1. An officer, manager, general agent, employee, or person who has executive authority over or is in charge of any segment of the examinee’s affairs.
2. A person controlling or having a contract under which the person has the right to control the examinee whether exclusively or with others.
3. A person who is under the control of the examinee, or a per-son who is under the control of a person who controls or has a right to control the examinee whether exclusively or with others.
4. An individual practice association which contracts with the examinee to provide health care services.

(c) Availability of records. On demand every examinee under par. (a) shall make available to the commissioner for examination any of its own accounts, records, documents or evidences of transactions and any of those of the persons listed in par. (b). Failure to do so shall be deemed to be concealment of records under s. 645.41 (8), except that if the examinee is unable to obtain accounts, records, documents or evidences of transactions, failure shall not be deemed concealment if the examinee terminates immediately the relationship with the other person.

(d) Delivery of records to the office. On order of the commis-sioner any licensee or permittee under chs. 600 to 647 shall bring to the office for examination such records as the order reasonably requires.

(2) DUTY TO EXAMINE. (a) Insurers and rate service organiza-tions. The commissioner shall examine every domestic insurer and every licensed rate service organization.

(b) On request. Whenever the commissioner is requested by verified petition signed by 25 persons interested as shareholders, policyholders or creditors of an insurer alleging that there are grounds for formal delinquency proceedings, the commissioner shall forthwith examine the insurer as to any matter alleged in the petition. Whenever the commissioner is requested to do so by the board of directors of a domestic insurer, the commissioner shall examine the insurer as soon as reasonably possible.

(c) Specific requirements. The commissioner shall examine insurers as otherwise required by law.

(3) AUDITS OR ACTUARIAL OR OTHER EVALUATIONS. In lieu of all or part of an examination under subs. (1) and (2), or in addition to it, the commissioner may order an independent audit by certified public accountants or an actuarial or other evaluation by actuaries or other experts approved by the commissioner of any person subject to the examination requirement. Any accountant, actuary or other expert selected is subject to rules respecting conflicts of interest promulgated by the commissioner. Any audit or evaluation under this section is subject to s. 601.44, so far as appropriate.

(4) ALTERNATIVES TO EXAMINATION. In lieu of all or part of an examination under this section, the commissioner may accept the report of an audit already made by certified public accountants or of an actuarial or other evaluation already made by actuaries or other experts approved by the commissioner, or the report of an examination made by the insurance department of another state or of the examination by another government agency in this state, the federal government or another state.

(5) PURPOSE AND SCOPE OF EXAMINATION. An examination may but need not cover comprehensively all aspects of the examinee’s affairs and condition. The commissioner shall determine the exact nature and scope of each examination, and in doing so shall take into account all relevant factors, including but not limited to the length of time the examinee has been doing business, the growth of time the examinee’s business has been licensed in this state, the nature of the business being examined, the nature of the accounting records available and the nature of examinations performed elsewhere. The examination of an alien insurer shall be limited to insurance transactions and assets in the United States unless the commissioner orders otherwise after finding that extraordinary circumstances necessitate a broader examination.

(3) COOPERATION. The officers, employees and agents of the examinee and of persons under s. 601.43 (1) (b) shall comply with the reasonable request of the examiner for all information matter relating to the examination. No person may obstruct or interfere with the examination in any way other than by legal process.

(4) CORRECTION OF BOOKS. If the commissioner finds the accounts or records to be inadequate for proper examination of the condition and affairs of the examinee or improperly kept or posted, the commissioner may employ experts to rewrite, post or balance them at the expense of the examinee.

(5) REPORT ON EXAMINATION. The examiner in charge of an examination shall make a proposed report of the examination which shall include such information and analysis as is ordered in sub. (1), together with the examiner’s recommendations. Preparation of the proposed report may include conferences with the examinee or the examinee’s representatives at the option of the examiner in charge. The proposed report shall remain confidential until filed under sub. (6).

(6) ADOPTION AND FILING OF EXAMINATION REPORT. The commissioner shall serve a copy of the proposed report upon the examinee. Within 20 days after service, the examinee may serve upon the commissioner a written demand for a hearing on the contents of the report. If a hearing is demanded, the commissioner shall give notice and hold a hearing under ch. 227, except that on
demand by the examinee the hearing shall be private. Within 60 days after the hearing or if no hearing is demanded then within 60 days after the last day on which the examinee might have demanded a hearing, the commissioner shall adopt the report with any necessary modifications and file it for public inspection, or the commissioner shall order a new examination.

(7) COPY FOR EXAMINEE. The commissioner shall forward a copy of the examination report to the examinee immediately upon adoption, except that if the proposed report is adopted without change, the commissioner need only so notify the examinee.

(8) COPIES FOR BOARD. The examinee shall forthwith furnish copies of the adopted report to each member of its board.

(9) COPIES FOR OTHER PERSONS. The commissioner may furnish, without cost or at a price to be determined by the commissioner, a copy of the adopted report to the insurance commissioner of each state in the United States and of each foreign jurisdiction in which the examinee is authorized to do business, and to any other interested person in this state or elsewhere.

(10) REPORT AS EVIDENCE. In any proceeding by or against the examinee or any officer or agent thereof the examination report as adopted by the commissioner shall be admissible as evidence of the facts stated therein. In any proceeding commenced under ch. 645, the examination report whether adopted by the commissioner or not shall be admissible as evidence of the facts stated therein. In any proceeding by or against the examinee, the facts asserted in any report properly admitted in evidence shall be presumed to be true in the absence of contrary evidence.

