Assembly Bill 427 Testimony
January 22, 2014

First of all, I would like to thank you, Chairman Weininger and committee members, for allowing me to testify on AB 427. This bill increases the cap on the price of a Class A raffle ticket from \$100 to \$500.

This change would be helpful for charitable, service, fraternal and veteran's organizations that use raffle tickets to raise funds.

In the 1990s, the limit for a class A raffle ticket was \$50. That limit was raised to \$100 in 2001. Thirteen years later, it is time to increase the amount again.

Thanks for considering this request. I would be happy to address any questions.
