CHAPTER 227
ADMINISTRATIVE PROCEDURE AND REVIEW

SUBCHAPTER I
GENERAL PROVISIONS

227.01 Definitions. In this chapter:
(1) “Agency” means a board, commission, committee, department or officer in the state government, except the governor, a district attorney or a military or judicial officer.
(2) “Code,” when used without further modification, means the Wisconsin administrative code under s. 35.93.
(3) “Contested case” means an agency proceeding in which the assertion by one party of any substantial interest is denied or controverted by another party and in which, after a hearing required by law, a substantial interest of a party is determined or adversely affected by a decision or order. There are 3 classes of contested cases as follows:
(a) A “class 1 proceeding” is a proceeding in which an agency acts under standards conferring substantial discretionary authority upon it. “Class 1 proceedings” include rate making, price setting, the granting of a certificate of convenience and necessity, the making, review or equalization of tax assessments and the granting or denial of a license.
(b) A “class 2 proceeding” is a proceeding in which an agency determines whether to impose a sanction or penalty against a party. “Class 2 proceedings” include the suspension or revocation of or refusal to renew a license because of an alleged violation of law. Any proceeding which could be construed to be both a class 1 and a class 2 proceeding shall be treated as a class 2 proceeding.
(c) A “class 3 proceeding” is any contested case not included in class 1 or class 2.

(3m) “Guidance document” means, except as provided in par. (b), any formal or official document or communication issued by an agency, including a manual, handbook, directive, or informational bulletin, that does any of the following:
1. Explains the agency’s implementation of a statute or rule enforced or administered by the agency, including the current or proposed operating procedure of the agency.
2. Provides guidance or advice with respect to how the agency is likely to apply a statute or rule enforced or administered by the agency, if that guidance or advice is likely to apply to a class of persons similarly affected.
(b) “Guidance document” does not include any of the following:
1. A rule that has been promulgated and that is currently in effect or a proposed rule that is in the process of being promulgated.
2. A standard adopted, or a statement of policy or interpretation made, whether preliminary or final, in the decision of a contested case, in a private letter ruling under s. 73.035, or in an agency decision upon or disposition of a particular matter as applied to a specific set of facts.
3. Any document or activity described in sub. (13) (a) to (zz), except that “guidance document” includes a pamphlet or other explanatory material described under sub. (13) (r) that otherwise satisfies the definition of “guidance document” under par. (a).
4. Any document that any statute specifically provides is not required to be promulgated as a rule.
5. A declaratory ruling issued under s. 227.41.
6. A pleading or brief filed in court by the state, an agency, or an agency official.

(a) Concerns the internal management of an agency and does not affect private rights or interests.
(b) Is a decision or order in a contested case.
(c) Is an order directed to a specifically named person or to a group of specifically named persons that does not constitute a general class, and which is served on the person or persons to whom it is directed by the appropriate means applicable to the order. (14) “Working day” means any day except Saturday, Sunday and holidays designated in s. 230.35 (4) (a).

A proceeding for the incorporation of a village is not a “contested case” under sub. (3).

Westing v. James, 71 Wis. 462, 238 N.W.695 (1976).

A flood plain zoning ordinance adopted by the DNR under s. 87.30 (1) is a “rule” under s. 227.01. Citizens for Sensible Zoning, Inc. v. DNR, 90 Wis. 2d 804, 260 N.W.2d 702 (1979).

A rule: 1) is a regulation, standard, statement of policy, or general order; 2) is of general application; 3) has the effect of law; 4) is issued by an agency; 5) is to implement, interpret, or make specific legislation administered by the agency. The terms “rule” and “order” are mutually exclusive. Wis. Elec. Power Co. v. DNR, 93 Wis. 2d 222, 287 N.W.2d 113 (1980). See also Cholvin v. Department of Health and Family Services, 2008 WI App 127, 313 Wis. 2d 749, 758 N.W.2d 118, 07−1350.

The definition of “rule” under sub. (13) is applied. Plumbing Apprenticeship Committee v. DILHR, 172 Wis. 2d 299, 493 N.W.2d 744 (Ct. App. 1992).

Materials developed by an agency as a reference aid for its staff that are couched in terms of advice and guidelines rather than setting forth law-like pronouncements are not a rule within the meaning of sub. (13) because they are not intended to have the effect of law. Chequena Land Conservancy, Inc. v. Village of Hartland, 2004 WI App 225, 205 N.W.2d 275, 03−2486.

If an administrative rule is properly adopted and is within the power of the legislature to delegate, there is no material difference between it and a law. 63 Arty. Gen. 159.

Agencies are subject to rule−making procedures in making discretionary choices even if those choices are based on opinions of the attorney general. Rule−making procedures do not apply if the opinion describes what a law mandates. 68 Arty. Gen. 163.

227.02 Compliance with other statutes. Compliance with this chapter does not eliminate the necessity of complying with a procedure required by another statute.

History: 1985 a. 182.

Chapter 227 contemplates the limited use of civil procedure statutes that do not conflict with ch. 227. Wagner v. State Medical Examining Board, 181 Wis. 2d 603, 511 N.W.2d 874 (1994).

227.03 Application of this chapter. (1) This chapter applies to cases arising under s. 76.38, 1993 stats., and ss. 76.39 and 76.48.

(2) Except as provided in s. 108.105, only the provisions of this chapter relating to rules are applicable to matters arising out of s. 66.191, 1981 stats., s. 40.65 (2), 289.33, 303.07 (7) or 303.21 or subch. II of ch. 107 or ch. 102, 108 or 949.

(3) Any provision of s. 227.42, 227.44 or 227.49 that is inconsistent with a requirement of title 45 of the code of federal regulations does not apply to hearings held under ch. 49.

(3m) (a) This chapter does not apply to proceedings before the department of workforce development relating to housing discrimination under s. 106.50, except as provided in s. 106.50 (6).

(b) Only the provisions of this chapter relating to rules are applicable to matters arising out of protection against discrimination in a public place of accommodation or amusement under s. 106.52.

(4) The provisions of this chapter relating to contested cases do not apply to proceedings involving the revocation of community supervision or aftercare supervision under s. 938.357 (5), the revocation of parole, extended supervision, or probation, the grant of probation, prison discipline, mandatory release under s. 302.11, or any other proceeding involving the care and treatment of a resident or an inmate of a correctional institution.

(4m) Subchapter III does not apply to any decision of an agency to suspend or restrict or not issue or renew a license if the
agency suspends or restricts or does not issue or renew the license pursuant to a memorandum of understanding entered into under s. 49.857.

(5) This chapter does not apply to proceedings of the claims board, except as provided in ss. 775.05 (5), 775.06 (7) and 775.11 (2).

(6) Orders of the elections commission under s. 5.06 (6) are not subject to this chapter.

(7) Except as provided in s. 230.44 (4) (bm), this chapter does not apply to proceedings before the employment relations commission in matters that are arbitrated in accordance with s. 230.44 (4) (bm).

(7m) Except as provided in s. 292.63 (6s), this chapter does not apply to proceedings in matters that are arbitrated under s. 292.63 (6s).

(8) This chapter does not apply to determinations made by the secretary of administration or the secretary of revenue under s. 229.50 (1).

227.04 Considerations for small business. (1) In this section:

(a) “Minor violation” means a rule violation that does not cause serious harm to the public, is committed by a small business, and the violation is not willful. The violation is not likely to be repeated, and there is a history of compliance by the violator, or the small business has voluntarily disclosed the violation.

(b) “Small business” has the meaning given in s. 227.114 (1).

(2m) (a) Each agency shall promulgate a rule that requires the agency to disclose in advance the discretion that the agency will follow in the enforcement of rules against a small business that has committed a minor violation. The rule promulgated under this subsection may include the reduction or waiver of penalties for a voluntary disclosure, by a small business, of actual or potential violations of rules.

(b) The rule promulgated under this subsection shall specify the situations in which the agency will allow discretion in the enforcement of a rule against a small business that has committed a minor violation. The rule shall consider the following criteria for allowing discretion in the enforcement of the rule and the assessment of a penalty, including a forfeiture, fine, or interest:

1. The difficulty and cost of compliance with the rule by the small business.
2. The financial capacity of the small business, including the ability of the small business to pay the amount of any penalty that may be imposed.
3. The compliance options available, including options for achieving voluntary compliance with the rule.
4. The level of public interest and concern.
5. The opportunities available to the small business to understand and comply with the rule.
6. Fairness to the small business and to other persons, including competitors and the public.

(c) The rule promulgated under this subsection shall specify the situations in which the agency will not allow discretion in the enforcement of a rule against small businesses that have committed minor violations and shall include all of the following situations in which discretion is not allowed:

1. The violation results in a substantial economic advantage for the small business.
2. The small business has violated the same rule or guideline more than 3 times in the past 5 years.
3. The violation may result in an imminent endangerment to the environment, or to public health or safety.

(d) A rule promulgated under this subsection applies to minor violations committed after the effective date of the rule.

(3) Consistent with the requirements under sub. (2m) and, to the extent possible, each agency shall do all of the following:

(a) Provide assistance to small businesses to help small businesses comply with rules promulgated by the agency.

(b) In deciding whether to impose a fine against a small business found to be in violation of a rule, consider the appropriateness of a written warning, reduced fine, or alternative penalty if all of the following apply:

1. The small business has made a good faith effort to comply with the rule.
2. The rule violation does not pose a threat to public health, safety, or welfare.

(d) Establish methods to encourage the participation of small businesses in rule making under s. 227.114 (4).

(4) Each agency shall fully document every instance in which it made the decision to utilize discretion in penalizing businesses as provided in this section, including the reasons for its decision, and shall keep records of those instances on file for not fewer than 5 years.

227.05 Agency publications. An agency, other than the Board of Regents of the University of Wisconsin System, the Technical College System Board, or the department of employee trust funds, shall identify the applicable provision of federal law or the applicable state statutory or administrative code provision that supports any statement or interpretation of law that the agency makes in any publication, whether in print or on the agency’s Internet site, including guidance documents, forms, pamphlets, or other informational materials, regarding the laws the agency administers.

SUBCHAPTER II

ADMINISTRATIVE RULES AND GUIDANCE DOCUMENTS

227.10 Statements of policy and interpretations of law; discrimination prohibited. (1) Each agency shall promulgate as a rule each statement of general policy and each interpretation of a statute which it specifically adopts to govern its enforcement or administration of that statute. A statement of policy or an interpretation of a statute made in the decision of a contested case, in a private letter ruling under s. 73.035 or in an agency decision upon or disposition of a particular matter as applied to a specific set of facts does not render it a rule or constitute specific adoption of a rule and is not required to be promulgated as a rule.

(2) No agency may promulgate a rule which conflicts with state law.

(2g) No agency may seek deference in any proceeding based on the agency’s interpretation of any law.

(2m) No agency may implement or enforce any standard, requirement, or threshold, including as a term or condition of any license issued by the agency, unless that standard, requirement, or threshold is explicitly required or explicitly permitted by statute or by a rule that has been promulgated in accordance with this subchapter, except as provided in s. 186.118 (2) (c) and (3) (b) 3. The governor, by executive order, may prescribe guidelines to ensure that rules are promulgated in compliance with this subchapter.

(2p) No agency may promulgate a rule or take any other action that requires one or more lots to be merged with another lot, for any purpose, without the consent of the owners of the lots that are to be merged.

(3) (a) No rule, either by its terms or in its application, may discriminate for or against any person by reason of sex, race, creed, color, sexual orientation, national origin or ancestry.
bureau of merit recruitment and selection in the department of
be informed as to the manner in which the terms of the statute regulating their opera-
tion under s. 227.11(5) only if it is strictly necessary to a function of the agency
and is supported by data demonstrating that necessity.
(c) Each person affected by a rule is entitled to the same bene-
fits and is subject to the same obligations as any other person
under the same or similar circumstances.
(d) No rule may use any term removed from the statutes by
(e) Nothing in this subsection prohibits the director of the
bureau of merit recruitment and selection in the department of
administration from promulgating rules relating to expanded cer-
tification under s. 230.25 (1n).
History: 1985 a. 182; 1987 a. 399; 2003 a. 33 ss. 2368, 9160; 2011 a. 21; 2013
a. 77; 2015 a. 55; 2017 a. 67, 84, 369.
Guidelines promulgated outside the context of one particular contested case do not
qualify for exception to the requirement that all rules must be filed under s. 227.023
[now s. 227.20(1)]. Here, failure to file the guidelines as a rule did not deprive the depart-
ment of the authority to decide contested cases dealing with pregnancy leaves under
the sex discrimination statute. Wisconsin Telephone Co. v. Department of Industry,
Labor, and Human Relations, 238 NW 2d 649, 68 Wis 2d 345, (1975).
When a party files an application for a license with an administrative agency and
the latter points to some announced agency policy of general application as a reason
for denial of the application, such announced policy constitutes a rule, the validity
of which the applicant is entitled to have tested in a declaratory action. Schoolway
Transportation Co. v. Division of Motor Vehicles, 72 Wis 2d 223, 240 N.W.2d 405
(1976).
When the department of transportation (DOT) revised its application of a statute
to bring DOT’s practices into conformity with the plain meaning of the statute, DOT
followed the course it was obliged to pursue when confronted with its error. This is not
the manner in which the statute was previously administered by the DOT. Those who are
subject to the interpretation to deny the issuance of a license in a form in direct contrast to the
standard, requirement, or threshold contained in the statutory
promulgation of an administrative rule.  State v. Courtney, 74 Wis. 2d 705, 247 N.W.2d 714 (1976).
A memorandum announcing general policies and specific criteria governing all
decisions on good time for mandatory release parole violations was a “rule” and
should have been promulgated properly. State ex rel. Clifton v. Young, 133 Wis 2d 193,
343 N.W.2d 699 (1986).
An agency may use policies and guidelines to assist in the implementation of
administrative rules provided they are consistent with state and federal legislation.
Tamarlyc v. Department of Health and Social Services, 211 Wis. 2d 179, 564 NW 2d
735 (1997).
An administrative agency cannot regulate the activities of another agency or pro-
hibit the business of another agency without express statutory authority. George v.
Schwarz, 2001 WI App 72, 242 Wis. 4d 450, 626 N.W.2d 57, 00–711.
When an agency changes its interpretation of an ambiguous statute, the agency is
engaged in rulemaking. The rulemaking exemption described in
Schoolway Transportation Co., 72 Wis 2d 223 (1976), does not apply when the agency fails to identify
a plain and unambiguous statutory command necessitating the agency’s new interpre-
tation. Lamar Central Outdoor, LLC v. Division of Hearings & Appeals, 2019 WI
109, 389 Wis. 2d 486, 936 N.W.2d 573, 17–1823.
Under ss. 227.10 (2m) and 227.11 (2) (a), created by 2011 Wis. Act 21, an agency
must have explicit authority to impose license and permit conditions and must have
explicit authority for rulemaking. Act 21 makes clear that permit conditions and rules
making may no longer be premised on implied agency authority. OAG 1–16.
The general assembly adopted a 3-step analytical inquiry to determine whether
a rule “contains a standard, requirement, or threshold that is more restrictive than the
standard, requirement, or threshold contained in” a statute, in violation of s. 227.11 (2). “A
rule contains a standard, requirement, or threshold if it specifies a ‘specific standard,
requirement, or threshold’ governing the same subject matter conduct; 2) compare
the two standards, requirements, or thresholds to determine if the rule is “more restric-
tive” than the statute, and 3) if the rule is more restrictive than the statute, evaluate
whether the rule is otherwise “explicitly permitted by statute or by a rule,” as provided
under sub. (2m). If the rule is more restrictive than the statute, and not otherwise
explicitly permitted by statute or by a rule, it may not be enforced or administered. OAG 4–Transportation,
227.11 Agency rule-making authority. (1) Except as expressly provided, this chapter does not confer rule−making authority
upon or augment the rule−making authority of any agency.
(2) Rule−making authority is expressly conferred on an
agency as follows:
(a) Each agency may promulgate rules interpreting the provi-
sions of any statute enforced or administered by the agency, if the
agency considers it necessary to effectuate the purpose of the
statute, but a rule is not valid if the rule exceeds the bounds of correct
interpretation. All of the following apply to the promulgation of a
rule interpreting the provisions of a statute enforced or adminis-
tered by an agency:
1. A statutory or nonstatutory provision containing a state-
ment or declaration of legislative intent, purpose, findings, or
policy does not confer rule−making authority on the agency or aug-
ment the agency’s rule−making authority beyond the rule−making
authority that is explicitly conferred on the agency by the legisla-
ture.
2. A statutory provision describing the agency’s general pow-
ers or duties does not confer rule−making authority on the agency or
augment the agency’s rule−making authority beyond the rule−making
authority that is explicitly conferred on the agency by the legisla-
ture.
3. A statutory provision containing a specific standard,
requirement, or threshold does not confer on the agency the
authority to promulgate, enforce, or administer a rule that contains
a standard, requirement, or threshold that is more restrictive than
the standard, requirement, or threshold contained in the statutory
provision.
(b) Each agency may prescribe forms and procedures in con-
nection with any statute enforced or administered by it, if
the agency considers it necessary to effectuate the purpose of the
statute, but this paragraph does not authorize the imposition of a
substantive requirement in connection with a form or procedure.
(c) Each agency authorized to exercise discretion in deciding
individual cases may formalize the general policies evolving from
its decisions by promulgating the policies as rules which the
agency shall follow until they are amended or repealed. A rule
promulgated in accordance with this paragraph is valid only to the
extent that the agency has discretion to base an individual decision
on the policy expressed in the rule.
(d) An agency may promulgate rules implementing or inter-
preting a statute that will be enforced or administer after publication of the
statute but prior to the statute’s effective date. A rule promul-
gated under this paragraph may not take effect prior to the effective
date of the statute that it implements or interprets.
(e) An agency may not inform a member of the public in writing
that a rule is or will be effective unless the rule has been filed under
s. 227.20 or unless the number of the public requests that information.
(3) (a) A plan that is submitted to the federal government for
the purpose of complying with a requirement of federal law does
not confer rule−making authority and cannot be used by an agency
as authority to promulgate rules. No agency may agree to promul-
gate a rule as a component of a compliance plan unless the agency
has explicit statutory authority to promulgate the rule at the
time the compliance plan is submitted.
(b) A settlement agreement, consent decree, or court order
does not confer rule−making authority and cannot be used by an
agency as authority to promulgate rules. No agency may agree to promul-
gate a rule as a term in any settlement agreement, consent
decree, or stipulated order of a court unless the agency has explicit
statutory authority to promulgate the rule at the time the settlement
agreement, consent decree, or stipulated order of a court is
effectuated.
History: 1985 a. 182; 1991 a. 209; 2011 a. 21; 2013 a. 125, 136, 210, 277, 278,
To expressly authorize a rule, the enabling statute need not spell out every detail
of the rule. If it did, no rule would be necessary. Accordingly, whether the exact
words used in an administrative rule appear in the statute is not the question.
This principle has been characterized in the case law as the “elemental approach.”
Under the elemental approach, the reviewing court should identify the elements of
the enabling statute and match the rule against those elements. If the rule matches the

statutory elements, then the statute expressly authorizes the rule. Wisconsin Association of State Prosecutors v. WERC, 2018 WI 17, 380 Wis. 2d 1, 907 N.W.2d 425, 15−2258.

