

1995 ASSEMBLY BILL 559

September 12, 1995 - Introduced by Representatives DUFF and BOCK, cosponsored by Senators COWLES, BURKE and FARROW, by request of Governor Tommy G. Thompson. Referred to Committee on Environment and Utilities.

1 **AN ACT to repeal** 16.11 (2) (c), 16.11 (2) (j), 16.11 (3) (h) 1. and 2., 16.11 (3) (i) 1.,
2 16.11 (3) (i) 3., 16.11 (3) (m), 16.11 (3) (n) 2., 16.11 (4) (b), 16.11 (6) (e), 16.11 (6)
3 (h), 16.11 (6) (m), 16.11 (8) (a) and 16.11 (8) (c); **to renumber** 16.11 (2) (b), 16.11
4 (2) (m), 16.11 (2) (o), 16.11 (2) (p), 16.11 (2) (r), 16.11 (3) (h) 3., 16.11 (3) (h) 5.,
5 16.11 (3) (i) 2., 16.11 (3) (i) 5., 16.11 (8) (d) and 16.11 (9) (d); **to renumber and**
6 **amend** 16.11 (1) (a) 7., 16.11 (2) (d), 16.11 (2) (f), 16.11 (2) (g), 16.11 (2) (h), 16.11
7 (2) (i), 16.11 (2) (k), 16.11 (2) (L), 16.11 (2) (q), 16.11 (2) (s), 16.11 (3) (h) 4., 16.11
8 (3) (i) 4., 16.11 (3) (n) 1., 16.11 (4) (c), 16.11 (4) (d), 16.11 (4) (e), 16.11 (6) (d), 16.11
9 (6) (f), 16.11 (6) (i), 16.11 (6) (j), 16.11 (6) (k), 16.11 (8) (b), 16.11 (8) (e), 16.11 (8)
10 (f) and 16.11 (9) (c); **to amend** 14.81 (2) (b), 14.81 (2) (c) 1., 14.81 (3) (intro.),
11 14.81 (3) (a), 16.11 (1) (a) (intro.), 16.11 (1) (a) 2., 16.11 (1) (a) 4., 16.11 (1) (a) 5.,
12 16.11 (1) (a) 6., 16.11 (2) (a), 16.11 (3) (b) to (d), 16.11 (3) (g), 16.11 (3) (h) (intro.),
13 16.11 (3) (i) (intro.), 16.11 (3) (j) (intro.), 16.11 (3) (k), 16.11 (4) (intro.) and (a),
14 16.11 (5) (b), 16.11 (6) (title) and (a) to (c), 16.11 (7) (a) 3., 16.11 (7) (a) 6., 16.11
15 (7) (a) 7., 16.11 (7) (b) and (c), 16.11 (8) (title), 16.11 (8) (g), 16.11 (8) (h), 16.11
16 (9) (title), 16.11 (10), 16.115 (2), 16.12 (2), 16.13 and 144.463 (1); **to repeal and**
17 **recreate** 16.11 (2) (e), 16.11 (2) (n), 16.11 (3) (h) 6., 16.11 (3) (j) 1. and 2., 16.11

1 (3) (o), 16.11 (5) (c), 16.11 (6) (g), 16.11 (6) (L), 16.11 (7) (a) 9., 16.11 (8) (i) and
2 16.11 (9) (b); and **to create** 16.11 (1) (a) 7. and 8., 16.11 (2) (b), 16.11 (2) (d), 16.11
3 (2) (g), 16.11 (2) (i), 16.11 (2) (L), 16.11 (3) (h) 4., 16.11 (3) (h) 5., 16.11 (3) (h) 7.,
4 16.11 (3) (i) 4., 16.11 (3) (i) 5. to 10., 16.11 (3) (j) 3., 16.11 (3) (n), 16.11 (3) (p) to
5 (r), 16.11 (4) (b) 6., 16.11 (5) (f) and (g), 16.11 (6) (d), 16.11 (6) (f), 16.11 (6) (i),
6 16.11 (6) (n) to (t), 16.11 (7) (d) to (h), 16.11 (8) (e), 16.11 (8) (f), 16.11 (8) (j), 16.11
7 (9) (c) and 16.11 (9) (f) of the statutes; **relating to:** the midwest interstate
8 low-level radioactive waste compact.

Analysis by the Legislative Reference Bureau

This bill makes numerous changes in the midwest interstate low-level radioactive waste compact (compact). The compact provides for the establishment and operation of facilities for the disposal of low-level radioactive waste generated within the states that are parties to the compact. The decision-making body for the compact is the midwest interstate low-level radioactive waste commission (commission). Under federal law, a state must provide for the disposal of low-level radioactive waste generated within the state, either by itself or as part of an interstate body.

Under current law, unless a state volunteers to host a disposal facility, the commission designates a host state. Designation as a host state is for 20 years or the life of the disposal facility, whichever is longer. Once a disposal facility is operating (currently, none has begun to operate), designation of the next host state will happen 5 years before that facility closes. The new host state is then responsible for the timely development and operation of a disposal facility.

Under this bill, a host state must accept waste for 20 years or the life of the disposal facility, as established by the commission, whichever is shorter. Designation of the next host state takes place before the disposal facility in the preceding host state begins to operate. The next host state must meet deadlines for siting and licensing of a disposal facility and for the facility to begin operating. If the next host state fails to meet these deadlines, low-level radioactive waste generated in that state may not be disposed of at the regional disposal facility. Under the bill, once a party state has hosted a disposal facility, it may not again be required to host a facility until all of the other party states have hosted a facility.

Under current law, any party state may withdraw from the compact, but the withdrawal does not take effect until 5 years from when the state gives notice of intent to withdraw, except that a state that has been designated a host state has 90 days from the designation during which it may withdraw without waiting 5 years.

Under this bill, a state may withdraw from the compact only if it has taken its turn at hosting a disposal facility or has been relieved of the obligation to host a facility after the commission determines that there is no suitable site in the state. In addition, the withdrawing state must pay to the commission an amount that the commission determines is necessary to ensure that the then current host state does not incur a financial loss.

The bill requires the commission to establish a remedial action fund to pay the costs incurred by a party state because of an event that results from the development, operation, closing or long-term care of a compact facility that threatens human health, safety or welfare or the environment. The bill also requires each host state of a disposal facility to establish a long-term care fund to pay for monitoring, security, maintenance and repair of the facility after it has closed.

The current compact authorizes a host state to establish a fee system for any compact facility located within the state to cover costs including the planning, siting, licensure, operation, closure and extended care of the facility. The compact requires a host state to levy surcharges on users of the facility to cover the annual budget of the commission.

This bill requires a host state to establish a system of fees to be collected from the users of a regional disposal facility located within the state. The fee system must provide the host state with revenue to pay costs associated with the facility including operation, closing, long-term care, local impact assistance and local financial incentives. The commission must approve the fee system. The fee system is also used to collect the surcharge that provides funding for the commission, including funds to pay a state designated to host a disposal facility for costs incurred in developing the facility and moneys for the remedial action fund. Under this bill, when no compact facility is operating, the commission may impose fees on generators of low-level radioactive waste within party states for the commission's operating costs.

This bill includes provisions to limit the liability of host states and other party states and provides for indemnification by waste generators for most liability and other costs that might be imposed on the states.

Under current law, a party state that fails to comply with the terms of the compact may have its privileges suspended or its membership in the compact revoked. This bill also authorizes the commission to impose financial penalties on a state that fails to comply.

Among other changes concerning the operation of the commission, this bill provides a state hosting an operating compact facility with a veto over certain decisions such as the decision to revoke the membership of the state designated to host the next compact facility.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 14.81 (2) (b) of the statutes is amended to read:

2 14.81 **(2)** (b) Request the commission to conduct a public hearing on the draft
3 ~~management~~ disposal plan under s. 16.11 (4) ~~(e)~~ (d).

4 **SECTION 2.** 14.81 (2) (c) 1. of the statutes is amended to read:

5 14.81 **(2)** (c) 1. The commission proposes to designate this state as a host state
6 for a facility, as defined ~~under~~ in s. 16.11 (2) ~~(f)~~ (h).

7 **SECTION 3.** 14.81 (3) (intro.) of the statutes is amended to read:

8 14.81 **(3)** (intro.) In negotiating and developing the bylaws, ~~management~~
9 disposal plan and other appropriate documents as a member of the commission, the
10 commission member representing this state shall:

11 **SECTION 4.** 14.81 (3) (a) of the statutes is amended to read:

12 14.81 **(3)** (a) Promote this state's interest in including insurance requirements
13 and an extended care and long-term liability fund as a part of the ~~management~~
14 disposal plan or other appropriate documents.

15 **SECTION 5.** 16.11 (1) (a) (intro.) of the statutes is amended to read:

16 16.11 **(1)** (a) (intro.) There is created the midwest interstate low-level
17 radioactive waste compact. The states party to this compact recognize that the
18 congress of the United States, by enacting the ~~low-level radioactive waste policy act~~
19 "The Low-Level Radioactive Waste Policy Act", as amended by the "Low-Level
20 Radioactive Waste Policy Amendments Act of 1985", 42 USC ~~2021~~ 2021b to 2021j,
21 has provided for and encouraged the development of low-level radioactive waste
22 compacts as a tool for ~~managing~~ disposing of such waste. The party states
23 acknowledge that the congress declared that each state is responsible for providing
24 for the availability of capacity either within or outside the state for the disposal of
25 low-level radioactive waste generated within its borders, except for waste generated

1 as a result of certain defense activities of the federal government or federal research
2 and development activities. The party states also recognize that the management
3 disposal of low-level radioactive waste is handled most efficiently on a regional basis
4 and that the safe and efficient management of low-level radioactive waste generated
5 within the region requires that sufficient capacity to ~~manage~~ dispose of such waste
6 be properly provided. It is the policy of the party states to enter into a regional
7 low-level radioactive waste ~~management~~ disposal compact for the purpose of:

8 **SECTION 6.** 16.11 (1) (a) 2. of the statutes is amended to read:

9 16.11 (1) (a) 2. Providing sufficient facilities for the proper ~~management~~
10 disposal of low-level radioactive waste generated in the region;

11 **SECTION 7.** 16.11 (1) (a) 4. of the statutes is amended to read:

12 16.11 (1) (a) 4. Limiting the number of facilities required to effectively and
13 efficiently ~~manage~~ dispose of low-level radioactive waste generated in the region;

14 **SECTION 8.** 16.11 (1) (a) 5. of the statutes is amended to read:

15 16.11 (1) (a) 5. Encouraging the source reduction of the ~~amounts of low-level~~
16 ~~radioactive waste generated in the region and the environmentally sound treatment~~
17 of waste that is generated to minimize the amount of waste to be disposed of;

18 **SECTION 9.** 16.11 (1) (a) 6. of the statutes is amended to read:

19 16.11 (1) (a) 6. ~~Distributing~~ Ensuring that the costs, ~~benefits~~ expenses,
20 liabilities and obligations of successful low-level radioactive waste management
21 ~~equitably among the party states and among~~ disposal are paid by generators and
22 other persons who use regional compact facilities to ~~manage~~ dispose of their waste;
23 and

24 **SECTION 10.** 16.11 (1) (a) 7. of the statutes is renumbered 16.11 (1) (a) 9. and
25 amended to read:

1 16.11 (1) (a) 9. Ensuring the ~~ecological and~~ environmentally sound, economical
2 management and secure disposal of low-level radioactive wastes.

