ASSEMBLY BILL 16

October 11, 2011 – Introduced by COMMITTEE ON ASSEMBLY ORGANIZATION, by request of Governor Scott Walker, Representative Clark, and Senator Lassa. Referred to Committee on Jobs, Economy and Small Business.

1 **AN ACT** *to create* 238.14 of the statutes; **relating to:** entrepreneurial tax credit
2 access grants.

Analysis by the Legislative Reference Bureau

Under current law, the Wisconsin Economic Development Corporation (WEDC) may certify a person to receive, or a person may otherwise qualify for, income and franchise tax credits based on the person's expenditures in this state related to the person's business. This bill directs WEDC to establish a grant program under which WEDC may award a grant to a person who wishes to secure financing to make expenditures that would qualify for such tax credits. A person is eligible to receive a grant if the expenditures are made for a business located in this state that has fewer than 25 employees in this state or less than \$5,000,000 in gross receipts. No person may receive a grant unless the person has submitted business and financing plans to a commercial lending institution and submitted copies of the plans to WEDC. Before awarding a grant, WEDC must verify that the lender has approved the person's plans and will underwrite a loan for expenditures, contingent on the person receiving a grant. Under the bill, a person who receives a grant to secure financing for making an expenditure that would qualify for a tax credit may not claim a credit for that expenditure.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
