

1999 ASSEMBLY BILL 472

September 16, 1999 – Introduced by Representatives YOUNG, HAHN, URBAN, PORTER, RILEY and COGGS, cosponsored by Senators DARLING and FARROW. Referred to Committee on Highway Safety.

- 1 **AN ACT to amend** 346.01 (2); and **to create** 346.735 and 346.74 (6) of the statutes;
2 **relating to:** imposing vehicle owner liability for violations of certain traffic
3 laws relating to accidents and providing penalties.

Analysis by the Legislative Reference Bureau

Under current law, the operator of a vehicle involved in an accident that causes injury or death to a person, or damage to an attended or occupied vehicle, must immediately stop his or her vehicle as close as possible to the scene of the accident to identify himself or herself and, if necessary, to render assistance to an injured person. Current law also requires the operator of a vehicle that collides with an unattended vehicle to stop immediately and notify the owner or operator of the unattended vehicle of the accident. The operator of a vehicle involved in an accident resulting only in damage to fixtures or other property on or adjacent to a highway must take reasonable steps to notify the owner of the damaged property.

This bill imposes upon the owner of a vehicle liability for a violation of any of these provisions relating to accidents. Instead of pursuing a vehicle involved in a violation, a traffic officer may, within 72 hours, investigate the violation and prepare a traffic citation for the violation. Any traffic officer employed by the issuing authority may serve it upon the owner of the vehicle. Vehicle owner liability with respect to an accident that causes injury or death to a person, or damage to an attended or occupied vehicle, results in a forfeiture of not more than \$500. Vehicle owner liability relating to an accident involving an unattended vehicle or only property damage may result in a forfeiture of not more than \$200. The vehicle

owner's operating privilege may not be suspended or revoked, and no demerit points may be recorded against the owner's driving record, for the imposition of vehicle owner liability created by this bill.

The vehicle owner has a defense to liability for the violation if the vehicle had been stolen at the time of the violation or if the owner provides the traffic officer with the name and address of the person who was operating the vehicle or who had the vehicle under his or her control at the time of the violation and that person admits operating the vehicle or having the vehicle under his or her control at the time of the violation. Lessors and dealers of vehicles have similar types of defenses.