3 **SECTION 11.** 16.11 (1) (a) 7. and 8. of the statutes are created to read:

4 16.11 (1) (a) 7. Ensuring that the obligations of low-level radioactive waste
5 disposal that are the responsibility of the party states are shared equitably among
6 them;

7 8. Ensuring that the party states that comply with the terms of this compact
8 and fulfill their obligations under it share equitably in the benefits of the successful
9 disposal of low-level radioactive waste; and

10 **SECTION 12.** 16.11 (2) (a) of the statutes is amended to read:

11 16.11 (2) (a) "Care" means the continued observation of a facility after ~~closure~~
12 closing for the purposes of detecting a need for maintenance, ensuring
13 environmental safety and determining compliance with applicable licensure and
14 regulatory requirements and includes the correction of problems which are detected
15 as a result of that observation.

16 **SECTION 13.** 16.11 (2) (b) of the statutes is renumbered 16.11 (2) (c).

17 **SECTION 14.** 16.11 (2) (b) of the statutes is created to read:

18 16.11 (2) (b) "Close", "closed" or "closing" means that the compact facility with
19 respect to which any of those terms is used has ceased to accept waste for disposal.
20 "Permanently closed" means that the compact facility with respect to which the term
21 is used has ceased to accept waste because it has operated for 20 years or a longer
22 period of time as authorized by sub. (6) (i), its capacity has been reached, the
23 commission has authorized it to close pursuant to sub. (3) (h) 7., the host state of such
24 facility has withdrawn from the compact or had its membership revoked or this
25 compact has been dissolved.

1 **SECTION 15.** 16.11 (2) (c) of the statutes is repealed.

2 **SECTION 16.** 16.11 (2) (d) of the statutes is renumbered 16.11 (2) (f) and
3 amended to read:

4 16.11 (2) (f) “Disposal”, with regard to low-level radioactive waste, means the
5 permanent isolation of that waste from the biosphere in a permanent facility
6 designed for that purpose in accordance with the requirements established by the
7 U.S. nuclear regulatory commission or the licensing agreement state.

8 **SECTION 17.** 16.11 (2) (d) of the statutes is created to read:

9 16.11 (2) (d) “Compact facility” means a waste disposal facility that is located
10 within the region and that is established by a party state pursuant to the designation
11 of that state as a host state by the commission.

12 **SECTION 18.** 16.11 (2) (e) of the statutes is repealed and recreated to read:

13 16.11 (2) (e) “Development” includes the characterization of potential sites for
14 a waste disposal facility, siting of such a facility, licensing of such a facility, and other
15 actions taken by a host state prior to the commencement of construction of such a
16 facility to fulfill its obligations as a host state.

17 **SECTION 19.** 16.11 (2) (f) of the statutes is renumbered 16.11 (2) (h) and
18 amended to read:

19 16.11 (2) (h) “Facility” means a parcel of land or site, together with the
20 structures, equipment and improvements on or appurtenant to the land or site,
21 which is or has been used or is being developed for the treatment, storage or disposal
22 of low-level radioactive waste, which is being developed for that purpose or upon
23 which the construction of improvements or installation of equipment is occurring for
24 that purpose.

1 **SECTION 20.** 16.11 (2) (g) of the statutes is renumbered 16.11 (2) (j) and
2 amended to read:

3 16.11 (2) (j) “Generator” means a person who first produces ~~or possesses~~
4 low-level radioactive waste, including, without limitation, any person who does so
5 in the course of or incident to manufacturing, power generation, processing, waste
6 treatment, waste storage, medical diagnosis and treatment, research or other
7 industrial or commercial activity and who, to the extent required by law, is licensed
8 by the U.S. nuclear regulatory commission or a party state, to produce or possess
9 such waste. “Generator” ~~does not include a person who provides a service by~~
10 ~~arranging for the collection, transportation, treatment, storage or disposal of wastes~~
11 ~~generated outside the region. If the person who first produced an item or quantity~~
12 ~~of waste cannot be identified, “generator” means the person first possessing the~~
13 waste who can be identified.

14 **SECTION 21.** 16.11 (2) (g) of the statutes is created to read:

15 16.11 (2) (g) “Disposal plan” means the plan adopted by the commission for the
16 disposal of waste within the region.

17 **SECTION 22.** 16.11 (2) (h) of the statutes is renumbered 16.11 (2) (k) and
18 amended to read:

19 16.11 (2) (k) “Host state” means any state which is designated by the
20 commission to host a regional compact facility or has hosted a compact facility.

21 **SECTION 23.** 16.11 (2) (i) of the statutes is renumbered 16.11 (2) (m) and
22 amended to read:

23 16.11 (2) (m) “Low-level radioactive waste” or “waste” means radioactive waste
24 that is not classified as high-level radioactive waste, ~~transuranic waste, spent~~
25 ~~nuclear fuel or by-product material as defined in section 11c. (2) of the atomic energy~~

1 act of 1954 and that is class A, B or C low-level radioactive waste as defined in 10
2 CFR 61.55, as that section existed on January 26, 1983. "Low-level radioactive
3 waste" or "waste" does not include any such radioactive waste that is owned or
4 generated by the U.S. department of energy or by the U.S. navy as a result of the
5 decommissioning of its vessels; or as a result of any research, development, testing
6 or production of any atomic weapon.

7 **SECTION 24.** 16.11 (2) (i) of the statutes is created to read:

8 16.11 (2) (i) "Final decision" means a final action of the commission
9 determining the legal rights, duties or privileges of any person. "Final decision" does
10 not include preliminary, procedural or intermediate actions by the commission,
11 actions regulating the internal administration of the commission or actions of the
12 commission to enter into or refrain from entering into contracts or agreements with
13 vendors to provide goods or services to the commission.

14 **SECTION 25.** 16.11 (2) (j) of the statutes is repealed.

15 **SECTION 26.** 16.11 (2) (k) of the statutes is renumbered 16.11 (2) (o) and
16 amended to read:

17 16.11 (2) (o) "Party state" means any eligible state ~~which~~ that enacts the this
18 compact into law, pays any eligibility fee established by the commission, and has not
19 withdrawn from this compact or had its membership in this compact revoked,
20 provided that a state that has withdrawn from this compact or had its membership
21 revoked again becomes a party state if it is readmitted to membership in this compact
22 pursuant to sub. (8) (a). "Party state" includes any host state. "Party state" also
23 includes any statutorily created administrative departments, agencies or
24 instrumentalities of a party state, but does not include municipal corporations,

1 regional or local units of government or other political subdivisions of a party state
2 that are responsible for governmental activities on less than a statewide basis.

3 **SECTION 27.** 16.11 (2) (L) of the statutes is renumbered 16.11 (2) (p) and
4 amended to read:

5 16.11 (2) (p) "Person" means any individual, corporation, association, business
6 enterprise or other legal entity either public or private and any legal successor,
7 representative, agent or agency of that individual, corporation, association, business
8 enterprise or other legal entity. "Person" also includes the United States, states,
9 political subdivisions of states and any department, agency or instrumentality of the
10 United States or a state.

11 **SECTION 28.** 16.11 (2) (L) of the statutes is created to read:

12 16.11 (2) (L) "Long-term care" means those activities taken by a host state after
13 a compact facility is permanently closed to ensure the protection of air, land and
14 water resources and the health and safety of all people who may be affected by the
15 facility.

16 **SECTION 29.** 16.11 (2) (m) of the statutes is renumbered 16.11 (2) (q).

17 **SECTION 30.** 16.11 (2) (n) of the statutes is repealed and recreated to read:

18 16.11 (2) (n) "Operates", "operational" or "operating" means that the compact
19 facility with respect to which any of those terms is used accepts waste for disposal.

20 **SECTION 31.** 16.11 (2) (o) of the statutes is renumbered 16.11 (2) (r).

21 **SECTION 32.** 16.11 (2) (p) of the statutes is renumbered 16.11 (2) (s).

22 **SECTION 33.** 16.11 (2) (q) of the statutes is renumbered 16.11 (2) (t) and
23 amended to read:

24 16.11 (2) (t) "Storage" means the temporary holding of waste ~~for treatment or~~
25 ~~disposal.~~

1 **SECTION 34.** 16.11 (2) (r) of the statutes is renumbered 16.11 (2) (u).

2 **SECTION 35.** 16.11 (2) (s) of the statutes is renumbered 16.11 (2) (v) and
3 amended to read:

4 16.11 (2) (v) “Waste management”, “manage waste”, “management of waste”,
5 “management” or “managed” means the storage, ~~transportation~~, treatment or
6 disposal of waste.

