2 **1.** Page 1, line 8: delete “reports” and substitute “reports, state agency  
3 database security breach reports,”.

4 **2.** Page 9, line 19: after that line insert:

5 “**SECTION 30m.** 20.932 of the statutes is created to read:

6 **20.932 Database security breach reports. (1) DEFINITION.** In this section,  
7 “state agency” means an association, authority, board, department, commission,  
8 independent agency, institution, system, office, society, or other body in state  
9 government created or authorized to be created by the constitution or any law.

10 **(2) REPORTS.** No later than 10 days after a state agency detects a security  
11 breach of a website or electronic database maintained by the state agency, the state  
12 agency shall submit a report describing the security breach to the legislature under  
13 s. 13.172 (2), except that the chief clerk of each house shall promptly distribute the

1 report to all members of the house. The report shall include the date and nature of  
2 the security breach and the extent to which personally identifiable information of  
3 individuals was or could have been disclosed to unauthorized persons as a result of  
4 the security breach.”.