The reasonable costs of examinations and audits under ss. 601.43, 601.44, and 601.83 (5) (f) shall be paid by examinees except as provided in sub. (4), either on the basis of a system of billing for actual salaries and expenses of examiners and other apportionable expenses, including office overhead, or by a system of regular annual billings to cover the costs relating to a group of companies, or a combination of such systems, as the commissioner may by rule prescribe. Additional funding, if any, shall be governed by s. 601.32. The commissioner shall schedule annual hearings under s. 601.41 (5) to review current problems in the area of examinations.

(2) DUTY TO PAY. The amount payable under sub. (1) shall become due 10 days after the examinee has been served a detailed account of the costs.

(3) DEPOSIT. The commissioner may require any examinee, before or from time to time during an examination, to deposit with the secretary of administration such deposits as the commissioner deems necessary to pay the costs of the examination. Any deposit and any payment made under subs. (1) and (2) shall be credited to the appropriation account under s. 20.145 (1) (g) 1.

(4) EXEMPTIONS. On the examinee’s request or on the commissioner’s own motion, the commissioner may pay all or part of the costs of an examination from the appropriation under s. 20.145 (1) (g) 1., whenever the commissioner finds that because of the frequency of examinations or other factors, imposition of the costs would place an unreasonable burden on the examinee. The commissioner shall include in his or her annual report information about any instance in which the commissioner applied this subsection.

(5) RETALIATION. Deposits and payments under this section shall not be deemed to be a tax or license fee within the meaning of any statute. If any other state charges a per diem fee for examination of examinees domiciled in this state, any examinee domiciled in that other state shall be required to pay the same fee when examined by the insurance office of this state.

601.46 Commissioner’s records and reports. (1) RECORD MAINTENANCE. (b) With notice to the insurer, the presumption under par. (a) may be rebutted by the requesting party presenting clear and convincing evidence to a court of competent jurisdiction that the public interest in the disclosure of the documents and information substantially outweighs the potential for harm or competitive disadvantage to the insurer if the documents and information are disclosed and that the public interest concerns cannot be addressed without the disclosure of the documents and information. If the presumption under par. (a) is successfully rebutted, disclosure of the documents and information shall be made only to the extent necessary to protect the public interest.

601.56 Study and rules on standards for health insurers. (1) STUDY. (a) To promote and protect the interest of consumers of individual and group annuity, life insurance, disability income, and long-term care insurance products.

(b) To develop uniform standards for insurance products covered under the compact.

(g) To perform these and such other related functions as may be consistent with the state regulation of the business of insurance.

(2) ARTICLE II — DEFINITIONS. In this compact:

(a) “Advertisement” means any material designed to create public interest in a product or to induce the public to purchase, increase, modify, reinstate, borrow on, surrender, replace, or retain a policy, as more specifically defined in the rules and operating procedures of the commission.

(L) “Rule” means a statement of general or particular applicability and future effect promulgated by the commission, including a uniform standard developed under sub. (3) ARTICLE III — ESTABLISHMENT OF THE COMMISSION AND VENUE. The compacting states hereby create the interstate insurance product regulation commission. Pursuant to sub. (4), the commission will have the power to develop uniform standards for product lines, receive and provide prompt review of products filed therewith, and give approval to those product filings satisfying applicable uniform standards; provided, that it is not intended for the commission to be the exclusive entity for receipt and review of insurance product filings. Nothing herein shall prohibit any insurer from filing its product in any state wherein the insurer is licensed to conduct the business of insurance, and any such filing shall be subject to the laws of the state where filed. The commission is a body corporate and politic, and an instrumentality of the compacting states. The commission is solely responsible for its liabilities except as otherwise specifically provided in this compact. Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located.

(4) ARTICLE IV — POWERS OF THE COMMISSION. The commission shall have all of the following powers:

(a) To promulgate rules, pursuant to sub. (7), which shall be binding in the compacting states to the extent and in the manner provided in this compact.

(7), to the extent and in the manner provided in this compact; and provided further, that any uniform standard established by the commission for long-term care insurance products may provide the same or greater protections for consumers as, but shall not provide less than, those protections set forth in the National Association of Insurance Commissioners’ Long-Term Care Insurance Model Act and Long-Term Care Insurance Model Regulation, respectively, adopted as of 2001. The commission shall consider whether any subsequent amendments to the National Association of Insurance Commissioners’ Long-Term Care Insurance Model Act or Long-Term Care Insurance Model Regulation adopted by the National Association of Insurance Commissioners require amending of the uniform standards established by the commission for long-term care insurance products.

(c) To receive and review in an expeditious manner products filed with the commission, and rate filings for disability income and long-term care insurance products, and give approval of those products and rate filings that satisfy the applicable uniform standard, where such approval shall have the force and effect of law and be binding on the compacting states to the extent and in the manner provided in the compact.

(d) To receive and review in an expeditious manner advertisement relating to long-term care insurance products for which uniform standards have been adopted by the commission, and give approval to all advertisement that satisfies the applicable uniform standard. For any product covered under this compact, other than long-term care insurance products, the commission shall have the authority to require an insurer to submit all or any part of its advertisement with respect to that product for review or approval prior to use, if the commission determines that the nature of the product is such that an advertisement of the product could have the capacity or tendency to mislead the public. The actions of the commission as provided in this subsection shall have the force and effect of law and shall be binding in the compacting states to the extent and in the manner provided in the compact.

(e) To exercise its rule-making authority and designate products and advertisement that may be subject to a self-certification process without the need for prior approval by the commission.

(f) To promulgate operating procedures, pursuant to sub. (7), that shall be binding in the compacting states to the extent and in the manner provided in this compact.

(g) To bring and prosecute legal proceedings or actions in its name as the commission; provided, that the standing of any state insurance department to sue or be sued under applicable law shall not be affected.