7 **SECTION 36.** 16.11 (3) (b) to (d) of the statutes are amended to read:

8 16.11 (3) (b) Each commission member is entitled to one vote. ~~No~~ Except as
9 otherwise specifically provided in this compact, an action of the commission is
10 binding ~~unless~~ if a majority of the total membership ~~cast their~~ cast its vote in the
11 affirmative. A party state may direct its member or alternate member of the
12 commission how to vote or not to vote on matters before the commission.

13 (c) The commission shall elect annually from among its members a
14 chairperson. The commission shall adopt and publish, in convenient form, bylaws
15 and policies which are not inconsistent with this compact, including procedures for
16 the use of binding arbitration under sub. (6) (o) and procedures which substantially
17 conform with the provisions of ~~the federal administrative procedure act~~ “The Federal
18 Administrative Procedure Act”, 5 USC 500 to 559, in regard to notice, conduct and
19 recording of meetings; access by the public to records; provision of information to the
20 public; conduct of adjudicatory hearings; and issuance of decisions.

21 (d) The commission shall meet at least once annually and shall also meet upon
22 the call of the chairperson or a any other commission member.

23 **SECTION 37.** 16.11 (3) (g) of the statutes is amended to read:

24 16.11 (3) (g) The office of the commission shall be in a party state. The
25 commission may appoint or contract for and compensate such limited staff necessary

1 to carry out its duties and functions. The staff shall have the responsibilities and
2 authority delegated to it by the commission in its bylaws. The staff shall serve at the
3 commission's pleasure with the exception that staff hired as the result of securing
4 federal funds shall be hired and governed under applicable federal statutes and
5 regulations. In selecting any staff, the commission shall assure that the staff has
6 adequate experience and formal training to carry out the functions assigned to it by
7 the commission.

8 **SECTION 38.** 16.11 (3) (h) (intro.) of the statutes is amended to read:

9 16.11 (3) (h) (intro.) The commission may do any or all of the following:

10 **SECTION 39.** 16.11 (3) (h) 1. and 2. of the statutes are repealed.

11 **SECTION 40.** 16.11 (3) (h) 3. of the statutes is renumbered 16.11 (3) (h) 1.

12 **SECTION 41.** 16.11 (3) (h) 4. of the statutes is renumbered 16.11 (3) (h) 2. and
13 amended to read:

14 16.11 (3) (h) 2. Review ~~the~~ any emergency closure closing of a regional compact
15 facility, determine the appropriateness of that closure closing and take whatever
16 lawful actions are necessary to ensure that the interests of the region are protected.

17 **SECTION 42.** 16.11 (3) (h) 4. of the statutes is created to read:

18 16.11 (3) (h) 4. Approve the disposal of naturally occurring and accelerator
19 produced radioactive material at a compact facility. The commission shall not
20 approve the acceptance of such material without first making an explicit
21 determination of the effect of the new waste stream on the compact facility's
22 maximum capacity. Such approval requires the affirmative vote of a majority of the
23 commission, including the affirmative vote of the member from the host state of the
24 compact facility that would accept the material for disposal. Any such host state may,
25 at any time, rescind its vote granting the approval and, thereafter, additional

1 naturally occurring and accelerator produced radioactive material shall not be
2 disposed of at a compact facility unless the disposal is again approved. All provisions
3 of this compact apply to the disposal of naturally occurring and accelerator produced
4 radioactive material that has been approved for disposal at a compact waste facility
5 pursuant to this subdivision.

6 **SECTION 43.** 16.11 (3) (h) 5. of the statutes is renumbered 16.11 (3) (h) 3.

7 **SECTION 44.** 16.11 (3) (h) 5. of the statutes is created to read:

8 16.11 (3) (h) 5. Enter into contracts in order to perform its duties and functions
9 as provided in this compact.

10 **SECTION 45.** 16.11 (3) (h) 6. of the statutes is repealed and recreated to read:

11 16.11 (3) (h) 6. When approved by the commission, with the member from each
12 host state in which an affected compact facility is operating or being developed or
13 constructed voting in the affirmative, enter into agreements to do any of the
14 following:

- 15 a. Import, for disposal within the region, waste generated outside the region.
16 b. Export, for disposal outside the region, waste generated inside the region.
17 c. Dispose of waste generated within the region at a facility within the region
18 that is not a compact facility.

19 **SECTION 46.** 16.11 (3) (h) 7. of the statutes is created to read:

20 16.11 (3) (h) 7. Authorize a host state to permanently close a compact facility
21 located within its borders earlier than otherwise would be required by sub. (6) (i).
22 Such a closing requires the affirmative vote of a majority of the commission,
23 including the affirmative vote of the member from the state in which the affected
24 compact facility is located.

25 **SECTION 47.** 16.11 (3) (i) (intro.) of the statutes is amended to read:

1 16.11 (3) (i) (intro.) The commission shall do all of the following:

2 **SECTION 48.** 16.11 (3) (i) 1. of the statutes is repealed.

3 **SECTION 49.** 16.11 (3) (i) 2. of the statutes is renumbered 16.11 (3) (i) 1.

4 **SECTION 50.** 16.11 (3) (i) 3. of the statutes is repealed.

5 **SECTION 51.** 16.11 (3) (i) 4. of the statutes is renumbered 16.11 (3) (i) 2. and
6 amended to read:

7 16.11 (3) (i) 2. Adopt and amend, by a two-thirds vote of the membership, in
8 accordance with the procedures and criteria developed pursuant to sub. (4), a
9 regional management disposal plan which designates host states for the
10 establishment of needed regional compact facilities.

11 **SECTION 52.** 16.11 (3) (i) 4. of the statutes is created to read:

12 16.11 (3) (i) 4. Establish and implement a procedure for determining the
13 capacity of a compact facility. The capacity of a compact facility shall be established
14 as soon as reasonably practical after the host state of the facility is designated and
15 shall not be changed thereafter without the consent of the host state. The capacity
16 of a compact facility shall be based on the projected volume or radioactive
17 characteristics, or both, of the waste to be disposed of at the facility during the period
18 set forth in sub. (6) (i).

19 **SECTION 53.** 16.11 (3) (i) 5. of the statutes is renumbered 16.11 (3) (i) 3.

20 **SECTION 54.** 16.11 (3) (i) 5. to 10. of the statutes are created to read:

21 16.11 (3) (i) 5. Provide a host state with funds necessary to pay reasonable
22 development expenses incurred by the host state after it is designated to host a
23 compact facility.

24 6. Establish and implement procedures for making payments from the
25 remedial action fund provided for in par. (p).

1 7. Establish and implement procedures to investigate any complaint jointed in
2 by 2 or more party states regarding another party state's performance of its
3 obligations under this compact.

4 8. Adopt policies promoting source reduction and the environmentally sound
5 treatment of waste in order to minimize the amount of waste to be disposed of at
6 compact facilities.

7 9. Establish and implement procedures for obtaining information from
8 generators regarding the volume and characteristics of waste projected to be
9 disposed of at compact facilities and regarding generator activities with respect to
10 source reduction, recycling and treatment of waste.

11 10. Prepare annual reports regarding the volume and characteristics of waste
12 projected to be disposed of at compact facilities.

13 **SECTION 55.** 16.11 (3) (j) (intro.) of the statutes is amended to read:

14 16.11 (3) (j) (intro.) Funding of the budget of for the commission shall be
15 provided as follows:

16 **SECTION 56.** 16.11 (3) (j) 1. and 2. of the statutes are repealed and recreated to
17 read:

18 16.11 (3) (j) 1. When no compact facility is operating, the commission may
19 assess fees to be collected from generators of waste in the region. The fees shall be
20 reasonable and equitable. The commission shall establish and implement
21 procedures for assessing and collecting the fees. The procedures may allow the
22 assessing of fees against less than all generators of waste in the region; provided that
23 if fees are assessed against less than all generators of waste in the region, generators
24 paying the fees shall be reimbursed the amount of the fees, with reasonable interest,
25 out of the revenues of operating compact facilities.

1 2. When a compact facility is operating, funding for the commission shall be
2 provided through a surcharge collected by the host state as part of the fee system
3 provided for in sub. (6) (j). The surcharge to be collected by the host state shall be
4 determined by the commission and shall be reasonable and equitable.

5 **SECTION 57.** 16.11 (3) (j) 3. of the statutes is created to read:

6 16.11 (3) (j) 3. In the aggregate, the fees or surcharges, as the case may be, shall
7 be no more than is necessary to:

8 a. Cover the annual budget of the commission.

9 b. Provide a host state with the funds necessary to pay reasonable development
10 expenses incurred by the host state after it is designated to host a compact facility.

11 c. Provide moneys for deposit in the remedial action fund established pursuant
12 to par. (p).

13 d. Provide moneys to be added to an inadequately funding long-term care fund
14 as provided in sub. (6) (o).

15 **SECTION 58.** 16.11 (3) (k) of the statutes is amended to read:

16 16.11 (3) (k) ~~The commission shall keep accurate accounts of all receipts and~~
17 ~~disbursements.~~ Financial statements of the commission shall be prepared according
18 to generally accepted accounting principles. The commission shall contract with an
19 independent certified public accountant to annually audit ~~all receipts and~~
20 ~~disbursements of commission funds~~ its financial statements and to submit an audit
21 report to the commission. The audit report shall be made a part of the annual report
22 of the commission required by this subsection.

23 **SECTION 59.** 16.11 (3) (m) of the statutes is repealed.

24 **SECTION 60.** 16.11 (3) (n) of the statutes is created to read:

1 16.11 (3) (n) Final decisions of the commission shall be made, and shall be
2 subject to judicial review, in accordance with all of the following conditions:

3 1. Every final decision shall be made at an open meeting of the commission.
4 Before making a final decision, the commission shall provide an opportunity for
5 public comment on the matter to be decided. Each final decision shall be reduced to
6 writing and shall set forth the commission's reasons for making the decision.

7 2. Before making a final decision, the commission may conduct an adjudicatory
8 hearing on the proposed decision.