When administrative agencies promulgate rules, they are exercising legislatively power that the legislature has chosen to delegate to them by statute. Stated otherwise, agencies have no inherent constitutional authority to make rules, and their rule-making powers can be repealed by the legislature. It follows that the legislature may place limitations and conditions on an agency’s exercise of rulemaking authority, including establishing the procedures by which agencies may promulgate rules. Koschkee v. Taylor, 2010 WI 76, 387 Wis. 2d 592, 929 N.W.2d 600, 17−2258.

Rulemaking is a legislative power that does not fall within the state superintendent of public instruction’s supervisory constitutional authority under article X, section 1, of the Wisconsin Constitution. Rulemaking is a legislative delegation to the state superintendent; therefore, it may be limited or taken away, as the legislature chooses. Koschkee v. Taylor, 2010 WI 76, 387 Wis. 2d 592, 929 N.W.2d 600, 17−2258.

Under ss. 227.10 (2m) and 227.11 (2) (a), created by 2011 Wis. Act 21, an agency must have explicit authority to impose license and permit conditions and must have explicit authority for rulemaking. Act 21 makes clear that permit conditions and rulemaking may no longer be premised on implied authority. OAG 1−16.

Sub. (2) (a) clearly disallows rulemaking based on broad statements of policy or duty. Although sub. (2) (a) only speaks to rulemaking, it follows that an agency is prohibited from conditioning a permit based on broad statements of policy or duty. OAG 1−16.

The attorney general applied a 3−step analytical inquiry to determine whether a rule “contains a standard, requirement, or threshold that is more restrictive than the standard, requirement, or threshold contained in a statute, in violation of sub. (2) (a). 1. examine whether both a rule and a statute contain a “specific standard, requirement, or threshold” governing the same subject matter conduct; 2. compare the two standards, requirements, or thresholds to determine if the rule is “more restrictive” than the statute; 3. when the rule is more restrictive than the statute, evaluate whether the rule is otherwise “explicitly permitted by statute or by a rule,” as provided under sub. (2m). If the rule is more restrictive than the statute, and not otherwise explicitly permitted, the rule will be enforced or administered. OAG 4−17.

Notwithstanding ss. 227.10 and 227.11 and any other provision authorizing or requiring a restricted agency to promulgate rules, a restricted agency may not take any action with respect to the promulgation of a rule unless it has taken any action under this subchapter with respect to the promulgation of a rule in 10 years or more.

227.111 Rule−making authority of certain agencies. (1) In this section, “restricted agency” means an affiliated credentialing board, as defined in s. 15.01 (1g), a board, as defined in s. 15.01 (1r), a commission, as defined in s. 15.01 (2), or an examining board, as defined in s. 15.01 (7), that has not taken any action under this subchapter with respect to the promulgation of a rule in 10 years or more.

Sub. (2) Notwithstanding ss. 227.10 and 227.11 and any other provision requiring or authorizing a restricted agency to promulgate rules, a restricted agency may not take any action with respect to the promulgation of a rule unless it has taken any action under this subchapter with respect to the promulgation of a rule in 10 years or more.

The legislative council staff shall provide agencies with assistance in determining whether documents and communications are guidance documents that are subject to the requirements under this section.

227.112 Guidance documents. (1) Before adopting a guidance document, an agency shall submit to the legislative reference bureau the proposed guidance document with a notice of a public comment period on the proposed guidance document under par. (b), in a format approved by the legislative reference bureau, for publication in the register. The notice shall specify the place where comments should be submitted and the deadline for submitting those comments.

The agency shall provide for a period for public comment on a proposed guidance document submitted under par. (a), during which any person may submit written comments to the agency with respect to the proposed guidance document. Except as provided in par. (c), the period for public comment shall end no sooner than the 21st day after the date on which the proposed guidance document is published in the register under s. 35.93 (2) (b) 3. im. The agency may not adopt the proposed guidance document until the comment period has concluded and the agency has complied with par. (d).

(c) An agency may hold a public comment period shorter than 21 days with the approval of the governor.

(d) An agency shall retain all written comments submitted during the public comment period under par. (b) and shall consider those comments in determining whether to adopt the guidance document as originally proposed, modified the proposed guidance document, or take any other action.

(2) An agency shall post each guidance document that the agency has adopted on the agency’s Internet site and shall permit continuing public comment on the guidance document. The agency shall ensure that each guidance document that the agency has adopted remains on the agency’s Internet site as provided in this subsection until the guidance document is no longer in effect, is no longer valid, or is superseded or until the agency otherwise rescinds its adoption of the guidance document.

A guidance document does not have the force of law and does not provide the authority for implementing or enforcing a standard, requirement, or threshold, including as a term or condition of any license. An agency that proposes to rely on a guidance document to the detriment of a person in any proceeding shall afford the person an adequate opportunity to contest the legality of any provision of a position taken in the guidance document. An agency may not use a guidance document to foreclose consideration of any issue raised in the guidance document.

(3) If an agency proposes to act in any proceeding at variance with a position expressed in a guidance document, it shall provide a reasonable explanation for the variance. If an affected person in any proceeding may have relied reasonably on the agency’s position, the explanation must include a reasonable justification for the agency’s conclusion that the need for the variance outweighs the affected person’s reliance interest.

(4) Persons that qualify under s. 227.12 to petition an agency to promulgate a rule may not petition in s. 227.12, petition an agency to promulgate a rule in place of a guidance document.

(5) Any guidance document shall be signed by the secretary or head of the agency below the following certification: “I have reviewed this guidance document or proposed guidance document and I certify that it complies with sections 227.10 and 227.11 of the Wisconsin Statutes. I further certify that the guidance document or proposed guidance document contains no standard, requirement, or threshold that is not explicitly required or explicitly permitted by a statute or a rule that has been lawfully promulgated. I further certify that the guidance document or proposed guidance document contains no standard, requirement, or threshold that is more restrictive than a standard, requirement, or threshold contained in the Wisconsin Statutes.”

(6) Where applicable and consistent with the laws that it administers, is encouraged to design the rules promulgated by the agency to reflect a balance between the mission of the agency and the goals specified in s. 1.13 (2).

(7) a) This section does not apply to guidance documents adopted before July 1, 2019, but on that date any guidance document that has not been adopted in accordance with sub. (1) or that does not contain the certification required under sub. (6) shall be considered rescinded.

b) This section does not apply to guidance documents or proposed guidance documents of the Board of Regents of the University of Wisconsin System, the Technical College System Board, or the department of employee trust funds.

The legislative council staff shall provide agencies with assistance in determining whether documents and communications are guidance documents that are subject to the requirements under this section.

227.113 Incorporation of local, comprehensive planning goals. Each agency, where applicable and consistent with the laws that it administers, is encouraged to design the rules promulgated by the agency to reflect a balance between the mission of the agency and the goals specified in s. 1.13 (2).

227.114 Rule making; considerations for small business. (1) In this section, “small business” means a business entity, including its affiliates, which is independently owned and operated and not dominant in its field, and which employs 25 or fewer full−time employees or which has gross annual sales of less than $5,000,000.

(2) When an agency proposes or revises a rule that may have an effect on small businesses, the agency shall consider each of the following methods for reducing the impact of the rule on small businesses:

a) The establishment of less stringent compliance or reporting requirements for small businesses.
(b) The establishment of less stringent schedules or deadlines for compliance or reporting requirements for small businesses.

c) The consolidation or simplification of compliance or reporting requirements for small businesses.

d) The establishment of performance standards for small businesses to replace design or operational standards required in the rule.

(e) The exemption of small businesses from any or all requirements of the rule.

(3) The agency shall incorporate into the proposed rule any of the methods specified under sub. (2) which it finds to be feasible, unless doing so would be contrary to the statutory objectives which are the basis for the proposed rule.

(4) In addition to the requirements under s. 227.17, the agency shall provide an opportunity for small businesses to participate in the rule-making process, using one or more of the following methods:

(a) The inclusion in the notice under s. 227.17 of a statement that the rule may have an impact on small businesses.

(b) The direct notification of any small business that may be affected by the rule.

(c) The conduct of public hearings concerning the impact of the rule on small businesses.

(d) The use of special hearing procedures to reduce the cost or complexity of participation in the rule-making process by small businesses.

(6) When an agency, under s. 227.20 (1), files with the legislative reference bureau a rule that is subject to this section, the agency shall include with the rule a summary of the analysis prepared under s. 227.19 (3) (e) and a summary of the comments of the legislative standing committees, if any. If, under s. 227.19 (3m), the rule does not require the analysis under s. 227.19 (3) (e), the agency shall include with the rule a statement of the reason for the small business regulatory review board’s determination that the rule will not have a significant economic impact on a substantial number of small businesses. The legislative reference bureau shall publish the summaries or the statement in the register with the rule.

(6m) (a) Notwithstanding sub. (1), in this subsection, “small business” does not include an entity, as defined in s. 48.685 (1) (b) or 50.065 (1) (c).

(b) A small business may commence an action against an agency for injunctive relief to prevent the imposition of a penalty if the small business is subject to the penalty as the result of any of the following:

1. The small business acted or failed to act due to the failure by the agency’s employee, officer, or agent with regulatory responsibility for that legal requirement to respond to a specific question in a reasonable time.

2. The small business acted or failed to act in response to inaccurate advice given to the small business by the agency’s employee, officer, or agent with regulatory responsibility for that legal requirement.

(c) The small business may commence the action in the circuit court for the county where the property affected is located or, if no property is affected, in the circuit court for the county where the dispute arose.

(d) The circuit court may issue an order enjoining the imposition of the penalty if the court determines that par. (b) 1. or 2. applies.

(7m) Each agency shall designate at least one employee to serve as the small business regulatory coordinator for the agency, and shall publicize that employee’s electronic mail address and telephone number. The small business regulatory coordinator shall act as a contact person for small business regulatory issues for the agency.

(8) This section does not apply to:

(a) Rules promulgated under s. 227.24.

(b) Rules that do not affect small businesses directly, including, but not limited to, rules relating to county or municipal administration of state and federal programs.

227.115 Review of rules affecting housing. (1) DEFINITION. In this section, “state housing strategy plan” means the plan developed under s. 16.302.

(2) ANALYSIS OF RULES AFFECTING HOUSING. (a) If a proposed rule may increase or decrease, either directly or indirectly, the cost of the development, construction, financing, purchasing, sale, ownership, or availability of housing in this state, the agency promulgating the proposed rule shall prepare a housing impact analysis for the proposed rule before it is submitted to the legislative council staff under s. 227.15. The agency may request any information from other state agencies, local governments, or organizations that is reasonably necessary for the agency to prepare the analysis.

(b) On the same day that the agency submits the housing impact analysis to the legislative council staff under s. 227.15 (1), the agency shall also submit that analysis to the department of administration, to the governor, and to the chief clerks of each house of the legislature, who shall distribute the analysis to the presiding officers of their respective houses, to the chairpersons of the appropriate standing committees of their respective houses, as designated by those presiding officers, and to the cochairpersons of the joint committee for review of administrative rules. If a proposed rule is modified after the housing impact analysis is submitted under this paragraph so that the housing impact of the proposed rule is significantly changed, the agency shall prepare a revised housing impact analysis for the proposed rule as modified. A revised housing impact analysis shall be prepared and submitted in the same manner as an original housing impact analysis is prepared and submitted.

(3) FINDINGS TO BE CONTAINED IN HOUSING IMPACT ANALYSIS. (a) A housing impact analysis shall contain information about the effect of the proposed rule on housing in this state, including information on the effect of the proposed rule on all of the following:

1. The policies, strategies and recommendations of the state housing strategy plan.

2. The cost of developing, constructing, rehabilitating, improving, maintaining, or owning single-family or multifamily dwellings.

3. The purchase price of new homes or the fair market value of existing homes.

4. The cost and availability of financing to purchase or develop housing.

5. Housing costs, as defined in s. 16.301 (3) (a) and (b).

6. The density, location, setback, size, or height of development on a lot, parcel, land division, or subdivision.

(b) A housing impact analysis shall analyze the relative impact of the effects of the proposed rule on low- and moderate-income households.

(c) 1. Except as provided in subd. 2., a housing impact analysis shall provide reasonable estimates of the information under pars. (a) and (b) expressed as dollar figures and shall include descriptions of the immediate effect and, if ascertainable, the long–term effect. The agency shall include a brief summary or worksheet of computations used in determining any such dollar figures.

2. If, after careful consideration, the agency determines that it is not possible to make an estimate expressed as dollar figures as provided in subd. 1., the analysis shall instead contain a statement to that effect setting forth the reasons for that determination.

(d) Except as otherwise specified in par. (a), a housing impact analysis shall be prepared on the basis of a median-priced single-
family residence but may include estimates for larger developments as an analysis of the long-term effect of the proposed rule.

(4) **Applicability.** This section does not apply to emergency rules promulgated under s. 227.24.

**History:** 1995 a. 308; 2003 a. 33; 2005 a. 249; 2011 a. 32; 2017 a. 68.

Sub. (2) requires a report on the effect of a proposed rule on housing if the “rule directly affects the development, construction, cost, or availability of housing in this state.” The use of the phrase “directly or substantially” demonstrates that not just any effect will trigger the housing impact report requirement. A housing impact report is not required simply because the subject matter of a proposed rule relates to housing, or because the rule tangentially affects housing in some way.

The absence of an explicit, on-the-record determination regarding whether a housing impact report is required is not dispositive and does not mean rules were promulgated without compliance with statutory rule-making procedures. Wisconsin Realtors Association v. Public Service Commission of Wisconsin, 2015 WI 63, 363 Wis. 2d 430, 867 N.W.2d 364, 13-1407.

The public service commission shall prepare an energy impact report if the “rule directly or substantially affects the development, construction, cost, or availability of fuels used in generating electricity.” The energy impact report shall include an evaluation and related findings and conclusions on the probable impact of the proposed rule on the cost or reliability of electricity generation, transmission, or distribution or of fuels used in generating electricity.

(2) Within 30 days after the written request is submitted to the public service commission, the commission shall submit a copy of any energy impact report prepared under sub. (1) to the agency that proposed the rule that resulted in the report.

(3) An agency that receives an energy impact report under sub. (2), shall consider the energy impact report before submitting the notification and report to the legislature under s. 227.17 (2) and (3).

**History:** 2003 a. 277.

227.12 Petition for rules. (1) Unless the right to petition for a rule is restricted by statute to a designated group or unless the form of procedure for a petition is otherwise prescribed by statute, a municipality, an association which is representative of a farm, labor, business or professional group, or any 5 or more persons having an interest in a rule may petition an agency requesting it to promulgate a rule.

(2) A petition shall state clearly and concisely:

(a) The substance or nature of the rule making requested.

(b) The reason for the request and the petitioners’ interest in the requested rule.

(c) A reference to the agency’s authority to promulgate the requested rule.

(3) Except as provided in sub. (4), within a reasonable period of time after the receipt of a petition under this section, an agency shall either deny the petition in writing or proceed with the requested rule making. If the agency denies the petition, it shall promptly notify the petitioner of the denial, including a brief statement of the reason for the denial. If the agency proceeds with the requested rule making, it shall follow the procedures prescribed in this subchapter.

(4) If a petition to the department of revenue establishes that the department has established a standard by which it is construing a state tax statute, but has not promulgated a rule to adopt the standard or published the standard in a manner that is available to the public, the department shall, as provided under s. 227.135, submit a statement of the scope of the proposed rule to the department of administration no later than 90 days after receiving the petition. No later than 270 days after the statement is approved by the governor, the department shall submit the proposed rule in final draft form to the governor for the governor’s approval, as provided under s. 227.185. At the department’s request, the governor or the department of administration may, at any time prior to the expiration of any deadline specified in this subsection, extend the time for submitting the statement or proposed rule in draft form for any period not to exceed 60 days. The governor or the department of administration may grant more than one extension under this subsection, but the total period for all such extensions may not exceed 120 days. The rule need not adhere to the standard established by the department, but shall address the same circumstances as the standard addresses. If the department fails to comply with this subsection, any of the petitioners may commence an action in circuit court to compel the department’s compliance. If an action is commenced under this subsection, the court may compel the department to provide information to the court related to the degree to which the department is enforcing the standard, except that the information provided by the department shall not disclose the identity of any person who is not a party to the action.

**History:** 1995 a. 182; 2011 a. 68; 2017 a. 57.
227.13 Advisory committees and informal consultations. An agency may use informal conferences and consultations to obtain the viewpoint and advice of interested persons with respect to contemplated rule making. An agency may also appoint a committee of experts, interested persons or representatives of the public to advise it with respect to any contemplated rule making. Such a committee shall have advisory powers only. Whenever an agency appoints a committee under this section, the agency shall submit a list of the members of the committee to the joint committee for review of administrative rules.  

227.135 Statements of scope of proposed rules. (1) An agency shall prepare a statement of the scope of any rule that it plans to promulgate. The statement shall include all of the following:

(a) A description of the objective of the rule.

(b) A description of existing policies relevant to the rule and of new policies proposed to be included in the rule and an analysis of policy alternatives.

(c) The statutory authority for the rule.

(d) Estimates of the amount of time that state employees will spend to develop the rule and of other resources necessary to develop the rule.

(e) A description of all of the entities that may be affected by the rule.

(f) A summary and preliminary comparison of any existing or proposed federal regulation that is intended to address the activities to be regulated by the rule.