(h) To issue subpoenas requiring the attendance and testimony of witnesses and the production of evidence.

(i) To establish and maintain offices.

(j) To purchase and maintain insurance and bonds.

(k) To borrow, accept, or contract for services of personnel, including, but not limited to, employees of a compacting state.

(L) To hire employees, professionals, or specialists, and elect or appoint officers, and to fix their compensation, define their duties and give them appropriate authority to carry out the purposes of the compact, and determine their qualifications; and to establish the commission’s personnel policies and programs relating to, among other things, conflicts of interest, rates of compensation, and qualifications of personnel.

(m) To accept any and all appropriate donations and grants of money, equipment, supplies, materials, and services, and to receive, utilize, and dispose of the same; provided, that at all times the commission shall strive to avoid any appearance of impropriety.

(n) To lease, purchase, accept appropriate gifts or donations of, or otherwise own, hold, improve, or use, any property, real, personal, or mixed; provided, that at all times the commission shall strive to avoid any appearance of impropriety.

(o) To sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed.

(p) To remit filing fees to compacting states as may be set forth in the bylaws, rules, or operating procedures.

(q) To enforce compliance by compacting states with rules, uniform standards, operating procedures, and bylaws.

(r) To provide for dispute resolution among compacting states.

(s) To advise compacting states on issues relating to insurers domiciled or doing business in noncompacting jurisdictions, consistent with the purposes of this compact.

(t) To provide advice and training to those personnel in state insurance departments responsible for product review, and to be a resource for state insurance departments.

(u) To establish a budget and make expenditures.

(v) To borrow money.

(w) To appoint committees, including advisory committees comprising members, state insurance regulators, state legislators or their representatives, insurance industry and consumer representatives, and such other interested persons as may be designated in the bylaws.

(x) To provide and receive information from, and to cooperate with, law enforcement agencies.

(y) To adopt and use a corporate seal.
(z) To perform such other functions as may be necessary or appropriate to achieve the purposes of this compact consistent with the state regulation of the business of insurance.

(5) ARTICLE V — ORGANIZATION OF THE COMMISSION. (a) Each compacting state shall have one member. Each member shall be qualified to serve in such capacity under the applicable law of the compacting state. Any member may be removed or suspended from office as provided by the law of the state from which he or she shall be appointed. Any vacancy occurring in the commission shall be filled in accordance with the laws of the compacting state wherein the vacancy exists. Nothing herein shall be construed to affect the manner in which a compacting state determines the election or appointment and qualification of its own commissioner.

(b) Each member shall be entitled to one vote and shall have an opportunity to participate in the governance of the commission in accordance with the bylaws. Notwithstanding any provision herein to the contrary, no action of the commission with respect to the promulgation of a uniform standard shall be effective unless two-thirds of the members vote in favor thereof.

(c) The commission shall, by a majority of the members, prescribe bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes, and exercise the powers, of the compact, including, but not limited to:

1. Establishing the fiscal year of the commission.
2. Providing reasonable procedures for appointing and electing members, as well as holding meetings, of the management committee.
3. Providing reasonable standards and procedures for all of the following:
   a. The establishment and meetings of other committees.
   b. Governing any general or specific delegation of any authority or function of the commission.
4. Providing reasonable procedures for calling and conducting meetings of the commission that consist of a majority of commission members, ensuring reasonable advance notice of each such meeting, and providing for the right of citizens to attend each such meeting with enumerated exceptions designed to protect the public’s interest, the privacy of individuals, and insurers’ proprietary information, including trade secrets. The commission may meet in camera only after a majority of the entire membership votes to close a meeting en toto or in part. As soon as practicable, the commission must make public all of the following:
   a. A copy of the vote to close the meeting revealing the vote of each member with no proxy votes allowed.
   b. Votes taken during such meeting.
5. Establishing the titles, duties, and authority, and reasonable procedures for the election, of the officers of the commission.
6. Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the commission. Notwithstanding any civil service or other similar laws of any compacting state, the bylaws shall exclusively govern the personnel policies and programs of the commission.
7. Promulgating a code of ethics to address permissible and prohibited activities of commission members and employees.
8. Providing a mechanism for winding up the operations of the commission and the equitable disposition of any surplus funds that may exist after the termination of the compact after the payment or reserving of all of its debts and obligations.

(d) The commission shall publish its bylaws in a convenient form and file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the compacting states.

(e) A management committee comprising no more than 14 members shall be established as follows:

1. One member from each of the 6 compacting states with the largest premium volume for individual and group annuities, life insurance, disability income, and long-term care insurance products, determined from the records of the National Association of Insurance Commissioners for the prior year.
2. Four members from those compacting states with at least 2 percent of the market based on the premium volume described in subd. 1., other than the 6 compacting states with the largest premium volume, selected on a rotating basis as provided in the bylaws.
3. Three members from those compacting states with less than 2 percent of the market, based on the premium volume described in subd. 1., with one selected from each of the 4 zone regions of the National Association of Insurance Commissioners as provided in the bylaws.

(f) The management committee shall have such authority and duties as may be set forth in the bylaws, including, but not limited to, all of the following:

1. Managing the affairs of the commission in a manner consistent with the bylaws and purposes of the commission.
2. Establishing and overseeing an organizational structure within, and appropriate procedures for, the commission to provide for the creation of uniform standards and other rules, receipt and review of product filings, administrative and technical support functions, review of decisions regarding the disapproval of a product filing, and the review of elections made by a compacting state to opt out of a uniform standard; provided, that a uniform standard shall not be submitted to the compacting states for adoption unless approved by two-thirds of the members of the management committee.
3. Overseeing the offices of the commission.
4. Planning, implementing, and coordinating communications and activities with other state, federal, and local government organizations in order to advance the goals of the commission.

