1     **AN ACT** *to create* 103.06 and 106.54 (8) of the statutes; **relating to:** a  
2             requirement that all employers in this state grant a paid leave of absence on  
3             Veterans Day to employees who are veterans.

### *Analysis by the Legislative Reference Bureau*

Under current law, November 11 (Veterans Day) is a legal holiday. This bill requires that every public and private employer in this state grant to each employee who is a veteran a paid leave of absence for the entire workday on Veterans Day, or on the following Monday if Veterans Day falls on a Saturday or Sunday. Under the bill, for employees who are included in a collective bargaining unit, the paid leave of absence is granted only if so provided in a collective bargaining agreement.

The bill prohibits an employer from discharging or discriminating against an employee in promotion, in compensation, or in the terms, conditions, or privileges of employment for taking a paid leave of absence on Veterans Day; opposing a discharge or discrimination in violation of the bill; filing a complaint or attempting to enforce a right under the bill; or testifying or assisting in any action or proceeding to enforce a right under the bill. An employee who is discharged or discriminated against in violation of the bill may file a complaint with the Department of Workforce Development (DWD), and DWD must process the complaint in the same manner that employment discrimination complaints are processed under current law. That processing may include the ordering of back pay, reinstatement, or compensation in lieu of reinstatement.
