Tort-based informed consent law requires a showing that a failure to disclose information caused actual injury. The standards of unprofessional conduct do not require such a showing. Unprofessional conduct includes practicing in a manner that substantially departs from the standard of care ordinarily exercised by a dentist that harms or could have harmed a patient. Painter v. Dentistry Examining Board, 2003 WI App 123, 265 Wis. 2d 248, 665 N.W.2d 397, 02–2218.

The 5-pronged test of Gimenez, 203 Wis. 2d 349, does not apply to cases in which fraud and misrepresentation are alleged. Gimenez expressly limits the application of the test to cases in which the medical professional is charged with choosing a course of treatment that is dangerous or detrimental to his or her patient or the public. It does not apply to allegations of unprofessional conduct by perpetrating a fraud on a patient in an attempt to obtain compensation. Krahnenhult v. (2) (a) In cases not included under sub. (1), a dental society shall indemnify a director or officer against liability incurred by the director or officer in a proceeding to which the director or officer was a party because he or she is a director or officer of the dental society, unless liability was incurred because the director or officer breached or failed to perform his or her duties to the dental society.

(b) Determination of whether indemnification is required under this subsection shall be made under s. 447.19.

(c) The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of no contest or an equivalent plea, does not, by itself, create a presumption that indemnification of the director or officer is not required under this subsection.

(3) A director or officer who seeks indemnification shall make a written request to the dental society.

(4) (a) Indemnification under this section is not required to the extent limited by the dental society’s articles, constitution or bylaws under s. 447.23.

(b) Indemnification under this section is not required if the director or officer has previously received indemnification or allowance of expenses from any person, including the dental society, in connection with the same proceeding.

447.19 Determination of right to indemnification. Unless otherwise provided by the articles, constitution or bylaws or by written agreement between the director or officer and the dental society, the director or officer seeking indemnification under s. 447.17 (2) shall select one of the following means for determining his or her right to indemnification:

(1) By majority vote of a quorum of the board of directors consisting of directors not at the time parties to the same or related proceedings. If a quorum of disinterested directors cannot be obtained, by majority vote of a committee duly appointed by the board of directors and consisting solely of 2 or more directors not at the time parties to the same or related proceedings. Directors who are parties to the same or related proceedings may participate in the designation of members of the committee.

(2) By independent legal counsel selected by a quorum of the board of directors or its committee in the manner prescribed in sub. (1) or, if unable to obtain such a quorum or committee, by a majority vote of the full board of directors, including directors who are parties to the same or related proceedings.

(3) By a panel of 3 arbitrators consisting of one arbitrator selected by those directors entitled under sub. (2) to select independent legal counsel, one arbitrator selected by the director or officer seeking indemnification and one arbitrator selected by the 2 arbitrators previously selected.

(4) By an affirmative vote of a majority of members who are entitled to vote and who are present in person or represented by proxy at a meeting at which a quorum is present, if there are members having voting rights. Unless the articles, constitution or bylaws provide otherwise, members holding one-tenth of the votes entitled to be cast, present in person or represented by proxy, shall constitute a quorum at a meeting of members. Membership rights owned by, or voted under the control of, persons who are at the time parties to the same or related proceedings, whether as plaintiffs or defendants or in any other capacity, may not be voted in making the determination.

(5) By a court under s. 447.27.

(6) By any other method provided for in any additional right to indemnification permitted under s. 447.25.

447.21 Allowance of expenses as incurred. Upon written request by a director or officer who is a party to a proceeding, a dental society may pay or reimburse his or her reasonable expenses as incurred if the director or officer provides the dental society with all of the following:

(1) A written affirmation of his or her good faith belief that he or she has not breached or failed to perform his or her duties to the dental society.

(2) A written undertaking, executed personally or on his or her behalf, to repay the allowance and, if required by the dental society, to pay reasonable interest on the allowance to the extent that it is ultimately determined under s. 447.19 that indemnification under s. 447.17 (2) is not required and that indemnification is not ordered by a court under s. 447.27 (2) (b). The undertaking under this subsection shall be an unlimited general obligation of the director or officer and may be accepted without reference to his or her ability to repay the allowance. The undertaking may be secured or unsecured.

447.23 Dental society may limit indemnification. (1) A dental society’s obligations to indemnify under s. 447.17 may be limited as follows:

(a) If the dental society is organized before June 13, 1987, except as provided in s. 447.12 (4), by an amendment to its articles, constitution or bylaws which becomes effective on or after June 13, 1987.

(b) If the dental society is organized on or after June 13, 1987, except as provided in s. 447.12 (4), by its articles, constitution or

bylaws, including any amendments to its articles, constitution or
bylaws.

(2) A limitation under sub. (1) applies if the first alleged act of a director or officer for which indemnification is sought
occurred while the limitation was in effect.

447.25 Additional rights to indemnification and allowance
of expenses. (1) Except as provided in sub. (2), ss.
447.17 and 447.21 do not preclude any additional right to
indemnification or allowance of expenses that a director or officer may
have under any of the following:

(a) The articles, constitution or bylaws.

(b) A written agreement between the director or officer and the
dental society.

(c) A resolution of the board of directors.

(d) A resolution, after notice, adopted by a majority vote of
members who are entitled to vote.

(2) Regardless of the existence of an additional right under
sub. (1), the dental society may not indemnify a director or officer,
or permit a director or officer to retain any allowance of expenses
unless it is determined by or on behalf of the dental society that the
director or officer did not breach or fail to perform a duty he or she
owes to the dental society which constitutes conduct under s.
447.17 (2) (a) 1., 2., 3. or 4. A director or officer who is a party
to the same or related proceeding for which indemnification or an
allowance of expenses is sought may not participate in a deter-
mination under this subsection.