(g) The commission shall elect annually officers from the management committee, with each having such authority and duties as may be specified in the bylaws.

(h) The management committee may, subject to the approval of the commission, appoint or retain an executive director for such period, upon such terms and conditions, and for such compensation as the commission determines appropriate. The executive director shall serve as secretary to the commission, but may not be a member of the commission. The executive director shall hire and supervise such other staff as may be authorized by the commission.

(i) A legislative committee comprising state legislators or their designees shall be established to monitor the operations of, and make recommendations to, the commission, including the management committee; provided, that the manner of selection and term of any legislative committee member shall be as set forth in the bylaws. Prior to the adoption by the commission of any uniform standard, revision to the bylaws, annual budget, or other significant matter as may be provided in the bylaws, the management committee shall consult with and report to the legislative committee.

(j) The commission shall establish 2 advisory committees, one of which shall comprise consumer representatives independent of the insurance industry, and the other comprising insurance industry representatives.

(k) The commission may establish additional advisory committees as its bylaws may provide for the carrying out of its functions.

(L) The commission shall maintain its corporate books and records in accordance with the bylaws.

(m) The members, officers, executive director, employees, and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that the person...
against whom the claim is made had a reasonable basis for believing occurred, within the scope of commission employment, duties, or responsibilities; provided, that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of that person.

(n) The commission shall defend any member, officer, executive director, employee, or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided, that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person’s intentional or willful and wanton misconduct.

(o) The commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided, that the actual or alleged act, error, or omission did not result from the intentional or willful and wanton misconduct of that person.

(p) Section 893.80 does not apply to claims against the commission.

(6) ARTICLE VI — MEETINGS AND ACTS OF THE COMMISSION.

(a) The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

(b) Each member of the commission shall have the right and power to cast a vote to which that compacting state is entitled and to participate in the business and affairs of the commission. A member shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for members’ participation in meetings by telephone or other means of communication.

(c) The commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(7) ARTICLE VII — RULES AND OPERATING PROCEDURES. RULE—MAKING FUNCTIONS OF THE COMMISSION AND OPTING OUT OF UNIFORM STANDARDS.

(a) The commission shall promulgate reasonable rules, including uniform standards, and operating procedures in order to effectively and efficiently achieve the purposes of this compact.

(b) Rules and operating procedures shall be made pursuant to a rule-making process that conforms to the Model State Administrative Procedure Act of 1981 as amended, as may be appropriate to the operations of the commission. Before the commission adopts a uniform standard, the commission shall give written notice to all relevant state legislative committees in each compacting state responsible for insurance issues of its intention to adopt the uniform standard. The commission in adopting a uniform standard shall consider fully all submitted materials and issue a concise explanation of its decision.

(c) A uniform standard shall become effective 90 days after its promulgation by the commission or such later date as the commission may determine; provided, that a compacting state may opt out of a uniform standard as provided in this subsection. “Opt out” shall be defined as any action by a compacting state to decline to adopt or participate in a promulgated uniform standard. All other rules and operating procedures, and amendments thereto, shall become effective as of the date specified in each rule, operating procedure, or amendment.

(d) 1. A compacting state may opt out of a uniform standard either by legislation or regulation duly promulgated by the insurance department under the compacting state’s administrative procedure act. If a compacting state elects to opt out of a uniform standard by regulation, it must give written notice to the commission no later than 10 business days after the uniform standard is promulgated, or at the time the state becomes a compacting state, and find that the uniform standard does not provide reasonable protections to the citizens of the state, given the conditions in the state. The commissioner shall make specific findings of fact and conclusions of law, based on a preponderance of the evidence, detailing the conditions in the state that warrant a departure from the uniform standard and determining that the uniform standard would not reasonably protect the citizens of the state. The commissioner must consider and balance all of the following factors and find that the conditions in the state and needs of the citizens of the state outweigh all of the following factors:

a. The intent of the legislature to participate in, and the benefits of, an interstate agreement to establish national uniform consumer protections for the products subject to this compact.

b. The presumption that a uniform standard adopted by the commission provides reasonable protections to consumers of the relevant product.

2. Notwithstanding subd. 1., a compacting state may, at the time of its enactment of this compact, prospectively opt out of all uniform standards involving long-term care insurance products by expressly providing for such opt out in the enacted compact, and such an opt out may not be treated as a material variance in the offer or acceptance of any state to participate in this compact. Such an opt out shall be effective at the time of enactment of this compact by the compacting state and shall apply to all existing uniform standards involving long-term care insurance products and those subsequently promulgated.

(e) If a compacting state elects to opt out of a uniform standard, the uniform standard shall remain applicable in the compacting state opting to opt out until such time as the opt out legislation is enacted into law or the regulation opting out becomes effective. Once the opt out of a uniform standard by a compacting state becomes effective as provided under the laws of that state, the uniform standard shall have no further force or effect in that state unless and until the legislation or regulation implementing the opt out is repealed or otherwise becomes ineffective under the laws of the state. If a compacting state opts out of a uniform standard after the uniform standard has been made effective in that state, the opt out shall have the same prospective effect as provided under sub. (14) for withdrawals.

(f) If a compacting state has formally initiated the process of opting out of a uniform standard by regulation, and while the regulatory opt out is pending, the compacting state may petition the commission, at least 15 days before the effective date of the uniform standard, to stay the effectiveness of the uniform standard in that state. The commission may grant a stay if it determines the regulatory opt out is being pursued in a reasonable manner and there is a likelihood of success. If a stay is granted or extended by the commission, the stay or extension thereof may postpone the effective date by up to 90 days, unless affirmatively extended by the commission; provided, that a stay may not be permitted to remain in effect for more than one year unless the compacting state can show extraordinary circumstances that warrant a continuance of the stay, including, but not limited to, the existence of a legal challenge that prevents the compacting state from opting out. A stay may be terminated by the commission upon notice that the rule-making process has been terminated.

(g) Not later than 30 days after a rule or operating procedure is promulgated, any person may file a petition for judicial review of the rule or operating procedure; provided, that the filing of such a petition may not stay or otherwise prevent the rule or operating...
procedure from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the commission consistent with applicable law and shall not find the rule or operating procedure to be unlawful if the rule or operating procedure represents a reasonable exercise of the commission’s authority.

(8) ARTICLE VIII — COMMISSION RECORDS AND ENFORCEMENT. (a) The commission shall promulgate rules establishing conditions and procedures for public inspection and copying of its information and official records, except such information and records involving the privacy of individuals and insurers’ trade secrets. The commission may promulgate additional rules under which it may make available to federal and state agencies, including law enforcement agencies, records and information otherwise exempt from disclosure, and may enter into agreements with such agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(b) Except as to privileged records, data, and information, the laws of any compacting state pertaining to confidentiality or non-disclosure may not relieve any compacting state commissioner of the duty to disclose any relevant records, data, or information to the commission; provided, that disclosure to the commission shall not be deemed to waive or otherwise affect any confidentiality requirement; and provided further, that, except as otherwise expressly provided in this section, the commission shall not be subject to the compacting state’s laws pertaining to confidentiality and nondisclosure with respect to records, data, and information in its possession. Confidential information of the commission shall remain confidential after such information is provided to any commissioner.

(c) The commission shall monitor compacting states for compliance with duly adopted bylaws, rules, including uniform standards, and operating procedures. The commission shall notify any noncomplying compacting state in writing of its noncompliance with commission bylaws, rules, or operating procedures. If a noncomplying compacting state fails to remedy its noncompliance within the time specified in the notice of noncompliance, the compacting state shall be deemed to be in default under sub. (14).

(d) The commissioner of any state in which an insurer is authorized to do business, or is conducting the business of insurance, shall continue to exercise his or her authority to oversee the market regulation of the activities of the insurer in accordance with the provisions of the state’s law. The commissioner’s enforcement of compliance with the compact is governed by the following provisions:

1. With respect to the commissioner’s market regulation of a product or advertisement that is approved by or certified to the commissioner, the content of the product or advertisement shall not constitute a violation of the provisions, standards, or requirements of the compact except upon a final order of the commissioner, issued at the request of a commissioner after proper notice to the insurer and an opportunity for hearing before the commission.

2. Before a commissioner may bring an action for violation of any provision, standard, or requirement of the compact relating to the content of an advertisement not approved by or certified to the commission, the commissioner, or an authorized commission officer or employee, must authorize the action. However, authorization pursuant to this subdivision does not require notice to the insurer, opportunity for hearing, or disclosure of requests for authorization or records of the commissioner’s action on such requests.

(9) ARTICLE IX — DISPUTE RESOLUTION. The commission shall attempt, upon the request of a member, to resolve any disputes or other issues that are subject to this compact and that may arise between 2 or more compacting states, or between compacting states and noncompacting states, and the commission shall promulgate an operating procedure providing for resolution of such disputes.

(10) ARTICLE X — PRODUCT FILING AND APPROVAL. (a) Insurers and 3rd-party filers seeking to have a product approved by the commission shall file the product with, and pay applicable filing fees to, the commission. Nothing in this section shall be construed to restrict or otherwise prevent an insurer from filing its product with the insurance department in any state wherein the insurer is licensed to conduct the business of insurance, and such filing shall be subject to the laws of the states where filed.

(b) The commission shall establish appropriate filing and review processes and procedures pursuant to commission rules and operating procedures. Notwithstanding any provision herein to the contrary, the commission shall promulgate rules to establish conditions and procedures under which the commission will provide public access to product filing information. In establishing such rules, the commission shall consider the interests of the public in having access to such information, as well as protection of personal medical and financial information and trade secrets, that may be contained in a product filing or supporting information.

(c) Any product approved by the commission may be sold or otherwise issued in those compacting states for which the insurer is legally authorized to do business.

(11) ARTICLE XI — REVIEW OF COMMISSION DECISIONS REGARDING FILINGS. (a) Not later than 30 days after the commission has given notice of a disapproved product or advertisement filed with the commission, the insurer or 3rd-party filer whose filing was disapproved may appeal the determination to a review panel appointed by the commission. The commission shall promulgate rules to establish procedures for appointing such review panels and provide for notice and hearing. An allegation that the commission, in disapproving a product or advertisement filed with the commission, acted arbitrarily, capriciously, or in a manner that is an abuse of discretion or otherwise not in accordance with the law, is subject to judicial review in accordance with sub. (3).

(b) The commission shall have authority to monitor, review, and reconsider products and advertisement subsequent to their filing or approval upon a finding that the product does not meet the relevant uniform standard. Where appropriate, the commission may withdraw or modify its approval after proper notice and hearing, subject to the appeal process in par. (a).

(12) ARTICLE XII — FINANCE. (a) The commission shall pay or provide for the payment of the reasonable expenses of its establishment and organization. To fund the cost of its initial operations, the commission may accept contributions and other forms of funding from the National Association of Insurance Commissioners, compacting states, and other sources. Contributions and other forms of funding from other sources shall be of such a nature that the independence of the commission concerning the performance of its duties shall not be compromised.

