### *Analysis by the Legislative Reference Bureau*

Under federal law, most males who are at least 18 years of age but less than 26 years of age are required to register with the selective service system for possible conscription into service in the U.S. military. This bill provides that the department of transportation (DOT) must notify a male who is at least 18 years of age but less than 26 years of age and who applies for any driver's license, permit, or identification card that his application will be forwarded to the selective service system for the purpose of registration with the selective service system. The bill also requires DOT to forward the application of any male who is at least 18 years of age but less than 26 years of age to the selective service system for the purpose of selective service registration.
