

2009 ASSEMBLY BILL 593

November 20, 2009 – Introduced by Representatives BIES, MEYER, BROOKS, LOTHIAN, MURSAU, A. OTT, TOWNSEND and VOS, cosponsored by Senator A. LASEE. Referred to Committee on Education.

1 **AN ACT** *to amend* 73.0305; and *to create* 121.105 (4) of the statutes; **relating**
2 **to:** special adjustment aid to school districts.

Analysis by the Legislative Reference Bureau

Currently, a school district's state aid amount in any school year is guaranteed to equal at least 85 percent of the state aid amount that the school district received in the previous school year.

This bill provides that, beginning in the 2010–11 school year, a school district's state aid amount in any school year is also guaranteed to equal at least \$1,000 multiplied by the number of pupils enrolled in the school district in the previous school year. The \$1,000 per pupil amount is increased each year by the increase in the consumer price index.

The bill does not appropriate additional funds to achieve the result described above; instead, state aid to all school districts is redistributed to achieve that result.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