(2) An agency that has prepared a statement of the scope of the proposed rule shall present the statement to the department of administration, which shall make a determination as to whether the agency has the explicit authority to promulgate the rule as proposed in the statement of scope and shall report the statement of scope and its determination to the governor who, in his or her discretion, may approve or reject the statement of scope. The agency may not send the statement to the legislative reference bureau for publication under sub. (3) until the governor issues a written notice of approval of the statement. The agency shall also present the statement to the individual or body with policy-making powers over the subject matter of the proposed rule for approval. The individual or body with policy-making powers may not approve the statement until at least 10 days after publication of the statement under sub. (3) and, if a preliminary public hearing and comment period are held by the agency under s. 227.136, until the individual or body has received and reviewed any public comments and feedback received from the agency under s. 227.136 (5). No state employee or official may perform any activity in connection with the drafting of a proposed rule except for an activity necessary to prepare the statement of scope of the proposed rule until the revised statement is so approved.

(3) If the governor approves a statement of the scope of a proposed rule under sub. (2), the agency shall send an electronic copy of the statement to the legislative reference bureau, in a format approved by the legislative reference bureau, for publication in the register. On the same day that the agency sends the statement to the legislative reference bureau, the agency shall send a copy of the statement to the secretary of administration and to the chief clerks of each house of the legislature, who shall distribute the statement to the cochairpersons of the joint committee for review of administrative rules. The agency shall include with any statement of scope sent to the legislative reference bureau the date of the governor’s approval of the statement of scope. The legislative reference bureau shall assign a discrete identifying number to each statement of scope and shall include that number and the date of the governor’s approval in the publication of the statement of scope in the register.

(4) If at any time after a statement of the scope of a proposed rule is approved under sub. (2) the agency changes the scope of the proposed rule in any meaningful or measurable way, including changing the scope of the proposed rule so as to include in the scope any activity, business, material, or product that is not specifically included in the original scope of the proposed rule, the agency shall prepare and obtain approval of a revised statement of the scope of the proposed rule in the same manner as the original statement was prepared and approved under subs. (1) and (2). No state employee or official may perform any activity in connection with the drafting of the proposed rule except for an activity necessary to prepare the revised statement of the scope of the proposed rule until the revised statement is so approved.

(5) A statement of scope shall expire on the date that is 30 months after the date on which it is published in the register. After a statement of scope expires, an agency may not submit a proposed rule based upon that statement of scope to the legislature for review under s. 227.19 (2), and any such rule that has not been submitted to the legislature for review before that date shall be considered withdrawn on that date as provided in s. 227.14 (6) (c) 1. a. For purposes of this subsection, a revised statement of scope prepared under sub. (4) shall expire on the date that is 30 months after the date on which the revised statement is published in the register.

227.136 Preliminary public hearing and comment period. (1) Within 10 days after publication of a statement of the scope of a proposed rule under s. 227.135 (3), either cochairperson of the joint committee for the review of administrative rules may submit a written directive to the agency that prepared the statement for the agency to hold a preliminary public hearing and comment period on the statement of scope as provided in this section.

(2) If the agency is directed to hold a preliminary public hearing and comment period on a statement of scope as provided in sub. (1) or if the agency otherwise opts to do so on its own initiative, the agency shall submit to the legislative reference bureau, in a format approved by the legislative reference bureau, a notice of a preliminary public hearing and comment period to allow for public comment and feedback on the statement of scope. The agency may also take any other action it considers necessary to provide notice of the preliminary public hearing and comment period to other interested persons. The notice shall be approved by the individual or body with policy-making powers over the subject matter of the proposed rule and shall include all of the following:

(a) A statement of the date, time, and place of the preliminary public hearing.

(b) The place where comments on the statement should be submitted and the deadline for submitting those comments.

(3) The agency shall hold the preliminary public hearing and comment period in accordance with the notice required under sub. (2), but may not hold the hearing sooner than the 3rd day after publication of the notice in the register.

(4) The agency shall conduct a hearing under this section in accordance with s. 227.18.

(5) The agency shall report all public comments and feedback on the statement of scope of the proposed rule that the agency receives at the preliminary public hearing and comment period to

2017−18 Wisconsin Statutes updated through 2019 Wis. Act 186 and through all Supreme Court and Controlled Substances Board Orders filed before and in effect on September 1, 2020. Published and certified under s. 35.18. Changes effective after September 1, 2020, are designated by NOTES. (Published 9−1−20)
the individual or body with policy-making powers over the subject matter of the proposed rule.

(6) Failure of any person to receive notice of a preliminary public hearing as provided in this section is not grounds for invalidating any resulting rule if notice of the hearing was published in the register in accordance with s. 35.93 (2) (b) 3. bm.

(7) For the purpose of soliciting public comment, an agency may hold a hearing on the general subject matter of possible or anticipated rules before preparing a statement of scope for a proposed rule. A hearing held under this subsection does not relieve the agency from its obligation to comply with a directive under sub. (1) or the requirement to hold a hearing under s. 227.16.

History: 2017 a. 57 ss. 5, 17.

227.137 Economic impacts analyses of proposed rules.

(2) An agency shall prepare an economic impact analysis for a proposed rule before submitting the proposed rule to the legislative council staff under s. 227.15.

(3) An economic impact analysis of a proposed rule shall contain information on the economic effect of the proposed rule on specific businesses, business sectors, local utility ratepayers, local governmental units, and the state's economy as a whole. The agency or persons preparing the analysis shall include in the analysis a discussion of the extent to which the proposed rule will be in addressing the policy problem that the rule is intending to address, including comparisons with the approaches used by the federal government and by Illinois, Iowa, Michigan, and Minnesota to address that policy problem. If the approach chosen by the agency to address that policy problem is different from those approaches, an economic impact analysis prepared by an agency shall include a statement as to why the agency chose a different approach.

(b) An analysis and detailed quantification of the economic impact of the proposed rule, including the implementation and compliance costs that are reasonably expected to be incurred by or passed along to the businesses, local governmental units, and individuals that may be affected by the proposed rule. The agency or person shall prepare the economic impact analysis in coordination with local governmental units that may be affected by the proposed rule. The agency or person may also request information that is reasonably necessary for the preparation of an economic impact analysis from other businesses, associations, local governmental units, and individuals and from other agencies. The economic impact analysis shall include all of the following:

(a) An analysis and quantification of the policy problem that the proposed rule is intending to address, including comparisons with the approaches used by the federal government and by Illinois, Iowa, Michigan, and Minnesota to address that policy problem.    (g) Any additional matter required by statute.
   (i) The electronic mail address and telephone number of the small business regulatory coordinator and a link to an Internet site that allows a person to review the rule and make comments regarding the rule.
   (4) An agency may modify a proposed rule prior to a hearing without providing additional notice under this section if the modification is germane to the subject matter of the proposed rule. In this subsection, an agency’s proposal to delete part of a proposed rule for which notice was given under sub. (1) shall be treated as a germane modification of the proposed rule.

(5) Failure of any person to receive notice of a hearing on proposed rule making is not grounds for invalidating the resulting rule if notice of the hearing was published as provided in sub. (1) (a).

Changes in a proposed rule after notice was published did not so alter the scope of the proposed rule as to require a second hearing. Brown County v. DHSS, 103 Wis. 2d 37, 307 N.W.2d 247 (1981).

227.18 Conduct of hearings. (1) An agency shall hold a public hearing at the date, time and place designated in the notice of the hearing. The person conducting the hearing shall:
   (a) Explain the purpose of the hearing and describe how testimony will be received.
   (b) At the beginning of the hearing, present a summary of the factual information on which the proposed rule is based, including any information obtained from an advisory committee, informal conference or consultation.
   (c) Afford each interested person or a representative the opportunity to present facts, opinions or arguments in writing, whether or not there is an opportunity to present them orally.
   (d) Keep a record of the hearing in a manner the agency considers desirable and feasible.

(2) The person conducting the hearing may:
   (a) Limit oral presentations if the hearing would be unduly lengthened by repetitious testimony.
   (b) Question or allow others present to question the persons appearing.
   (c) Administer an oath or affirmation to any person appearing.
   (d) Continue or postpone the hearing to a specified date, time and place.

(3) (a) If the agency officer or a quorum of the board or commission responsible for promulgating the proposed rule is not present at the hearing, the procedures in this subsection apply.
   (b) At the beginning of the hearing, the person conducting it shall inform those present that any person who presents testimony at the hearing may present his or her argument to the agency officer, board or commission prior to promulgation of the proposed rule if the request to do so is made in writing at the hearing.
   (c) If required by the agency officer, board or commission, an argument shall be presented to the agency in writing. If oral arguments are permitted, the agency officer, board or commission may impose reasonable limitations on the length and number of appearances to conserve time and preclude undue repetition.
   (d) If a record of the hearing has been made, arguments before the agency officer, board or commission shall be limited to the record of the hearing.

(4) The procedures required by this section do not supersede procedures required by any statute relating to a specific agency or to the rule or class of rules under consideration.

History: 1985 a. 182.

227.185 Approval by governor. After a proposed rule is in final draft form, the agency shall submit the proposed rule to the governor for approval. The governor, in his or her discretion, may approve or reject the proposed rule. If the governor approves a proposed rule, the governor shall provide the agency with a written notice of that approval. No proposed rule may be submitted to the legislature for review under s. 227.19 (2) unless the governor has approved the proposed rule in writing. The agency shall notify the joint committee for review of administrative rules whenever it submits a proposed rule for approval under this section.

History: 2011 a. 21; 2017 a. 57.

The requirement that agencies receive gubernatorial approval under s. 227.135 (2) prior to drafting a proposed rule, and again under this section before submitting the rule to the legislature, is constitutional as applied to the state superintendent of public instruction and the Department of Public Instruction. Koschke v. Taylor, 2019 WI 76, 387 Wis. 2d 552, 929 N.W.2d 600, 17–2278. Changing the Rules on Rulemaking. Sklansky. Wis. Law. Aug. 2011.

227.19 Legislative review prior to promulgation. (1) STATEMENT OF PURPOSE. RULE-MAKING POWERS. (a) Article IV of the constitution of this state vests in the legislature the power to make laws, and thereby to establish agencies and to designate agency functions, budgets and purposes. Article V of the constitution of this state vests the legislative power to make laws, and thereby to establish agencies and to designate agency functions, budgets and purposes. Article VI of the constitution of this state vests in the legislature the power to make laws, and thereby to establish agencies and to designate agency functions, budgets and purposes. (b) The legislature recognizes the need for efficient administration of public policy. In creating agencies and designating their functions and purposes, the legislature may delegate rule-making authority to these agencies to facilitate administration of legislative policy. The delegation of rule-making authority is intended to expedite the administration of public policy by legislative. In so doing, however, the legislature reserves to itself:
   1. The right to reexamine any delegation of rule-making authority.
   2. The right to amend the subject matter of general policy by legislation, notwithstanding any delegation of rule-making authority.
   3. The right to review and determine the power to make laws, and thereby to establish agencies and to designate agency functions, budgets and purposes.
   4. The right to delay or suspend the implementation of any rule or proposed rule while under review by the legislature.

(2) NOTIFICATION OF LEGISLATURE. An agency shall submit a notice to the chief clerk of each house of the legislature when a proposed rule is in final draft form. The notice shall be submitted in triplicate and shall be accompanied by a report in the form specified under sub. (3). A notice received under this subsection after the last day of the legislature’s final general–business floorperiod in the biennial session as established in the joint resolution required under s. 13.02 (3) shall be considered received on the first day of the next regular session of the legislature, unless the presiding officers of both houses direct referral of the notice and report under this subsection before that day. The presiding officer of each house of the legislature shall, within 10 working days following the day on which the notice and report are received, direct the
appropriate chief clerk to refer the notice and report to one standing committee. The agency shall submit to the legislative reference bureau for publication in the register, in an electronic format approved by the legislative reference bureau, a statement that a proposed rule has been submitted to the chief clerk of each house of the legislature. (d) A response to the legislative council staff recommendations under s. 227.15 indicating:

1. Acceptance of the recommendations in whole or in part.

2. Rejection of the recommendations in whole or in part.

3. The specific reason for rejecting any recommendation.

(e) Except as provided under sub. (3m), for all proposed rules that will have an effect on small businesses, as defined under s. 227.114 (1), a final regulatory flexibility analysis, which shall contain as much information about the following as the agency can feasibly obtain and analyze with its existing staff and resources:

1. The agency’s reason for including or failing to include in the proposed rule any of the methods specified under s. 227.114 (2) for reducing its impact on small businesses.

2. A summary of issues raised by small businesses during the hearings on the proposed rule, any changes in the proposed rule as a result of alternatives suggested by small businesses and the reasons for rejecting any alternatives suggested by small businesses.

3. The nature of any reports and the estimated cost of their preparation by small businesses that must comply with the rule.

4. The nature and estimated cost of other measures and investments that will be required of small businesses in complying with the rule.

(h) A response to any report prepared by the small business regulatory review board under s. 227.14 (2g).

(3m) ANALYSIS NOT REQUIRED. The final regulatory flexibility analysis specified under sub. (3) (e) is not required for any rule if the small business regulatory review board determines that the rule will not have a significant economic impact on a substantial number of small businesses.

(4) COMMITTEE REVIEW. (a) Notice of referral. Upon receipt of notice that a proposed rule has been referred to a committee under sub. (2), the chairperson or chairpersons of the committee shall notify, in writing, each committee member of the referral.

1m. Committee meeting. A committee may be convened upon the call of its chairperson or cochairpersons to review a proposed rule. A committee may meet separately or jointly with the other committee to which the notice and report were referred. A committee may hold a public hearing to review a proposed rule.

(b) Committee review period. 1. Except as otherwise provided in this paragraph, the committee review period for each committee extends for 30 days after referral of the proposed rule to the committee under sub. (2). If the chairperson or the cochairpersons of a committee take either of the following actions within the 30-day period, the committee review period for that committee is extended for 30 days from the date on which the first 30−day review period would have expired:

a. Request in writing that the agency meet with the committee to review the proposed rule.

b. Publish or post notice that the committee will hold a meeting or hearing to review the proposed rule and immediately send a copy of the notice to the agency.

1m. Except as provided under subd. 5., if a notice and report received under sub. (2) after the last day of the legislature’s final general−business floorperiod as specified in sub. (2) is referred for committee review before the first day of the next regular session of the legislature, the committee review period for each committee to which the proposed rule is referred extends to the day specified under s. 13.02 (1) for the next legislature to convene. 2. If a committee, by a majority vote of a quorum of the committee, requests modifications in a proposed rule, and the agency, in writing, agrees to consider making modifications, the review period for both committees to which the proposed rule is referred is extended either to the 10th working day following receipt by those committees of the modified proposed rule or a written statement to those committees that the agency will not make the modifications or to the expiration of the review period under subd. 1. or, if applicable, subd. 1m., whichever is later. There is no limit either on the number of modification agreements that may be entered into or on the time within which modifications may be made.

2m. If a committee requests in writing that the public service commission determine the rule’s impact on the cost or reliability of electricity generation, transmission, or distribution or of fuels used in generating electricity, the commission shall prepare an energy impact report in the manner provided under s. 227.117 (1). The commission shall submit a copy of the report to the committee and to the agency that proposed the rule within 30 days after the written request is submitted to the commission. The review period for both committees to which the proposed rule is referred is extended to the 10th working day following receipt by those committees of the report, to the expiration of the review period under subd. 1. or, if applicable, subd. 1m., or to the expiration of the review period under subd. 2., whichever is later.

7. In the case of a proposed rule of the department of safety and professional services under s. 101.63 (1) establishing standards for the construction of a dwelling, as defined in s. 101.61 (1), the proposed rule would increase the cost of constructing or remodeling such a dwelling by more than $1,000. This subdivision applies notwithstanding that the purpose of the one- and 2-family dwelling code under s. 101.60 includes promoting interstate uniformity in construction standards. This subdivision does not apply to a proposed rule whose promulgation has been authorized under sub. (5) (fm).

(e) Conclusion of committee jurisdiction. Subject to par. (b) 3m., a committee’s jurisdiction over a proposed rule is concluded with respect to any proposed rule or any part of a proposed rule under this subsection. If the committee objects to, approves, or waives its jurisdiction over the proposed rule or when the committee review period ends, whichever occurs first. When a committee’s jurisdiction over a proposed rule is concluded, the committee shall report the proposed rule and any objection as provided in sub. (5) (a).

(5) Joint committee for review of administrative rules.

(a) Referral. When a committee’s jurisdiction over a proposed rule is concluded as provided in sub. (4) (e), the committee shall report the proposed rule and any objection to the chief clerk of the appropriate house within 5 working days after that jurisdiction is concluded. The chairperson shall refer the proposed rule and any objection to the joint committee for review of administrative rules within 5 working days after receiving the committee report.

(b) Joint committee review period. 1. Except as otherwise provided in this paragraph, the review period for the joint committee for review of administrative rules extends for 30 days after the last referral of a proposed rule and any objection to that committee, and during that review period that committee may take any action on the proposed rule in whole or in part permitted under this subsection. The joint committee for review of administrative rules shall meet and take action in executive session during that period with respect to any proposed rule or any part of a proposed rule to which a committee has objected and may meet and take action in executive session during that period with respect to any proposed rule or any part of a proposed rule to which no committee has objected, except that if the cochairpersons take either of the following actions within the 30-day period, the joint committee review period is continued for 30 days from the date on which the first 30-day review period would have expired:

a. Request in writing that the agency meet with the joint committee for review of administrative rules to review the proposed rule.

b. Publish or post notice that the joint committee for review of administrative rules will hold a meeting or hearing to review the proposed rule and immediately send a copy of the notice to the agency.

1m. If a notice and report received under sub. (2) after the last day of the legislature’s final regular session as specified in sub. (2) is referred for review by the joint committee for review of administrative rules before the first day of the next regular session of the legislature, the review period for the joint committee for review of administrative rules extends to the day specified under s. 13.02 (1) for the next legislature to convene. During that review period, the joint committee for review of administrative rules may meet and take action in executive session and may take any action on the proposed rule in whole or in part permitted under this subsection. If the joint committee for review of administrative rules meets in executive session with respect to a proposed rule or part of a proposed rule to which a committee has objected, that joint committee shall take action as permitted under this subsection with respect to the committee’s objection.

2. If the joint committee for review of administrative rules, by a majority vote of a quorum of the committee, requests modifications in a proposed rule, and the agency, in writing, agrees to consider making modifications, the review period for the joint committee is extended either to the 10th working day following receipt by the joint committee of the modified proposed rule or a written
statement to the joint committee that the agency will not make the modifications or to the expiration of the review period under subd. 1. or, if applicable, subd. 1m., whichever is later. There is no limit either on the number of modification agreements that may be entered into or on the time within which modifications may be made.

3. The joint committee for review of administrative rules, by a majority vote of a quorum of the committee, may request the preparation of an independent economic impact analysis for a proposed rule, regardless of whether an independent economic impact analysis was prepared under s. 227.137 (4m). If the joint committee for review of administrative rules requests an independent economic impact analysis under this subdivision, the committee shall request approval by the committee on senate organization and the committee on assembly organization. If both the committee on senate organization and the committee on assembly organization approve the request, the joint committee for review of administrative rules shall notify the agency proposing the proposed rule and shall contract with a person that is not an agency to prepare the independent economic impact analysis, and the review period for the committee is extended to the 10th working day following receipt by the committee of the completed analysis. The person preparing the independent economic impact analysis shall comply with s. 227.137 (4m) (c) 1. to 3. Costs of completing an independent economic impact analysis shall be paid as follows:

a. If the estimate in the independent economic impact analysis of total implementation and compliance costs under s. 227.137 (3) (b) 1. varies from the agency’s estimate by 15 percent or more or varies from the agency’s determination that there will be no implementation or compliance costs, the committee shall assess the agency that is proposing the proposed rule for the costs of completing the independent economic impact analysis.

b. If the estimate in the independent economic impact analysis of total implementation and compliance costs under s. 227.137 (3) (b) 1. does not vary from the agency’s estimate by 15 percent or more or is in accord with the agency’s determination that there will be no implementation and compliance costs, the costs of completing the independent economic impact analysis shall be paid in equal parts from the appropriation accounts under s. 20.765 (1) (a) and (b).

c. Notwithstanding subd. 3. a. and b., if the maximum potential obligation under the contract for completing the independent economic impact analysis exceeds $50,000, the joint committee for review of administrative rules shall submit the proposed contract to the joint committee on finance for the purpose of determining the funding source for the costs of completing the independent economic impact analysis, and the costs of completing the independent economic impact analysis shall be paid as provided by the joint committee on finance. If the joint committee on finance does not act to determine the funding source within 90 days, the costs of completing the independent economic impact analysis shall be paid as provided in subd. 3. a. and b.

4. If the joint committee for review of administrative rules has not concluded its jurisdiction over a proposed rule or a part of a proposed rule before the day specified under s. 13.02 (1) for the next legislature to convene, that jurisdiction immediately ceases and, within 10 working days after that date, the presiding officer of the appropriate house shall refer the proposed rule or part of the proposed rule to the joint committee for review of administrative rules of the next legislature. If a committee review period is interrupted by the loss of jurisdiction under this subdivision, a new committee review period as provided in subd. 1. shall begin for the joint committee for review of administrative rules to which the proposed rule or part of the proposed rule is referred under this subdivision beginning on the date of referral under this subdivision.

(c) Agency not to promulgate rule during joint committee review. An agency may not promulgate a proposed rule or a part of a proposed rule until the joint committee for review of administrative rules nonconcurs in the objection of the committee, curts in the approval of the committee, otherwise approves the proposed rule or part of the proposed rule, or waives its jurisdiction over the proposed rule or part of the proposed rule under par. (d), until the expiration of the review period under par. (b) 1., if no committee has objected to the proposed rule or the part of the proposed rule, until a bill introduced under par. (e) fails to be enacted, or until a bill introduced under par. (em) is enacted. An agency may promulgate any part of a proposed rule to which no objection has been made.

The joint committee for review of administrative rules may nonconcur in a committee’s objection to a proposed rule or a part of a proposed rule, concur in a committee’s approval of a proposed rule or a part of a proposed rule, otherwise approve a proposed rule or a part of a proposed rule, or waive its jurisdiction over a proposed rule or a part of a proposed rule by voting to nonconcur, concur, or approve, or to waive its jurisdiction, during the applicable review period under par. (b). If the joint committee for review of administrative rules objects to a proposed rule or a part of a proposed rule and invokes this paragraph, an agency may not promulgate the proposed rule or part of the proposed rule objected to until a bill introduced under par. (e) fails to be enacted. If the joint committee for review of administrative rules objects to a proposed rule or a part of a proposed rule under this paragraph only for one or more of the reasons specified under sub. (4) (d).

(e) Bills to prevent promulgation. When the joint committee for review of administrative rules objects to a proposed rule or a part of a proposed rule under par. (d) it shall, within 30 days of the date of the objection, meet and take executive action regarding the introduction, in each house of the legislature, of a bill to support the objection. The joint committee shall introduce the bills within 5 working days after taking executive action in favor of introduction of the bills unless the bills cannot be introduced during this time period under the joint rules of the legislature.

(d) Indefinite objection; joint committee action. If the joint committee for review of administrative rules objects to a proposed rule or a part of a proposed rule and invokes this paragraph, the agency may not promulgate the proposed rule or part of the proposed rule objected to until a bill introduced under par. (em) is enacted. The joint committee for review of administrative rules may object to a proposed rule or a part of a proposed rule under this paragraph only for one or more of the reasons specified under sub. (4) (d). This paragraph does not apply to a proposed rule whose promulgation has been previously authorized under par. (fm).

(f) Bills to prevent promulgation; effect. If both bills required under par. (e) are defeated, or fail to be enacted in any other manner, the agency may promulgate the proposed rule or part of the proposed rule that was objected to. If either bill becomes law, the agency may not promulgate the proposed rule or part of the proposed rule that was objected to unless subsequent law specifically authorizes its promulgation.

(c) Agency not to promulgate rule during joint committee review. An agency may not promulgate a proposed rule or a part of a proposed rule until the joint committee for review of administrative rules nonconcurs in the objection of the committee, curts in the approval of the committee, otherwise approves the proposed rule or part of the proposed rule, or waives its jurisdiction over the proposed rule or part of the proposed rule under par. (d), until the expiration of the review period under par. (b) 1., if no committee has objected to the proposed rule or the part of the proposed rule, until a bill introduced under par. (e) fails to be enacted, or until a bill introduced under par. (em) is enacted. An agency may promulgate any part of a proposed rule to which no objection has been made.

(e) fails to be enacted. If the joint committee for review of administrative rules objects to a proposed rule or a part of a proposed rule under this paragraph only for one or more of the reasons specified under sub. (4) (d).

(e) Bills to prevent promulgation. When the joint committee for review of administrative rules objects to a proposed rule or a part of a proposed rule under par. (d) it shall, within 30 days of the date of the objection, meet and take executive action regarding the introduction, in each house of the legislature, of a bill to support the objection. The joint committee shall introduce the bills within 5 working days after taking executive action in favor of introduction of the bills unless the bills cannot be introduced during this time period under the joint rules of the legislature.

(f) Bills to prevent promulgation; effect. If both bills required under par. (e) are defeated, or fail to be enacted in any other manner, the agency may promulgate the proposed rule or part of the proposed rule that was objected to. If either bill becomes law, the agency may not promulgate the proposed rule or part of the proposed rule that was objected to unless subsequent law specifically authorizes its promulgation.

Forms that are filled need not comply with the specifications of this subsection.  The agency shall also send a copy of each rule to the legislative reference bureau in an electronic format approved by the legislative reference bureau.

(2)  The legislative reference bureau shall endorse the date and the time of filing of each certified copy filed under sub. (1).  The bureau shall keep a file of all certified copies filed under sub. (1).

(3)  Filing a certified copy of a rule with the legislative reference bureau creates a presumption of all of the following:
(a)  That the rule was duly promulgated by the agency.
(b)  That the rule was filed and made available for public inspection on the date and time endorsed on it.
(c)  That all of the rule-making procedures required by this chapter were complied with, except as provided in s. 186.118 (2) (c) or (3) (b).
(d)  That the text of the certified copy of the rule is the text as promulgated by the agency.

227.21  publication of rules; incorporation by reference.  (1)  The legislative reference bureau shall publish all rules that agencies are directed by this chapter to file with the legislative reference bureau under s. 227.20 in the register and shall publish all permanent rules that agencies are directed by this chapter to file with the legislative reference bureau under s. 227.20 in the code, as provided in s. 35.93.

(a)  Except as provided in s. 601.41 (3) (b), to avoid unnecessary expense an agency may, with the consent of the attorney general, adopt standards established by technical or professional organizations of recognized national standing by incorporating the standards in its rules by reference to the specific issue or issues of the publication in which they appear, without reproducing the standards in full.

(b)  The attorney general shall consent to incorporation by reference only in a rule of limited public interest and in a case where the incorporated standards are readily available in published form or are available on optical disc or in another electronic format.  Each rule containing an incorporation by reference shall state how the material incorporated may be obtained and, except as provided in s. 601.41 (3) (b), that the standards are on file at the offices of the agency and the legislative reference bureau.

(c)  An agency that adopts standards under par. (a) may provide the legislative reference bureau with one or more Web addresses to provide electronic access to the standards for publication in conjunction with the publication of the Wisconsin administrative code and register under s. 35.93.

3.  A rule promulgated jointly by 2 or more agencies need not be published in more than one place in the code.

4.  Agency materials that are exempt from the requirements of this chapter under s. 227.01 (13) may be published, either ver-

batim or in summary form, if the promulgating agency and the legis-
lative reference bureau determine that the public interest would be
served by publication.

2013 a. 20; 2015 a. 196.

Consent may be given to incorporate by reference the U.S. Code or federal reg-
sulations, except rules meeting the definition of a technical standard. Material incor-
porated by reference cannot include future amendments thereto. 59 Atty. Gen. 31.

227.22 Effective date of rules. (1) In this section, “date of publica-
tion” means the date on which a rule is published in the code as required under s. 35.93 (2) (c) 1.

(2) A rule is effective on the first day of the month commenc-
ing after the date of publication unless one of the following occurs:

(a) The statute under which the rule was promulgated pre-
scribes a different effective date for the rule.

(b) A later date is prescribed by the agency in a statement filed
with the rule.

(c) The rule is promulgated under s. 227.24, in which case it
becomes effective at the time prescribed in that section.

(e) The rule has a significant economic impact on small busi-
nesses, as defined in s. 227.114 (1), in which case the rule applies
to small businesses no earlier than the first day of the 3rd month
commencing after the date of publication of the rule.

(3) The legislative reference bureau may prescribe in the man-
ual prepared under s. 227.15 (7) the monthly date prior to which
a rule must be filed in order to be included in that month’s issue
of the register. The legislative reference bureau shall compute the
effective date of each rule submitted for publication in the register
and shall publish it in a note at the end of each section. For the pur-
pose of computing the effective date, the legislative reference
bureau may presume that an issue of the register will be published
during the month in which it is designated for publication.

2013 a. 20, 172.

227.23 Forms. A form imposing a requirement which meets the
definition of a rule shall be treated as a rule for the purposes of
this chapter, except that:

(1) Its promulgation need not be preceded by notice and public
hearing.

(2) It need not be promulgated by the board or officer charged
with ultimate rule-making authority but may be promulgated by
any employee of the agency authorized by the board or officer.

(3) It must be published in the code and register in its entirety,
but may be listed by title or description together with a
statement as to how it may be obtained.

227.24 Emergency rules; exemptions. (1) PROMULGA-
tion. (a) An agency may, except as provided in s. 227.136 (1),
promulgate a rule as an emergency rule without complying with
the notice, hearing, and publication requirements under this chapter
if preservation of the public peace, health, safety, or welfare
necessitates putting the rule into effect prior to the time it would
take effect if the agency complied with the procedures.

(b) An agency acting under s. 186.235 (21), 215.02 (18) or
220.04 (8) may promulgate a rule without complying with the
notice, hearing and publication procedures under this chapter.

(c) A rule promulgated under par. (a) takes effect upon publica-
tion in the official state newspaper or on any later date specified
in the rule and, except as provided under sub. (2), remains in effect
only for 150 days.

(d) A rule promulgated under par. (b) takes effect upon publica-
tion in the official state newspaper or on any later date specified
in the rule and remains in effect for one year or until it is suspended
or the proposed rule corresponding to it is objected to by the joint
committee for review of administrative rules, whichever is sooner.

If a rule under par. (b) is suspended or a proposed rule under s.
186.235 (21), 215.02 (18) or 220.04 (8) is objected to by the joint
committee for review of administrative rules, any person may com-
plete any transaction entered into or committed to in reliance
on that rule and shall have 45 days to discontinue other activity
undertaken in reliance on that rule.

(e) An agency that promulgates a rule under this subsection
shall do all of the following:

1d. Prepare a statement of the scope of the proposed emer-
gency rule as provided in s. 227.135 (1), obtain approval of the
statement as provided in s. 227.135 (2), send the statement to the
legislative reference bureau for publication in the register as pro-
vided in s. 227.135 (3), and hold a preliminary public hearing and
comment period if directed under s. 227.136 (1). If the agency
changes the scope of a proposed emergency rule as described in s.
227.135 (4), the agency shall prepare and obtain approval of a
revised statement of the scope of the proposed emergency rule as
provided in s. 227.135 (4). No state employee or official may per-
form any activity in connection with the drafting of a proposed
emergency rule except for an activity necessary to prepare the
statement of the scope of the proposed emergency rule until the
 governor and the individual or body with policy-making powers
over the subject matter of the proposed emergency rule approve
the statement.

1g. Submit the proposed emergency rule in final draft form
to the governor for approval. The governor, in his or her discre-
tion, may approve or reject the proposed emergency rule. If the
governor approves a proposed emergency rule, the governor shall
provide the agency with a written notice of that approval. An
agency may not file an emergency rule with the legislative refer-
ence bureau as provided in s. 227.20 and an emergency rule may
not be published until the governor approves the emergency rule
in writing.

1m. Prepare a plain language analysis of the rule in the format
prescribed under s. 227.14 (2) and print the plain language analy-
sis with the rule when it is published.

2. Prepare a fiscal estimate for the rule in the format pre-
scribed under s. 227.14 (4), mail the fiscal estimate to each mem-
er of the legislature, and send a copy of the fiscal estimate to the
legislative reference bureau in an electronic format approved by
the legislative reference bureau, not later than 10 days after the
date on which the rule is published.

(2) EXTENSION. (a) At the request of an agency, the joint
committee for review of administrative rules may, at any time prior to
the expiration date of a rule promulgated under sub. (1) (a), extend
the effective period of the emergency rule or part of the emergency
rule for a period specified by the committee not to exceed 60 days.
Any number of extensions may be granted under this paragraph,
but the total period for all extensions may not exceed 120 days.

(3) FILING. An agency shall file a rule promulgated under sub.
(1) as provided in s. 227.20, shall mail a copy to the chief clerk of
each house and to each member of the legislature at the time that
the rule is filed and shall take any other step it considers feasible to make the rule known to persons who will be affected by it. The legislative reference bureau shall insert in the notice section of each issue of the register a brief description of each rule under sub. (1) that is currently in effect, and a copy of the rule and fiscal estimate. Each copy, notice or description of a rule promulgated under sub. (1) (a) shall be accompanied by a statement of the emergency finding by the agency or by a statement that the rule is promulgated at the direction of the joint committee for review of administrative rules under s. 227.26 (2) (b).

3m REVIEW BY THE SMALL BUSINESS REGULATORY REVIEW BOARD. On the same day that the agency files a rule under sub. (3) that may have an economic impact on small businesses, as defined in s. 227.114 (1), the agency shall submit a copy of the rule to the small business regulatory review board. The board may use cost-benefit analysis to determine the fiscal effect of the emergency rule on small businesses and shall determine whether the emergency rule will have a significant economic impact on a substantial number of small businesses and whether the agency complied with ss. 227.114 (2) and (3) and 227.14 (2m). If the board determines that the emergency rule will not have a significant economic impact on a substantial number of small businesses, the board shall submit a statement to that effect to the agency that sets forth the reason for the board’s decision. If the board determines that the emergency rule will have a significant economic impact on a substantial number of small businesses, the board may submit to the agency and to the legislative council staff suggested changes in the emergency rule to minimize the economic impact of the emergency rule. If the board determines that the agency failed to comply with s. 227.114 (2) or (3) or 227.14 (2m), the board shall notify the agency of that determination and ask the agency to comply with any of those provisions. In addition, the board may submit other suggested changes in the proposed rule to the agency and may include a request that the agency do any of the following: (a) Explain how the agency has responded to comments received from small businesses regarding the emergency rule. (b) Verify that the emergency rule does not conflict with, overlap, or duplicate other rules or federal regulations.

PUBLIC HEARING. Notwithstanding sub. (1) (a) and (b) and in addition to any preliminary public hearing and comment period held under sub. (1) (e) 1., an agency shall hold a public hearing within 45 days after it promulgates a rule under sub. (1). If within that 45-day period the agency submits to the legislative council staff under s. 227.15 a proposed rule corresponding to the rule under sub. (1), it shall hold a public hearing on both rules within 90 days after promulgation of the rule under sub. (1), or within 30 days after the agency receives the report on the proposed rule prepared by the legislative council staff under s. 227.15 (2), whichever occurs later.

227.25 Legislative reference bureau. (1) The legislative reference bureau shall, in cooperation with the legislative council staff under s. 227.15 (7), prepare a manual informing agencies about the form and mechanics of rule drafting.

(2) The legislative reference bureau shall, upon request, furnish an agency with advice and assistance on the form and mechanics of rule drafting.

(3) An agency may request an advance commitment as to the title or numbering of a proposed rule by submitting a copy of the proposed rule indicating the requested title and numbering to the legislative reference bureau prior to filing. As soon as possible after that, the legislative reference bureau shall either approve the request or inform the agency of any change necessary to preserve uniformity in the code.

(4) The legislative reference bureau may, prior to publication, edit the analysis of a proposed rule and any other material submitted for publication in the code and register, may refer to the fact that those materials are on file or may eliminate them and any reference to them in the code and register if they do not appreciably add to an understanding of the rule. The legislative reference bureau shall submit the edited version of any material to the agency for its comments prior to publication.

227.26 Legislative review after promulgation; joint committee for review of administrative rules. (1) DEFINITION. In this section, “rule” means all or any part of a rule which has taken effect as provided under s. 227.22 (2).

(2) REVIEW OF RULES BY COMMITTEE. (a) Purpose. The joint committee for review of administrative rules shall promote adequate and proper rules, statements of general policy and interpretations of statutes by agencies and an understanding upon the part of the public respecting the rules, statements and interpretations.

(b) Requirement for promulgation. If the committee determines that a statement of policy or an interpretation of a statute meets the definition of a rule, it may direct the agency to promulgate a statement or interpretation as an emergency rule under s. 227.24 (1) (a) within 30 days after the committee’s action.

(c) Public hearings. The committee shall hold a public hearing to investigate any complaint with respect to a rule if it considers the complaint meritorious and worthy of attention.

(d) Temporary suspension of rules. The committee may suspend any rule by a majority vote of a quorum of the committee. A rule may be suspended only on the basis of testimony in relation to that rule received at a public hearing and only for one or more of the reasons specified under s. 227.19 (4) (d).

(e) Notice. When the committee suspends a rule, it shall publish a class I notice, under ch. 985, of the suspension in the official state newspaper and give any other notice it considers appropriate.

(f) Introduction of bills. If any rule is suspended, the committee shall, within 30 days after the suspension, meet and take executive action regarding the introduction, in each house of the legislature, of a bill to support the suspension. The committee shall introduce the bills within 5 working days after taking executive action in favor of introduction of the bills unless the bills cannot be introduced during this time period under the joint rules of the legislature.

(g) Committee report required. No bill required by this subsection may be considered by the legislature until the committee submits a written report on the proposed bill. The report shall be printed as an appendix to the bills introduced under par. (f). The report shall contain all of the following:

1. An explanation of the issue regarding the suspended rule and the factual situation out of which the issue arose.
2. Arguments presented for and against the suspension action at the public hearing held under par. (c).
3. A statement of the action taken by the committee regarding the rule.
4. A statement and analysis of the grounds upon which the committee relies for suspending the rule.

(h) Legislative procedure. Upon the introduction of bills by the committee under this subsection, the presiding officer of each house of the legislature shall refer the bill introduced in that house to the appropriate committee, to the calendar scheduling committee or directly to the calendar. If the committee to which a bill is referred makes no report within 30 days after referral, the bill shall be considered reported without recommendation. No later than 40 days after referral, or as soon thereafter as is possible if the legislature is not in a floorperiod 40 days after referral, the bills shall be placed on the calendar of each house of the legislature according to its rule governing the placement of proposals on the calendar. A bill introduced under this subsection which is received in the 2nd house shall be referred, reported and placed on the calendar.
in the same manner as an original bill introduced under this subsection.

(i) Timely introduction of bills; effect. If both bills required under this subsection are defeated, or fail to be enacted in any other manner, the rule remains in effect and the committee may not suspend it again. If either bill becomes law, the rule is repealed and may not be promulgated again unless a subsequent law specifically authorizes such action. This paragraph applies to bills that are introduced on or after the day specified under s. 13.02 (1) for the legislature to convene and before February 1 of an even-numbered year.

(ii) Multiple suspensions. Notwithstanding pars. (i) and (j), the committee may act to suspend a rule as provided under this subsection multiple times.

(j) Late introduction of bills; effect. If the bills required under par. (i) are introduced on or after February 1 of an even-numbered year and before the next regular session of the legislature, as provided under s. 13.02 (2), or if the bills cannot be introduced during this time period under the joint rules of the legislature, unless either house adversely disposes of either bill, the committee shall introduce the bills on the first day of the next regular session of the legislature. If the committee is required to introduce the bills on the first day of the next regular session, the rule to which the bills pertain remains suspended except as provided in par. (i). If either house adversely disposes of either bill, the rule remains in effect and the committee may not suspend it again. In this paragraph, “adversely disposes of” has the meaning given under s. 227.19 (5) (g).

(k) Biennial report. The committee shall submit a biennial report of its activities to the chief clerk of each house of the legislature, for distribution to the legislature under s. 13.172 (2), and to the governor and include recommendations.

(L) Emergency rules. If the committee suspends an emergency rule under this section, the agency may not submit to the legislature under s. 227.19 (2) the substance of the emergency rule as a proposed permanent rule during the time the emergency rule is suspended.

3. Public hearings by state agencies. By a majority vote of a quorum of the committee, the committee may require any agency to hold a public hearing in respect to recommendations made under sub. (2) and to report its action to the committee within the time specified by the committee. The agency shall publish a class 1 notice, under ch. 985, of the hearing in the official state newspaper and give any other notice which the committee directs. The hearing shall be conducted in accordance with s. 227.18 and shall be held not more than 60 days after receipt of notice of the requirement.

4. Repeal of unauthorized rules. (a) In this subsection, “unauthorized rule” means a rule that an agency lacks the authority to promulgate due to the repeal or amendment of the law that previously authorized its promulgation.

(b) Notwithstanding ss. 227.114 to 227.117 and 227.135 to 227.19, an agency that promulgated or that otherwise administers a rule that the agency determines is an unauthorized rule shall petition the joint committee for review of administrative rules for authorization to repeal that rule by using the following process:

1. The agency shall submit a petition with a proposed rule that repeals the rule the agency has determined is an unauthorized rule to the legislative council staff for review. The proposed rule shall be in the form required under s. 227.14 (1) and shall include the material required under s. 227.14 (2) (a) 1., 2., and 7. and a statement that the agency is petitioning the joint committee for review of administrative rules to use the process under this subsection to repeal a rule the agency has determined to be an unauthorized rule. The agency shall also send an electronic copy of the petition and the proposed rule to the legislative reference bureau, in a format approved by the legislative reference bureau, for publication in the register.

2. The legislative council staff shall review the petition and proposed rule in accordance with s. 227.15 (2) and submit to the joint committee for review of administrative rules the petition and proposed rule with a written report including a statement of its determination as to whether the proposed rule proposes to repeal an unauthorized rule. The legislative council staff shall send the agency a copy of its report with an indication of the date on which the petition and proposed rule were submitted to the committee.

3. Following receipt of the petition and proposed rule submitted by the legislative council staff under subd. 2., the joint committee for review of administrative rules shall review the petition and proposed rule and may do any of the following:

a. Approve the agency’s petition if the committee determines that the proposed rule would repeal an unauthorized rule.

b. Deny the agency’s petition.

c. Request that the agency make changes to the proposed rule and resubmit the petition and proposed rule under subd. 1.

4. The committee shall inform the agency in writing of its decision as to the petition.

(c) If the joint committee for review of administrative rules approves a petition to repeal an unauthorized rule as provided in par. (b) 3., the agency shall promulgate the proposed rule by filing a certified copy of the rule with the legislative reference bureau under s. 227.20, together with a copy of the committee’s decision.

Rule suspension under sub. (2) (d) does not violate the separation of powers doctrine. Martinez v. DLHR, 163 Wis. 2d 687, 478 N.W.2d 352 (1992).

A collective bargaining agreement between the regents and the teaching assistants association is not subject to review by the committee. 59 Atty. Gen. 200.

In giving notice of public hearings held under sub. (2), the committee should consistently employ the various forms of notice available that best fit the particular circumstances. 62 Atty. Gen. 299.

If an administrative rule is properly adopted and is within the power of the legislature to delegate there is no material difference between it and a law. No law, including a rule, can be revoked by a joint resolution of the legislature as such a resolution deprives the executive its power to veto an act of the legislature. 63 Atty. Gen. 159.

227.29 Agency review of rules and enactments. (1) By March 31 of each odd-numbered year, each agency with any rules published in the code shall submit a report to the joint committee for review of administrative rules listing all of the following rules promulgated or otherwise administered by that agency:

(a) Unauthorized rules, as defined in s. 227.26 (4) (a), together with a description of the legislation that eliminated the agency’s authority to promulgate any such rule.

(b) Rules for which the authority to promulgate has been restricted, together with a description of the legislation that restricted that authority.

(c) Rules that are obsolete or that have been rendered unnecessary, together with a description of why those rules are obsolete or have been rendered unnecessary.

(d) Rules that are duplicative of, superseded by, or in conflict with another rule, a state statute, a federal statute or regulation, or a ruling of a court of competent jurisdiction, together with a citation to or the text of any such statute, regulation, or ruling.

(e) Rules that the agency determines are economically burdensome.

(2) The report under sub. (1) shall also include all of the following:

(a) A description of the agency’s actions, if any, to address each rule listed in the report. If the agency has not taken any action to address a rule listed in the report, the agency shall include an explanation for not taking action.

(b) A description of the status of each rule listed in the previous year’s report not otherwise listed.

(c) If the agency determines that there is no rule as described under sub. (1) (a), (b), (c), (d), or (e), a statement of that determination.

(3) If an agency identifies an unauthorized rule under sub. (1) (a) and is not otherwise in the process of promulgating a rule that repeals the unauthorized rule, the agency shall, within 30 days after the agency submits the report, submit a petition to the legislative council staff under s. 227.26 (4) (b) 1. to repeal the unauthorized rule if the agency has not previously done so.

(4) (a) In this subsection, “enactment” means an act or a portion of an act that is required to be published under s. 35.095 (3) (a).

(b) Each agency shall review enactments to determine whether any part of an enactment does any of the following:

1. Eliminates or restricts the agency’s authority to promulgate any rules promulgated or otherwise administered by that agency.

2. Renders any rules promulgated or otherwise administered by that agency obsolete or unnecessary.

3. Renders, for any reason, any rules promulgated or otherwise administered by that agency not in conformity with or superseded by a state statute, including due to statutory numbering or terminology changes in the enactment.

4. Requires or otherwise necessitates rule making by the agency.

(c) If an agency determines that any consequence specified in par. (b) 1. to 4. results from an enactment or part of an enactment, within 6 months after the applicable effective date for the enactment or part of the enactment, the agency shall do one or more of the following, as applicable, to address the consequence identified by the agency and notify the joint committee for review of administrative rules of its action:

1. Submit a statement of the scope of a proposed rule under s. 227.135 (2), unless the enactment requires otherwise or unless the agency submits a notice to the committee explaining why it is unable to submit the statement of scope within that time period and an estimate of when the agency plans to submit the statement of scope.

2. In the case of an affected rule that the agency determines is an unauthorized rule, as defined in s. 227.26 (4) (a), submit a petition to the legislative council staff under s. 227.26 (4) (b) 1.

3. In the case of a consequence specified under par. (b) 3. that can be addressed by the legislative reference bureau using its authority under s. 13.92 (4) (b), submit a request to the legislative reference bureau to use that authority.

History: 2017 a. 108.

227.30 Review of administrative rules or guidelines. (1) The small business regulatory review board may review the rules and guidelines of any agency to determine whether any of those rules or guidelines place an unnecessary burden on the ability of small businesses, as defined in s. 227.114 (1), to conduct their affairs. If the board determines that a rule or guideline places an unnecessary burden on the ability of a small business to conduct its affairs, the board shall submit a report and recommendations regarding the rule or guideline to the joint committee for review of administrative rules and to the agency.

(2) When reviewing the report, the joint committee for review of administrative rules shall consider all of the following:

(a) The continued need for the rule or guideline.

(b) The nature of the complaints and comments received from the public regarding the rule or guideline.

(c) The complexity of the rule or guideline.

(d) The extent to which the rule or guideline overlaps, duplicates, or conflicts with federal regulations, other state rules, or local ordinances.

(e) The length of time since the rule or guideline has been evaluated.

(f) The degree to which technology, economic conditions, or other factors have changed in the subject area affected by the rule or guideline since the rule or guideline was promulgated.

(3) The joint committee for review of administrative rules may refer the report regarding the rule or guideline to the presiding officer of each house of the legislature for referral to a committee under s. 227.19 (2) or may review the rule or guideline as provided under s. 227.26.

SUBCHAPTER III
ADMINISTRATIVE ACTIONS AND JUDICIAL REVIEW

Cross-reference: See also ch. NR 2, Wis. adm. code.

227.40 Declaratory judgment proceedings. (1) Except as provided in sub. (2), the exclusive means of judicial review of the validity of a rule or guidance document shall be an action for declaratory judgment as to the validity of the rule or guidance document brought in the circuit court for the county where the party asserting the invalidity of the rule or guidance document resides or has its principal place of business or, if that party is a nonresident or does not have its principal place of business in this state, in the circuit court for the county where the dispute arose. The officer or other agency whose rule or guidance document is involved shall be the party defendant. The summons in the action shall be served as provided in s. 801.11 (3) and by delivering a copy to that officer or, if the agency is composed of more than one person, to the secretary or clerk of the agency or to any member of the agency. The court shall render a declaratory judgment in the action only when it appears from the complaint and the supporting evidence that the rule or guidance document or its threatened application interferes with or impairs, or threatens to interfere with or impair, the legal rights and privileges of the plaintiff. A declaratory judgment may be rendered whether or not the plaintiff has first requested the agency to pass upon the validity of the rule or guidance document in question.

(2) The validity of a rule or guidance document may be determined in any of the following judicial proceedings when material therein:

(a) Any civil proceeding by the state or any officer or agency thereof to enforce a statute or to recover thereunder, provided such proceeding is not based upon a matter as to which the opposing
party is accorded an administrative review or a judicial review by other provisions of the statutes and such opposing party has failed to exercise such right to review so accorded.

(b) Criminal prosecutions.

(c) Proceedings or prosecutions for violations of county or municipal ordinances.

(d) Habeas corpus proceedings relating to criminal prosecution.

(e) Proceedings under s. 66.191, 1981 stats., or s. 40.65 (2), 106.50, 106.52, 303.07 (7) or 303.21 or ss. 227.52 to 227.58 or under ch. 102, 108 or 949 for review of decisions and orders of administrative agencies if the validity of the rule or guidance document involved was duly challenged in the proceeding before the agency in which the order or decision sought to be reviewed was made or entered.

(f) Proceedings under s. 227.114 (6m).

(3) (ag) In any judicial proceeding other than one under sub. (1) or (2), in which the invalidity of a rule or guidance document is material to the cause of action or any defense thereto, the assertion of that invalidity shall be set forth in the pleading of the party maintaining the invalidity of the rule or guidance document in that proceeding. The party asserting the invalidity of the rule or guidance document shall, within 30 days after the service of the pleading in which the party sets forth the invalidity, apply to the court in which the proceedings are had for an order suspending the trial of the proceeding until after a determination of the validity of the rule or guidance document in an action for declaratory judgment under sub. (1).

(a) Upon the hearing of the application, if the court is satisfied that the validity of the rule or guidance document is material to the issues of the case, an order shall be entered staying the trial of said proceeding until the rendition of a final declaratory judgment in proceedings to be instituted forthwith by the party asserting the invalidity of the rule or guidance document. If the court finds that the asserted invalidity of the rule or guidance document is not material to the case, an order shall be entered denying the application for stay.

(b) Upon the entry of a final order in the declaratory judgment action, it shall be the duty of the party who asserts the invalidity of the rule or guidance document to formally advise the court of the outcome of the declaratory judgment action so brought as ordered by the court. After the final disposition of the declaratory judgment action the court shall be bound by and apply the judgment so entered in the trial of the proceeding in which the invalidity of the rule or guidance document is asserted.

(c) Failure to set forth the invalidity of a rule or guidance document in a pleading or to commence a declaratory judgment proceeding within a reasonable time pursuant to the order of the court or to prosecute the declaratory judgment action without undue delay shall preclude the party from asserting or maintaining that the rule or guidance document is invalid.

(4) (a) In any proceeding pursuant to this section for judicial review of a rule or guidance document, the court shall declare the rule or guidance document invalid if it finds that it violates constitutional provisions or exceeds the statutory authority of the agency or was promulgated or adopted without compliance with statutory rule-making or adoption procedures.

(b) Notwithstanding s. 227.54, in any proceeding under this section for judicial review of a rule, a court may not restrain, enjoin or suspend enforcement of the rule during the course of the proceeding on the basis of the alleged failure of the agency promulgating the rule to comply with s. 227.114.

(c) Notwithstanding par. (a), if a court finds that an agency did not adequately comply with s. 227.114, the court may not declare the rule invalid on that basis but shall order the agency to comply with that section and to propose any amendments to the rule that are necessary within a time specified by the court. Unless the legal islatute acts under s. 227.26 (2) to suspend the rule, the rule remains in effect while the agency complies with the order.

(5) The joint committee for review of administrative rules shall be served with a copy of the petition in any action under this section and, with the approval of the joint committee on legislative organization, shall be made a party and be entitled to be heard.

(6) Upon entry of a final order in a declaratory judgment action under sub. (1) with respect to a rule, the court shall send an electronic notice to the legislative reference bureau of the court’s determination as to the validity or invalidity of the rule, in a format approved by the legislative reference bureau, and the legislative reference bureau shall publish a notice of that determination in the Wisconsin administrative register under s. 35.93 (2) and insert an annotation of that determination in the Wisconsin administrative code under s. 13.92 (4) (a).

The plaintiff could not bring a declaratory judgment action under sub. (1) since it could contest the validity of a rule in an action brought against the plaintiff under sub. (2). (2) Wisconsin Plastics Corp. v. DNR, 93 Wis. 2d 524, 297 N.W.2d 69 (1980).

Pleading requirements for challenging administrative rules are established. The record for judicial review and the scope of judicial review are discussed. Liberty Homes, Inc. v. DELHR, 136 Wis. 2d 368, 401 N.W.2d 805 (1987).

A failure to comply with this section prevented the trial court from acquiring jurisdiction. Harris v. Revitz, 142 Wis. 2d 82, 417 N.W.2d 50 (Ct. App. 1987).

Under sub. (5), the plaintiff must serve JCRAR within 60 days of filing, pursuant to s. 893.02. Richards v. Young, 150 Wis. 2d 549, 441 N.W.2d 742 (1989).

In a conflict between a statute and a rule, the statute controls. Debeek v. DNR, 172 Wis. 2nd 382, 493 N.W.2d 234 (Ct. App. 1992).

This section encompasses policies or other statements, standards, or orders that meet the definition of a rule under s. 227.01 (13) but have not been promulgated as rules under s. 227.10. Heritage Credit Union v. Office of Credit Unions, 2001 WI App 213, 247 Wis. 2d 589, 634 N.W.2d 593, 00−3162.

The trial court erred by denying a motion to change venue to Dane County when the motion asserted that a department of corrections system was a rule, although it was never promulgated as a rule, and therefore, the “rule” was invalid. Johnson v. Bureau of 758, 659 N.W.2d 418, 02−1614.

Although administrative agencies do not have the power to declare statutes unconstitutional, and the lack of authority has been a basis for not applying the exhaustion of administrative remedies doctrine, if the agency has the authority to provide the relief requested without invalidating the rule, a constitutional basis for a claim does not in itself support an exception to the rule. Metz v. Veterinary Examining Board, 2007 WI App 220, 305 Wis. 2d 788, 741 N.W.2d 244, 06−1611.

A challenge to a policy on the basis that it is actually a rule is to be construed as a challenge to the validity of a rule, and the requirements of this section do apply. Because the challenge fails under this section, the petitioner was required to serve the Joint Committee for Review of Administrative Rules with a copy of her petition. Because she failed to do so, the court lacked competency to review the issue. Mata v. Department of Children and Families, 2014 WI App 69, 354 Wis. 2d 486, 849 N.W.2d 208, 13−2013.

Even without the statutory presumption in s. 227.20 (3), the party challenging the validity of rules has the burden of proving the invalidity of the rules. Wisconsin Real Estate Association v. Public Service Commission of Wisconsin, 2015 WI 63, 363 Wis. 2d 430, 867 N.W.2d 143−1407.

the names and addresses of persons other than the petitioner, if any, upon whom it is sought to make the declaratory ruling binding.

(c) The petition shall be signed by one or more persons, with each signer’s address set forth opposite the signer’s name, and shall be verified by at least one of the signers. If a person signs on behalf of a corporation, limited liability company or association, that fact also shall be indicated opposite that person’s name.

(3) Except as provided in sub. (5) (b), the petition shall be filed with the administrative head of the agency or with a member of the agency’s policy board.

(4) Except as provided in sub. (5) (c), within a reasonable time after receipt of a petition pursuant to this section, an agency shall either deny the petition in writing or schedule the matter for hearing. If the agency denies the petition, it shall promptly notify the person who filed the petition of its decision, including a brief statement of the reasons therefor.

(5) (a) The department of revenue shall, on petition by any interested person, or any group or association of interested persons, issue a declaratory ruling with respect to the applicability to any person, property, or state of facts of any rule or statute enforced by it. The department of revenue may issue a declaratory ruling on the facts contained in the petition. If the department of revenue does not deny the petition or issue a declaratory ruling on the facts contained in the petition, the department of revenue shall hold a hearing, as provided under s. 227.44, and shall afford interested parties an opportunity to participate in the hearing. A declaratory ruling shall bind the department and all parties to the proceedings on the statement of facts contained in the ruling, unless it is altered or set aside by the tax appeals commission or a court or the applicable rule or statute is repealed or materially amended. A ruling, including the denial of the petition, shall be subject to review by the tax appeals commission as provided in ch. 73.

(b) A petition under par. (a) shall conform to the requirements under sub. (2) and be filed with the secretary of revenue.

(c) No later than 30 days after the day that the secretary of revenue receives a petition under this subsection, the department of revenue shall hold a hearing, as provided under s. 227.44, and shall afford interested parties an opportunity to participate in the hearing. If the department of revenue does not deny the petition or issue a declaratory ruling on the facts contained in the petition, in which case the department of revenue shall issue the ruling no later than 90 days after issuing the notice, or schedule the matter for hearing. The department may deny the petition only if the petition fails to comply with the requirements under sub. (2) and par. (b) or if the department determines that the petition is frivolous, a justiciable controversy does not exist, the ruling would not provide guidance on matters of general applicability, or the ruling would substitute for other procedures available to the parties for resolution of the dispute. If the department denies the petition, it shall promptly notify the person who filed the petition of its decision and include with the notice a brief statement of the reasons for denying the petition. The department may not deny a petition for lack of a justiciable controversy solely because the only parties to the petition are the petitioner and the department.

(d) 1. If the department of revenue does not deny the petition, or issue a notice that it will issue a declaratory ruling based on the facts contained in the petition, the department shall hold a hearing and determine, no later than 180 days after the secretary receives the petition, whether the petitioner has presented sufficient facts from which to issue a declaratory ruling. The department of revenue, petitioner, and other parties may take and preserve evidence prior to and during the hearing using the methods allowed to parties under s. 227.45. With the agreement of the parties, the department may rule on the petition based on facts stipulated by the parties.

2. If the department determines that it does not have sufficient facts from which to issue a declaratory ruling, the department may deny the petition. If the department determines that it has sufficient facts from which to issue a declaratory ruling, the department shall issue a ruling on the merits of the petition no later than 180 days after the determination, unless the deadline is extended by written agreement of all parties. The ruling may deny the petition on the grounds that the petition is frivolous, a justiciable controversy does not exist, the ruling would not provide guidance on matters of general applicability, or that the ruling would substitute for other procedures available to the parties for resolution of the dispute.

(6) A ruling, including the denial of the petition, shall be binding on the parties and all other persons who are in privity with the parties.

(7) Any party may request a review of a declaratory ruling in the circuit court, under s. 227.81(3), or the tax appeal commission, under s. 227.82.

§ 227.42 Right to hearing. (1) In addition to any other right provided by law, any person filing a written request with an agency for hearing shall have the right to a hearing which shall be treated as a contested case if:

(a) A substantial interest of the person is injured in fact or threatened with injury by agency action or inaction;

(b) There is no evidence of legislative intent that the interest is not to be protected;

(c) The injury to the person requesting a hearing is different in kind or degree from injury to the general public caused by the agency action or inaction; and

(d) There is a dispute of material fact.

(2) Any denial of a request for a hearing shall be in writing, shall state the reasons for denial, and is an order reviewable under this chapter. If the agency does not enter an order disposing of the request for hearing within 20 days from the date of filing, the request shall be deemed denied as of the end of the 20-day period.

(3) This section does not apply to rule-making proceedings or rehearings, or to actions where hearings at the discretion of the agency are expressly authorized by law.

(4) Except as provided under s. 289.27 (1), this section does not apply to any part of the process for approving a feasibility report, plan of operation or license under subch. III of ch. 289 or s. 291.23, 291.25, 291.29 or 291.31, any decision by the department of natural resources relating to the environmental impact of a proposed action under ch. 289 or ss. 291.31 and 291.35, or any part of the process of negotiation and arbitration under s. 298.03.

(5) This section does not apply to a decision issued or a hearing conducted under s. 291.87.

(6) This section does not apply to a decision issued or a hearing conducted under s. 291.87.

A person who satisfies the conditions under sub. (1) is entitled to a hearing whether or not that person has any “other right provided by law.” Milwaukee Metropolitan Sewerage District v. DNR, 126 Wis. 2d 63, 375 N.W.2d 649 (1985).

When a railroad company had a right to a contested case hearing, Metropolitan Greyhound Management Corp. v. Wisconsin Racing Board, 157 Wis. 2d 678, 460 N.W.2d 802 (Ct. App. 1990).

When an ALJ’s decision did not provide notice of the 30-day time period under s. 227.53 (1) (a) 2. for petitioning for judicial review in a contested case, the 6-month default limitation adopted under Hedin v. Board of Regents, 2001 WI App. 228, application to Habermehl Electric, Inc., 2003 WI App. 29, 620 Wis. 2d 466, 599 N.W.2d 403, 502−1573.

Sub. (1) does not provide that a single factual dispute related to one issue entitles the person to a contested case hearing on every issue raised by the party. The only reasonable interpretation of sub. (1) is that a petitioner is entitled to a contested case hearing on only those specific issues that involve disputes of material fact. Haase–Hardie

History: 2013 a. 391.
227.45 Evidence and official notice. In contested cases:
(1) Except as provided in s. 901.05, an agency or hearing examiner shall not be bound by common law or statutory rules of evidence. The agency or hearing examiner shall admit all testimony having reasonable probative value, but shall exclude immaterial, irrelevant or unduly repetitious testimony or evidence that is inadmissible under s. 901.05. The agency or hearing examiner shall give effect to the rules of privilege recognized by law. Basic principles of relevancy, materiality and probative force shall govern the proof of all questions of fact. Objections to evidentiary offers and offers of proof of evidence not admitted may be made and shall be noted in the record.
(2) All evidence, including records and documents in the possession of the agency or hearing examiner of which the agency or hearing examiner desires to avail himself or herself, shall be duly offered and made a part of the record in the case. Every party shall be afforded adequate opportunity to rebut or offer countervailing evidence.
(3) An agency or hearing examiner may take official notice of any generally recognized fact or any established technical or scientific fact; but parties shall be notified either before or during the hearing of the basis of such official notice in preliminary reports or otherwise, of the facts so noticed, and they shall be afforded an opportunity to contest the validity of the official notice.
(4) An agency or hearing examiner shall take official notice of all rules which have been published in the Wisconsin administrative code or register.
(5) Documentary evidence may be received in the form of copies or excerpts, if the original is not readily available. Upon request, parties shall be given an opportunity to compare the copy with the original.
(6) A party may conduct cross-examinations reasonably required for a full and true disclosure of the facts.
(6m) A party’s attorney of record may issue a subpoena to compel the attendance of a witness or the production of evidence. A subpoena issued by an attorney must be in substantially the same form as provided in s. 805.07 (4) and must be served in the manner provided in s. 805.07 (5). The attorney shall, at the time of issuance, send a copy of the subpoena to the appeal tribunal or other representative of the department responsible for conducting the proceeding.
(7) In any class 2 proceeding, each party shall have the right, prior to the date set for hearing, to take and preserve evidence as provided in ch. 804. Upon motion by a party or by the person from whom discovery is sought in any class 2 proceeding, and for good cause shown, the hearing examiner may make any order in accordance with s. 804.01 which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense. In any class 1 or class 3 proceeding, an agency may by rule permit the taking and preservation of evidence, but in every such proceeding the taking and preservation of evidence shall be permitted with respect to a witness:
(a) Who is beyond reach of the subpoena of the agency or hearing examiner;
(b) Who is about to go out of the state, not intending to return in time for the hearing;
(c) Who is so sick, infirm or aged as to make it probable that the witness will not be able to attend the hearing; or
(d) Who is a member of the legislature, if any committee of the same or the house of which the witness is a member is in session, provided the witness waives his or her privilege.

If there is evidence that a rule promulgated by an administrative agency is founded on a particular source, it is reasonable to resort to the source to interpret the rule, but it is the course of reliance on the source in the uniform administrative interpretation of the rule that gives the interpretation validity and not the source itself. Employers Mutual Liability Insurance Co. v. DILHR, 62 Wis. 2d 327, 214 N.W.2d 587 (1974). Admission of evidence by an administrative agency is a matter of discretion. Stein v. 227.46 Hearing examiners; examination of evidence by agency. (1) Except as provided under s. 227.43 (1), an agency may designate an official of the agency or an employee on its staff or borrowed from another agency under s. 20.901 or 230.047 as a hearing examiner to preside over any contested case. Subject to rules of the agency, examiners presiding at hearings may:
(a) Administer oaths and affirmations.
(b) Issue subpoenas authorized by law and enforce subpoenas under s. 885.12.
(c) Rule on offers of proof and receive relevant evidence.
(d) Take depositions or have depositions taken when permitted by law.
(e) Regulate the course of the hearing.
(f) Hold conferences for the settlement or simplification of the issues by consent of the parties.
(g) Dispose of procedural requests or similar matters.
(h) Make or recommend findings of fact, conclusions of law and decisions to the extent permitted by law.
(i) Take other action authorized by agency rule consistent with this chapter.
(2) Except as provided in sub. (2m) and s. 227.47 (2), in any contested case which is a class 2 or class 3 proceeding, where a majority of the officials of the agency who are to render the final decision are not present for the hearing, the hearing examiner presiding at the hearing shall prepare a proposed decision, including findings of fact, conclusions of law, order and opinion, in a form that may be adopted as the final decision in the case. The proposed decision shall be a part of the record and shall be served by the agency on all parties. Each party adversely affected by the proposed decision shall be given an opportunity to file objections to the proposed decision, briefly stating the reasons and authorities for each objection, and to argue with respect to them before the officials who are to participate in the decision. The agency may direct whether such argument shall be written or oral. If an agency’s decision varies in any respect from the decision of the hearing examiner, the agency’s decision shall include an explanation of the basis for each variance.
(2m) In any hearing or review assigned to a hearing examiner under s. 227.43 (1) (bg), the hearing examiner presiding at the hearing shall prepare a proposed decision, including findings of fact, conclusions of law, order and opinion, in a form that may be adopted as the final decision in the case. The proposed decision shall be a part of the record and shall be served by the division of hearings and appeals in the department of administration on all parties. Each party adversely affected by the proposed decision shall be given an opportunity to file objections to the proposed decision within 15 days, briefly stating the reasons and authorities for each objection, and to argue with respect to them before the administrator of the division of hearings and appeals. The administrator of the division of hearings and appeals may direct whether such argument shall be written or oral. If the decision of the administrator of the division of hearings and appeals varies in any respect from the decision of the hearing examiner, the decision of the administrator of the division of hearings and appeals shall include an explanation of the basis for each variance. The decision of the administrator of the division of hearings and appeals is a final decision of the agency subject to judicial review under s. 227.52. The department of transportation may petition for judicial review.
(3) With respect to contested cases except a hearing or review assigned to a hearing examiner under s. 227.43 (1) (bg), an agency may by rule or in a particular case may order:
(a) Direct that the hearing examiner’s decision be the final decision of the agency,
(b) Except as provided in sub. (2) or (4), direct that the record be certified to it without an intervening proposed decision; or

(c) Direct that the procedure in sub. (2) be followed, except that in a class 1 proceeding both written and oral argument may be limited.

(4) Notwithstanding any other provision of this section, in any contested case, if a majority of the officials of the agency who are to render the final decision have not heard the case or read the record, the decision, if adverse to a party to the proceeding other than the agency itself, shall not be made until a proposed decision is served upon the parties and an opportunity is afforded to each party adversely affected to file objections and present briefs or oral argument to the officials who are to render the decision. Except as provided in s. 227.47 (2), the proposed decision shall contain a statement of the reasons therefor and of each issue of fact or law necessary to the proposed decision, prepared by the hearing examiner or a person who has read the record. The parties by written stipulation may waive compliance with this subsection.

(5) In any class 2 proceeding, if the decision to file a complaint or otherwise commence a proceeding to impose a sanction or penalty is made by one or more of the officials of the agency, the hearing examiner shall not be an official of the agency and the procedure described in sub. (2) shall be followed.

(6) The function of a persons presiding at a hearing or participating in a proceeding or final decision shall be performed in an impartial manner. A hearing examiner or agency official may at any time disqualify himself or herself. In class 2 and 3 proceedings, on the filing in good faith of a timely and sufficient affidavit of personal bias or other disqualification of a hearing examiner or official, the agency or hearing examiner shall determine the matter as part of the record and decision in the case.

(7) (a) Notwithstanding any other provision of law, the hearing examiner presiding at a hearing or meeting may order protective measures as are necessary to protect the trade secrets of parties to the hearing.

(b) In this subsection, “trade secret” has the meaning specified in s. 134.90 (1) (e).

(8) If the hearing examiner assigned under s. 227.43 (1) (b) renders the final decision in a contested case and the decision is subject to judicial review under s. 227.52, the department of natural resources may petition for judicial review. If the hearing examiner assigned under s. 227.43 (1) (br) renders the final decision in a contested case and the decision is subject to judicial review under s. 227.52, the department of transportation may petition for judicial review.

History:
1975 c. 74 s. 3; 1975 c. 414; 1977 c. 196 s. 131; 1977 c. 277, 418, 447; 1979 c. 206; 1983 c. 189 s. 329 (2); 1985 a. 29; 1985 a. 182 ss. 33g, 57; 1985 a. 236; 1987 a. 365; 1993 a. 16; 2007 a. 1.

An agency’s decision not to accept a hearing examiner’s order on grounds that altered sanctions were justified by the “seriousness of the facts” was insufficient. Heine v. Chiropractic Examining Board, 167 Wis. 2d 187, 481 N.W.2d 638 (Ct. App. 1992).

The agency, not the hearing examiner, is responsible for credibility determinations. When the agency reverses the examiner, the agency must state the basis for rejecting the findings and give the reason why it made its independent finding. It is a denial of due process if the agency makes a determination without benefit of the examiner’s findings, conclusions, and impressions of the testimony. Hakes v. LIRC, 187 Wis. 2d 582, 523 N.W.2d 155 (Ct. App. 1994). An agency’s decision of a hearing examiner’s finding of facts without conferring with the hearing examiner violated sub. (2) and rendered the decision procedurally defective. The altered findings, implicitly addressing the issue of the subject’s credibility in a critical issue, logically related to the ultimate determination and the need for due process. Epstein v. Benson, 2000 WI 195, 238 Wis. 2d 717, 618 N.W.2d 224.

Under sub. (2), if the decision of the administrative agency varies in any respect from that of the ALJ, the agency is required to provide an explanation of the basis for each variance, but there is no requirement that the agency indulge in the elaborate opinion procedure of an appellate court. Sub. (2) provides for no opportunity to be heard by the agency when a hearing examiner conducts the original hearing. Each party has the opportunity to file objections to the proposed decision. The agency may direct whether such argument shall be written or oral. Daniels v. Chiropractic Examining Board, 2008 WI App 59, 309 Wis. 2d 485, 750 N.W.2d 951, 07−1072.

Sub. (5) requires the use of a hearing examiner if an examining board member participates in the decision to commence a proceeding against a licensee, but does not require such use if a board member is involved only in the investigation. 66 Atty. Gen. 52.

Discussion of circumstances under which hearing examiner has power to entertain motion to dismiss proceedings. 68 Atty. Gen. 30.
227.483 ADMINISTRATIVE PROCEDURE

To find a petition for a hearing or a claim or defense to be frivolous under sub. (1), the hearing examiner must find at least one of the following:

(a) That the petition, claim, or defense was commenced, used, or continued in bad faith, solely for purposes of harassing or maliciously injuring another.

(b) That the party or the party’s attorney knew, or should have known, that the petition, claim, or defense was without any reasonable basis in law or equity and could not be supported by a good faith argument for an extension, modification, or reversal of existing law.

(c) If the proceeding relates to mining for ferrous minerals, as defined in s. 295.41 (18), that the petition, claim, or defense was commenced, used, or continued primarily for the purpose of causing delay to an activity authorized under a license that is the subject of the hearing.

227.485 Costs to certain prevailing parties. (1) The legislature intends that hearing examiners and courts in this state, when interpreting this section, be guided by federal case law, as of November 20, 1985, interpreting substantially similar provisions under the federal equal access to justice act, 5 USC 504.

(2) In this section:

(a) “Hearing examiner” means the agency or hearing examiner conducting the hearing.

(b) “Nonprofit corporation” has the meaning designated in s. 181.0103 (17).

(c) “Small business” means a business entity, including its affiliates, which is independently owned and operated, and which employs 25 or fewer full-time employees or which has gross annual sales of less than $5,000,000.

(d) “Small nonprofit corporation” means a nonprofit corporation which employs fewer than 25 full-time employees.

(e) “State agency” does not include the citizens utility board.

(f) “Substantially justified” means having a reasonable basis in law and fact.

(3) In any contested case in which an individual, a small nonprofit corporation or a small business is the prevailing party and submits a motion for costs under this section, the hearing examiner shall award the prevailing party the costs incurred in connection with the contested case, unless the hearing examiner finds that the state agency which is the losing party was substantially justified in taking its position or that special circumstances exist that would make the award unjust.

(4) In determining the prevailing party in cases in which more than one issue is contested, the examiner shall take into account the relative importance of each issue. The examiner shall provide for partial awards of costs under this section based on determinations made under this subsection.

(5) If the hearing examiner awards costs under sub. (3), he or she shall determine the costs under this subsection, except as modified under sub. (4). The decision on the merits of the case shall be placed in a proposed decision and submitted under ss. 227.47 and 227.48. The prevailing party shall submit, within 30 days after service of the proposed decision, to the hearing examiner and to the state agency which is the losing party an itemized application for fees and other expenses, including an itemized statement from any attorney or expert witness representing or appearing on behalf of the party stating the actual time expended and the rate at which fees and other expenses were computed. The state agency which is the losing party has 15 working days from the date of service of the proposed decision in any contested case.

(6) If the individual, small nonprofit corporation or small business is the prevailing party in the proceeding for judicial review, the court shall make the findings applicable under s. 814.245 and, if appropriate, award costs related to that proceeding under s. 814.245, regardless of who petitions for judicial review.

(7) An individual is not eligible to recover costs under this section if the person’s properly reported federal adjusted gross income was $150,000 or more in each of the 3 calendar years or corresponding fiscal years immediately prior to the commencement of the case. This subsection applies whether the person files the tax return individually or in combination with a spouse.

(8) If a state agency is ordered to pay costs under this section, the costs shall be paid from the applicable appropriation under s. 20.865 (1) (a), (g) or (q).

(9) Each state agency that is ordered to pay costs under this section or that recovers costs under sub. (10) shall submit a report annually, as soon as is practicable after June 30, to the chief clerk of each house of the legislature, for distribution to the appropriate standing committees under s. 13.172 (3), the number, nature and amounts of the claims paid, the claims involved in the contested case, and the costs which the costs were incurred, the costs recovered under sub. (10) and any other relevant information to aid the legislature in evaluating the effect of this section.

(10) If the examiner finds that the motion under sub. (3) is frivolous, the examiner may award the state agency all reasonable costs in responding to the motion. In order to find a motion to be frivolous, the examiner must find one or more of the following:

(a) The motion was submitted in bad faith, solely for purposes of harassing or maliciously injuring the state agency.

(b) The party or the party’s attorney knew, or should have known, that the motion was without any reasonable basis in law or equity and could not be supported by a good faith argument for an extension, modification or reversal of existing law.

That the state loses a case does not justify the automatic imposition of fees and costs. An award depends upon whether the state’s position had arguable merit. Behnek v. DHSS, 146 Wis. 2d 178, 430 N.W.2d 600 (Ct. App. 1988).

This section requires a party who prevails in an agency’s proposed decision to seek costs within 30 days of the proposed decision, thereby permitting the hearing examiner to make appropriate findings on entitlement to, and amount of, costs to be awarded. Any disputes regarding that decision can then be resolved, along with the merits of the underlying matter, in one final decision. Gordon v. State Medical Examining Board, 225 Wis. 2d 552, 593 N.W.2d 481 (Ct. App. 1999), 98−2144.

227.49 Petitions for rehearing in contested cases. (1) A petition for rehearing shall not be a prerequisite for appeal or review. Any person aggrieved by a final order may, within 20 days after service of the order, file a written petition for rehearing which shall specify in detail the grounds for the relief sought and any other relevant information to aid the legislature in evaluating the effect of this section.

(2) If the petition for rehearing shall not suspend or delay the effective date of the order and the order shall take effect on the date fixed by the agency and shall continue in effect unless the petition is granted or until the order is superseded, modified, or set aside as provided by law.

(3) Rehearing will be granted only on the basis of:

(a) Some material error of law.

(b) Some material error of fact.

(c) The discovery of new evidence sufficiently strong to reverse or modify the order, and which could not have been previously discovered by due diligence.

(4) Copies of petitions for rehearing shall be served on all parties of record. Parties may file replies to the petition.

(5) The agency may order a rehearing or enter an order with reference to the petition without a hearing, and shall dispose of the petition within 30 days after it is filed. If the agency does not enter an order disposing of the petition within the 30−day period, the
petition shall be deemed to have been denied as of the expiration of the 30–day period.

(6) Upon granting a rehearing, the agency shall set the matter for further proceedings as soon as practicable. Proceedings upon rehearing shall conform as nearly may be to the proceedings in an original hearing except as the agency may otherwise direct. If in the agency’s judgment, after such rehearing it appears that the original decision, order or determination is in any respect unlawful or unreasonable, the agency may reverse, change, modify or suspend the same accordingly. Any decision, order or determination made after such rehearing reversing, changing, modifying or suspending the original determination shall have the same force and effect as an original decision, order or determination.

History: 1975 c. 94 s. 3; 1975 c. 414; 1977 c. 139; 1979 c. 208; 1985 a. 182 s. 331; Stats. 1985 s. 227.49.

This section does not require service of a petition for rehearing within 30 days of service of the order; only filing. DOR v. Hogan, 198 Wis. 2d 792, 542 N.W.2d 148 (Ct. App. 1995), 95–0438.

Filing of a petition for rehearing under sub. (1) is not accomplished upon its mailing. A petition is filed when it is physically delivered to and received by the relevant authority. Currier v. Wisconsin Department of Revenue, 2006 WI App 12, 288 Wis. 2d 693, 709 N.W.2d 520, 05–0292.

In this case, where the analysis set forth in an order of the Public Service Commission (PSC) denying a petition for rehearing under this section was analogous to the PSC’s decision in the underlying matter, the decision denying the rehearing met the definition of an administrative decision for purposes of being subject to judicial review under s. 227.52. The substantial evidence standard under s. 227.57(6) therefore applied with respect to review of the PSC’s findings of fact underlying the PSC’s decision on whether to grant rehearing. Town of Holland v. Public Service Commission, 2018 WI App 38, 382 Wis. 2d 799, 913 N.W.2d 914, 17–1129.

227.50 Ex parte communications in contested cases.

(1) (a) Except as provided in par. (am), in a contested case, no ex parte communication relative to the merits or a threat or offer of reward shall be made, before a decision is rendered, to the hearing examiner or any other official or employee of the agency who is involved in the decision–making process, by any of the following:

1. An official of the agency or any other public employee or official engaged in prosecution or advocacy in connection with the matter under consideration or a factually related matter. This subdivision does not apply to an advisory staff which does not participate in the proceeding.

2. A party to the proceeding, or any person who directly or indirectly would have a substantial interest in the proposed agency action or an authorized representative or counsel.

(am) Paragraph (a) does not apply to any of the following:

1. An ex parte communication which is authorized or required by statute.

2. An ex parte communication by an official or employee of an agency which is conducting a class I proceeding.

3. Any communication made to an agency in response to a request by the agency, for information required in the ordinary course of its regulatory functions by rule of the agency.

4. In a contested case before the public service commission, an ex parte communication by or to any official or employee of the commission other than the hearing examiner, the chairperson, or a commissioner.

(2) A hearing examiner or other agency official or employee involved in the decision–making process who receives an ex parte communication in violation of sub. (1) shall place on the record of the pending matter the communication, if written, a memorandum stating the substance of the communication, if oral, all written responses to the communication and a memorandum stating the oral responses made, and also shall advise all parties that the material has been placed on the record; however, any writing or memorandum which would not be admissible into the record if presented at the hearing shall not be placed in the record, but notice of the substance or nature of the communication shall be given to all parties. Any party desiring to rebut the communication shall be allowed to do so, if the party requests the opportunity for rebuttal within 10 days after notice of the communication.

The hearing examiner or agency official or employee may, if deeming it necessary to eliminate the effect of an ex parte communication received, withdraw from the proceeding, in which case a successor shall be assigned.

History: 1975 c. 94 s. 3; 1975 c. 414; 1977 c. 418; 1985 a. 182 s. 33; Stats. 1985 s. 227.50; 2013 a. 28; 2015 a. 55.

The failure to notify the parties of the receipt of an ex parte communication was harmless error. Seebach v. PSC, 97 Wis. 2d 712, 295 N.W.2d 753 (Ct. App. 1980).

227.51 Licenses.

(1) When the grant, denial or renewal of a license is required to be preceded by notice and opportunity for hearing, the provisions of this chapter concerning contested cases apply.

(2) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license does not expire until the application has been actually acted upon by the agency, and, if the application is denied or the terms of the new license are limited, until the last day for seeking review of the agency decision or a later date fixed by order of the reviewing court.

(3) (a) Except as otherwise specifically provided by law, no revocation, suspension, annulment, or withdrawal of any license is lawful unless the agency gives notice by mail to the licensee of facts or conduct which warrant the intended action and the licensee is given an opportunity to show compliance with all lawful requirements for the retention of the license.

(b) If an agency finds that public health, safety, or welfare imperatively requires emergency action and incorporates a finding to that effect in its order, the agency may order the summary suspension of a license pending proceedings for revocation or other action. Such proceedings shall be promptly instituted and determined.

(c) If an agency finds that public health, safety, or welfare imperatively requires emergency action and incorporates a finding to that effect in its order, the agency may order the summary suspension of a license pending proceedings for revocation or other action. Such proceedings shall be promptly instituted and determined. This paragraph applies only to an agency described in s. 440.03 (1).

An applicant denied a racetrack license had a right to a contested case hearing. Metropolitan Greyhound Management Corp. v. Wisconsin Racing Board, 157 Wis. 2d 675, 460 N.W.2d 802 (Ct. App. 1990).

A change to the statutes or rules that might negatively affect a permit holder does not itself constitute a revocation for the purpose of this section. LeClair v. Natural Resources Board, 168 Wis. 2d 227, 483 N.W.2d 278 (1992).

227.52 Judicial review; decisions reviewable.

Administrative decisions which adversely affect the substantial interests of any person, whether by action or inaction, whether affirmative or negative in form, are subject to review as provided in this chapter, except as otherwise provided by law and except for the following:

(1) Decisions of the department of revenue other than decisions relating to alcohol beverage permits issued under ch. 125.

(2) Decisions of the department of employee trust funds.

(3) Those decisions of the division of banking that are subject to review, prior to any judicial review, by the banking institutions review board, and decisions of the division of banking relating to savings banks or savings and loan associations, but no other institutions subject to the jurisdiction of the division of banking.

(4) Decisions of the office of credit unions.

(5) Decisions of the chairperson of the elections commission or the chairperson’s designee.

(6) Decisions of the division of the department of workforce development which are subject to review, prior to any judicial review, by the labor and industry review commission.

Cross-reference: See s. 50.03 (3) for review under subchapter I of chapter 50.

An order of the tax appeal commission refusing to dismiss proceedings for lack of jurisdiction was not appealable because the merits of the case were still pending. Parch v. DOR, 58 Wis. 2d 346, 206 N.W.2d 157 (1973).
The right to appeal from an administrative agency’s determination is statutory and does not exist except where expressly given and cannot be extended to cases not within the statute. Pasch v. DOR, 58 Wis. 2d 346, 206 N.W.2d 157 (1973).

The requirements of ss. 227.15 and 227.16 (11) (now ss. 227.52 and 227.53 (11)) for standing to seek review of an administrative decision do not create separate and independent criteria, but both sections essentially require that to be a person aggrieved for standing purposes, there must be an interest recognized by law in the subject matter of the decision that is injudiciously affected by the decision. Wisconsin’s Environmental Decade, Inc. v. PSC, 69 Wis. 2d 1, 230 N.W.2d 243 (1975).

All persons of the employment relations commission directing an election and determining the bargaining unit under s. 111.70 (4) (d) is not reviewable. Werc v. WERC, 72 Wis. 2d 268, 240 N.W.2d 416 (1976).

An unconditional interlocutory order by the public service commission fixing utility rates pending final determination was reviewable when no provision was made for the refund of excess interim rates. Friends of the Earth v. PSC, 78 Wis. 2d 388, 254 N.W.2d 293 (1977).

The decision of the PSC not to invest under ss. 196.28 and 196.29 (now s. 196.28 (1) to (3)) was a nonreviewable, discretionary determination. Reviewable decisions are defined. Wisconsin’s Environmental Decade, Inc. v. PSC, 93 Wis. 2d 650, 287 N.W.2d 737 (1980).

In Ashwaubenon v. Public Service Commission, 22 Wis.2d 38, 125 N.W.2d 299 (1964), the requirement of a contested case was abrogated as a condition to judicial review of administrative agency decisions, but this legislative declaration that decisions of administrative agencies be reviewed under s. 227.15 (now s. 227.52) envisions a review of a decision that must be supported by a record and be based upon findings of fact and conclusions of law. WEC v. WERC, 72 Wis. 2d 268, 240 N.W.2d 416 (1976).

A declaratory judgment action was improper when the plaintiff did not pursue any available remedies under ch. 227. Turkow v. DNR, 216 Wis. 2d 275, 576 N.W.2d 288 (Ct. App. 1998), 97–1419.

The division of hearings and appeals is not a line agency charged with the administration of the statutes involved and does not have experience administering the underlying program. Unless the line agency has adopted DHA’s interpretation as its own, de novo review of a DHA decision is appropriate. Buettner v. DHFS, 2005 WI App 100, 267 N.W.2d 125 (Ct. App. 2001), 267 N.W.2d 125.

Unlike factual questions, or questions with legal issues intertwined with factual determinations, neither party bears any burden when the issue before the court is whether an administrative agency exceeded the scope of its powers in promulgating a rule. The court examines the enabling statute de novo to ascertain whether the statute grants express or implied authorization for the rule. Any reasonable doubt pertaining to an agency’s implied powers are resolved against the agency. Wisconsin Citizens Concerned for Cranes and Doves v. DNR, 2004 WI 40, 270 Wis. 2d 318, 677 N.W.2d 603 (2004).

This section does not require that an administrative decision be final to be subject to judicial review, case law has established that the legislative intent was to limit judicial review to final orders of an agency. A final order for purposes of judicial review directly affects the legal rights, duties, or privileges of a person. One aspect of this standard is whether the person would have another opportunity for judicial review, whereas an interlocutory order is one under which the substantial rights of the parties remain undetermined and the case is retained for further action. Sierra Club v. DNR, 2007 WI App 181, 304 Wis. 2d 614, 736 N.W.2d 918, 06–2653.

The analysis set forth in an order of the Public Service Commission (PSC) denying a petition for rehearing under s. 227.49 was analogous to the PSC’s decision in the underlying matter, the decision denying the rehearing met the definition of an administrative decision because the rehearing was not pursuant to s. 227.52 of the statutes involved and does not have experience administering the underlying program. Unless the line agency has adopted DHA’s interpretation as its own, de novo review of a DHA decision is appropriate. Buettner v. DHFS, 2005 WI App 100, 267 N.W.2d 125 (Ct. App. 2001), 267 N.W.2d 125.

Administrative decisions eligible for judicial review in Wisconsin. Klitzke, 61 MLR 405.

227.53 Parties and proceedings for review. (1) Except as otherwise specifically provided by law, any person aggrieved by a decision specified in s. 227.52 shall be entitled to judicial review of the decision as provided in this chapter and subject to all of the following procedural requirements:

(a) 1. Proceedings for review shall be instituted by serving a petition therefor personally or by certified mail upon the agency or one of its officials, and filing the petition in the office of the clerk of circuit court for the county where the judicial review proceeding is to be held. If the agency whose decision is sought to be reviewed is the tax appeals commission, the banking institutions review board, or the credit union review board, the petition shall be served upon both the agency whose decision is sought to be reviewed and the corresponding named respondent, as specified under par. (b) 1. to 4.

2. Unless a rehearing is requested under s. 227.49, petitions for review of contested cases shall be served and filed within 30 days after the service of the decision of the agency upon all parties under s. 227.48. If a rehearing is requested under s. 227.49, any party desiring judicial review under this subdivision shall serve and file a petition for review within 30 days after service of the order finally disposing of the application for rehearing, or within 30 days after the final disposition by operation of law of any such application for rehearing. The 30–day period for serving and filing a petition under this subdivision commences on the day after personal service or mailing of the decision by the agency.

(b) The petition shall state the nature of the petitioner’s interest, the facts showing that petitioner is a person aggrieved by the decision, and the grounds specified in s. 227.57 upon which petition contends that the decision should be reversed or modified. The petition may be amended, by leave of court, though the time for serving the same has expired. The petition shall be entitled in the name of the person serving it as petitioner and the name of the agency whose decision is sought to be reviewed as respondent, except that in petitions for review of decisions of the following agencies, the latter agency specified shall be the named respondent:

1. The tax appeals commission, the department of revenue.

2. The credit union review board, the office of credit unions.

3. The banking institutions review board, the division of banking, except if the petitioner is the division of banking, the prevailing parties before the banking institutions review board shall be the named respondents.

(c) A copy of the petition shall be served personally or by certified mail or, when service is timely admitted in writing, by first class mail, not later than 30 days after the institution of the proceeding, upon each party who appeared before the agency in the proceeding in which the decision sought to be reviewed was made or upon the party’s attorney of record. A court may not dismiss the proceeding for review solely because of a failure to serve a copy of the petition upon a party or the party’s attorney of record unless the petitioner fails to serve a person listed as a party for purposes of review in the agency’s decision under s. 227.47 or the person’s attorney of record.

(d) Except in the case of the tax appeals commission, the banking institutions review board, and the credit union review board, the agency and all parties to the proceeding before it shall have the right to participate in the proceedings for review. The court may permit other interested persons to intervene. Any person petitioning the court to intervene shall serve a copy of the petition on each party who appeared before the agency and any additional parties to the judicial review at least 5 days prior to the date set for hearing on the petition.

(2) Every person served with the petition for review as provided in this section and who desires to participate in the proceedings for review thereby instituted shall serve upon the petitioner, within 20 days after service of the petition upon such person, a notice of appearance clearly stating the person’s position with reference to each material allegation in the petition and to the affirm-
ace, vacation or modification of the order or decision under review. Such notice, other than by the named respondent, shall be also served on the named respondent and the attorney general, and shall be filed, together with proof of required service thereof, with the clerk of the reviewing court within 10 days after such service. Service of all subsequent papers or notices in such proceeding need be made only upon the petitioner and such other persons as have served and filed the notice as provided in this subsection or have been permitted to intervene in said proceeding, as parties thereto, by order of the reviewing court.

The circuit court had no jurisdiction of an appeal from the tax appeals commission when the petition for review was served only on the department of revenue and not on any of the parties within the allowed 30 days. Bracht v. DOR, 48 Wis. 2d 184, 179 N.W.2d 921 (1970).

Service on the department of a notice of appeal by ordinary mail, when received in time and not promptly objected to was good service. Service on a staff member of the department was sufficient when in the past that individual had represented himself as an agent and as an attorney for the department. Hamilton v. DILHR, 56 Wis. 2d 673, 203 N.W.2d 7 (1973).

An appeal will not lie from an order denying a petition to reopen an earlier PSC order when no appeal was taken from the order or the order denying rehearing within 30 days. Town of Caledonia v. PSC, 56 Wis. 2d 720, 202 N.W.2d 912 (1973).

As a general matter, sub. (1) (a) 2. affords a petitioner 30 days from the date of service of the decision upon the parties, which occurs on the date the decision is mailed to the parties, not the various dates of receipt. Once the time limitation is triggered, strict compliance is required. Wisconsin Power & Light Co. v. PSC, 2006 WI App 221, 296 Wis. 2d 705, 725 N.W.2d 423, 05–3092.

Although sub. (1) did not clearly prescribe which governmental entity must be named and served as respondent in this case, DHA’s notice gave clear instructions and clarified any ambiguity in sub. (1), making the petitioner’s failure to follow the notice a basis for dismissal of the petition for reviewing court, A Car, Inc. v. Department of Transportation, 2006 WI 85, 292 Wis. 2d 615, 716 N.W.2d 506, 03–2668.

Sub. (1) (b) does not authorize a circuit court to dismiss a petition for judicial review because it does not show the nature of the petitioner’s interest or state a ground for relief under sub. 227.57 unless the petitioner has notice of the possibility of dismissal and is not deprived of an opportunity to timely present any evidence that the claim is not without merit. A Car, Inc. v. Department of Transportation, 2006 WI App 97, 293 Wis. 2d 332, 715 N.W.2d 570 (2006).

The 30–day limitation period under sub. (1) (a) 2. is triggered only by s. 227.48 service of the decision upon the parties, which occurs on the date the decision is mailed to the parties, not the various dates of receipt. Once the time limitation is triggered, strict compliance is required. Wisconsin Power & Light Co. v. PSC, 2006 WI App 221, 296 Wis. 2d 705, 725 N.W.2d 423, 05–3092.

Stay of proceedings. The institution of the proceeding for review shall not stay enforcement of the agency decision. The reviewing court may order a stay upon such terms as it deems proper, except as otherwise provided in ss. 196.43, 253.06, and 448.02 (9).

Record on review. (1) Within 30 days after service of the petition for review upon the agency, or within such further time as the court allows, the agency in possession of the record for the decision under review shall transmit to the reviewing court the original or a certified copy of the entire record, including all pleadings, decisions, orders, findings, evidence, or decisions, orders, and exceptions, except that by stipulation of all parties to the reviewing proceedings the record may be shortened by eliminating any portion of the record. Any party, other than the agency that is a party, refusing to stipulate to limit the record may be taxed by the court for the additional costs. Except as provided in sub. (2), the record may be typewritten or printed. The exhibits may be typewritten, photocopied, or otherwise reproduced, or, upon motion of any party, or by order of the court, the original exhibits shall accompany the record. The court may require or permit subsequent corrections or additions to the record when deemed desirable.

In the case of a record under sub. (1) that is in the possession of the division of hearings and appeals, if any portion of the record is in the form of an audio or video recording, the division may transmit to the reviewing court a copy of that recording in lieu of preparing a transcript, unless the court requests a transcript.

Additional evidence; trial; motion to dismiss; amending petition. (1) If before the date set for trial, application is made to the circuit court for leave to present additional evidence in the issues in the case, and it is shown to the satisfaction of the court that the additional evidence is material and that there were good reasons for failure to present it in the proceedings before the agency, the court may order that the additional evidence be taken before the agency upon such terms as the court may deem proper. The agency may modify its findings and decision by reason of the additional evidence and shall file with the reviewing court the additional evidence together with any modified or new findings or decision.

Proceedings for review of administrative agency decisions as provided in this chapter may be brought on for trial or hearing at any time upon not less than 10 days’ notice given after the expiration of the time for service of the notices provided in s. 227.53 (2).

Within 20 days after the time specified in s. 227.53 for filing notices of appearance in any proceeding for review, any respondent who has served such notice may move to dismiss the petition as filed upon the ground that such petition, upon its face, does not state facts sufficient to show that the petitioner named therein is a person aggrieved by the decision sought to be reviewed. Upon the hearing of such motion the court may grant

2017–18 Wisconsin Statutes updated through 2019 Wis. Act 186 and through all Supreme Court and Controlled Substances Board Orders filed before and in effect on September 1, 2020. Published and certified under s. 35.18. Changes effective after September 1, 2020, are designated by NOTES. (Published 9–1–20)
the petitioner leave to amend the petition if the amendment as proposed shall have been served upon all respondents prior to such hearing. If so amended the court may consider and pass upon the validity of the amended petition without further or other motion to dismiss the same by any respondent.

**History:** 1975 c. 414; 1985 a. 182 ss. 41, 57; Stats. 1985 s. 227.56.

Section 111.56 (3)(m) (c) (now s. 111.39 (5) (c)) shows a policy against opening Fair Employment hearings more than one year after the commission’s final order; a court should not use ch. 227 or s. 752.35 to circumvent that policy. Chicago & North Western Railroad v. LIRC, 91 Wis. 2d 462, 283 N.W.2d 605 (Ct. App. 1979).

A court may not find facts under sub. (1) if the court may only receive evidence to determine whether to remand to the agency for further fact finding. State Public Intervenor v. DNR, 171 Wis. 2d 243, 490 N.W.2d 770 (Ct. App. 1992).

Substantiation by written or oral testimony that substantial evidence is reasonable may only be based on evidence that the person could accept as adequate to support a conclusion. Written hearsay medical reports are admissible as evidence. Properly admitted medical testimony may not necessarily constitute substantial evidence. Uncorroborated written hearsay medical reports alone that were controverted by in-person testimony did not constitute substantial evidence to support a board’s decision. Gehin v. Wisconsin-Green Insurance Board, 2005 WI 16, 252 Wis. 2d 561, 645 N.W.2d 655, 651–652.

Because sub. (3) specifically describes in the last sentence the circumstances under which a court may dismiss an amended petition without a motion from the respondent, the only reasonable construction of sub. (3) is that the court may not dismiss the original petition without a timely motion from the respondent asserting that the petition does not allege facts showing that the petitioner is aggrieved. The circuit court does not have the authority to dismiss the petition sua sponte on the ground that it does not allege facts showing that the petitioner was aggrieved. Jackson v. LIRC, 2006 WI App. 128, 293 Wis. 2d 645, 715 N.W.2d 655, 651–652.

**227.57 Scope of review.** (1) The review shall be conducted by the court without a jury and shall be confined to the record, except that in cases of alleged irregularities in procedure before the agency, testimony thereon may be taken in the court and, if proper cause is shown therefor, the court may remand the case to the agency for further action when no hearing has been held and no particular result is compelled as a matter of law. R. W. Docks & Slips v. DNR, 307 N.W.2d 322 (Ct. App. 1983).

(2) Unless the court finds a ground for setting aside, modifying, or ordering agency action or ancillary relief under a specified provision of this section, it shall affirm the agency’s action.

(3) The court shall separately treat disputed issues of agency procedure, interpretations of law, determinations of fact or policy within the agency’s exercise of delegated discretion.

(4) The court shall remand the case to the agency for further action if the court finds that either the fairness of the proceedings or the correctness of the action has been impaired by a material error in procedure or a failure to follow prescribed procedure.

(5) The court shall set aside or modify the agency action if it finds that the agency has erroneously interpreted a provision of law and a correct interpretation compels a particular action, or it shall remand the case to the agency for further action under a correct interpretation of the provision of law.

(6) If the agency’s action depends on any fact found by the agency in a contested case proceeding, the court shall not substitute its judgment for that of the agency as to the weight of the evidence or on any disputed finding of fact. The court shall, however, set aside agency action or remand the case to the agency if it finds that the agency’s action depends on any finding of fact that is not supported by substantial evidence in the record.

(7) If the agency’s action depends on facts determined without a hearing, the court shall set aside, modify or order agency action if the facts compel a particular action as a matter of law, or it may remand the case to the agency for further examination and action within the agency’s responsibility.

(8) The court shall reverse or remand the case to the agency if it finds that the agency’s exercise of discretion is outside the range of discretion delegated to the agency by law; is inconsistent with an agency rule, an officially stated agency policy or a prior agency practice, if deviation therefrom is not explained to the satisfaction of the court by the agency; or is otherwise in violation of a constitutional or statutory provision; but the court shall not substitute its judgment for that of the agency on an issue of discretion.

(9) The court’s decision shall provide whatever relief is appropriate irrespective of the original form of the petition. If the court sets aside agency action or remands the case to the agency for further proceedings, it may make such interlocutory order as it finds necessary to preserve the interests of any party and the public pending further proceedings or agency action.

(10) Subject to sub. (11), upon such review due weight shall be accorded the experience, technical competence, and specialized knowledge of the agency involved, as well as discretionary authority conferred upon it.

(11) Upon review of an agency action or decision, the court shall accord no deference to the agency’s interpretation of law.

(12) The right of the appellant to challenge the constitutionality of any act or of its application to the appellant shall not be foreclosed or impaired by the fact that the appellant has applied for or holds a license, permit, or privilege under such act.

**History:** 1975 c. 34; 1975 a. 214, 414; 1979 a. 206, 415; 1985 s. 227.57; 2015 s. 391; 2017 a. 365 x 110; 2017 a. 369.

Under sub. (6), a finding of fact is supported if reasonable minds could arrive at the same conclusion. Westring v. James, 227 Wis. 2d 642, 238 N.W.2d 695 (1977).

A reviewing court, in dealing with a determination or judgment that an administrative agency is alone authorized to make, must judge the propriety of the action solely on grounds invoked by the agency with sufficient clarity. Stan v. Milwaukee County Civil Service Commission 73 Wis. 2d 465, 249 N.W.2d 764 (1977).

When a DNR decision under s. 30.12 prohibited a structure and the riparian owner did not seek review under s. 227.20 [now this section], the trial court had no jurisdiction to hear an action by the owner to remove a structure that was not a “pier” under s. 30.13. Kosmatka v. DNR, 77 Wis. 2d 558, 253 N.W.2d 807 (1977).

Summary judgment procedure is not authorized in proceedings for judicial review under this chapter. Wis. Environmental Decade v. PSC, 79 Wis. 2d 161, 255 N.W.2d 917 (1977).

“Discretion” means a process of reasoning, not decision−making, based on facts in the record or reasonably inferred from the record, and a conscientious application of proper legal rationale founded on proper legal standards. Redlinger v. Optometry Examination Board, 81 Wis. 2d 292, 260 N.W.2d 270 (1977).

An agency determination that an amended final impact statement was adequately prepared is reviewed under s. 227.20 [now s. 227.57]. Wisconsin’s Environmental Decade, Inc. v. PSC, 98 Wis. 2d 682, 298 N.W.2d 205 (Ct. App. 1980).

Relief from a judgment entered in a ch. 227 review may not be granted under s. 107.09 or ch. 801, Charter Milwaukee River Restoration Council, Inc. 102 Wis. 2d 521, 307 N.W.2d 522 (Ct. App. 1981).

A party cannot recover attorney’s fees against the state under sub. (9). An administrative judge should have been disqualified due to a compelling appearance of impropriety. Guthrie v. WERC, 107 Wis. 2d 306, 320 N.W.2d 213 (Ct. App. 1982).

Affirmed. 111 Wis. 2d 447, 331 N.W.2d 331 (1983).

The commission’s change of an eminent domain treatment for recovery of utility expenditures was arbitrary and capricious. Wisconsin Public Service Corp. v. PSC, 109 Wis. 2d 256, 325 N.W.2d 867 (1982).

Sub. (7) grants the trial court broad authority to remand a matter to an agency for further action when no hearing has been held and no particular result is compelled as a matter of law. R. W. Docks & Slips v. DNR, 145 Wis. 2d 854, 429 N.W.2d 86 (Ct. App. 1988).

Sub. (4) does not require a higher standard of fairness than the constitutional requirement of due process. The requirement of fairness merely insures that the procedure before the administrative agency will meet the requirements of due process. An administrative hearing is a quasi−judicial proceeding in which the agency serves only as a “pier” under s. 30.13. Kosmatka v. DNR, 77 Wis. 2d 558, 253 N.W.2d 807 (1977).

The courts will not defer to an agency interpretation that directly contravenes the statutory mandate of the agency. City of Milwaukee v. Three Lakes, Inc. 2006 WI App. 111, 252 Wis. 2d 561, 644 N.W.2d 69, 60–3562.

The courts will not defer to an agency interpretation that directly contravenes the words of a rule. Trotz v. DHFS, 2001 WI App. 68, 242 Wis. 2d 397, 626 N.W.2d 48, 00–1486.

The test under sub. (6) is whether, taking into account all of the evidence in the record, reasonable minds could arrive at the same conclusion as the agency. The findings of an administrative agency do not need to reflect a preponderance of the evidence as long as the agency’s conclusions are reasonable. If the factual findings of the administrative body are reasonable, they will be upheld. Kitten v. DWD, 2002 WI 54, 252 Wis. 2d 561, 644 N.W.2d 69, 60–3562.
Ordinarily a reviewing court will not consider issues beyond those properly raised before the administrative agency, and a failure to raise an issue generally constitutes a waiver of the right to raise the issue. However, the rule is one of administration, and the reviewing court has the power to decide issues that were not raised before the agency if all the necessary facts are of record and the issue is a legal one of great importance. Bunker v. LIRC, 2002 WI App 216, 257 Wis. 2d. 255, 650 N.W.2d 864, 01−3441.

The deference framework applicable to an agency’s interpretation of a statute was inapposite in this case in which the court was required to determine whether an executive agency’s review of a circuit court’s decision comport with the separation of powers under the Wisconsin Constitution. Gabler v. Crime Victims Rights Board, 2017 WI 67, 376 Wis. 2d 147, 897 N.W.2d 384, 16−0275.

The practice of courts deferring to administrative agencies’ conclusions of law is further amended to eliminate the superfluous provision that the appeal is taken in the manner of other civil appeals. Civil appeal procedures are governed by chs. 808 and 809 (DOR). The court for cause shown, shall on the application of either party on appeal shall be given preference. Unless written objection is filed within the 5−day period, the order certifying and transmitting the proceeding shall be entered without hearing. The plaintiff or petitioner shall pay to the clerk of the circuit court of Dane County a fee of $2 for transmitting the record.

227.58 Appeals. Any party, including the agency, may secure a review of the final judgment of the circuit court by appeal to the court of appeals within the time period specified in s. 808.04 (1).

History: 1977 c. 187 s. 134; 1983 a. 219; 1985 a. 182 s. 41; Stats. 1985 s. 227.58.

Judicial Council Note, 1983: This section is amended by repealing the appeal deadline of 30 days from notice of entry of judgment for greater uniformity. An appeal must be initiated within the time specified in s. 808.04 (1), stats. This section is further amended to eliminate the superfluous provision that the appeal is taken in the manner of other civil appeals. Civil appeal procedures are governed by chs. 808 and 809. [Bill 151−S]

The court of appeals had no power to remand a case under s. 806.07 (1) (b) or (h); ch. 227 cannot be supplemented by statutory remedies pertaining to civil procedure. Chicago & North Western Railroad v. LIRC, 91 Wis. 2d 462, 283 N.W.2d 603 (Ct. App. 1979).

Judicial review of a decision by an administrative agency requires a court reviewing a decision on appeal to review the decision of the agency, not the circuit court. However, the reviewing court affirms or reverses the order of the circuit court under the same rule as that of the circuit court. Town of Holland v. Public Service Commission, 2018 WI App 38, 382 Wis. 2d 799, 913 N.W.2d 914, 17−1129.

227.59 Certification of certain cases from the circuit court of Dane County to other circuits. Any action or proceeding for the review of any order of an administrative officer, commission, department or other administrative tribunal of the state required by law to be instituted in or taken to the circuit court of Dane County except an action or appeal for the review of any order of the department of workforce development or the department of safety and professional services or findings and orders of the labor and industry review commission which is instituted or taken and is not called for trial or hearing within 6 months after the proceeding or action is instituted, and the trial or hearing of which is not continued by stipulation of the parties or by order of the court for cause shown, shall on the application of either party on 5 days’ written notice to the other be certified and transmitted for trial to the circuit court of the county of the residence or principal place of business of the plaintiff or petitioner, where the action or proceeding shall be given preference. Unless written objection is filed within the 5−day period, the order certifying and transmitting the proceeding shall be entered without hearing. The plaintiff or petitioner shall pay to the clerk of the circuit court of Dane County a fee of $2 for transmitting the record.

History: 1977 c. 29; 1983 a. 219; 1985 a. 182 s. 47; Stats. 1985 s. 227.59; 1995 a. 27 ss. 6238, 9116 (5), 9130 (4); 1997 a. 3; 2011 a. 32.

227.60 Jurisdiction of state courts to determine validity of laws when attacked in federal court and to stay enforcement. Whenever a suit praying for an interlocutory injunction shall have been begun in a federal district court to restrain any department, board, commission or officer from enforcing or administering any statute or administrative order of this state, or to set aside or enjoin the suit or administrative order, the department, board, commission or officer, or the attorney general, may bring a suit to enforce the statute or order in the circuit court of Dane County at any time before the hearing on the application for an interlocutory injunction in the suit in the federal court. Jurisdiction is hereby conferred upon the circuit court of Dane County and on the court of appeals, on appeal, to entertain the suit with the powers granted in this section. The circuit court shall, when the suit is brought, grant a stay of proceedings by any state department, board, commission or officer under the statute or order pending the determination of the suit in the courts of the state. The circuit court of Dane County upon the bringing of the suit therein shall at once cause a notice thereof, together with a copy of the stay order by it granted, to be sent to the federal district court in which the action was originally begun. An appeal shall be taken within the time period specified in s. 808.04 (2). The appeal shall be given preference.

History: 1977 c. 187; 1983 a. 219; 1985 a. 182 s. 49; Stats. 1985 s. 227.60.

Judicial Council Note, 1983: This section is amended to replace the appeal deadline of 10 days after termination of the suit by the time provisions of s. 808.04 (2), for greater uniformity. Section 808.04 (2) provides that an appeal must be initiated within 15 days of entry of judgment or order appealed from. The provision requiring preferential court treatment is harmonized and standardized with similar provisions in the statutes. [Bill 151−S]
