### *Analysis by the Legislative Reference Bureau*

Under current law, the director of state courts has established a consolidated electronic system, known as the Consolidated Court Automation Program (CCAP), that contains information about cases filed in the circuit courts in this state, including cases filed in the courts assigned to exercise jurisdiction under the Children's Code and the Juvenile Justice Code (juvenile courts). Records of the juvenile court, however, are confidential and may not be opened to inspection, nor may their contents be disclosed, except under certain statutory exceptions or by an order of the juvenile court.

Also, under current law, the Department of Children and Families (DCF) has established a Statewide Automated Child Welfare Information System (SACWIS) that contains information about child welfare cases entered into that system by DCF, county departments of human services or social services (county departments), and licensed child welfare agencies. Current law permits DCF, a county department, or

**SENATE BILL 375**

any other agency that has entered into an information sharing and access agreement with DCF or a county department and that has been approved for access to SACWIS by DCF to have access to information maintained in SACWIS, if necessary for the performance of its duties under state or federal law.

This bill permits the director of state courts and DCF to enter into an agreement to allow for the transfer of electronic records that are contained in the CCAP system to DCF and for the transfer of electronic records that are contained in SACWIS to the director of state courts. The agreement must specify what types of information may be transferred under the agreement. In addition, the agreement must permit: 1) DCF to allow access to any information transferred to DCF under the agreement only for the purpose of providing child welfare or juvenile justice intake or dispositional services; and 2) the director of state courts to allow access to any information transferred to the director of state courts only for the purposes of a proceeding under the Children’s Code or the Juvenile Justice Code. Finally, the bill requires DCF, the director of state courts, and any individual who is allowed access to any information transferred under the agreement to keep the information confidential and to use and further disclose the information only for the purposes permitted under the agreement and provides for a forfeiture of not more than \$5,000 for any person who intentionally discloses information in violation of the bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
