provide for one or more extensions of one year each.

(2) (a) Under the direction of the employing school board, the school district administrator shall have general supervision and management of the professional work of the schools and the promotion of pupils.

(b) The school district administrator shall not be a member of the school board and shall not engage in any pursuit which interferes with the proper discharge of the duties.

(c) The school district administrator shall make written recommendations to the school board on teachers, courses of study, discipline and such other matters as the administrator thinks advisable and shall perform such other duties as the school board requires.

(d) The school district administrator may act as principal or teacher in any school under the administrator's supervision.

(f) The school district administrator shall ensure that the administrative and pupil service staff in the district cooperate with the county department under s. 51.42 in the dissemination of information regarding the availability of alcohol and drug abuse services and to jointly establish procedures for the referral to appropriate agencies of students experiencing problems resulting from the use of alcohol or other drugs.

(3) The principal shall perform such administrative and instructional leadership responsibilities as are assigned by the district administrator under the rules and regulations of the school board.

(4) A business administrator shall perform such fiscal and business management and other administrative duties as are assigned by the district administrator subject to the rules, regulations and approval of the school board.

(5) School principals and business administrators, and assistants thereto, may, upon authorization from the school board or district administrator, attend conventions for the purpose of promoting and stimulating their professional growth and for improving the schools of the district and the state. For such approved attendance they may be reimbursed for actual and necessary expenses incurred for travel, board, lodging and attendance at such conventions upon proper filing of proof of attendance and of such necessary expenditures.

(6) The employment contract of any person described under sub. (1) shall be in writing and filed with the school district clerk. At least 4 months prior to the expiration of the employment contract, the employing school board shall give notice in writing of either renewal of the contract or of refusal to renew such person's contract. If no such notice is given, the contract then in force shall continue in force for 2 years. Any such person who receives notice of renewal or who does not receive notice of renewal or refusal to renew the person's contract at least 4 months before the contract expiration shall accept or reject the contract in writing on or before a date 3 months prior to the contract expiration. No such person may be employed or dismissed except by a majority vote of the full membership of the school board. Nothing in this section prevents the modification or termination of an employment contract by mutual agreement of the parties. No school board may enter into a contract of employment with any such person for a period of time as to which such person is then under a contract of employment with another school board.

(7) Prior to giving notice of refusal to renew the contract of any person described under sub. (1), the employing board shall give such person preliminary notice in writing by registered mail at least 5 months prior to the expiration of such contract that the board is considering nonrenewal of the contract, and that if such person files a written request with the board within 7 days after receiving such notice, the person has the right to a hearing before the board prior to being given written notice of refusal to renew the contract. The written request for a hearing shall include a statement requesting either a private hearing or a public hearing before the board. Section 118.22 does not apply to such a proceeding. If a hearing concerning nonrenewal of the contract is requested, the reasons upon which the board is considering nonrenewal may also be requested and the board shall furnish such reasons before the hearing in writing.

(8) Personnel administrators and supervisors, curriculum administrators and assistants to such administrative personnel, when employed by the school board of any school district to perform administrative duties only, may be employed for a term that does not exceed 2 years. A contract for a term of 2 years may provide for one or more extensions of one year each. Subsections (5) to (7) are applicable to such persons when they are employed to perform administrative duties only.

(9) Nothing in this section shall be construed:

(a) To prohibit the school board of any district from hiring part-time administrative personnel; or

(b) To prohibit the employment relations commission from making a determination that persons hired as part-time administrative personnel shall be included in the collective bargaining unit of persons hired as teachers and shall be covered by the terms of a collective bargaining agreement which exists pursuant to s. 111.70.

(10) No principal or assistant principal may be granted tenure or permanent employment.

History: 1975 c. 379, 421; 1979 c. 331; 1983 a. 317; 1985 a. 176; 1993 a. 16; 1995 a. 27, 50; 2009 a. 215.

The school board and district under sub. (3) can require a principal to perform administrative responsibilities as long as their performance does not modify the terms of an employment contract. *Kabes v. School District of River Falls*, 2004 WI App 55, 270 Wis. 2d 502, 677 N.W.2d 667, 03–0522.

The statutes do not support the existence of a school principal's property interest in performing specific duties. *Ulichny v. Merton Community School District*, 93 F. Supp. 2d 1011 (2000). Affirmed. 249 F.3d 686 (2001).

Due process does not require that an outside decisionmaker conduct the hearing provided for under sub. (7). *Beischel v. Stone Bank School District*, 362 F.3d 430 (2004).

118.245 Referendum; increase in employee wages.

(1) If a school board wishes to increase the total base wages of its employees in an amount that exceeds the limit under s. 111.70 (4) (mb) 2., the school board shall adopt a resolution to that effect. The resolution shall specify the amount by which the proposed total base wages increase will exceed the limit under s. 111.70 (4) (mb) 2. The resolution may not take effect unless it is approved in a referendum called for that purpose. The referendum shall occur in April for collective bargaining agreements that begin in July of that year. The results of a referendum apply to the total base wages only in the next collective bargaining agreement.

(2) The question submitted in the referendum shall be substantially as follows: "Shall the employees in the [school district] receive a total increase on wages from \$....[current total base wages] to \$....[proposed total base wages], which is a percentage wage increase that is [x] percent higher than the percent of the consumer price index increase, for a total percentage increase in wages of [x]?"

History: 2011 a. 10.

This section does not violate the plaintiffs' associational rights. No matter the limitations or burdens a legislative enactment places on the collective bargaining process, collective bargaining remains a creation of legislative grace and not constitutional obligation. The restrictions attached to the statutory scheme of collective bargaining are irrelevant in regards to freedom of association because no condition is being placed on the decision to participate. If a general employee participates in collective bargaining under 2011 Wis. Act 10's statutory framework, that general employee has not relinquished a constitutional right. They have only acquired a benefit to which

they were never constitutionally entitled. *Madison Teachers, Inc. v. Walker*, 2014 WI 99, ___ Wis. 2d ___, ___ N.W.2d ___, 12–2067.

118.25 Health examinations. (1) In this section “school employee” means a person employed by a school board who comes in contact with children or who handles or prepares food for children while they are under the supervision of school authorities.