9 3. Judicial review of a final decision shall be initiated by filing a petition in the
10 U.S. district court for the district in which the person seeking the review resides or
11 in which the commission's office is located not later than 60 days after issuance of the
12 commission's written decision. Concurrently with filing the petition for review with
13 the court, the petitioner shall serve a copy of the petition on the commission. Within
14 5 days after receiving a copy of the petition, the commission shall mail a copy of it
15 to each party state and to all other persons who have notified the commission of their
16 desire to receive copies of such petitions. Any failure of the commission to so mail
17 copies of the petition does not affect the jurisdiction of the reviewing court. Except
18 as otherwise provided in this subdivision, standing to obtain judicial review of final
19 decisions of the commission and the form and scope of the review are subject to and
20 governed by 5 USC 706.

21 4. If a party state seeks judicial review of a final decision of the commission that
22 does any of the following, the facts shall be subject to trial de novo by the reviewing
23 court unless trial de novo of the facts is affirmatively waived in writing by the party
24 state:

25 a. Imposes financial penalties on a party state.

1 b. Suspends the right of a party state to have waste generated within its
2 borders disposed of at a compact facility or at a noncompact facility made available
3 to the region by an agreement entered into by the commission under par. (h) 6.

4 c. Terminates the designation of a party state as a host state.

5 d. Revokes the membership of a party state in this compact.

6 e. Establishes the amounts of money that a party state that has withdrawn
7 from this compact or had its membership in this compact revoked is required to pay
8 under sub. (8) (e).

9 4m. Any trial de novo under subd. 4. of the facts shall be governed by the federal
10 rules of civil procedure and the federal rules of evidence.

11 5. Preliminary, procedural or intermediate actions by the commission that
12 precede a final decision are subject to review only in conjunction with review of the
13 final decision.

14 6. Except as provided in subd. 5., actions of the commission that are not final
15 decisions are not subject to judicial review.

16 **SECTION 61.** 16.11 (3) (n) 1. of the statutes is renumbered 16.11 (3) (m) and
17 amended to read:

18 16.11 **(3)** (m) The commission is a legal entity separate and distinct from the
19 party states ~~and is liable for its actions as a separate and distinct legal entity.~~
20 ~~Liabilities of the commission are not liabilities of the party states.~~ Members of the
21 commission and its employees are not personally liable for actions taken by them in
22 their official capacity. The commission is not liable or otherwise responsible for any
23 costs, expenses or liabilities resulting from the development, construction,
24 operation, regulation, closing or long-term care of any compact facility or any
25 noncompact facility made available to the region by any contract or agreement

1 entered into by the commission under par. (h) 6. Nothing in this paragraph relieves
2 the commission of its obligations under this subsection or under contracts to which
3 it is a party. Any liabilities of the commission are not liabilities of the party states.

4 **SECTION 62.** 16.11 (3) (n) 2. of the statutes is repealed.

5 **SECTION 63.** 16.11 (3) (o) of the statutes is repealed and recreated to read:

6 16.11 (3) (o) Unless approved by a majority of the commission, with the member
7 from each host state in which an affected compact facility is operating or is being
8 developed or constructed voting in the affirmative, no person shall do any of the
9 following:

10 1. Import waste generated outside the region for management within the
11 region.

12 2. Export waste generated within the region for disposal outside the region.

13 3. Manage waste generated outside the region at a facility within the region.

14 4. Dispose of waste generated within the region at a facility within the region
15 that is not a compact facility.

16 **SECTION 64.** 16.11 (3) (p) to (r) of the statutes are created to read:

17 16.11 (3) (p) The commission shall establish a remedial action fund to pay the
18 costs of reasonable remedial actions taken by a party state if an event results from
19 the development, construction, operation, closing or long-term care of a compact
20 facility that poses a threat to human health, safety or welfare or to the environment.

21 The amount of the remedial action fund shall be adequate to pay the costs of all
22 reasonably foreseeable remedial actions. A party state shall notify the commission
23 as soon as reasonably practical after the occurrence of any event that may require
24 the party state to take a remedial action. The failure of a party state to so notify the
25 commission does not limit the rights of the party state under this paragraph. If the

1 moneys in the remedial action fund are inadequate to pay the costs of reasonable
2 remedial actions, the amount of the deficiency is a liability with respect to which
3 generators shall provide indemnification under sub. (7) (g). Generators who provide
4 the required indemnification have the rights of contribution provided in sub. (7) (g).
5 This paragraph applies to any remedial action taken by a party state regardless of
6 whether the party state takes the remedial action on its own initiative or because it
7 is required to do so by a court or regulatory agency of competent jurisdiction.

8 (q) If the commission makes payment from the remedial action fund provided
9 for in par. (p), the commission is entitled to obtain reimbursement under applicable
10 rules of law from any person who is responsible for the event giving rise to the
11 remedial action. Such reimbursement may be obtained from a party state only if the
12 event giving rise to the remedial action resulted from the activities of that party state
13 as a generator of waste.

14 (r) If this compact is dissolved, all moneys held by the commission shall be used
15 first to pay for any ongoing or reasonably anticipated remedial actions. Any
16 remaining moneys shall be distributed in a fair and equitable manner to those party
17 states that have operating or closed compact facilities within their borders and shall
18 be added to the long-term care funds maintained by those party states.

19 **SECTION 65.** 16.11 (4) (intro.) and (a) of the statutes are amended to read:

20 16.11 (4) (title) ~~ARTICLE IV - REGIONAL MANAGEMENT~~ DISPOSAL PLAN. (intro.)
21 The commission shall adopt and periodically update a regional ~~management~~
22 disposal plan designed to ensure the safe and efficient ~~management~~ disposal of waste
23 generated within the region. In adopting a regional waste ~~management~~ disposal
24 plan the commission shall do all of the following:

1 (a) Adopt procedures for determining, consistent with considerations for public
2 health and safety, the type and number of regional compact facilities which are
3 presently necessary and which are projected to be necessary to ~~manage~~ dispose of
4 waste generated within the region;

5 **SECTION 66.** 16.11 (4) (b) of the statutes is repealed.

6 **SECTION 67.** 16.11 (4) (b) 6. of the statutes is created to read:

7 16.11 (4) (b) 6. The economic impacts on the party states.

8 **SECTION 68.** 16.11 (4) (c) of the statutes is renumbered 16.11 (4) (b), and 16.11
9 (4) (b) (intro.), 2., 4. and 5., as renumbered, are amended to read:

10 16.11 (4) (b) (intro.) Develop and adopt procedures and criteria for identifying
11 a party state as a host state for a regional compact facility. In developing these
12 criteria, the commission shall consider all of the following:

13 2. The existence of regional compact facilities within each party state.

14 4. The volumes and types of wastes projected to be generated within each party
15 state.

16 5. The environmental, ~~economic and ecological~~ impacts on the air, land and
17 water resources of the party states.

18 **SECTION 69.** 16.11 (4) (d) of the statutes is renumbered 16.11 (4) (c) and
19 amended to read:

20 16.11 (4) (c) Conduct such hearings and obtain such reports, studies, evidence
21 and testimony required by its approved procedures prior to identifying a party state
22 as a host state for a needed regional compact facility;

23 **SECTION 70.** 16.11 (4) (e) of the statutes is renumbered 16.11 (4) (d) and
24 amended to read:

1 16.11 (4) (d) Prepare a draft management disposal plan and any update
2 thereof, including procedures, criteria and host states, ~~including alternatives~~, which
3 shall be made available in a convenient form to the public for comment. Upon the
4 request of a party state, the commission shall conduct a public hearing in that state
5 prior to the adoption or update of the management disposal plan. The management
6 disposal plan and any update thereof shall include the commission's response to
7 public and party state comment.

8 **SECTION 71.** 16.11 (5) (b) of the statutes is amended to read:

9 16.11 (5) (b) ~~Each~~ Except for waste attributable to radioactive material or
10 waste imported into the region in order to render the material or waste amenable to
11 transportation, storage, disposal or recovery, or in order to convert the waste or
12 material to another usable material, or to reduce it in volume or otherwise treat it,
13 each party state has the right to have all wastes generated within its borders
14 managed disposed of at regional compact facilities subject to the payment of all fees
15 established by the host state under sub. (6) (j) and to the provisions contained in sub.
16 subs. (6) (L) and (s), (8) (d), (9) (e) (d) and (10). All party states have an equal right
17 of access to any facility made available to the region by any agreement entered into
18 by the commission pursuant to sub. (3) (h) 6., subject to the provisions of subs. (6) (L)
19 and (s), (8) (d) and (10).

20 **SECTION 72.** 16.11 (5) (c) of the statutes is repealed and recreated to read:

21 16.11 (5) (c) If a party state's right to have waste generated within its borders
22 disposed of at compact facilities, or at any noncompact facility made available to the
23 region by an agreement entered into by the commission under sub. (3) (h) 6., is
24 suspended, no waste generated within its borders by any person shall be disposed of
25 at any such facility during the period of the suspension.

1 **SECTION 73.** 16.11 (5) (f) and (g) of the statutes are created to read:

2 16.11 **(5)** (f) If, notwithstanding the sovereign immunity provision in sub. (7)
3 (f) 1. and the indemnification provided for in subs. (3) (p), (6) (o) and (7) (g), a party
4 state incurs a cost as a result of an inadequate remedial action fund or an exhausted
5 long-term care fund, or incurs a liability as a result of an action described in sub. (7)
6 (f) 1. and not described in sub. (7) (f) 2., the cost or liability shall be the pro rata
7 obligation of each party state and each state that has withdrawn from this compact
8 or had its membership in this compact revoked. The commission shall determine
9 each state's pro rata obligation in a fair and equitable manner based on the amount
10 of waste from each such state that has been or is projected to be disposed of at the
11 compact facility with respect to which the cost or liability to be shared was incurred.
12 No state shall be obligated to pay the pro rata obligation of any other state. The pro
13 rata obligations provided for in this paragraph do not result in the creation of state
14 debt. Rather, the pro rata obligations are contractual obligations that shall be
15 enforced by only the commission or an affected party state.

16 (g) If the party states make payment pursuant to par. (f), the surcharge or fee
17 provided for in sub. (3) (j) shall be used to collect the funds necessary to reimburse
18 the party states for those payments. The commission shall determine the time period
19 over which reimbursement shall take place.