(b) The commission shall collect a filing fee from each insurer and 3rd-party filer filing a product with the commission to cover the cost of the operations and activities of the commission and its staff in a total amount sufficient to cover the commission’s annual budget.

(c) The commission’s budget for a fiscal year may not be approved until it has been subject to notice and comment as set forth in sub. (7).

(d) The commission shall be exempt from all taxation in and by the compacting states.

(e) The commission may not pledge the credit of any compacting state, except by and with the appropriate legal authority of that compacting state.

(f) The commission shall keep complete and accurate accounts of all its internal receipts, including grants and donations, and disbursements of all funds under its control. The internal financial accounts of the commission shall be subject to the accounting procedures established under its bylaws. The financial accounts and
(f) Reinstatement following withdrawal of any compacting state shall occur upon the effective date of the withdrawing state reenacting the compact.

PROCEDURES AND ENFORCEMENT

601.61 Auxiliary procedural powers. The commissioner may administer oaths, take testimony, issue subpoenas and take depositions in connection with any hearing, meeting, examination, investigation or other proceeding that the commissioner may conduct.

History: 1979 c. 102 s. 236 (6).

601.62 Hearings. (1) HEARING REQUIRED. Whenever chs. 600 to 655 expressly so provide, the commissioner shall hold a hearing before issuing an order.

(2) SPECIAL INSURANCE HEARINGS. Chapter 227 shall apply to all hearings under chs. 600 to 655, except those for which special procedures are prescribed.

(3) ADJUDICATORY HEARINGS. In addition to the requirements of ch. 227, the following provisions apply:

(a) Subsequent hearings. Whenever an order is issued without a hearing, any person aggrieved by the order may demand a hearing within 30 days after the date on which the notice of the order was mailed. Failure to demand a hearing within the period prescribed therefor is waiver of a hearing. The demand shall be in writing and shall be served on the commissioner by delivering a copy to the commissioner or by leaving it at the commissioner’s office. The commissioner shall thereupon hold a hearing not less than 10 nor more than 60 days after service of the demand.

(c) Extension and reversal of periods. Upon request of the person demanding the hearing or of any other aggrieved person, the commissioner may reduce or extend the period prescribed by par. (a) for holding a hearing.

(4) FEES IN INVESTIGATIONS AND HEARINGS. The fees for stenographic services in investigations, examinations, and hearings may not exceed the sum provided for like services in the circuit court. The fees of officers, witnesses, interpreters, and stenographers on behalf of the commissioner or the state shall be paid by the secretary of administration, authorized by the certificate of the commissioner, and shall be charged to the appropriation under s. 20.145 (1) (g) 1.

(f) IMMUNITY FROM PROSECUTION. (a) No natural person is excused from attending and testifying or from producing any document or record before the commissioner, or from obedience to the subpoena of the commissioner, or from appearing in any proceeding instituted by the commissioner, on the ground that the testimony or evidence required from the person may tend to incriminate the person or subject the person to a penalty or forfeiture; but no such person may be criminally prosecuted for or on account of his or her testimony or evidence, after claiming privilege against self-incrimination, except that the person testifying is not exempt from prosecution and punishment for perjury, false swearing or contempt committed in testifying.

(b) The immunity provided under par. (a) is subject to the restrictions under s. 972.085.

601.63 Notice and effective date of orders. (1) NOTICE TO PERSON ADDRESSED BY ORDER. Notice of any order by the commissioner shall be served under s. 227.48.

(2) NOTIFICATION TO AGENT OF ENGAGEMENT OF CERTIFICATE OF AUTHORITY OF INSURER. Upon issuance of any order limiting, suspending or revoking an insurer’s authority to do business in this state, the commissioner shall notify by mail all agents of the insurer of whom the commissioner has record. The commissioner shall also publish a class notice of the order under ch. 985.

(3) DELAY OF EFFECTIVE DATE. Except as provided in sub. (4) or as expressly provided otherwise by statute, all orders of the commissioner shall take effect 10 days after notice under sub. (1) or at a later date specified in the order.

(3m) HEARING REQUEST. If the order was issued without a hearing, any person aggrieved by the order may demand a hearing under s. 601.62 (3) (a). If no demand for a hearing is made within the prescribed time, the order is final.

(4) SUSPENSION OF ORDER. Whenever a hearing is demanded under s. 601.62 (3) (a) or a rehearing is requested under s. 227.49, the commissioner may suspend the order or any part thereof until after the hearing or rehearing. If the commissioner refuses to suspend the order, any person aggrieved thereby may seek a court order under ch. 813 to restrain enforcement of the order until after the hearing or rehearing.

(5) ACTIONS SUBJECT TO APPROVAL OR DISAPPROVAL. (a) Required approval. Whenever the law requires the commissioner’s approval for a certain action, the action is not effective until expressly approved. The approval is deemed refused if the commissioner does not act within 60 days after receiving the application for approval.

(b) Reserved disapproval. Whenever the law provides that a certain action does not become effective if disapproved by the commissioner within a certain period, the action may be made effective prior to the expiration of the period by being affirmatively approved by the commissioner.

(c) Specific provisions. Paragraphs (a) and (b) do not apply to the extent that the law specifically provides otherwise.

601.64 Enforcement procedure. (1) INJUNCTIONS AND RESTRAINING ORDERS. The commissioner may commence an action in circuit court in the name of the state to restrain by temporary or permanent injunction or by temporary restraining order any violation of chs. 600 to 655 or ss. 149.13, 2011 Stats., any rule promulgated under chs. 600 to 655, or any order issued under s. 601.41 (4). The commissioner need not show irreparable harm or
lack of an adequate remedy at law in an action commenced under this subsection.