(2) (a) As a condition of employment, the school board, except in 1st class cities, shall require a physical examination, including a chest X–ray or tuberculin test, of every school employee of the school district. Freedom from tuberculosis in a communicable form is a condition of employment. In the case of a new school employee, the school board may permit the school employee to submit proof of an examination, chest X–ray or tuberculin test complying with this section which was taken within the past 90 days in lieu of requiring such examination, X–ray or test. If the reaction to the tuberculin test is positive, a chest X–ray shall be required. Additional physical examinations shall be required thereafter at intervals determined by the school board. The school employee shall be examined by a physician in the employ of or under contract with the school district, but if a physician is not employed or under contract, the examination shall be made by a physician selected by the school employee.

(b) Such physical examinations, chest X–rays or tuberculin tests shall not be required of any school employee who files with the school board an affidavit setting forth that the employee depends exclusively upon prayer or spiritual means for healing in accordance with the teachings of a bona fide religious sect, denomination or organization and that the employee is to the best of the employee’s knowledge and belief in good health and that the employee claims exemption from health examination on these grounds. Notwithstanding the filing of such affidavit, if there is reasonable cause to believe that such employee is suffering from an illness detrimental to the health of the pupils, the school board may require a health examination of such school employee sufficient to indicate whether or not such school employee is suffering from such an illness. No school employee may be discriminated against by reason of the employee’s filing such affidavit.

(c) The physician making a physical examination shall prepare a report of the examination upon a standard form prepared by the department of health services and the department. Such report shall be retained in the physician’s files and the physician shall make confidential recommendations therefrom to the school board and to the school employee on a form prepared by the department of health services and the department. The recommendation form shall contain space for a certificate that the person is free from tuberculosis in a communicable form. The cost of such examinations, including X–rays and tuberculin tests, shall be paid out of school district funds.

(3) In counties having a population of less than 500,000, the school board may require periodic health examinations of pupils by physicians, under the supervision of local health departments and the department of health services, and may pay the cost of the examinations out of school district funds.

(4) If a health or physical examination made under this section includes the testing of vision, such test may be made by an optometrist. Forms used for reporting such vision tests shall so indicate.

(5) As a condition of employment, special teachers, school psychologists, school social workers, cooperative educational service agency personnel and other personnel working in public schools shall have physical examinations under sub. (2). The employing school district or agency shall pay the cost of such examinations.

(6) As a condition of employment, employees of the state superintendent whose work brings them into contact with school children or with school employees shall have physical examinations under sub. (2).

There shall be no charge for health treatment services provided to any pupils unless public school students or their parents are charged for similar services. For purposes of state aid, as it is provided under s. 115.88 to the public school district, for the health treatment service program, private school and tribal school pupils receiving such health treatment services shall be counted among the pupils of the public school district receiving such services, although each child may receive health treatment services within the child’s own school facilities, whether public, private, or tribal.

(b) A school board, cooperative educational service agency, or county children with disabilities education board providing services under this section may enter into agreements with the administrator of a private school or tribal school on the scheduling, space, and other necessary arrangements for performance of such health treatment services. A school board, cooperative educational service agency, or county children with disabilities education board shall not pay any private school or tribal school for any services or facilities provided under this section. Control of the health treatment services program shall rest with the public school board, cooperative educational service agency, or county children with disabilities education board.

(c) A school board, cooperative educational service agency, or county children with disabilities education board may provide health treatment services only within private school or tribal school facilities located within the boundaries of the school district, cooperative educational service agency, or county.

(3) The school board, cooperative educational service agency or county children with disabilities education board maintaining health treatment services shall report annually to the department, and at such other times as the department directs, such information as the department requires.

(4) If the state superintendent is satisfied that the health treatment services program has been maintained during the preceding school year in accordance with law, the state superintendent shall certify to the department of administration in favor of each school board, cooperative educational service agency and county children with disabilities education board maintaining such health treatment services, an amount equal to the amount expended for items listed in s. 115.88 (1m) by the school board, cooperative educational service agency and county children with disabilities education board during the preceding year for these health treatment services as costs eligible for reimbursement from the appropriation under s. 20.255 (2) (b).

(b) Annually by June 30 through the 2003–04 school year, a committee consisting of the state superintendent, the chairpersons of the education committees in the senate and assembly and the individual chiefly responsible for the evaluation under sub. (7) shall review the progress made by each school for which an achievement guarantee contract has been entered into. The committee may recommend to the department that the department terminate a contract if the committee determines that the school board has violated the contract or if the school has made insufficient progress toward achieving its performance objectives under sub. 1. In the 1996–97 school year, divide the amount appropriated by the number of low-income pupils enrolled in grades kindergarten and one in each school in this state covered by contracts under this section and multiply the quotient by the number of pupils enrolled in those grades in each school in the school district covered by contracts under this section.

2. In the 1997–98 school year, divide the amount appropriated by the number of low-income pupils enrolled in grades kindergarten to 2 in each school in this state covered by contracts under this section and multiply the quotient by the number of pupils enrolled in those grades in each school in the school district covered by contracts under this section.

3. In the 1998–99 school year, divide the amount appropriated by the sum of the number of low-income pupils enrolled in grades kindergarten to 3 in each school in this state covered by contracts under sub. (3) (ar) an amount equal to \$2,000 multiplied by the number of low-income pupils enrolled in grades eligible for funding in each school in the school district covered by contracts under sub. (3) (ar). In making these payments, the department shall give priority to schools that have the highest percentage of low-income pupil enrollment and shall also ensure that it fully distributes the amount appropriated.

7. In the 2001–02 and 2002–03 school years, \$2,000 multiplied by the number of low-income pupils enrolled in grades eligible for funding in each school in the school district covered by contracts under sub. (3) (ar).

8. In the 2003–04 and 2004–05 school years, \$2,000 multiplied by the number of low-income pupils enrolled in grades eligible for funding in each school in the school district covered by contracts under sub. (3) (ar) and by renewals of contracts under sub. (2) (g).

