

# The State of Wisconsin

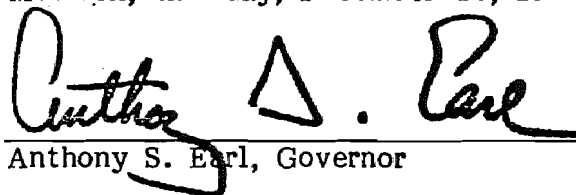

## EXECUTIVE ORDER 41

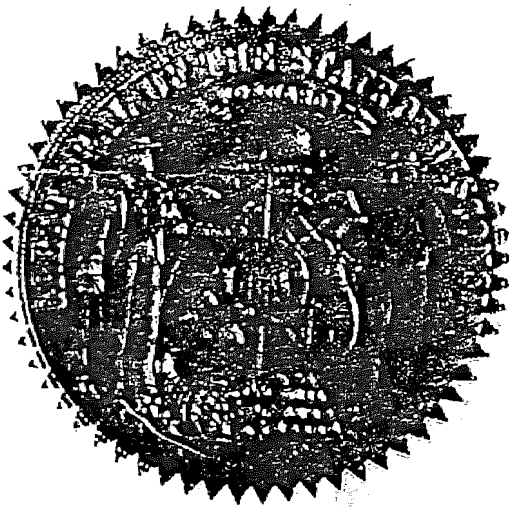

WHEREAS, the safety of households and the functioning of hospitals and other emergency services is of the highest priority and many of those households and institutions are dependent on heating fuels transported by truck; and

WHEREAS, there has been unusually cold weather in Wisconsin for this time of year and hazardous driving conditions have impeded the efficient transportation of said fuels and distributors' inventories of heating fuels are dangerously low;

NOW, THEREFORE, I Anthony S. Earl, as Governor of the State of Wisconsin, pursuant to Wis. Stats. § 340.01(15) certify that there is an energy emergency to enable the Wisconsin Department of Transportation to waive, per Stats. § 348.27(8) the load limitation for vehicles carrying petroleum and LP heating fuels from the date of this order through December 31, 1983.

In testimony whereof I have set my hand and caused the Great Seal of the State of Wisconsin to be affixed, at the Capitol in Madison, this day, December 23, 1983.

  
Anthony S. Earl, Governor