(2) **Compulsive forfeitures.** If a person does not comply with an order issued under s. 601.41 (4) within 2 weeks after the commissioner has given the person notice of the commissioner’s intention to proceed under this subsection, the commissioner may commence an action for a forfeiture in such sum as the court considers just, but not exceeding $5,000 for each day that the violation continues after the commencement of the action until judgment is rendered. No forfeiture may be imposed under this subsection if at the time the action was commenced the person was in compliance with the order, nor for any violation of an order occurring while any proceeding for judicial review of the order was pending, unless the court in which the proceeding was pending certifies that the claim of invalidity or nonapplicability of the order was frivolous or a sham. If after judgment is rendered the person does not comply with the order, the commissioner may commence a new action for a forfeiture and may continue commencing actions until the person complies. The proceeds of all actions under this subsection, after deduction of the expenses of collection, shall be paid into the common school fund of the state.

(3) **Forfeitures and civil penalties.** (a) **Restitutionary forfeitures.** Whoever violates an order issued under s. 601.41 (4), any insurance statute or rule, or s. 149.13, 2011 stats., shall forfeit to the state twice the amount of any profit gained from the violation, in addition to any other forfeiture or penalty imposed.

(b) **Forfeiture for violation of order.** Whoever violates an order issued under s. 601.41 (4) which is effective under s. 601.63 shall forfeit to the state not more than $1,000 for each violation. Each day that the violation continues is a separate offense.

(c) **Forfeiture for violation of statute or rule.** Whoever violates an insurance statute or rule or s. 149.13, 2011 stats., intentionally aids a person in violating an insurance statute or rule or s. 149.13, 2011 stats., or knowingly permits a person over whom he or she has authority to violate an insurance statute or rule or s. 149.13, 2011 stats., shall forfeit to the state not more than $1,000 for each violation. If the statute or rule imposes a duty to make a report to the commissioner, each week of delay in complying with the duty is a new violation.

(d) **Procedure.** The commissioner may order any person to pay a forfeiture imposed under this subsection or s. 601.65, which shall be paid into the common school fund. If the order is issued without a hearing, the affected person may demand a hearing under s. 601.62 (3) (a). If the person fails to request a hearing, the order is conclusive as to the person’s liability. The scope of review for forfeitures ordered is that specified under s. 601.65 (1). The commissioner may cause action to be commenced to recover the forfeiture. Before an action is commenced, the commissioner may compromise the forfeiture.

(4) **Criminal penalty.** Whoever intentionally violates or intentionally permits any person over whom he or she has authority to violate or intentionally aids any person in violating any insurance statute or rule of this state, s. 149.13, 2011 stats., or any effective order issued under s. 601.41 (4) is guilty of a Class I felony, unless a specific penalty is provided elsewhere in the statutes. Intent has the meaning expressed under s. 939.23.

(5) **Revocation, suspension and limitation of licenses.** Whenever a licensee of the office other than an insurer, a motor club, an adjuster or an insurance intermediary persistently or substantially violates chs. 600 to 655, s. 601.41 (4), or if the licensee’s methods and practices in the conduct of business endanger, or financial resources are inadequate to safeguard, the legitimate interests of customers and the public, the commissioner may, after a hearing, in whole or in part revoke, suspend or limit the license.

The attorney general shall act as attorney for the state in the action and the expenses shall be borne as in other civil actions in behalf of the state. Upon service of the complaint the insurer shall file with the commissioner the names and addresses of all policyholders so situated. A notice of the action shall be mailed to every such policyholder by the commissioner or by the insurer, as the commissioner determines. Any policyholder affected by the action may intervene.

(b) 1. The commissioner may submit a request to the federal department of health and human services for one or more waivers under 42 USC 18052 to implement the healthcare stability plan for benefit years beginning January 1, 2019. The commissioner may adjust the payment parameters under sub. (2) to the extent necessary to secure federal approval of the waiver request under this paragraph.

2. If the federal department of health and human services does not approve the healthcare stability plan in the waiver request submitted under subd. 1. or a substantially similar healthcare stability plan, the commissioner may not implement the healthcare stability plan.

(c) If the federal government enacts into law Senate Bill 1835 of the 115th Congress or a similar bill providing support to states to establish reinsurance programs, the commissioner shall seek, if necessary, and receive federal moneys for the purposes of reinsurance programs that result from that enacted law to expend for the purposes of this subchapter.

(d) In accordance with sub. (5) (c), the commissioner shall collect the data from an eligible health carrier as necessary to determine reinsurance payments.

(e) Beginning on a date determined by the commissioner, the commissioner shall require each eligible health carrier to calculate the rate the eligible health carrier would have charged for a benefit year if the healthcare stability plan had not been established and submit the calculated rates as part of its rate filing submitted to the commissioner. The commissioner shall consider the calculated rate information provided under this paragraph as part of the rate filing review.

(f) 1. For each applicable benefit year, the commissioner shall notify eligible health carriers of reinsurance payments to be made for the applicable benefit year no later than June 30 of the calendar year following the applicable benefit year.

2. Quarterly during the applicable benefit year, the commissioner shall provide each eligible health carrier with the calculation of total amounts of reinsurance payment requests.

3. By August 15 of the calendar year following the applicable benefit year, the commissioner shall disburse all applicable reinsurance payments to an eligible health carrier.

(g) The commissioner may promulgate any rules necessary to implement the healthcare stability plan under this section, except that any rules promulgated under this paragraph shall seek to maximize federal funding for the healthcare stability plan. The commissioner may promulgate rules necessary to implement this section as emergency rules under s. 227.24. Notwithstanding s. 227.24 (1) (a) and (3), the commissioner is not required to provide evidence that promulgating a rule under this paragraph as an emergency rule is necessary for the preservation of the public peace, health, safety, or welfare and is not required to provide a finding of emergency for a rule promulgated under this paragraph.