(3) Sections 447.15 to 447.31 do not affect a dental society’s
power to pay or reimburse expenses incurred by a director or offi-
cer in any of the following circumstances:

(a) As a witness in a proceeding to which he or she is not a party.

(b) As a plaintiff or petitioner in a proceeding because he or she
is or was an employee, agent, director or officer of the dental
society.

447.27 Court−ordered indemnification. (1) Except as
provided otherwise by written agreement between the director or
officer and the dental society, a director or officer who is a party
to a proceeding may apply for indemnification to the court con-
ducting the proceeding or to another court of competent jurisdic-
tion. Application shall be made for an initial determination by the
court under s. 447.19 (5) or for review by the court of an adverse
determination under s. 447.19 (1), (2), (3), (4) or (6). After receipt
of an application, the court shall give any notice it considers neces-
sary.

(2) The court shall order indemnification if it determines any
of the following:

(a) That the director or officer is entitled to indemnification
under s. 447.17 (1) or (2). If the court also determines that the den-
tal society unreasonably refused the director’s or officer’s request
for indemnification, the court shall order the dental society to pay
the director’s or officer’s reasonable expenses incurred to obtain
the court−ordered indemnification.

(b) That the director or officer is fairly and reasonably entitled
to indemnification in view of all the relevant circumstances,
regardless of whether indemnification is required under s. 447.17
(2).

447.29 Indemnification and allowance of expenses
of employees and agents. A dental society may indemnify
and allow reasonable expenses of an employee or agent who is not a
director or officer to the extent provided by the articles, constitu-
tion or bylaws, by general or specific action of the board of direc-
tors or by contract.

447.31 Insurance. A dental society may purchase and main-
tain insurance on behalf of an individual who is an employee,
agent, director or officer of the dental society against liability
asserted against and incurred by the individual in his or her capac-
ity as an employee, agent, director or officer, or arising from his
or her status as an employee, agent, director or officer, regardless
of whether the dental society is required or authorized to indem-
nify or allow expenses to the individual against the same liability
under ss. 447.17, 447.21, 447.25 and 447.29.

447.34 Reliance by directors or officers. Unless the
director or officer has knowledge that makes reliance unwar-
ranted, a director or officer of a county or district dental society
organized or continued under s. 447.12 may, in discharging his or
her duties to the dental society, rely on information, opinions,
reports or statements, any of which may be written or oral, formal
or informal, including financial statements and other financial
data, if prepared or presented by any of the following:

(1) An officer or employee of the dental society whom the
director or officer believes in good faith to be reliable and compe-
tent in the matters presented.

(2) Legal counsel, certified public accountants licensed under ch.
442, or other persons as to matters the director or officer
believes in good faith are within the person’s professional or
expert competence.

(3) In the case of reliance by a director, a committee of the
board of directors of which the director is not a member if the
director believes in good faith that the committee merits confi-
dence.

447.36 Consideration of interests in addition to mem-
bers’ interests. In discharging his or her duties to a county or
district dental society organized or continued under s. 447.12 and
in determining what he or she believes to be in the best interests
of the dental society, a director or officer may, in addition to con-
sidering the effects of any action on members, consider the follow-
ing:

(1) The effects of the action on employees, suppliers and cus-
tomers of the dental society.

(2) The effects of the action on communities in which the den-
tal society operates.

(3) Any other factors the director or officer considers perti-
nent.

447.38 Limited liability of directors and officers. (1) Except as
provided in subs. (2) and (3), a director or officer of a county or district dental society organized or continued under s.
447.12 is not liable to the dental society, its members or credi-
tors, or any person asserting rights on behalf of the dental society,
its members or creditors, or any other person, for damages, settle-
ments, fees, fines, penalties or other monetary liabilities arising
from a breach of, or failure to perform, any duty resulting solely
from his or her status as a director or officer, unless the person
asserting liability proves that the breach or failure to perform con-
stitutes any of the following:

(a) A willful failure to deal fairly with the dental society or its
members in connection with a matter in which the director or offi-
cer has a material conflict of interest.

(b) A violation of criminal law, unless the director or officer
had reasonable cause to believe his or her conduct was lawful or
no reasonable cause to believe his or her conduct was unlawful.

(c) A transaction from which the director or officer derived an
improper personal profit.

(d) Willful misconduct.

(2) Except as provided in sub. (3), this section does not apply
to any of the following:
(a) A civil or criminal proceeding brought by or on behalf of any governmental unit, authority or agency.

(b) A proceeding brought by any person for a violation of state or federal law where the proceeding is brought pursuant to an express private right of action created by state or federal statute.

(3) Subsection (2) does not apply to a proceeding brought by a governmental unit, authority or agency in its capacity as a private party or contractor.

447.40 Informed consent. Any dentist who treats a patient shall inform the patient about the availability of reasonable alternate modes of treatment and about the benefits and risks of these treatments. The reasonable dentist standard is the standard for informing a patient under this section. The reasonable dentist standard requires disclosure only of information that a reasonable dentist would know and disclose under the circumstances. The dentist’s duty to inform the patient under this section does not require disclosure of any of the following:

1. Detailed technical information that in all probability a patient would not understand.

2. Risks apparent or known to the patient.

3. Extremely remote possibilities that might falsely or detrimentally alarm the patient.

4. Information in emergencies where failure to provide treatment would be more harmful to the patient than treatment.

5. Information in cases where the patient is incapable of consenting.

6. Information about alternate modes of treatment for any condition the dentist has not included in his or her diagnosis at the time the dentist informs the patient.
