2 (3) of the statutes; **relating to:** promissory notes issued by the city of
3 Milwaukee to pay for unfunded prior service liability contributions of the
4 Milwaukee Public Schools under the Wisconsin Retirement System.

Analysis by the Legislative Reference Bureau

Current law allows the board of the Milwaukee Public Schools to direct the Milwaukee Common Council to issue promissory notes for the purpose of paying unfunded prior service liability contributions under the Wisconsin Retirement System. The notes must be repaid within 10 years.

Under this bill, the Milwaukee Common Council is not required to issue the notes. If the common council does so, the notes must be repaid within 20 years. The bill also provides that the sum of the amount of the notes that are outstanding and the amount of bonds issued by the common council to construct school buildings or purchase school sites that are outstanding at any time may not exceed 2% of the total value of all taxable property in the city of Milwaukee. Under current law, the latter amount alone is subject to the 2% limit.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
