REQUEST

Pursuant to s. 20.004(2) of the statutes, the Department of Administration and Legislative Fiscal Bureau request approval of the appropriations schedule and summaries for 2017-19 to be printed in the next edition of the state statutes.

BACKGROUND

At the conclusion of each legislative session, the Department of Administration and Legislative Fiscal Bureau submit to the Joint Committee on Finance, for its approval, the appropriations schedule and summaries for inclusion in the next edition of the state statutes. These schedules and summaries are to incorporate the effect of each act of the Legislature and Governor.

Attached is the report of the Department of Administration and Legislative Fiscal Bureau. It contains the appropriations summaries. A copy of the entire appropriations schedule has been given to the Committee's Co-chairs.

It should be noted that the attached summaries reflect all bills enacted in this legislative session (2017 Wisconsin Acts 1 thru 367), and approvals, to date, by the Joint Committee on Finance.

CONCLUSION

The summaries and schedules prepared by the DOA and LFB reflect decisions of the 2017-18 legislative session. Following approval by the Committee, the summaries and schedules will be modified to incorporate all decisions of the Committee's June 14, 2018, meeting and then forwarded to the Legislative Reference Bureau for inclusion in the next edition of the <u>Wisconsin Statutes</u>.

SUBJECT: Appropriations Schedule and Summaries Under Chapter 20 of the Statutes

Section 20.004 of the Statutes requires the Department of Administration, upon final adjournment of the Legislature, to submit the appropriations schedule and corresponding summaries of Chapter 20 of the Statutes to the Joint Committee on Finance for its approval.

Chapter 20 contains a listing of all appropriations, by fund source, for each state agency. At the conclusion of each legislative session, DOA is required to amend the appropriations schedule and summaries to incorporate all law changes enacted in the session. Once the schedule and summaries are approved by the Joint Committee on Finance, they are forwarded to the Legislative Reference Bureau to be printed in the ensuing issue of the <u>Wisconsin Statutes</u>.

In addition, because the approved 2017-19 appropriations schedule serves as the beginning point of the development of the 2019-21 budget, timely approval is necessary in order for state agencies to meet the statutorily required budget request submission date of September 17, 2018.

As in past biennia, the Department of Administration and Legislative Fiscal Bureau have worked together to prepare the schedule and summaries for the Committee's approval. We believe that the attached summaries correctly reflect the final Chapter 20 schedule for 2017-19 based upon the enactment of 2017 Acts 1 through 367, and approvals, to date, by the Joint Committee on Finance. A complete copy of the Chapter 20 schedule has been given to each of the Committee's Co-Chairs.