(h) In 2019 and in each subsequent year, the commissioner may expend no more than $200,000,000 from all revenue sources for the healthcare stability plan under this section, unless the joint committee on finance under s. 13.10 has increased this amount upon request by the commissioner.

(2) PAYMENT PARAMETERS. The commissioner, after consulting with an actuarial firm, shall design and adjust payment parameters with the goal to do all of the following:

(a) Stabilize or reduce premium rates in the individual market.

(11) "Reinsurance cap" means an amount paid by the commissioner to an eligible health carrier under the healthcare stability plan.

(e) Take into account any federal funding available for the plan.

(f) Take into account the total amount available to fund the plan.

(3) OPERATION. (a) The commissioner shall set the payment parameters as described under sub. (2) by no later than March 30 of the calendar year before the applicable benefit year or, if the commissioner specifies a different date by rule, the date specified by the commissioner by rule.

(b) If the amount available for expenditure for the healthcare stability plan is not anticipated to be adequate to fully fund the payment parameters set under par. (a) as of July 1 of the calendar year before the applicable benefit year, the commissioner shall adjust the payment parameters in accordance within the moneys available to expend for the healthcare stability plan. The commissioner shall allow an eligible health carrier to revise its rate filing based on the final payment parameters for the applicable benefit year.

(c) If funding is not available to make all reinsurance payments to eligible health carriers in a benefit year, the commissioner shall make reinsurance payments in proportion to the eligible health carrier’s share of aggregate individual health plan claims costs eligible for reinsurance payments during the given benefit year, as determined by the commissioner. The commissioner shall notify eligible health carriers if there are insufficient funds available to make reinsurance payments in full and the estimated amount of payment as soon as practicable after the commissioner becomes aware of the insufficiency.

(4) REINSURANCE PAYMENT CALCULATION. (a) The commissioner shall calculate a reinsurance payment with respect to each eligible health carrier’s incurred claims costs for an enrolled individual’s covered benefits in the applicable benefit year. If the claims costs for an enrolled individual do not exceed the attachment point set under sub. (2), the commissioner may not make a reinsurance payment with respect to that enrollee. If the claims costs for an enrolled individual exceed the attachment point, subject to par. (b), the commissioner shall make a reinsurance payment that is calculated as the product of the coinsurance rate and the amount less any deductible, coinsurance, or copayment paid by another person as of the time the data are submitted or made accessible under sub. (3) (c).

(b) The commissioner shall ensure that any reinsurance payment made to an eligible health carrier does not exceed the total amount paid by the eligible health carrier for any claim. For purposes of this paragraph, the total amount paid of a claim is the amount paid by the eligible health carrier based upon the allowed amount less any deductible, coinsurance, or copayment paid by another person as of the time the data are submitted or made accessible under sub. (3) (c).

(5) REINSURANCE PAYMENT REQUESTS. (a) An eligible health carrier may request reinsurance payments from the commissioner when the eligible health carrier meets the requirements of this subsection and sub. (4).

(b) An eligible health carrier shall make any requests for a reinsurance payment in accordance with any requirements established by the commissioner.

(c) Each eligible health carrier shall provide the commissioner with access to the data within the dedicated data environment established by the eligible health carrier under the federal risk adjustment program under 42 USC 18063. Each eligible health carrier shall submit to the commissioner attesting to compliance with the dedicated data environments, data requirements, establishment and usage of masked enrollee identification numbers, and data submission deadlines.

(d) Each eligible health carrier shall provide the access under par. (c) for each applicable benefit year by April 30 of the calendar year following the end of the applicable benefit year.

(e) Each eligible health carrier shall maintain for at least 6 years documents and records, by paper, electronic, or other media, sufficient to substantiate a request for a reinsurance payment made under this section. An eligible health carrier shall make the documents and records available to the commissioner, upon request, for purposes of verification, investigation, audit, or other review of a reinsurance payment request.

(f) The commissioner may have an eligible health carrier audited to assess the health carrier’s compliance with the requirements of this section. The eligible health carrier shall ensure that its contractors, subcontractors, or agents cooperate with any audit under this paragraph. Within 30 days of receiving notice that an audit results in a proposed finding of material weakness or significant deficiency with respect to compliance with any requirement of this section, the eligible health carrier may provide a response to the proposed finding. Within 60 days of the issuance of a final audit report that includes a finding of material weakness or significant deficiency, the eligible health carrier shall do all of the following:

1. Provide a written corrective action plan to the commissioner for approval.
2. Implement the corrective action plan under subd. 1. as approved by the commissioner.

The commissioner may not recover from an eligible health carrier any overpayment of reinsurance payments as determined under the audit under par. (f).

(h) A health carrier is not eligible to receive a reinsurance payment unless the health carrier agrees not to bring a lawsuit against the commissioner or a state agency or employee over any delay in reinsurance payments or any reduction in reinsurance payments in accordance with sub. (3) (c).

(6) ACCESS TO INFORMATION. Information submitted by an eligible health carrier or obtained by the commissioner for purposes of the healthcare stability plan shall be used only for purposes of this subchapter and is proprietary and confidential under s. 601.465. History: 2017 a. 138.

In developing the recommendations, the commissioner shall consider and include in the report the impacts of creating a high-risk pool or an invisible high-risk pool; funding of consumer health savings accounts; expanding consumer plan choices, including catastrophic plans or coverage and new low-cost plan options; and implementing any other approach that will lower consumer costs, stabilize the insurance market, or expand the availability of private insurance coverage.
