**ASSEMBLY SUBSTITUTE AMENDMENT 2,
TO ASSEMBLY BILL 975**

January 25, 2024 - Offered by Representative WICHGERS.

1 **AN ACT** *to create* 20.9278 of the statutes; **relating to:** prohibitions on the use
2 of public employees and public property for activities relating to abortion and
3 requiring a referendum.

Analysis by the Legislative Reference Bureau

This bill prohibits any person employed by the state, a state agency, or a local governmental unit from providing abortion services or training others or receiving training in performing abortions while acting within the scope of his or her employment. Further, this bill prohibits the use of public property to provide abortion services or train individuals in performing abortions. However, it is not a violation of the prohibitions established in the bill for a physician to perform a medical intervention designed or intended to prevent the death of a pregnant woman if the physician makes all reasonable medical efforts under the circumstances to preserve both the life of the woman and the life of the unborn child in a manner consistent with conventional medical practice. Under the bill, “public property” is defined to mean a public facility, public institution, or other building or part of a building that is owned, leased, or controlled by the state, a state agency, or a local governmental unit, or any equipment or other physical asset that is owned, leased, or controlled by the state, a state agency, or a local governmental unit.

This bill requires a referendum before giving effect to the prohibitions created in the bill. Under the bill, at the April 2024 election, the electors would vote on the

question whether the statutory provisions treated in the bill shall take effect “thus prohibiting under Wisconsin Statutes any person employed by the state, a state agency, or a local governmental unit from providing abortion services, from training others to perform abortions, and from receiving training in performing abortions while acting within the scope of his or her employment and prohibiting under Wisconsin Statutes the use of public property to provide abortion services or train individuals in performing abortions.” If a majority of votes cast in the election approves the question, the prohibition takes effect three months after the election results are certified. If the question is not approved by a majority of votes cast, the prohibition does not take effect.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 20.9278 of the statutes is created to read:
