2 and 341.252 of the statutes; **relating to:** the Type 1 motorcycle, moped, and
3 motor bicycle safety program; registration fees for motorcycles and mopeds, and
4 making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the department of transportation (DOT) collects a regular biennial registration fee for a motorcycle or moped of \$23. DOT also administers a Type 1 motorcycle, moped, and motor bicycle safety program.

This bill reduces the regular biennial registration fee for a motorcycle or moped from \$23 to \$13. The person paying the regular registration fee is required, however, to pay an additional fee of \$10 at the time of registration of the motorcycle or moped. All moneys collected from this additional fee are required to be used to fund the Type 1 motorcycle, moped, and motor bicycle safety program. Finally, the bill requires DOT to adjust this additional fee annually for inflation.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