9. In the 2005–06 and 2006–07 school years, \$2,000 multiplied by the number of low-income pupils enrolled in grades eligible for funding in each school in the school district covered by renewals of contracts under sub. (2) (g); and in the 2007–08, 2008–09, and 2009–10 school years, \$2,250 multiplied by the number of low-income pupils enrolled in grades eligible for funding in each school in the school district covered by renewals of contracts under sub. (2) (g).

10. In the 2010–11 school year and any subsequent school year, \$2,250 multiplied by the number of low-income pupils

enrolled in a grade eligible for funding, and in a class in which the class size has been reduced in the manner required under sub. (3) (a), (am), (ar), or (at) or permitted under sub. (3m), in each school in the school district covered by contracts under sub. (3) (at) and (av) and by renewals of contracts under sub. (2) (g).

(d) The school board shall use the aid under this section to satisfy the terms of the contract.

(e) The department shall cease payments under this section to any school district if the school board withdraws from the contract before the expiration of the contract.

(6m) RULES. The department shall promulgate rules to implement and administer the payment of state aid under sub. (6).

If the department approves the amount before June 30, 2001, the department shall, from the appropriation under s. 20.255 (2) (cs), pay each school district that issues bonds pursuant to a referendum under 1999 Wisconsin Act 9, section 9139 (2d), an amount equal to 20% of the annual debt service cost on the bonds. This subsection does not apply to the school district operating under ch. 119.

(b) The department shall promulgate rules to implement and administer this subsection.

118.45 Tests for alcohol use. A school board employee or agent, or law enforcement officer, as defined in s. 102.475 (8) (c), authorized by a public school board may require a public school pupil, including a charter school pupil, to provide one or more samples of his or her breath for the purpose of determining the presence of alcohol in the pupil's breath whenever the authorized employee, agent or officer has reasonable suspicion that the pupil is under the influence of alcohol while the pupil is in any of the circumstances listed in s. 125.09 (2) (b) 1. to 3. The authorized employee, agent or officer shall use a breath screening device approved by the department of transportation for the purpose of determining the presence of alcohol in a person's breath to determine if alcohol is present in the pupil's breath. The results of the breath screening device or the fact that a pupil refused to submit to breath testing shall be made available for use in any hearing or proceeding regarding the discipline, suspension or expulsion of a student due to alcohol use. No school board may require a pupil to provide one or more samples of his or her breath for the purpose of determining the presence of alcohol in the pupil's breath until the school board has adopted written policies regarding disciplines or treatments that will result from being under the influence of alcohol while on school premises or from refusing to submit to breath testing to determine the presence of alcohol in the pupil's breath.

118.51 Full-time open enrollment. (1) **DEFINITIONS.** In this section:

(a) "Child with a disability" has the meaning given in s. 115.76 (5).

(am) "Habitual truant" has the meaning given in s. 118.16 (1) (a).

(b) "Nonresident school board" means the school board of a nonresident school district.

(c) "Nonresident school district" means a school district, other than a pupil's resident school district, that the pupil is attending or has applied to attend under this section.

(d) "Parent" includes a guardian.

(e) "Resident school board" means the school board of a resident school district.

(f) "Resident school district" means the school district in which a pupil resides.

(2) APPLICABILITY. A pupil may attend a public school, including a charter school, prekindergarten, 4-year-old kindergarten, or early childhood or school-operated child care program, in a nonresident school district under this section, except that a pupil may attend a prekindergarten, 4-year-old kindergarten, or early childhood or school-operated child care program in a nonresident school district only if the pupil's resident school district offers the same type of program that the pupil wishes to attend and the pupil is eligible to attend that program in his or her resident school district.

(3) APPLICATION PROCEDURES. Except as provided under sub. (3m), the following procedures govern pupil applications to attend a public school in a nonresident school district under this section:

(a) *Submission and acceptance or rejection.* 1. The parent of a pupil who wishes to attend a public school in a nonresident school district under this section shall submit an application, on a form provided by the department under sub. (15) (a), to the school board of the nonresident school district that the pupil wishes to attend, not earlier than the first Monday in February and not later than the last weekday in April of the school year immediately preceding the school year in which the pupil wishes to attend. Applications may be submitted to no more than 3 nonresi-

dent school boards in any school year. The nonresident school board shall send a copy of the application to the pupil's resident school board and the department by the end of the first weekday following the last weekday in April. The application may include a request to attend a specific school or program offered by the nonresident school district.

1m. By the first Friday following the first Monday in May, the resident school board shall send to the nonresident school district a copy of the individualized education program developed under s. 115.787 (2) for a child with a disability whose parent submitted an application under subd. 1.

2. A nonresident school board may not act on any application received under subd. 1. before May 1. If a nonresident school board receives more applications for a particular grade or program than there are spaces available in the grade or program, the nonresident school board shall determine which pupils to accept, including pupils accepted from a waiting list under sub. (5) (d), on a random basis, after giving preference to pupils and to siblings of pupils who are already attending the nonresident school district and, if the nonresident school district is a union high school district, to pupils who are attending an underlying elementary school district of the nonresident school district under this section. If a nonresident school board determines that space is not otherwise available for open enrollment pupils in the grade or program to which an individual has applied, the school board may nevertheless accept a pupil or the sibling of a pupil who is already attending the nonresident school district and, if the nonresident school district is a union high school district, a pupil who is attending an underlying elementary school district of the nonresident school district under this section.

3. Except as provided under sub. (5) (d) 1., on or before the first Friday following the first Monday in June following receipt of the application, the nonresident school board shall notify the applicant, in writing, whether it has accepted the application. If the nonresident school board has accepted the applicant, the school board shall identify the specific school or program that the applicant may attend in the following school year. If the nonresident school board rejects an application, it shall include in the notice the reason for the rejection.

4. On or before the 2nd Friday following the first Monday in June following receipt of a copy of the application, if a resident school board denies a pupil's enrollment in a nonresident school district under sub. (6), (7) or (12) (b) 1., the resident school board shall notify the applicant and the nonresident school board, in writing, that the application has been denied and include in the notice the reason for the denial.

6. Except as provided in sub. (5) (d) 2., if an application is accepted, on or before the last Friday in June following receipt of a notice of acceptance, or within 10 days of receiving a notice of acceptance if a pupil is selected from a waiting list under sub. (5) (d), the pupil's parent shall notify the nonresident school board of the pupil's intent to attend school in that school district in the following school year.

(b) *Notice to resident school district.* Annually by July 7, each nonresident school board that has accepted a pupil under this section for attendance in the following school year shall report the name of the pupil to the pupil's resident school board.

(c) *Subsequent reapplication; when required.* 1. If a pupil's parent notifies a nonresident school board, under par. (a) 6., that the pupil intends to attend school in that school district in the following school year, the pupil may attend that school district in the following school year and may continue to attend that school district in succeeding school years without reapplying, except that the nonresident school board may require that the pupil reapply, no more than once, when the pupil enters middle school, junior high school or high school.

2. If at any time a pupil who is attending school in a nonresident school district under this section wishes to attend school in a different nonresident school district under this section, the

pupil's parent shall follow the application procedures under par. (a).

(3m) ALTERNATIVE APPLICATION PROCEDURES UNDER CERTAIN CIRCUMSTANCES. (a) Notwithstanding sub. (3), the parent of a pupil who wishes to attend a public school in a nonresident school district under this section may, in lieu of applying under sub. (3), submit an application under this subsection, on a form provided by the department under sub. (15) (a), to the school board of the nonresident school district that the pupil wants to attend if the pupil satisfies at least one of the criteria under par. (b). Applications may be submitted to no more than 3 nonresident school boards in any school year.

(b) The parent of a pupil may apply under this subsection only if the pupil meets one of the following criteria, and shall describe the criteria that the pupil meets in the application:

1. The resident school board determines that the pupil has been the victim of a violent criminal offense, as defined by the department by rule. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application within 30 days after the determination of the resident school board.

2. The pupil is or has been a homeless pupil in the current or immediately preceding school year. In this subdivision, "homeless pupil" means an individual who is included in the category of homeless children and youths, as defined in 42 USC 11434a (2).

3. The pupil has been the victim of repeated bullying or harassment and all of the following apply:

a. The pupil's parent has reported the bullying or harassment to the resident school board.

b. Despite action taken under subd. 3. a., the repeated bullying and harassment continues.

4. The place of residence of the pupil's parent or guardian and of the pupil has changed as a result of military orders. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application no later than 30 days after the date on which the military orders changing the place of residence were issued.

5. The pupil moved into this state. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application no later than 30 days after moving into this state.

6. The place of residence of the pupil has changed as a result of a court order or custody agreement or because the pupil was placed in a foster home or with a person other than the pupil's parent, or removed from a foster home or from the home of a person other than the pupil's parent. An application made on the basis of this criteria is not valid unless the nonresident school board receives the application no later than 30 days after the pupil's change in residence.

7. The parent of the pupil, the resident school board, and the nonresident school board agree that attending school in the nonresident school district is in the best interests of the pupil.

8. The parent of the pupil and the nonresident school board agree that attending school in the nonresident school district is in the best interests of the pupil. If the resident school board notifies the parent of the pupil who applies under this subdivision that the pupil may not attend the nonresident school district, the parent may appeal the resident school district's decision to the department and must explain in the appeal why the pupil applied to attend school in the nonresident school district. The resident school district must respond to the appeal and provide an explanation for rejecting the pupil's transfer into the nonresident school district. If the department determines that the resident school district's decision to deny the pupil's transfer into the nonresident school district is not in the best interests of the pupil, the department shall notify the resident and nonresident school districts and the pupil's parent that the pupil may attend the nonresident school

district. The department's determination under this subdivision is final.

(c) If a nonresident school board receives an application under par. (a), the nonresident school board shall immediately forward a copy of the application to the resident school board, and shall notify the applicant, in writing, whether it has accepted the application no later than 20 days after receiving the application. If the nonresident school board has accepted the application, the nonresident school board shall identify the specific school or program that the pupil may attend.

(d) A resident school district may notify an applicant under par. (a) that the pupil may not attend a school or program in the nonresident school district only for the following reasons:

1. The resident school district determines that the criteria relied on by the applicant under par. (b) does not apply to the pupil.

2. a. Except as provided in subd. 2. b., the resident school district determines that the costs of the special education or related services required in the individualized education program under s. 115.787 (2) for a child with a disability whose parent has submitted an application under par. (a), as proposed to be implemented by the nonresident school district, would impose upon the child's resident school district an undue financial burden in light of the resident school district's total economic circumstances, including its revenue limit under subch. VII of ch. 121, its ability to pay tuition costs for the pupil, and the per pupil special education or related services costs for children with disabilities continuing to be served by the resident school district.

b. Subdivision 2. a. does not apply to a pupil who submits an application under par. (a) if the pupil relied upon the criteria set forth in par. (b) 1.

(e) If an application is accepted by the nonresident school board under par. (c), the pupil may immediately begin attending the school or program in the nonresident school district and shall begin attending the school or program no later than the 15th day following receipt by the parent of the pupil of the notice of acceptance under par. (c). If the pupil has not enrolled in or attended school in the nonresident school district by the day specified in this paragraph, the nonresident school district may notify the pupil's parent, in writing, that the pupil is no longer authorized to attend the school or program in the nonresident school district.

(4) **ADOPTION OF POLICIES AND CRITERIA.** (a) By February 1, 1998, each school board shall adopt a resolution specifying all of the following:

1. Its reapplication requirements, if any, under sub. (3) (c) 1.
2. Its acceptance and rejection criteria under sub. (5) (a) and (b).
3. A statement of the preference required under sub. (3) (a) 2.
4. Its transfer limitations, if any, under sub. (6).
5. If the school district is eligible for aid under subch. VI of ch. 121, the limitation on transfers into or out of the school district imposed by the school board under sub. (7).

6. Whether it will provide transportation under s. 121.54 (10) for some or all of the pupils who reside in the school district and attend school in a nonresident school district under this section or for some or all of the pupils who reside in other school districts and attend its schools under this section, and the means, under s. 121.55, by which it will provide such transportation.

(b) If the school board revises its criteria or policies under par. (a), it shall do so by resolution.

