1     **AN ACT to affect** 1985 Wisconsin Act 185, section 3; **relating to:** conveying  
2             certain submerged lands to Brown County for a facility for dredge spoil  
3             containment.

### *Analysis by the Legislative Reference Bureau*

Under 1985 Wisconsin Act 185, the state conveyed to Brown County a parcel of land under the waters of Green Bay. The act authorizes the construction of a facility for dredge spoil containment on the parcel. A provision of the act requires that the parcel revert to the state if the facility is not constructed before April 22, 1996. This bill removes this provision.

Because this bill concerns a conveyance of a lake bed area, the department of natural resources, as required by law, will prepare a detailed report to be printed as an appendix to this bill.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
