Date of Incident: 09/19/20

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On September 19, 2020, the agency received a report regarding a 2-year-old child brought to the hospital with head injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were a result of a serious injury. As a result of law enforcement's investigation, the child's father was criminally charged with Neglect of a Child Causing Great Bodily Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect to the child by the child's father. Medical professionals determined the injuries were a result of a serious injury. The agency deemed the child safe and the child remained with his mother. The child's father was court ordered to have no contact with the child. The agency closed the case upon completion of the Initial Assessment and no service referrals were made.