(5) **NONRESIDENT SCHOOL DISTRICT ACCEPTANCE CRITERIA.** (a) *Permissible criteria.* Except as provided in sub. (3) (a) 2., the criteria for accepting and rejecting applications from nonresident pupils under subs. (3) (a) and (3m) (a) may include only the following:

1. The availability of space in the schools, programs, classes, or grades within the nonresident school district. The nonresident school board shall determine the number of regular education and

special education spaces available within the school district in the January meeting of the school board, except that for the 2011–12 school year the board shall determine the number of regular education and special education spaces available within the school district in the February meeting of the school board. In determining the availability of space, the nonresident school board may consider criteria such as class size limits, pupil–teacher ratios, or enrollment projections established by the nonresident school board and may include in its count of occupied spaces all of the following:

a. Pupils attending the school district for whom tuition is paid under s. 121.78 (1) (a).

b. Pupils and siblings of pupils who have applied under sub. (3) (a) or (3m) (a) and are already attending the nonresident school district.

c. If the nonresident school district is a union high school district, pupils who have applied under sub. (3) (a) or (3m) (a) and are currently attending an underlying elementary school district of the nonresident school district under this section.

2. Whether the pupil has been expelled from school by any school district during the current or 2 preceding school years for any of the following reasons or whether a disciplinary proceeding involving the pupil, which is based on any of the following reasons, is pending:

a. Conveying or causing to be conveyed any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives.

b. Engaging in conduct while at school or while under supervision of a school authority that endangered the health, safety or property of others.

c. Engaging in conduct while not at school or while not under the supervision of a school authority that endangered the health, safety or property of others at school or under the supervision of a school authority or of any employee of the school district or member of the school board.

d. Possessing a dangerous weapon, as defined in s. 939.22 (10), while at school or while under the supervision of a school authority.

3. Whether the nonresident school board determined that the pupil was habitually truant from the nonresident school district during any semester of attendance at the nonresident school district in the current or previous school year.

4. Whether the special education or related services described in the child's individualized education program under s. 115.787 (2) are available in the nonresident school district or whether there is space available to provide the special education or related services identified in the child's individualized education program, including any class size limits, pupil–teacher ratios or enrollment projections established by the nonresident school board.

6. Whether the child has been referred to his or her resident school board under s. 115.777 (1) or identified by his or her resident school board under s. 115.77 (1m) (a) but not yet evaluated by an individualized education program team appointed by his or her resident school board under s. 115.78 (1).

(b) *Rejection after initial acceptance.* The criteria under par. (a) may provide that, notwithstanding the nonresident school board's acceptance of an application under sub. (3) (a) 3., at any time prior to the beginning of the school year in which the pupil will first attend school in the school district under this section, the school board may notify the pupil that he or she may not attend school in the school district if the school board determines that any of the criteria under par. (a) 2. are met.

(d) *Waiting list.* 1. The school board of a nonresident school district may create a waiting list of pupils whose applications were rejected under sub. (3) (a) 3. The nonresident school board may accept pupils from a waiting list created under this paragraph until the 3rd Thursday in September but only if the pupil will be in attendance at the school or program in the nonresident school dis-

trict on the 3rd Friday in September. Notwithstanding sub. (3) (a) 6., if a pupil is accepted from a waiting list created under this paragraph after the start of the school term, the parent shall immediately notify the resident school district of the pupil's intent to attend school in the nonresident school district for the current school term.

2. A pupil accepted from a waiting list created under this paragraph may attend the school or program in the nonresident school district even if the pupil has attended a school or program in the pupil's resident school district in the current school term, but not if the pupil has attended a school or program in a nonresident school district in the current school term.

3. The department shall promulgate rules to implement and administer this paragraph.

(6) RESIDENT SCHOOL DISTRICT TRANSFER LIMITATIONS. A school board may limit the number of its resident pupils attending public school in other school districts under this section in the 1998–99 school year to 3% of its membership. In each of the 7 succeeding school years, a school board may limit the number of its resident pupils attending public school in other school districts to an additional 1% of its membership. If more than the maximum allowable number of resident pupils apply to attend public school in other school districts in any school year under this section, the school board shall determine which pupils will be allowed to attend public school in other school districts on a random basis, except that the school board shall give preference to pupils who are already attending public school in the school district to which they are applying under this section and to siblings of such pupils.

(7) RACIAL BALANCE. (a) The school board of a school district that is eligible for aid under subch. VI of ch. 121 shall reject any application for transfer into or out of the school district made under this section if the transfer would increase racial imbalance in the school district. A pupil who transfers out of a school district under subch. VI of ch. 121 shall not be counted in that school district's membership, as defined in s. 121.004 (5), for the purpose of determining the school district's racial balance under this paragraph.

(b) The school board of a school district that receives applications for transfer into the school district under subch. VI of ch. 121 and this section may not accept applications made under this section until it has accepted or rejected all applications made under subch. VI of ch. 121.

(8) DISCIPLINARY RECORDS. Notwithstanding s. 118.125, for an application submitted under sub. (3) (a), by the first Friday following the first Monday in May, and within 10 days of receiving a copy of an application under sub. (3m) (c), the resident school board shall provide to the nonresident school board to which a pupil has applied under this section a copy of any expulsion findings and orders pertaining to the pupil, a copy of records of any pending disciplinary proceeding involving the pupil, a written explanation of the reasons for the expulsion or pending disciplinary proceeding and the length of the term of the expulsion or the possible outcomes of the pending disciplinary proceeding.

(9) APPEAL OF REJECTION. If the nonresident school board rejects an application under sub. (3) (a) or (7), the resident school board prohibits a pupil from attending public school in a nonresident school district under sub. (3m) (d), (6), (7) or (12) (b) 1., or the nonresident school board prohibits a pupil from attending public school in the nonresident school district under sub. (11), the pupil's parent may appeal the decision to the department within 30 days after the decision. If the nonresident school board provides notice that the special education or related service is not available under sub. (12) (a), the pupil's parent may appeal the required transfer to the department within 30 days after receipt of the notice. If the resident school board provides notice of transfer under sub. (12) (b) 2., the pupil's parent may appeal the required transfer to the department within 30 days after receipt of the notice. The department shall affirm the school board's decision

unless the department finds that the decision was arbitrary or unreasonable.

(10) PUPIL ASSIGNMENT. A nonresident school board may assign pupils accepted to attend public school in the school district under this section to a school or program within the school district. The school board may give preference in attendance at a school, program, class or grade to residents of the school district who live outside the school's attendance area.

(11) HABITUAL TRUANCY. Notwithstanding subs. (3) (c) and (13), if a nonresident school board determines that a pupil attending the nonresident school district under this section is habitually truant from the nonresident school district during either semester in the current school year, the nonresident school board may prohibit the pupil from attending the nonresident school district under this section in the succeeding semester or school year.

(12) SPECIAL EDUCATION OR RELATED SERVICES. (a) *Unavailable after enrollment.* If the individualized education program for a pupil, developed or revised under s. 115.787 after a child begins attending public school in a nonresident school district under this section, requires special education or related services that are not available in the nonresident school district or if there is no space available to provide the special education or related services identified in the child's individualized education program, including any class size limits, pupil–teacher ratios or enrollment projections established by the nonresident school board, the nonresident school board may notify the child's parent and the child's resident school board that the special education or related service is not available in the nonresident school district. If such notice is provided, the child shall be transferred to his or her resident school district, which shall provide an educational placement for the child under s. 115.79 (1) (b).

(am) *Estimate of costs.* 1. The nonresident school district shall prepare an estimate of the costs to provide the special education or related services required in the individualized education program developed under s. 115.787 (2) for a child with a disability whose parent has submitted an application under this section. For an application submitted for a child with a disability under sub. (3) (a), the nonresident school district shall provide a copy of the estimate of costs to the resident school district by the 3rd Friday following the first Monday in May. For an application submitted for a child with a disability under sub. (3m) (a), the nonresident school district shall provide a copy of the estimate of costs to the resident school district within 10 days after receiving or developing the individualized education program for the applicant.

2. Except as provided in subd. 3., if the nonresident school district fails to comply with the requirement under this section by the date specified, the nonresident school district may not charge the resident school district for any actual, additional costs incurred by the nonresident school district to provide the special education and related services for the child with a disability.

3. Subdivision 2. does not apply if the resident school district fails to comply with the requirements under sub. (3) (a) 1m.

(b) *Undue financial burden.* 1. If the estimate of the costs of the special education or related services required in the individualized education program under s. 115.787 (2) for a child with a disability whose parent has submitted an application under sub. (3) (a), as proposed to be implemented by the nonresident school district and as provided to the resident school district as required under par. (am), would impose upon the child's resident school district an undue financial burden in light of the resident school district's total economic circumstances, including its revenue limit under subch. VII of ch. 121, its ability to pay tuition costs for the pupil, and the per pupil special education or related services costs for children with disabilities continuing to be served by the resident school district, the child's resident school board may notify the child's parent and the nonresident school board by the 2nd Friday following the first Monday in June that the pupil may

not attend the nonresident school district to which the child has applied.

2. If the costs of the special education or related services required in an individualized education program for a pupil, developed or revised under s. 115.787 after a child begins attending public school in a nonresident school district under this section, as implemented or proposed to be implemented by the nonresident school district, would impose upon the child's resident school district an undue financial burden in light of the resident school district's total economic circumstances, including its revenue limit under subch. VII of ch. 121, its ability to pay tuition costs for the pupil and the per pupil special education or related services costs for children with disabilities continuing to be served by the resident school district, the child's resident school board may notify the pupil's parent and the nonresident school board that the costs of the special education or related services impose such an undue financial burden on the resident school district. If such notice is provided, the child shall be transferred to his or her resident school district, which shall provide an educational placement for the child under s. 115.79 (1) (b).

(13) RIGHTS AND PRIVILEGES OF NONRESIDENT PUPILS. Except as provided in s. 118.134 (3m), a pupil attending a public school in a nonresident school district under this section has all of the rights and privileges of pupils residing in that school district and is subject to the same rules and regulations as pupils residing in that school district.

(13m) PARTICIPATION IN CERTAIN PROGRAMS. A pupil attending a public school in a nonresident school district under this section shall be considered a resident of the nonresident school district for the purposes of participating in programs of a cooperative educational service agency or a county children with disabilities education board.

(14) TRANSPORTATION. (a) *Responsibility.* 1. Except as provided in subd. 2., the parent of a pupil attending public school in a nonresident school district under this section is responsible for transporting the pupil to and from school in the nonresident school district attended by the pupil.

2. If the pupil is a child with a disability and transportation of the pupil is required in the individualized education program developed for the child under s. 115.787 (2) or is required under s. 121.54 (3), the nonresident school district shall provide such transportation for the child.

(b) *Low-income assistance.* The parent of a pupil who is eligible for a free or reduced-price lunch under 42 USC 1758 (b) and who will be attending public school in a nonresident school district in the following school year under this section may apply to the department, on the form prepared under sub. (15) (a), for the reimbursement of costs incurred by the parent for the transportation of the pupil to and from the pupil's residence and the school that the pupil will be attending. The department shall determine the reimbursement amount and shall pay the amount from the appropriation under s. 20.255 (2) (cy). The reimbursement amount may not exceed the actual transportation costs incurred by the parent or 3 times the statewide average per pupil transportation costs, whichever is less. If the appropriation under s. 20.255 (2) (cy) in any one year is insufficient to pay the full amount of approved claims under this paragraph, payments shall be prorated among the parents entitled thereto. By the 2nd Friday following the first Monday in May following receipt of the parent's application under sub. (3) (a), the department shall provide to each parent requesting reimbursement under this paragraph an estimate of the amount of reimbursement that the parent will receive if the pupil attends public school in the nonresident school district in the following school year.

(15) DEPARTMENT DUTIES. The department shall do all of the following:

(a) *Application form.* Prepare, distribute to school districts, and make available to parents an application form to be used by parents under sub. (3) (a) and an application form to be used by

parents under sub. (3m) (a). The form shall include provisions that permit a parent to apply for transportation reimbursement under sub. (14) (b). The form shall require an applicant who is applying to attend a virtual charter school to indicate that he or she is applying to attend a virtual charter school, the number of virtual charter schools to which he or she is applying, and whether he or she is a sibling of a pupil currently enrolled in a virtual charter school through the open enrollment program.

