1 **AN ACT to create** 71.05 (6) (b) 29. of the statutes; **relating to:** creating an
2 individual income tax exemption for interest income received from deposits in
3 financial institutions.

Analysis by the Legislative Reference Bureau

This bill creates an individual income tax exemption for certain amounts of interest income received from deposits in a bank, a savings bank, a savings and loan association, a trust company or a credit union. The amount of the exemption is limited to \$500 each year for married persons who file jointly, to \$350 each year for persons who file as heads of household and to \$250 each year for single individuals or married persons who file separately.

The amount of an exemption that may be claimed by a nonresident or part-year resident of this state is reduced by multiplying the amount of the exemption that the individual would otherwise be eligible for by a ratio of the individual's income that is taxable by this state and the individual's total income.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

ASSEMBLY BILL 73

1 **SECTION 1.** 71.05 (6) (b) 29. of the statutes is created to read:

7 savings, certificate or negotiable order of withdrawal account.

8 b. For a married couple that files jointly, the maximum amount of interest to
9 which the exemption in subd. 29. a. applies is \$500 each taxable year.

16 multiply the appropriate amount under subd. 29. b., c. or d. by a fraction the
17 numerator of which is the individual’s wages, salary, tips, unearned income and net
18 earnings from a trade or business that are taxable by this state and the denominator
19 of which is the individual’s total wages, salary, tips, unearned income and net
20 earnings from a trade or business. In this subd. 29. e., for married persons filing
21 separately, “wages, salary, tips, unearned income and net earnings from a trade or
22 business” means the separate wages, salary, tips, unearned income and net earnings
23 from a trade or business of each spouse, and for married persons filing jointly, “wages,
