

2011 ASSEMBLY BILL 419

December 7, 2011 – Introduced by Representative KRAMER, cosponsored by Senator GROTHMAN. Referred to Committee on Homeland Security and State Affairs.

1 **AN ACT to amend** 177.34 (1) of the statutes; **relating to:** interest due on property
2 determined to be abandoned and due to be paid or delivered to the state
3 treasurer.

Analysis by the Legislative Reference Bureau

Under current law, a person who holds property that has been determined to be abandoned by the owner of the property must pay or deliver that property to the state treasurer (treasurer). If the person who holds the property fails to pay or deliver the property within the time required by law, the person must pay interest on the property or the value of the property at the annual rate of 18 percent from the date the property should have been paid or delivered. Under this bill, the treasurer may only require a person to pay interest on the property if the person has willfully neglected to pay or deliver the property in a timely manner. The bill also changes the interest rate from 18 percent to 12 percent.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
