NOTES

- * Governor McCallum's first executive order is no.418, 3/1/01. The next executive order is no.1.
- ** Prior to October 1983, special sessions were called via proclamation (see Appendix).
- ** Prior to 1965, executive orders were issued less frequently and were not numbered. Some current executive order functions, such as calling for a special election, ordering flags to be flown at half-staff, or creating a commission, may have been accomplished by a proclamation or announced in a press release. These pre-1965 orders are available in the Legislative Reference Bureau Library's Wisconsin Documents collection filed, by governor, under "Press releases" or "Proclamations."
- ❖ The numbering of Governor Lucey executive orders starts over in 1975 – 1971 Executive Order 1 to 1974 Executive Order 87 and 1975 Executive Order 1 to 1977 Executive Order 43.