20 **SECTION 74.** 16.11 (6) (title) and (a) to (c) of the statutes are amended to read:

21 16.11 **(6)** (title) ARTICLE VI - DEVELOPMENT AND OPERATION AND CLOSING OF
22 COMPACT FACILITIES. (a) Any party state may volunteer to become a host state and
23 the commission may designate that state as a host state ~~upon a two-thirds vote of~~
24 ~~its members.~~

1 (b) If ~~not all regional compact facilities~~ required by the regional management
2 ~~disposal~~ plan are not developed pursuant to par. (a) ~~or upon notification that an~~
3 ~~existing regional facility will be closed~~, the commission may designate a host state.

4 (c) ~~Each party~~ After a state is designated as a host state by the commission, the
5 state is responsible for determining possible facility locations within its borders. The
6 selection of a facility site shall not conflict with applicable federal and host state laws,
7 regulations and rules not inconsistent with this compact and shall be based on
8 factors including, but not limited to, geological, environmental and economic
9 viability of possible facility locations the timely development and operation of the
10 compact facility it is designated to host. The development and operation of the
11 compact facility shall not conflict with applicable federal and host state laws, rules
12 and regulations, provided that the laws, rules and regulations of a host state and its
13 political subdivisions shall not prevent, nor shall they be applied so as to prevent, the
14 host state's discharge of the obligation set forth in this paragraph. The obligation set
15 forth in this paragraph is contingent upon the discharge by the commission of its
16 obligation set forth in sub. (3) (i) 5.

17 **SECTION 75.** 16.11 (6) (d) of the statutes is renumbered 16.11 (6) (e) and
18 amended to read:

19 16.11 (6) (e) Any party state designated as a host state may request the
20 commission to relieve that state of the responsibility to serve as a host state. The
21 Except as set forth in par. (d), the commission may relieve a party state of this its
22 responsibility only upon a showing by the requesting party state that, based upon
23 criteria established by the commission that are consistent with any applicable
24 federal criteria, no feasible potential regional compact facility site of the type it is
25 designated to host exists within its borders. A party state relieved of its host state

1 responsibility shall repay to the commission any funds provided to that state by the
2 commission for the development of a compact facility and also shall pay to the
3 commission the amount the commission determines is necessary to ensure that the
4 commission and the other party states do not incur financial loss as a result of the
5 state being relieved of its host state responsibility. Any funds so paid to the
6 commission with respect to the financial loss of the other party states shall be
7 distributed forthwith by the commission to the party states that would otherwise
8 incur the loss. In addition, until the state relieved of its responsibility is again
9 designated as a host state and a compact facility is located in that state begins
10 operating, it shall annually pay to the commission, for deposit in the remedial action
11 fund, an amount the commission determines is fair and equitable in light of the fact
12 the state has been relieved of the responsibility to host a compact facility but
13 continues to enjoy the benefits of being a member of this compact.

14 **SECTION 76.** 16.11 (6) (d) of the statutes is created to read:

15 16.11 **(6)** (d) If a party state designated as a host state fails to discharge the
16 obligations imposed upon it by par. (c), its host state designation may be terminated
17 by a two-thirds vote of the commission with the member from the host state of any
18 then-operating compact facility voting in the affirmative. A party state whose host
19 state designation has been terminated has failed to fulfill its obligations as a host
20 state and is subject to the provisions of sub. (8) (d).

21 **SECTION 77.** 16.11 (6) (e) of the statutes is repealed.

22 **SECTION 78.** 16.11 (6) (f) of the statutes is renumbered 16.11 (6) (h) and
23 amended to read:

1 16.11 (6) (h) To the extent permitted by federal and state law, a host state shall
2 regulate and license any facility within its borders and ensure the extended
3 long-term care of that facility.

4 **SECTION 79.** 16.11 (6) (f) of the statutes is created to read:

5 16.11 (6) (f) The host state shall select the technology for the compact facility.
6 If requested by the commission, information regarding the technology selected by the
7 host state shall be submitted to the commission for its review. The commission may
8 require the host state to make changes in the technology selected by the host state
9 if the commission demonstrates that the changes do not decrease the protection of
10 air, land and water resources and the health and safety of all people who may be
11 affected by the facility. If requested by the host state, any commission decision
12 requiring the host state to make changes in the technology shall be preceded by an
13 adjudicatory hearing in which the commission shall have the burden of proof.

14 **SECTION 80.** 16.11 (6) (g) of the statutes is repealed and recreated to read:

15 16.11 (6) (g) A host state may assign to a private contractor the responsibility,
16 in whole or in part, to develop, construct, operate, close or provide long-term care for
17 a compact facility. Assignment of such responsibility by a host state to a private
18 contractor does not relieve the host state of any responsibility imposed upon it by this
19 compact. A host state may secure indemnification from the contractor for any costs,
20 liabilities and expenses incurred by the host state resulting from the development,
21 construction, operation, closing or long-term care of a compact facility.

22 **SECTION 81.** 16.11 (6) (h) of the statutes is repealed.

23 **SECTION 82.** 16.11 (6) (i) of the statutes is renumbered 16.11 (6) (j) and amended
24 to read:

1 16.11 (6) (j) A host state ~~may~~ shall establish a fee system ~~for~~ of fees to be
2 collected from the users of any regional compact facility within its borders. The fee
3 system, and the costs paid through the system, shall be reasonable and equitable.
4 ~~This~~ The fee system shall be subject to the commission's approval. The fee system
5 shall provide the host state with sufficient revenue to ~~cover any pay costs associated~~
6 with the compact facility including, but not limited to, ~~the planning, siting, licensure,~~
7 ~~operation, decommissioning, extended care and long-term liability~~ associated with
8 such facilities. ~~This fee system may also include reasonable revenue beyond the costs~~
9 ~~incurred for the host state subject to approval by the commission.~~ A host state shall
10 ~~submit an annual financial audit of the operation of the regional facility to the~~
11 ~~commission~~ operation, closing, long-term care, debt service, legal costs, local impact
12 assistance and local financial incentives. The fee system also shall be used to collect
13 the surcharge provided in sub. (3) (j) 2. The fee system ~~may~~ shall include incentives
14 for source reduction and ~~may~~ shall be based on the hazard of the waste as well as the
15 volume.

16 **SECTION 83.** 16.11 (6) (i) of the statutes is created to read:

17 16.11 (6) (i) A host state shall accept waste for disposal for a period of 20 years
18 from the date on which the compact facility in the host state becomes operational or
19 until its capacity has been reached, whichever occurs first. At any time before the
20 compact facility closes, the host state and the commission may enter into an
21 agreement to extend the period during which the host state is required to accept such
22 waste or to increase the capacity of the compact facility. Except as specifically
23 authorized by par. (L) 4., the 20-year period shall not be extended, and the capacity
24 of the facility shall not be increased, without the consent of the affected host state
25 and the commission.

1 **SECTION 84.** 16.11 (6) (j) of the statutes is renumbered 16.11 (6) (k) and
2 amended to read:

3 16.11 **(6)** (k) A host state shall ensure that a regional compact facility located
4 within its borders ~~which that~~ is permanently closed is properly decommissioned. ~~A~~
5 ~~host state shall also provide for the care of a closed or decommissioned regional~~
6 ~~facility within its borders so that the public health and safety of the state and region~~
7 ~~are ensured~~ cared for so as to ensure protection of air, land and water resources and
8 the health and safety of all people who may be affected by the facility.

9 **SECTION 85.** 16.11 (6) (k) of the statutes is renumbered 16.11 (6) (m) and
10 amended to read:

11 16.11 **(6)** (m) ~~A host state intending to close a regional facility located within~~
12 ~~its borders shall notify the commission in writing of its intention and the reasons.~~
13 ~~Notification shall be given to the commission at least 5 years prior to the intended~~
14 ~~date of closure.~~ This paragraph compact shall not prevent an emergency closing of
15 a regional compact facility by a host state to protect its air, land and water resources
16 and the health and safety of ~~its citizens.~~ ~~However, a~~ all people who may be affected
17 by the facility. ~~A host state which that~~ has an emergency closing of a regional
18 compact facility shall notify the commission in writing within 3 working days of its
19 action and shall, within 30 working days of its action, demonstrate justification for
20 the closing.

21 **SECTION 86.** 16.11 (6) (L) of the statutes is repealed and recreated to read:

22 16.11 **(6)** (L) The development of subsequent compact facilities shall be as
23 follows:

24 1. No compact facility shall begin operating until the commission designates
25 the host state of the next compact.

1 2. The following actions shall be taken by the state designated to host the next
2 compact facility within the specified number of years after the compact facility it is
3 intended to replace begins operation:

4 a. Within 3 years, enact legislation providing for the development of the next
5 compact facility.

6 b. Within 7 years, initiate site characterization investigations and tests to
7 determine licensing suitability for the next compact facility.

8 c. Within 11 years, submit a license application for the next compact facility
9 that the responsible licensing authority deems complete.

10 2m. If a host state fails to take any of the actions under subd. 2. within the
11 specified time, all waste generated by any person within that state shall be denied
12 access to the then-operating compact facility, and to any noncompact facility made
13 available to the region by any agreement entered into by the commission pursuant
14 to sub. (3) (h) 6., until the action is taken. Denial of access may be rescinded by the
15 commission, with the member from the host state of the then-operating compact
16 facility voting in the affirmative. A host state that fails to take any of these actions
17 within the specified time has failed to fulfill its obligations as a host state and is
18 subject to the provisions of par. (d) and sub. (8) (d).

