## **RECOMMENDATION**

### Milwaukee Area Technical College

The Joint Legislative Council Study Committee on Reducing Recidivism and Removing Impediments to Ex-Offender Employment recommends that the Legislature provide support to the Milwaukee Area Technical College for the following educational programs: (1) Blueprint for Prosperity; (2) Right Path Program; (3) Second Chance Pell Pilot Program; and (4) AEFL Institutionalized Individual Grant. The Study Committee also recommends that the Legislature support MATC, in collaboration with Employ Milwaukee and the Department of Corrections, to provide education and training for high demand and high growth occupations, using recommendations from the Integrated Reentry Employment Strategies model and other evidence-based approaches.
