

1999 ASSEMBLY BILL 527

October 12, 1999 - Introduced by Representative STEINBRINK, cosponsored by Senator WIRCH. Referred to Committee on Corrections and the Courts.

1 **AN ACT to create** 301.19 of the statutes; **relating to:** notification concerning
2 plans to establish a probation, parole and extended supervision field office.

Analysis by the Legislative Reference Bureau

Under current law, before the department of corrections (DOC) enters into a contract with any person for the provision of temporary transitional housing for probationers, parolees or persons on extended supervision it must provide notice of the proposed contract to local law enforcement agencies, the chief elected official of the municipality in which the housing will be located and the local official newspaper.

This bill requires DOC to provide notice that it plans to establish a probation, parole and extended supervision field office at which persons on probation, parole or extended supervision meet with an agent or engage in other activities required as a condition of probation, parole or extended supervision. DOC must provide notice of a plan to establish such an office to local law enforcement agencies, the local official newspaper and the chief elected official of the municipality in which the office will be located. If requested to do so by a chief elected official who receives notification of a plan, DOC must hold a public hearing on the plan to establish a probation, parole and extended supervision field office. In addition to any public hearing that may be held, a person notified by DOC of a plan to establish a probation, parole and extended supervision field office must notify the general public of the plan in a manner and to the extent that the person determines is appropriate.