19 3. Within 14 years after any compact facility begins operating, the state
20 designated to host the next compact facility shall have obtained a license from the
21 responsible licensing authority to construct and operate the compact facility that the
22 state has been designated to host. If the license is not obtained within the specified
23 time, all waste generated by any person within the state designated to host the next
24 compact facility shall be denied access to the then-operating compact facility, and to
25 any noncompact facility made available to the region by any agreement entered into

1 by the commission pursuant to sub. (3) (h) 6., until the license is obtained. The state
2 designated to host the next compact facility shall have failed in its obligations as a
3 host state and shall be subject to par. (d) and sub. (8) (d). In addition, at the sole
4 option of the host state of the then-operating compact facility, all waste generated
5 by any person within any party state that has not fully discharged its obligations
6 under par. (i) shall be denied access to the then-operating compact facility, and to any
7 noncompact facility made available to the region by any agreement entered into by
8 the commission pursuant to sub. (3) (h) 6., until the license is obtained. Denial of
9 access may be rescinded by the commission, with the member from the host state of
10 the then-operating compact facility voting in the affirmative.

11 4. If 20 years after a compact facility begins operating the next compact facility
12 is not ready to begin operating, the state designated to host the next compact facility
13 shall have failed in its obligation as a host state and shall be subject to par. (d) and
14 sub. (8) (d). If at the time the capacity of the then-operating compact facility has been
15 reached, or 20 years after the facility began operating, whichever occurs first, the
16 next compact facility is not ready to begin operating, the host state of the
17 then-operating compact facility, without the consent of any other party state or the
18 commission, may continue to operate the facility until a compact facility in the next
19 host state is ready to begin operating. During any such period of continued operation
20 of a compact facility, all waste generated by any person within the state designated
21 to host the next compact facility shall be denied access to the then-operating compact
22 facility and to any noncompact facility made available to the region by any
23 agreement entered into by the commission pursuant to sub. (3) (h) 6. In addition,
24 during such period, at the sole option of the host state of the then-operating compact
25 facility, all waste generated by any person within any party state that has not fully

1 discharged its obligations under par. (i) shall be denied access to the then-operating
2 compact facility and to any noncompact facility made available to the region by any
3 agreement entered into by the commission pursuant to sub. (3) (h) 6. Denial of access
4 may be rescinded by the commission, with the member from the host state of the
5 then-operating compact facility voting in the affirmative. The provisions of this
6 subdivision shall not apply if their application is inconsistent with an agreement
7 between the host state of the then-operating compact facility and the commission as
8 authorized in par. (i) or inconsistent with par. (p) or (q).

9 5. During any period that access is denied for waste disposal pursuant to subd.
10 2m., 3. or 4., the party state designated to host the next compact disposal facility shall
11 pay to the host state of the then-operating compact facility an amount the
12 commission determines is reasonably necessary to ensure that the host state, or any
13 agency or political subdivision thereof, does not incur financial loss as a result of the
14 denial of access.

15 6. The commission may modify any of the requirements contained in subds. 2.,
16 2m. and 3. if it finds that circumstances have changed so that the requirements are
17 unworkable or unnecessarily rigid or no longer serve to ensure the timely
18 development of a compact facility. The commission may adopt such a finding by a
19 two-thirds vote, with the member from the host state of the then-operating compact
20 facility voting in the affirmative.

21 **SECTION 87.** 16.11 (6) (m) of the statutes is repealed.

22 **SECTION 88.** 16.11 (6) (n) to (t) of the statutes are created to read:

23 16.11 (6) (n) A party state that has fully discharged its obligations under par.
24 (i) shall not again be designated a host state of a compact facility without its consent
25 until each party state has been designated to host a compact facility and has fully

1 discharged its obligations under par. (i) or has been relieved under par. (e) of its
2 responsibility to serve as a host state.

3 (o) Each host state of a compact facility shall establish a long-term care fund
4 to pay for monitoring, security, maintenance and repair of the facility after it is
5 permanently closed. The expenses of administering the long-term care fund shall
6 be paid out of the fund. The fee system established by the host state that establishes
7 a long-term care fund shall be used to collect moneys in amounts that are adequate
8 to pay for all long-term care of the compact facility. The moneys shall be deposited
9 into the long-term care fund. Except where the matter is resolved through
10 arbitration, the amount to be collected through the fee system for deposit into the
11 fund shall be determined through an agreement between the commission and the
12 host state establishing the fund. Not less than 3 years, nor more than 5 years, before
13 the compact facility it is designated to host is scheduled to begin operating, the host
14 state shall propose to the commission the amount to be collected through the fee
15 system for deposit into the fund. If, 180 days after such proposal is made to the
16 commission, the host state and the commission have not agreed, either the
17 commission or the host state may require the matter to be decided through binding
18 arbitration. The method of administration of the fund shall be determined by the
19 host state establishing the long-term care fund, provided that moneys in the fund
20 shall be used only for the purposes set forth in this paragraph and shall be invested
21 in accordance with the standards applicable to trustees under the laws of the host
22 state establishing the fund. If, after a compact facility is closed, the commission
23 determines the long-term care fund established with respect to that facility is not
24 adequate to pay for all long-term care for that facility, the commission shall collect
25 and pay over to the host state of the closed facility, for deposit into the long-term care

1 fund, an amount determined by the commission to be necessary to make the amount
2 in the fund adequate to pay for all long-term care of the facility. If a long-term care
3 fund is exhausted and long-term care expenses for the facility with respect to which
4 the fund was created have been reasonably incurred by the host state of the facility,
5 those expenses are a liability with respect to which generators shall provide
6 indemnification as provided in sub. (7) (g). Generators that provide indemnification
7 shall have contribution rights as provided in sub. (7) (g).

8 (p) A host state that withdraws from the compact or has its membership
9 revoked shall immediately and permanently close any compact facility located
10 within its borders, except that the commission and a host state may enter into an
11 agreement under which the host state may continue to operate, as a noncompact
12 facility, a facility within its borders that, before the host state withdrew or had its
13 membership revoked, was a compact facility.

14 (q) If this compact is dissolved, the host state of any then-operating compact
15 facility shall immediately and permanently close the facility, provided that a host
16 state may continue to operate a compact facility or resume operating a previously
17 closed compact facility, as a noncompact facility, subject to all of the following
18 requirements:

19 1. The host state shall pay to the other party states the portion of the funds
20 provided to that state by the commission for the development, construction,
21 operation, closing or long-term care of a compact facility that is fair and equitable,
22 taking into consideration the period of time the compact facility located in that state
23 was in operation and the amount of waste disposed of at the facility, provided that
24 a host state that has fully discharged its obligations under par. (i) shall not be
25 required to make such payment.

1 2. The host state shall physically segregate waste disposed of at the facility
2 after this compact is dissolved from waste disposed of at the facility before this
3 compact is dissolved.

4 3. The host state shall indemnify and hold harmless the other party states from
5 all costs, liabilities and expenses, including reasonable attorney fees and expenses,
6 caused by operating the facility after this compact is dissolved, provided that this
7 indemnification and hold-harmless obligation shall not apply to costs, liabilities and
8 expenses resulting from the activities of a host state as a generator of waste.

9 4. Moneys in the long-term care fund established by the host state that are
10 attributable to the operation of the facility before this compact is dissolved, and
11 investment earnings thereon, shall be used only to pay the cost of monitoring,
12 securing, maintaining or repairing that portion of the facility used for the disposal
13 of waste before this compact is dissolved. Such moneys and investment earnings,
14 and any moneys added to the long-term care fund through a distribution authorized
15 by sub. (3) (r), also may be used to pay the cost of any remedial action made necessary
16 by an event resulting from the disposal of waste at the facility before this compact
17 is dissolved.

18 (r) Financial statements of a compact facility shall be prepared according to
19 generally accepted accounting principles. The commission may require the financial
20 statements to be audited on an annual basis by a firm of certified public accountants
21 selected and paid by the commission.

22 (s) Waste may be accepted for disposal at a compact facility only if the generator
23 of the waste has signed, and there is on file with the commission, an agreement to
24 provide indemnification to a party state, or employe of that state, for all of the
25 following:

1 1. Any cost of a remedial action described in sub. (3) (p) that, due to inadequacy
2 of the remedial action fund, is not paid as set forth in that provision.

3 2. Any expense for long-term care described in par. (o) that, due to exhaustion
4 of the long-term care fund, is not paid as set forth in that provision.

5 3. Any liability for damages to persons, property or the environment incurred
6 by a party state, or employe of that state while acting within the scope of
7 employment, resulting from the development, construction, operation, regulation,
8 closing or long-term care of a compact facility, or any noncompact facility made
9 available to the region by any agreement entered into by the commission pursuant
10 to sub. (3) (h) 6., or any other matter arising from this compact. The agreement also
11 shall require generators to indemnify the party state or employe against all
12 reasonable attorney fees and expenses incurred in defending any action for such
13 damages. This indemnification shall not extend to liability based on any of the
14 following:

15 a. The activities of the party states as generators of waste.

16 b. The obligations of the party states to each other and the commission imposed
17 by this compact or other contracts related to the disposal of waste under this compact.

18 c. Activities of a host state or employes thereof that are grossly negligent or
19 wilful and wanton.

20 (t) The agreement under par. (s) shall provide that the indemnification
21 obligation of generators shall be joint and several, except that the indemnification
22 obligation of the party states with respect to their activities as generators of waste
23 shall not be joint and several, but instead shall be prorated according to the amount
24 of waste that each state had disposed of at the compact facility giving rise to the
25 liability. Such proration shall be calculated as of the date of the event giving rise to

1 the liability. The agreement shall be in a form approved by the commission with the
2 member from the host state of any then-operating compact facility voting in the
3 affirmative. Among generators there shall be rights of contribution based on
4 equitable principles and generators shall have rights of contribution against any
5 other person responsible for such damages under common law, statute, rule or
6 regulation, provided that a party state that through its own activities did not
7 generate any waste disposed of at the compact facility giving rise to the liability, an
8 employe of such a party state and the commission shall have no such contribution
9 obligation. The commission may waive the requirement that the party state sign and
10 file such an indemnification agreement as a condition to being able to dispose of
11 waste generated as a result of the party state's activities. Such a waiver shall not
12 relieve a party state of the indemnification obligation imposed by sub. (7) (g).

13 **SECTION 89.** 16.11 (7) (a) 3. of the statutes is amended to read:

14 16.11 (7) (a) 3. Prohibits any ~~storage or treatment of waste by the generator~~
15 from storing or treating, on its own premises, waste generated by it within the region;

16 **SECTION 90.** 16.11 (7) (a) 6. of the statutes is amended to read:

17 16.11 (7) (a) 6. Affects the generation, treatment, storage or disposal of waste
18 generated by the atomic energy defense activities of the secretary of the U.S.
19 department of energy or successor agencies or federal research and development
20 activities as ~~defined~~ described in 42 USC 2021; ~~or~~

21 **SECTION 91.** 16.11 (7) (a) 7. of the statutes is amended to read:

22 16.11 (7) (a) 7. Affects the rights and powers of any party state or its political
23 subdivisions, to the extent not inconsistent with this compact, to regulate and license
24 any facility or the transportation of waste within its borders ~~or affects the rights and~~

1 powers of any party state or its political subdivisions to tax or impose fees on the
2 waste managed at any facility within its borders.

3 **SECTION 92.** 16.11 (7) (a) 9. of the statutes is repealed and recreated to read:

4 16.11 (7) (a) 9. Limits, expands or otherwise affects the authority of a state to
5 regulate low-level radioactive waste classified by any agency of the U.S. government
6 as “below regulatory concern” or otherwise exempt from federal regulation.

7 **SECTION 93.** 16.11 (7) (b) and (c) of the statutes are amended to read:

8 16.11 (7) (b) ~~For purposes of this compact, all state laws or parts of laws in~~
9 ~~conflict~~ If a court of the United States finally determines that a law of a party state
10 conflicts with this compact ~~are hereby superseded, this compact shall prevail~~ to the
11 extent of the conflict. The commission shall not commence an action seeking such
12 a judicial determination unless commencement of the action is approved by a
13 two-thirds vote of the membership of the commission.

14 (c) ~~No~~ Except as authorized by this compact, no law, rule or regulation of a party
15 state or of any of its subdivisions or instrumentalities may be applied in a manner
16 which discriminates against the generators of another party state.

17 **SECTION 94.** 16.11 (7) (d) to (h) of the statutes are created to read:

18 16.11 (7) (d) Except as provided in par. (f) and sub. (3) (m), no provision of this
19 compact shall be construed to eliminate or reduce in any way the liability or
20 responsibility, whether arising under common law, statute, rule or regulation, of any
21 person for penalties, fines or damages to persons, property or the environment
22 resulting from the development, construction, operation, closing or long-term care
23 of a compact facility, or any noncompact facility made available to the region by any
24 agreement entered into by the commission pursuant to sub. (3) (h) 6., or any other
25 matter arising from this compact. The provisions of this compact shall not alter

1 otherwise applicable laws relating to compensation of employes for workplace
2 injuries.

3 (e) Except as provided in 28 USC 1251 (a), the district courts of the United
4 States have exclusive jurisdiction to decide cases arising under this compact. This
5 paragraph does not apply to proceedings within the jurisdiction of state or federal
6 regulatory agencies nor to judicial review of proceedings before state or federal
7 regulatory agencies. This paragraph shall not be construed to diminish other laws
8 of the United States conferring jurisdiction on the courts of the United States.

9 (f) For the purposes of activities pursuant to this compact, the sovereign
10 immunity of party states and employes of party states shall be as follows:

11 1. A party state or employe thereof, while acting within the scope of
12 employment, shall not be subject to suit or held liable for damages to persons,
13 property or the environment resulting from the development, construction,
14 operation, regulation, closing or long-term care of a compact facility, or any
15 noncompact facility made available to the region by any agreement entered into by
16 the commission pursuant to sub. (3) (h) 6. This applies whether the claimed liability
17 of the party state or employe is based on common law, statute, rule or regulation.

18 2. The sovereign immunity granted in subd. 1. does not apply to any of the
19 following:

20 a. Actions based upon the activities of the party states as generators of waste.
21 With regard to those actions, the sovereign immunity of the party states shall not be
22 affected by this compact.

23 b. Actions based on the obligations of the party states to each other and the
24 commission imposed by this compact or other contracts related to the disposal of

1 waste under this compact. With regard to those actions, the party states shall have
2 no sovereign immunity.

3 c. Actions against a host state, or employe thereof, when the host state or
4 employe acted in a grossly negligent or wilful and wanton manner.

5 (g) If in any action described in par. (f) 1. and not described in par. (f) 2. it is
6 determined that, notwithstanding par. (f) 1., a party state, or employe of that state
7 who acted within the scope of employment, is liable for damages or has liability for
8 other matters arising under this compact as described in sub. (6) (s) 3., the generators
9 who caused waste to be placed at the compact facility with respect to which the
10 liability was incurred shall indemnify the party state or employe against that
11 liability. Those generators also shall indemnify the party state or employe against
12 all reasonable attorney fees and expenses incurred in defending against any such
13 action. The indemnification obligation of generators under this paragraph shall be
14 joint and several, except that the indemnification obligation of party states with
15 respect to their activities as generators of waste shall not be joint and several, but
16 instead shall be prorated according to the amount of waste each state has disposed
17 of at the compact facility giving rise to the liability. Among generators, there shall
18 be rights of contribution based upon equitable principles and generators shall have
19 rights of contribution against any other person responsible for such damages under
20 common law, statute, rule or regulation. A party state that through its own activities
21 did not generate any waste disposed of at the compact facility giving rise to the
22 liability, an employe of such a party state and the commission shall have no
23 contribution obligation under this paragraph. This paragraph shall not be construed
24 as a waiver of the sovereign immunity provided for in par. (f) 1.

1 (h) The sovereign immunity of a party state provided for in par. (f) 1. shall not
2 be extended to any private contractor assigned responsibilities as authorized in sub.
3 (6) (g).

4 **SECTION 95.** 16.11 (8) (title) of the statutes is amended to read:

5 16.11 (8) (title) ARTICLE VIII - ELIGIBLE PARTIES, WITHDRAWAL, REVOCATION,
6 SUSPENSION OF ACCESS, ENTRY INTO FORCE, AND TERMINATION.

7 **SECTION 96.** 16.11 (8) (a) of the statutes is repealed.

8 **SECTION 97.** 16.11 (8) (b) of the statutes is renumbered 16.11 (8) (a) and
9 amended to read:

10 16.11 (8) (a) Any state ~~not eligible for membership in the compact~~ may petition
11 the commission ~~for eligibility to be eligible for membership in the compact.~~ The
12 commission may establish appropriate eligibility requirements. These
13 requirements may include, but are not limited to, an eligibility fee or designation as
14 a host state. A petitioning state becomes eligible for membership in the compact
15 upon the approval of the commission, including the affirmative vote of all the
16 member from each host states state in which a compact facility is operating or being
17 developed or constructed. Any state becoming eligible upon the approval of the
18 commission becomes a member of the compact ~~in the same manner as any state~~
19 ~~eligible for membership at the time this compact enters into force~~ when the state
20 enacts this compact into law and pays the eligibility fee established by the
21 commission.

22 **SECTION 98.** 16.11 (8) (c) of the statutes is repealed.

23 **SECTION 99.** 16.11 (8) (d) of the statutes is renumbered 16.11 (8) (b).

24 **SECTION 100.** 16.11 (8) (e) of the statutes is renumbered 16.11 (8) (c) and
25 amended to read:

1 16.11 (8) (c) Any A party state that has fully discharged its obligations under
2 sub. (6) (i), or has been relieved under sub. (6) (e) of its responsibilities to serve as a
3 host state, may withdraw from this compact by repealing the authorizing legislation
4 ~~but no withdrawal may take effect until 5 years after the governor of the~~
5 ~~withdrawing state gives notice in writing of the withdrawal to the commission and~~
6 ~~to the governor of each party state and by receiving the unanimous consent of the~~
7 commission. Withdrawal does not affect any liability already incurred by or
8 chargeable to a party state prior to the time of such withdrawal. Any host state which
9 grants a disposal permit for waste generated in a withdrawing state shall void the
10 ~~permit when the withdrawal of that state is effective~~ takes effect on the date specified
11 in the commission resolution consenting to withdrawal. All legal rights of the
12 withdrawn state established under this compact, including, but not limited to, the
13 right to have waste generated within its borders disposed of at compact facilities,
14 cease upon the effective date of withdrawal, but any legal obligations of that party
15 state under this compact, including, but not limited to, those set forth in par. (e)
16 continue until they are fulfilled.

17 **SECTION 101.** 16.11 (8) (e) of the statutes is created to read:

18 16.11 (8) (e) A party state that withdraws from this compact or has its
19 membership in the compact revoked before it has fully discharged its obligations
20 under sub. (6) forthwith shall repay to the commission the portion of the funds
21 provided to that state by the commission for the development, construction,
22 operation, closing or long-term care of a compact facility that the commission
23 determines is fair and equitable, taking into consideration the period of time the
24 compact facility located in that host state was in operation and the amount of waste
25 disposed of at the facility. If at any time after a compact facility begins operating a

1 party state withdraws from the compact or has its membership revoked, the
2 withdrawing or revoked party state shall be obligated forthwith to pay to the
3 commission the amount the commission determines would have been paid under the
4 fee system established by the host state of the facility to dispose of at the facility the
5 estimated volume of waste generated in the withdrawing or revoked party state that
6 would have been disposed of at the facility from the time of withdrawal or revocation
7 until the time the facility is closed. Any funds so paid to the commission shall be
8 distributed by the commission to the persons who would have been entitled to receive
9 the funds had they originally been paid to dispose of waste at the facility. Any person
10 receiving such funds from the commission shall apply the funds to the purposes to
11 which they would have been applied had they originally been paid to dispose of waste
12 at the compact facility. In addition, a withdrawing or revoked party state forthwith
13 shall pay to the commission an amount the commission determines to be necessary
14 to cover all other costs and damages incurred by the commission and the remaining
15 party states as a result of the withdrawal or revocation. This paragraph shall be
16 construed and applied so as to eliminate any decrease in revenue resulting from
17 withdrawal of a party state or revocation of a party state's membership, to eliminate
18 financial harm to the remaining party states and to create an incentive for party
19 states to continue as members of the compact and to fulfill their obligations.

20 **SECTION 102.** 16.11 (8) (f) of the statutes is renumbered 16.11 (8) (d) and
21 amended to read:

22 16.11 (8) (d) Any party state ~~which~~ that fails to comply with the terms of this
23 compact or fails to fulfill its obligations may have ~~its privileges~~ reasonable financial
24 penalties imposed against it, the right to have waste generated within its borders
25 disposed of at compact facilities, or any noncompact facility made available to the

1 region by any agreement entered into by the commission pursuant to sub. (3) (h) 6.,
2 suspended or its membership in the compact revoked by the commission in
3 accordance with sub. (3) (h) 6 a two-thirds vote of the commission, provided that the
4 membership of the party state designated to host the next compact facility shall not
5 be revoked unless the member from the host state of any then-operating compact
6 facility votes in the affirmative. Revocation takes effect one year from on the date
7 the affected party state receives written notice from the commission of its action
8 specified in the resolution revoking the party state's membership. All legal rights
9 of the affected ~~revoked~~ party state established under this compact, including, but not
10 limited to, the right to have waste generated within its borders disposed of at
11 compact facilities, cease upon the effective date of revocation but any legal
12 obligations of that party state arising prior to revocation under this compact,
13 including, but not limited to, those set forth in par. (e), continue until they are
14 fulfilled. The chairperson of the commission shall transmit written notice of a
15 revocation of a party state's membership in the compact, suspension of a party state's
16 waste disposal rights or imposition of financial penalties immediately following the
17 vote of the commission to the governor of the affected party state, all other the
18 governors of all the other party states and the congress of the United States.

19 **SECTION 103.** 16.11 (8) (f) of the statutes is created to read:

20 16.11 (8) (f) Any party state whose right to have waste generated within its
21 borders disposed of at compact facilities is suspended by the commission shall pay
22 to the host state of the compact facility to which access has been suspended the
23 amount that the commission determines is reasonably necessary to ensure that the
24 host state, or any political subdivision thereof, does not incur financial loss as a result
25 of the suspension of access.

1 **SECTION 104.** 16.11 (8) (g) of the statutes is amended to read:

2 16.11 (8) (g) This compact becomes effective July 1, 1983, or at any date
3 subsequent to July 1, 1983, upon enactment by at least 3 eligible states. However,
4 sub. (9) (b) shall not take effect until the congress has by law consented to this
5 compact. The congress shall have an opportunity to withdraw such consent every 5
6 years. Failure of the congress to affirmatively withdraw its consent has the effect
7 of renewing consent for an additional 5-year period and consent to this compact by
8 the congress. The consent given to this compact by the congress shall extend to any
9 future admittance of new party states under pars. (b) and (e) and to the power of the
10 region to ban commission to regulate the shipment and disposal of waste from the
11 region and disposal of naturally occurring and accelerator-produced radioactive
12 material pursuant to sub. 3 this compact. Amendments to this compact are effective
13 when enacted by all party states and, if necessary, consented to by the congress. To
14 the extent required by section (4) (d) of "the low-level radioactive waste policy
15 amendments act of 1985", every 5 years after this compact has taken effect, the
16 congress by law may withdraw its consent.

17 **SECTION 105.** 16.11 (8) (h) of the statutes is amended to read:

18 16.11 (8) (h) The withdrawal of a party state from this compact under par. (e),
19 the suspension of waste disposal rights, the termination of a party state's designation
20 as a host state or the revocation of a state's membership in this compact under par.
21 (f) does not affect the applicability of this compact to the remaining party states.

22 **SECTION 106.** 16.11 (8) (i) of the statutes is repealed and recreated to read:

23 16.11 (8) (i) This compact may be dissolved and the obligations arising under
24 this compact may be terminated only as follows:

1 1. Through unanimous agreement of all party states expressed in duly enacted
2 legislation.

3 2. Through withdrawal of consent to this compact by the congress under article
4 1, section 10, of the U.S. constitution, in which case dissolution shall take place 120
5 days after the effective date of the withdrawal of consent.

6 **SECTION 107.** 16.11 (8) (j) of the statutes is created to read:

7 16.11 (8) (j) Unless explicitly abrogated by the state legislation dissolving this
8 compact, or if dissolution results from withdrawal of congressional consent, the
9 limitations on the investment and use of long-term care funds in sub. (6) (o) and (q)
10 4., the contractual obligations in sub. (5) (f), the indemnification obligations and
11 contributions rights in subs. (6) (o), (s) and (t) and (7) (g) and the operation rights and
12 indemnification and hold-harmless obligations in sub. (6) (q) shall remain in force
13 notwithstanding dissolution of this compact.

14 **SECTION 108.** 16.11 (9) (title) of the statutes is amended to read:

15 16.11 (9) (title) ARTICLE IX - PENALTIES AND ENFORCEMENT

16 **SECTION 109.** 16.11 (9) (b) of the statutes is repealed and recreated to read:

17 16.11 (9) (b) The parties to this compact intend that the courts of the United
18 States shall specifically enforce the obligations, including the obligations of party
19 states and revoked or withdrawn party states, established by this compact.

20 **SECTION 110.** 16.11 (9) (c) of the statutes is renumbered 16.11 (9) (d) and
21 amended to read:

22 16.11 (9) (d) Each party state acknowledges that the receipt by transport into
23 a host state of waste packaged or transported in violation of applicable laws, rules
24 and regulations may result in the imposition of sanctions by the host state which may
25 include reasonable financial penalties assessed against any generator, transporter

1 or collector responsible for the violation or may include suspension or revocation of
2 ~~the violator's right of access to the facility in the host state~~ by any generator,
3 transporter or collector responsible for the violation.

4 **SECTION 111.** 16.11 (9) (c) of the statutes is created to read:

5 16.11 (9) (c) The commission or an affected party state or both may obtain
6 injunctive relief or recover damages or both to prevent or remedy violations of this
7 compact.

8 **SECTION 112.** 16.11 (9) (d) of the statutes is renumbered 16.11 (9) (e).

9 **SECTION 113.** 16.11 (9) (f) of the statutes is created to read:

10 16.11 (9) (f) This compact shall not be construed to create any cause of action
11 for any person other than a party state or the commission. Nothing in this paragraph
12 shall limit the right of judicial review set forth in sub. (3) (n) 3. or the rights of
13 contribution set forth in subs. (3) (p), (6) (o), (s) and (t) and (7) (g).

14 **SECTION 114.** 16.11 (10) of the statutes is amended to read:

15 16.11 (10) ARTICLE X - SEVERABILITY AND CONSTRUCTION. The provisions of this
16 compact shall be severable and if any ~~phrase, clause, sentence or~~ provision of this
17 compact is ~~declared~~ finally determined by a court of competent jurisdiction to be
18 contrary to the constitution of any participating state or of the United States or the
19 ~~applicability~~ application thereof to any ~~government, agency,~~ person or circumstance
20 is held invalid, the validity of the remainder of this compact to that person or
21 circumstance and the applicability ~~thereof~~ of the entire compact to any ~~government,~~
22 ~~agency,~~ other person or circumstance shall not be affected thereby. If any provision
23 of this compact shall be held contrary to the constitution of any state participating
24 therein, the compact shall remain in full force and effect as to the state affected as
25 to all severable matters. If any provision of this compact imposing a financial

1 obligation upon a party state, or a state that has withdrawn from this compact or had
2 its membership in this compact revoked, is finally determined by a court of
3 competent jurisdiction to be unenforceable due to the state's constitutional
4 limitations on its ability to pay the obligation, then that state shall use its best efforts
5 to obtain an appropriation to pay the obligation, and, if the state is a party state, its
6 right to have waste generated within its borders disposed of at compact facilities, or
7 any noncompact facility made available to the region by any agreement entered into
8 by the commission pursuant to sub. (3) (h) 6., shall be suspended until the
9 appropriation is obtained.

10 **SECTION 115.** 16.115 (2) of the statutes is amended to read:

11 16.115 (2) The department shall establish by rule a schedule of annual fees to
12 be paid by generators, as defined under s. 16.11 (2) (g) (j), who use a regional compact
13 facility operated under , as defined in s. 16.11 (2) (d), or a noncompact facility made
14 available by an agreement entered into under s. 16.11 (3) (h) 6. for disposal, and,
15 beginning with the operation of the facility, the department shall collect the fees. The
16 fees shall be based on the volume and hazard of waste generated and shall cover the
17 costs enumerated under sub. (3) which are incurred before and after the acceptance
18 of waste for disposal at the facility. Any nuclear power plant operator who has paid
19 a fee under sub. (1) shall receive credit on the fees required of the operator under this
20 subsection at a rate determined by the department so that, over the first 5 years of
21 the collection of fees under this subsection, the power plant operator receives total
22 credits equal to the fees paid under sub. (1). In addition to covering the costs
23 enumerated under sub. (3), the fees established under this subsection for the first 5
24 years after the acceptance of waste for disposal at the facility shall be sufficient to
25 repay the loan from the general fund made under s. 20.505 (1) (b), and the secretary

1 shall lapse moneys from the appropriation under s. 20.505 (1) (g) to the general fund
2 for that purpose over the 5-year period.

3 **SECTION 116.** 16.12 (2) of the statutes is amended to read:

4 16.12 (2) The sole ~~remedy~~ remedies against the state, other than in its capacity
5 as a generator, for a violation of any provision of the midwest interstate low-level
6 radioactive waste compact under s. 16.11 is are the ~~remedy~~ remedies provided in s.
7 16.11 ~~(3) (h) 6 and (8) (f)~~.

8 **SECTION 117.** 16.13 of the statutes is amended to read:

9 **16.13 Data collection.** Upon the request of the midwest interstate low-level
10 radioactive waste commission member representing the state, the department may
11 require a generator, as defined under s. 16.11 (2) ~~(g)~~ (j), to provide information
12 necessary for the member to discharge his or her duties under s. 16.11.

13 **SECTION 118.** 144.463 (1) of the statutes is amended to read:

14 144.463 (1) DEFINITION. In this section, "low-level radioactive waste" has the
15 meaning given in s. 16.11 (2) ~~(i)~~ (m).

16 (END)