(b) *Information and assistance.* Develop and implement an outreach program to educate parents about the open enrollment program under this section, including activities specifically designed to educate low-income parents, and services to answer parents' questions about the program and assist them in exercising the open enrollment option provided under this section.

(c) *Annual report.* Annually submit a report to the governor and to the appropriate standing committees of the legislature under s. 13.172 (3). The report under this paragraph shall include all of the following information:

1. The number of pupils who applied to attend public school in a nonresident school district under this section.

2. The number of applications received under subs. (3) (a) and (3m) (a) and, for the applications received under sub. (3m) (a), the number of applications received under each of the criteria listed in sub. (3m) (b).

3. The number of applications denied and the bases for the denials.

4. The number of pupils attending public school in a nonresident school district under this section. The department shall specify, separately, the number of pupils attending public school in a nonresident school district whose applications were accepted under subs. (3) (a) 3. and (3m) (c), and, for the applications accepted under sub. (3m) (c), the number of pupils attending under each of the criteria listed in sub. (3m) (b).

(16) STATE AID ADJUSTMENTS. (a) Annually, the department shall determine all of the following:

1. For each school district, the number of nonresident pupils attending public school in the school district under this section, other than pupils for whom tuition is paid under sub. (17).

2. For each school district, the number of resident pupils attending public school in a nonresident school district under this section, other than pupils for whom tuition is paid under sub. (17).

3. a. For the amount in the 2013–14 and 2014–15 school years, the amount determined under this subdivision for the previous school year plus \$150.

b. Beginning with the amount in the 2015–16 school year, the sum of the amount determined under this subdivision for the previous school year; the amount of the per pupil revenue limit adjustment under s. 121.91 (2m) for the current school year, if positive; and the change in the amount of statewide categorical aid per pupil between the previous school year and the current school year, as determined under s. 118.40 (2r) (e) 2p., if positive.

(b) 1. If the number determined in par. (a) 1. is greater than the number determined in par. (a) 2. for a school district, the department shall increase that school district's state aid payment under s. 121.08 by an amount equal to the difference multiplied by the amount determined under par. (a) 3.

2. If the number determined in par. (a) 1. is less than the number determined in par. (a) 2. for a school district, the department shall decrease that school district's state aid payment under s. 121.08 by an amount equal to the difference multiplied by the amount determined under par. (a) 3. If the state aid payment under s. 121.08 is insufficient to cover the reduction, the department shall decrease other state aid payments made by the department to the school district by the remaining amount. If the state aid payment under s. 121.08 and other state aid payments made by the department to the school district are insufficient to cover the reduction, the department shall use the moneys appropriated

under s. 20.255 (2) (cg) to pay the balance to school districts under subd. 1.

(c) If a pupil attends public school in a nonresident school district under this section for less than a full school term, the department shall prorate the state aid adjustments under this subsection based on the number of days that school is in session and the pupil attends public school in the nonresident school district.

(d) The department shall ensure that the aid adjustment under par. (b) does not affect the amount determined to be received by a school district as state aid under s. 121.08 for any other purpose.

(17) SPECIAL EDUCATION TUITION. The resident school board shall pay to the nonresident school board, for each child who is attending public school in the nonresident school district under this section and is receiving special education or related services under subch. V of ch. 115, tuition calculated using the daily tuition rate under s. 121.83 for such children enrolled in the nonresident school district, or an amount agreed to by the school boards of the 2 school districts.

(18) LOCATION OF VIRTUAL CHARTER SCHOOLS. For purposes of this section, a virtual charter school is located in the school district specified in s. 118.40 (8) (a).

Sub. (6) provides no authority to limit resident student transfers, or open enrollment, provided for in sub. (2) after the 2005–06 school year. Because there are no express provisions for any school year beyond 2005–06 and no indication that the application of the 2005–06 percentage limits would be ongoing, the application of the percentage limits must end in 2005–06. *School District of Stockbridge v. Evers*, 2010 WI App 144, 330 Wis. 2d 80, 792 N.W.2d 615, 10–0829.

While this section imposes application requirements and some limitations, for example relating to racial balance and special education students under subs. (7) and (12) (b) 1., there are no restrictions on resident transfers based on the overall financial health of the resident district. *School District of Stockbridge v. Evers*, 2010 WI App 144, 330 Wis. 2d 80, 792 N.W.2d 615, 10–0829.

The portion of sub. (7) (a) that requires a school district eligible for aid under chapter 121, subchapter VI, to reject an open enrollment application if the requested transfer into or out of the district would increase the district's racial imbalance is inconsistent with the equal protection guarantees of the United States Constitution, as those guarantees were applied in the *Seattle School Dist. No. 1*, 127 S. Ct. 2738 (2007). *OAG 4–07*. See also, *N.N. v. Madison Metropolitan School District*, 670 F. Supp. 2d 927.

(10) DISCIPLINARY RECORDS. Notwithstanding s. 118.125, the resident school board shall provide to the educational institution to which a pupil has applied under this section, upon request by that educational institution, a copy of any expulsion findings and orders, a copy of records of any pending disciplinary proceeding involving the pupil, a written explanation of the reasons for the expulsion or pending disciplinary proceeding and the length of the term of the expulsion or the possible outcomes of the pending disciplinary proceeding.

This section applies when a high school student attends an educational institution including the University of Wisconsin System (UWS) for the purpose of taking a course offered by the educational institution. Before the 2013 revision of this section, a high school student taking a concurrent enrollment course for college credit paid tuition to UWS, either directly or indirectly. Providing concurrent enrollment courses to high school students at no cost to the students is consistent with the legislative intent in revising this section. OAG 4–14.

118.53 Attendance by pupils enrolled in a home-based private educational program. (1) In this section, "course" means study which has the fundamental purposes of developing the knowledge, concepts, and skills in a subject.

118.55 Youth options program. (1) **DEFINITION.** In this section, "institution of higher education" means an institution within the University of Wisconsin System, a tribally controlled

college or a private, nonprofit institution of higher education located in this state.

The pupil shall submit an application to the institution of higher education in the previous school semester. The pupil shall indicate on the application whether he or she will be taking the course or courses for high school credit or postsecondary credit. The pupil shall also specify on the application that if he or she is admitted the institution of higher education may disclose the pupil's grades, the courses that he or she is taking and his or her attendance record to the public school in which the pupil is enrolled.

(b) Paragraph (a) applies to a private institution of higher education and to a tribally controlled college only if the private institution of higher education or tribally controlled college has notified the state superintendent of its intent to participate in the program under this section by September 1 of the previous school year.

(3) NOTIFICATION OF SCHOOL BOARD; DETERMINATION OF HIGH SCHOOL CREDIT. (a) A pupil who intends to enroll in an institution of higher education under this section shall notify the school board of the school district in which he or she is enrolled of that intention no later than March 1 if the pupil intends to enroll in the fall semester, and no later than October 1 if the pupil intends to enroll in the spring semester. The notice shall include the titles of the courses in which the pupil intends to enroll and the number of credits of each course, and shall specify whether the pupil will be taking the courses for high school or postsecondary credit.

(b) If the pupil specifies in the notice under par. (a) that he or she intends to take a course at an institution of higher education for high school credit, the school board shall determine whether the course is comparable to a course offered in the school district, and whether the course satisfies any of the high school graduation requirements under s. 118.33 and the number of high school credits to award the pupil for the course, if any. In cooperation with institutions of higher education, the state superintendent shall develop guidelines to assist school districts in making the determinations. The school board shall notify the pupil of its determinations, in writing, before the beginning of the semester in which the pupil will be enrolled. If the pupil disagrees with the school board's decision regarding comparability of courses, satisfaction of high school graduation requirements or the number of high school credits to be awarded, the pupil may appeal the school board's decision to the state superintendent within 30 days after the decision. The state superintendent's decision shall be final and is not subject to review under subch. III of ch. 227.

(4) ADMISSION TO INSTITUTION OF HIGHER EDUCATION; NOTIFICATION. (a) An institution of higher education may admit a pupil under this section only if it has space available.

The notification shall include the course or courses in which the pupil is enrolled.

(c) If a pupil is not admitted to attend the course that he or she specified in the notice under sub. (3) (b). In this subdivision, “net cost” has the meaning given in s. 121.004 (6), and “membership” has the meaning given in s. 121.004 (5).

(6) RESPONSIBILITY OF PUPIL FOR TUITION AND FEES; INSTITUTION OF HIGHER EDUCATION. (a) Subject to sub. (3) (b), has determined that the course is not comparable to a course offered in the school district.

(b) A pupil taking a course at an institution of higher education for high school credit under this section is responsible for the tuition and fees for the course if the school board has determined that the course is comparable to a course offered in the school district, unless the state superintendent reverses the school board’s decision on appeal under sub. (3) (b).

(c) A pupil taking a course at an institution of higher education for postsecondary credit under this section is responsible for the tuition and fees for the course.

(7g) TRANSPORTATION. The parent or guardian of a pupil who is attending an institution of higher education or technical college under this section and is taking a course for high school credit may apply to the state superintendent for reimbursement of the cost of transporting the pupil between the high school in which the pupil is enrolled and the institution of higher education or technical college that the pupil is attending if the pupil and the pupil’s parent or guardian are unable to pay the cost of such transportation. 5. The pupil is not ineligible under sub. (7t) (c) to participate in the program under this section.

(am) A school board may refuse to permit a pupil to attend a technical college under this subsection if the pupil is a child with a disability, as defined in s. 115.76 (5), and the school board determines that the cost to the school district under par. (dm) would impose an undue financial burden on the school district.

(b) The technical college district board shall admit the pupil to the technical college if he or she meets the requirements and prerequisites of the course or courses for which he or she applied, except as follows:

1. The district board may admit a pupil to a course under this subsection only if there is space available in the course after admitting to the course all individuals applying for admission to the course who are not attending the technical college under this subsection.

2. The district board may reject an application from a pupil who has a record of disciplinary problems, as determined by the district board.

(c) If a child attends a technical college under this subsection, the technical college shall ensure that the child’s educational program meets the high school graduation requirements under s. 118.33. At least 30 days before the beginning of the technical college semester in which the pupil will be enrolled, the school board of the school district in which the pupil resides shall notify the pupil, in writing, if a course in which the pupil will be enrolled does not meet the high school graduation requirements and whether the course is comparable to a course offered in the school district. (7t) LIMITATIONS ON PARTICIPATION AND PAYMENT. (a) A school board may establish a written policy limiting the number of credits for which the school board will pay under subs. (5) and (7r) (d) to the equivalent of 18 postsecondary semester credits per pupil.

(b) If a school board is required to pay tuition and fees on behalf of a pupil under sub. (5) (a) or (c) 1. or (7r) (d), the tuition and fees charged may not exceed the amount that would be charged a pupil who is a resident of this state.

(c) If a pupil receives a failing grade in a course, or fails to complete a course, at an institution of higher education or technical college for which the school board has made payment, the pupil’s parent or guardian, or the pupil if he or she is an adult, shall reimburse the school board the amount paid on the pupil’s behalf upon the school board’s request. If a school board that requests reim-

bursement of a payment made under this section is not reimbursed as requested, the pupil on whose behalf the payment was made is ineligible for any further participation in the program under this section. For the purposes of this paragraph, a grade that constitutes a failing grade for a course offered in the school district constitutes a failing grade for a course taken at an institution of higher education or technical college under this section.

If the private school is accredited under this subd. 7. a., the private school is not required to obtain preaccreditation under subd. 7. b. as a prerequisite to providing instruction under this section in additional grades or in an additional or new school.

b. Each private school that begins participation in the program under this section on or after April 10, 2014, and that is not accredited by an accrediting entity, shall obtain preaccreditation by a preaccrediting entity by August 1 before the first school term in which the private school begins participation in the program under this section, or by May 1 if the private school begins participating in the program during summer school. If the amount of the fee paid by the new private school under this subd. 1. c. decreases for the school year in which the new private school will first participate in the program under this section, the department shall refund the new private school the difference between the fee paid and the fee due to the department.

2. a. By August 1 of the school year immediately preceding the school year in which the new private school intends to participate in the program under this section, submit to the department the information required under sub. (6m) (a) and (c).
