Child Information (at time of incident)

Age: 13 years Gender: Female Male

Race or Ethnicity: Asian

Special Needs: None

Date of Incident: 5/31/2018

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On July 11, 2019 the agency received a report regarding a 13-year-old child pronounced deceased on May 31, 2018. Medical personnel determined the death to be consistent with homicide. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the child's two non-relative caregivers were criminally charged with First Degree Reckless Homicide and Party to a Crime. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The initial assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the child by the child's two non-relative caregivers. Medical professionals determined the child's death was consistent with homicide. A Petition for Protection or Services was filed for an unrelated 9-year-old child residing in the home at the time of the incident. The child was determined to be safe and remained in the home, and the case remained open to provide ongoing case management services.

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:
