446.01 Definitions. In this chapter:

(1d) “Adjunctive services” means services that are preparatory or complementary to the practice of chiropractic. “Adjunctive services” includes all of the following:

(a) The taking and preparation of preliminary patient histories, as defined by the examining board by rule.

(b) Providing physiotherapy treatment, as defined by the examining board by rule.

(1h) “Chiropractic radiological technician” means an individual who holds a certificate as a chiropractic radiological technician granted by the examining board.

(1p) “Chiropractic technician” means an individual who holds a certificate as a chiropractic technician granted by the examining board.

(1v) “Health care professional” means an individual who is licensed, registered, or certified by any of the following:

(a) Board of nursing under ch. 441.

(b) Dentistry examining board under ch. 447.

(c) Medical examining board under subch. II of ch. 448.

(d) Physical therapy examining board under subch. III of ch. 448.

(e) Podiatry affiliated credentialing board under subch. IV of ch. 448.

(f) Dietitians affiliated credentialing board under subch. V of ch. 448.

(g) Athletic trainers affiliated credentialing board under subch. VI of ch. 448.

(h) Occupational therapists affiliated credentialing board under subch. VII of ch. 448.

(i) Optometry examining board under ch. 449.

(j) Pharmacy examining board under ch. 450.

(k) The department of safety and professional services under ch. 451.

(L) Psychology examining board under ch. 455.

(m) Marriage and family therapy, professional counseling, and social work examining board under ch. 457.

(n) Hearing and speech examining board under subch. II of ch. 459.

(o) The massage therapy and bodywork therapy affiliated credentialing board under ch. 460.

(2) “Practice of chiropractic” means:

(a) To examine into the fact, condition, or cause of departure from complete health and proper condition of the human; to treat without the use of drugs as defined in s. 450.01 (10) or surgery; to counsel; to advise for the same for the restoration and preservation of health or to undertake, offer, advertise, announce or hold out in any manner to do any of the aforementioned acts, for compensation, direct or indirect or in expectation thereof; and

(b) To employ or apply chiropractic adjustments and the principles or techniques of chiropractic science in the diagnosis, treatment or prevention of any of the conditions described in s. 448.01 (10).

History: 1975 c. 383; 1977 c. 418 s. 929 (41); 1985 a. 146 s. 8; 2009 a. 28; 2017 a. 180.

Cross-reference: See also s. Ch. 4.01, Wis. adm. code.

A physician, subject to certain limitations, may advise a patient whether or not continued chiropractic care is necessary without engaging in the unauthorized practice of chiropractic. 68 Atty. Gen. 316.

Physical therapists and massage therapists are not prohibited from performing the activities that are within their respective scopes of practice, even if those activities extend in some degree into the field of chiropractic science. OAG 1–91.

446.02 Chiropractic regulated. (1) Except as provided in sub. (9), no person may engage in the practice of chiropractic or attempt to do so or hold himself or herself out as authorized to do so, unless such person satisfies all of the following:

(a) Is licensed by the examining board.

(b) Submits evidence satisfactory to the examining board that the person meets the requirements of continuing education for license renewal as the examining board may require, which requirements shall include current proficiency in the use of an automated external defibrillator achieved through instruction provided by an individual, organization, or institution of higher education approved under s. 46.03 (38) to provide such instruction. The person shall include the approval number assigned under sub. (5) (b) to each educational program completed by the person to satisfy the requirements of this paragraph. During the time between initial licensure and commencement of a full 2–year licensure period new licensees shall not be required to meet continuing education requirements. Any person who has not engaged in the practice of chiropractic for 2 years or more, while holding a valid license under this chapter, and desiring to engage in such practice, shall be required by the examining board to complete a continuing education course at a school of chiropractic approved by the examining board or pass a practical examination administered by the examining board or both.

(2) (a) The examining board shall grant a license to engage in the practice of chiropractic to a qualified person who submits an application for the license to the department on a form provided by the department, accompanied by satisfactory evidence of completion of the educational requirements established in the rules promulgated under par. (b), passes the examinations described under sub. (3) and pays the license fee specified in s. 440.05 (1).

NOTE: Par. (a) is shown as renumbered from par. (a) 1. by the legislative reference bureau under s. 13.92 (1) (bmm) 2.

(b) The examining board shall promulgate rules establishing educational requirements for obtaining a license under par. (a). The rules shall require that an application for the license that is received by the department after June 30, 1998, be accompanied by satisfactory evidence that the applicant satisfies all of the following:

1. Has a bachelor’s degree from a college or university accredited by an accrediting body listed as nationally recognized by the secretary of the federal department of education.

2. Has graduated from a college of chiropractic approved by the examining board.

3. Has current proficiency in the use of an automated external defibrillator achieved through instruction provided by an individu-
446.02 CHIROPRACTIC EXAMINING BOARD

1. The National Board of Chiropractic Examiners. An applicant suc-

scessfully completes Part III of that examination if the applicant

s.

2. Such licenses is determined by the department under s.

3. An examination approved by the examining board that tests

the applicant’s knowledge of the laws of this state relating to

the practice of chiropractic, including the provisions of this chapter

and any rules promulgated by the examining board under this sec-

tion.

3g. (a) The examining board may grant a license to practice

chiropractic to an individual who is licensed in good standing to

practice chiropractic in another state or territory of the United

States or in another country if the applicant presents the license to

the examining board, pays the fee specified in s. 440.05 (2) and

meets the requirements established in rules promulgated under par.
(b).

(b) The examining board shall promulgate rules establishing

additional requirements for obtaining a license under par. (a),

including a requirement that each person licensed under this sub-

section has continued proficiency in the use of an automated external

defibrillator achieved through instruction provided by an individual,

organization, or institution of higher education approved under s. 46.03 (38) to provide such instruction.

3r. The examining board may promulgate rules providing for

the granting of a temporary permit to practice chiropractic to an

individual who is licensed to practice chiropractic in another state

or territory of the United States or in another country, and estab-

lishing requirements for practicing chiropractic under a tempo-

rary permit. Any rules promulgated under this subsection shall

require an individual seeking a temporary permit under this sub-

section to submit evidence satisfactory to the examining board

that the individual has current proficiency in the use of an auto-

mated external defibrillator achieved through instruction pro-

vided by an individual, organization, or institution of higher edu-

cation approved under s. 46.03 (38) to provide such instruction.

4. The renewal date for all licenses granted by the examining

board is specified under s. 440.08 (2) (a), and the renewal fee for

such licenses is determined by the department under s. 440.03 (9)

(a).

5. (a) The examining board shall keep a complete record of

all applications, examinations, licenses, fees and proceedings.

(b) The examining board shall assign a unique approval num-

ber to each continuing education program approved by the exam-

ining board under s. 446.028.

6. No person may practice chiropractic in this state under any

other given name or any other surname than that under which he

or she was originally licensed or registered to practice chiropractic

in this or any other state in any instance in which the examining

board, after a hearing, finds that practicing under the changed

name operates to unfairly compete with another practitioner or to

mislead the public as to identity or to otherwise result in detriment
to the profession or the public. This subsection does not apply to a

change of name resulting from marriage or divorce.

6m. No chiropractor may provide counsel, direction, guid-

ance, advice, or a recommendation to a patient regarding the

health effects of vitamins, herbs, or nutritional supplements unless

the chiropractor has been issued a certificate under sub. (2) (c).

This subsection does not apply to a chiropractor licensed under this

chapter who is certified as a dietician under subch. V of ch. 448.

7. (a) Except as provided in pars. (b) and (d), a chiropractor

who is licensed under this chapter may delegate to a person who

is not licensed under this chapter the performance of adjunctive

services if the services are performed by any of the following

under the direct, on-premises supervision of the chiropractor:

1. A chiropractic technician.

NOTE: Subd. 1. is shown as affected by 2017 Wis. Acts 180 and 331 and as

merged by the legislative reference bureau under s. 13.92 (2) (i).

2. A health care professional.

(b) A chiropractor may not delegate to a person who is not

licensed under this chapter the making of a diagnosis, the per-

formance of a chiropractic adjustment, the analysis of a diagnostic

test or clinical information or any practice or service that the

examining board, by rule, prohibits a chiropractor from dele-

gating to a person who is not licensed under this chapter.

(c) A chiropractor who delegates the performance of a service

that is adjunctive to the practice of chiropractic to a person who

is not licensed under this chapter shall verify, according to stan-

dards and procedures established by the examining board by rule,

that the person has adequate education, training and experience to

perform the delegated service safely, and is responsible for that

person’s performance of the delegated service.

(d) A chiropractor may delegate X-ray services only to a chi-

ropractor radiological technician or a health care professional act-

ing within the scope of his or her license, registration, or certifica-

tion.

NOTE: Par. (d) is shown as affected by 2017 Wis. Acts 180 and 331 and as

merged by the legislative reference bureau under s. 13.92 (2) (i).

7d. (a) A chiropractor shall evaluate each patient before

commencing treatment of the patient to determine whether the

patient has a condition that is treatable by the practice of chiro-

practic. The evaluation shall be based upon an examination that

is appropriate to the patient. To conduct the evaluation, the chiro-

practor shall utilize chiropractic science, as defined by the exam-

ining board by rule, and the principles of education and training

of the chiropractic profession.

(b) A chiropractor shall discontinue the practice of chiro-

practic on a patient if, at any time after the evaluation under par. (a) or

during or following treatment of the patient, the chiropractor
determines or reasonably believes that the patient’s condition is not

treatable by the practice of chiropractic, or will not respond to

further practice of chiropractic by the chiropractor, except that a

chiropractor may provide maintenance, supportive, and wellness

care to the patient if the patient is being treated by another health

care professional.

(c) A chiropractor who discontinues the practice of chiroprac-

tic as required in par. (b) shall inform the patient of the reason for

discontinuing the practice of chiropractic and shall refer the

patient to a physician licensed under subch. II of ch. 448. A chiro-

practor may continue to provide maintenance, supportive, and

wellness care to a patient referred under this paragraph who

requests these services from the chiropractor. A referral under this

paragraph shall describe the chiropractor’s findings. If the referral

is written, the chiropractor shall provide the patient with a copy

and shall maintain a copy in the patient’s records. If the referral is

oral, the chiropractor shall communicate the referral directly to

the physician, shall notify the patient about the referral, and shall

make a written record of the oral referral. The written record of

the oral referral shall include the name of the physician to whom

Updated 2015–16 Wis. Stats. Published and certified under s. 35.18. December 1, 2018.
the patient was referred and the date of the referral. The chiropractor shall maintain a copy of the written record of the oral referral in the patient’s records.

(7m) A chiropractor shall create and maintain a patient record for every patient the chiropractor examines or treats. A patient record created and maintained under this paragraph shall contain complete and comprehensive health care information, as defined by the examining board by rule.

(b) A chiropractor shall preserve a patient record created and maintained under par. (a) for at least 3 years after the chiropractor makes his or her last entry or notation in the patient record or for any longer period that is otherwise required by law.

(8) Every practicing chiropractor shall have in effect professional liability insurance. The examining board shall promulgate rules establishing the minimum amount of insurance required under this subsection.

(9) No license under this chapter is required for any of the following:

(a) A student or graduate of a college of chiropractic who practices chiropractic, in a program for the clinical training of students and graduates that is reviewed and approved by the examining board, under the supervision of a chiropractor who is approved by the examining board to supervise the clinical training of the student or graduate and who is licensed under this chapter and is responsible for the student’s or graduate’s practice in an infirmary, clinic, hospital or private chiropractic office that is connected or associated for training purposes with a college of chiropractic approved by the examining board.

(b) An individual who is licensed to practice chiropractic in another state or territory of the United States and who practices chiropractic under the jurisdiction of the U.S. armed forces, as defined in s. 40.02 (57m), federal public health service or U.S. department of veterans affairs.

(c) An individual who is licensed to practice chiropractic in another state or territory of the United States or in another country and who holds a temporary permit that is granted under the rules promulgated under sub. (3).

(d) A person who performs adjunctive services that are delegated to the person under sub. (7).

(10) A chiropractor may waive all or a portion of an insured patient’s copayments, coinsurance, or deductibles due to a chiropractor who engages in the practice of chiropractic on behalf of the insured patient if all of the following are satisfied:

1. The chiropractor receives from and maintains written documentation of the patient’s financial hardship, as defined by the examining board by rule.

2. The chiropractor accurately reports to the patient’s insurer the actual fee charged, if any, to the patient. If the chiropractor waives all or a portion of the patient’s copayments, coinsurance, or deductibles due to the chiropractor, the chiropractor may not seek payment from the insurer for any portion of the copayment, coinsurance, or deductible waived by the chiropractor unless the claim for the services related to the copayment, coinsurance, or deductible is reduced.

10m A licensed chiropractor who has a valid federal motor carrier safety administration medical examiner certification credential issued under 49 CFR 390.109 may conduct medical examinations for the federal motor carrier safety administration pursuant to 49 USC 31149 and 49 CFR parts 390 and 391.

11 The examining board shall promulgate rules implementing s. 446.08.

Cross-reference: See also Chir, Wis. admn. code.
CHIROPRACTIC EXAMINING BOARD

446.026  5. Completes any other requirements established by the examining board by rule.
         (b) The department shall assign a unique certificate number to each individual certified under this section.
         (3) (a) The renewal date and fees for a certificate issued under this section are specified in s. 440.08 (2) (a).
         (b) A chiropractic technician shall, at the time that he or she applies for renewal of a certificate under par. (a), submit evidence satisfactory to the examining board that he or she has completed at least 6 continuing educational credit hours in programs established by rules promulgated by the examining board.

446.028  Continuing education approval; program sponsors. Each program sponsor of a continuing education program required to be completed by a chiropractor as a condition of license renewal shall submit the program to the examining board for approval. In this section, “program sponsor” means the Wisconsin Chiropractic Association, the International Chiropractors Association, a college of chiropractic approved by the examining board, and a college of medicine or osteopathy accredited by an accrediting body listed as nationally recognized by the secretary of the federal department of education. “Program sponsor” does not include an individual, organization, or institution of higher education approved under s. 460.03 (38) to provide instruction in the use of an automated external defibrillator.

446.03  Reprimand; revocation, limitation, or suspension of a license or certificate. The examining board, by order, may reprimand a licensee, certificate holder, or registrant and may deny, limit, suspend or revoke any license, certificate, or certificate of registration if the licensee, certificate holder, or registrant does any of the following:

(1) Obtains the license, certificate, or certificate of registration through error or fraud.
(2) Is addicted to alcohol or other drugs.
(3) Is hereafter convicted in a court of competent jurisdiction, either within or without this state, or in federal court, of any violation of any law governing the practice of chiropractic or of any felony, subject to ss. 111.321, 111.322 and 111.355, a certified copy of the record of conviction to be conclusive evidence of such conviction.
(4) Has obtained or sought to obtain anything of value by fraudulent representation in the practice of chiropractic.
(5) Is guilty of unprofessional conduct.
(6) Has continued practice, knowingly having an infectious or contagious disease.
(7) Maintains a professional connection or association with any other person continuing to violate this chapter after 10 days’ notice in writing by the department.

446.04  Unprofessional conduct. Unprofessional conduct includes, without limitation because of enumeration, all of the following:

(1) Any conduct of a character likely to deceive or defraud the public.
(2) Loaning of a chiropractic license or certificate to anyone.
(3) Splitting or dividing any fee for chiropractic service with any person except an associate licensed chiropractor.
(5) Use of unprofessional advertising which includes, without limitation because of enumeration, all of the following:
(a) Any advertising statement of a character tending to deceive or mislead the public.
(b) Advertising professional superiority or performance of professional services in a superior manner.

446.05  Procedure for hearings. (1) Subject to the rules promulgated under s. 440.03 (1), the examining board may make investigations and conduct hearings in regard to the conduct of any licensed chiropractor who, it has reason to believe, violated s. 446.02 or 446.03. The person complained against may proceed to review any action of the examining board under ch. 227.

(1m) (a) Subject to the rules promulgated under s. 440.03 (1), the examining board may make investigations and conduct hearings in regard to the conduct of any chiropractic radiological technician who, it has reason to believe, violated s. 446.025 or 446.03. The person complained against may proceed to review any action of the examining board under ch. 227.

(2) Upon application and satisfactory proof that the cause of such revocation or suspension no longer exists, the examining board may reinstate any license, certificate, or registration suspended or revoked by it. This subsection does not apply to a license, certificate, or registration that is suspended under s. 440.13 (2) (c) or that is revoked under s. 440.12.

446.06  Injunction to enforce this chapter. If it appears upon complaint to the examining board by any person or it is known to the examining board that any person is violating this chapter, the examining board or the district attorney of the proper county may investigate and may, in addition to any other remedies, bring action in the name of and on behalf of the state against any such person to enjoin such person from such violations.

446.07  Penalty. Anyone violating this chapter may be fined not more than $10,000 or imprisoned for not more than 9 months or both.

446.08  Informed consent. Any chiropractor who treats a patient shall inform the patient about the availability of reasonable alternate modes of treatment and about the benefits and risks of these treatments. The reasonable chiropractor standard is the standard for informing a patient under this section. The reasonable chiropractor standard requires disclosure only of information the reasonable chiropractor would know and disclose under the circumstances. The chiropractor’s duty to inform the patient under this section does not require disclosure of any of the following:

(1) Detailed technical information that in all probability a patient would not understand.
(2) Risks apparent or known to the patient.
(3) Extremely remote possibilities that might falsely or detrimentally alarm the patient.
(4) Information in emergencies where failure to provide treatment would be more harmful to the patient than treatment.
(5) Information in cases where the patient is incapable of consenting.
(6) Information about alternate modes of treatment for any condition the chiropractor has not included in his or her diagnosis at the time the chiropractor informs the patient.
