6 71.47 (5b) (d) 1m., 71.47 (5b) (d) 4. and 238.27 of the statutes; **relating to:** the
7 Wisconsin Small Company Advancement program, requiring the Wisconsin
8 Economic Development Corporation to issue bonds and notes to raise capital for
9 investment by venture capital funds in Wisconsin businesses, allowing refunds
10 for the early stage seed and angel investment tax credits, authorizing positions
11 for the University of Wisconsin, and making appropriations.

Analysis by the Legislative Reference Bureau

Under current law, a taxpayer may claim early stage seed and angel investment income and franchise tax credits for the taxpayer's investments in qualified new businesses. If the credit amounts exceed the taxpayer's tax liability, the taxpayer does not receive a refund, but, instead, may apply the amount of the unused credits

ASSEMBLY BILL 191

to subsequent taxable years. Under this bill, if the credit amounts exceed the taxpayer's tax liability, the taxpayer receives a refund.

Current law requires the Board of Regents (board) of the University of Wisconsin (UW) System to make grants to the WiSys Technology Foundation, Inc. (foundation), for the Wisconsin Small Company Advancement program (program) to provide intellectual property management services to UW-Extension and all institutions and college campuses, except for UW-Madison and UW-Milwaukee. The amount of each grant must be \$250,000, but the board may make a grant only if the foundation secures matching funds from sources other than the state. Current law appropriates a sum sufficient not to exceed \$2,000,000 for the grants, as well as for certain administrative costs. This bill changes the appropriation to a sum certain appropriation, and appropriates \$1,400,000 in fiscal year 2011-12 and \$1,400,000 in fiscal year 2012-13 for the grants and administrative costs.

The bill authorizes faculty, academic advisor, and support staff positions at the UW-Milwaukee School of Public Health and the UW-Milwaukee School of Freshwater Sciences beginning in fiscal year 2012-13, and authorizes faculty positions at the UW-Madison Institute for Discovery beginning on the bill's effective date.

The bill also requires the Wisconsin Economic Development Corporation (corporation) to issue bonds and notes to raise not more than \$100,000,000 for investment in Wisconsin businesses on behalf of the corporation by up to ten venture capital funds. The corporation must provide the capital to venture capital funds that agree to invest the capital on behalf of the corporation in Wisconsin businesses in various industry sectors and in different stages of development; to require a business in which the capital is to be invested to raise funds from sources other than the state or the corporation in an amount equal to four times the amount of capital to be invested on behalf of the corporation; and to maintain offices, staff, and investment in this state.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
