90-Day Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

Case Tracking Number: 181207 DSP-MILW-884 **Agency:** Division of Milwaukee Child Protective Services

Child Information (at time of incident)

Age: 1 Year Gender: Female Male

Race or Ethnicity: African American/Black

Special Needs: None

Date of Incident: 12/05/2018

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On December 7, 2018, the agency received a report regarding neglect of a 1-year-old infant brought to Children's Hospital unresponsive due to injuries allegedly sustained on December 5, 2018. The infant was subsequently pronounced deceased. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office noted no signs of maltreatment or trauma to the infant. No criminal charges were filed and the case was closed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect of the infant by the relative primary care provider. The Medical Examiner's Office noted no signs of maltreatment or trauma to the infant. The agency closed the case upon completion of the Initial Assessment.

Case Tracking Number: 181215DSP-WALW-886 **Agency:** Walworth County Department of Health and Human Services

Child Information (at time of incident)

Age: 3 Months Gender: Female Male

Race or Ethnicity: White/Causasian

Special Needs: None

Date of Incident: 12/15/2018

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On December 15, 2018, the agency received a report regarding a 3-month-old infant brought to the hospital with head injuries. Medical personnel determined the injuries were non-accidental in nature. Law enforcement was contacted and initiated a criminal investigation. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the father. Medical professionals determined the infant sustained injuries consistent with non-accidental head trauma. The infant and his 3-month-old and 5-year-old brothers were deemed unsafe and the agency implemented an in-home safety plan allowing for the children to be safely cared for by their mother. The case remained open to provide ongoing case management services.
