### *Analysis by the Legislative Reference Bureau*

This bill creates an off-road vehicle council in the Department of Natural Resources (DNR), consisting of seven members appointed by the governor for three-year terms. The bill requires that each member of the council represent the interests of an all-terrain vehicle (ATV) or utility terrain vehicle (UTV) user's group and that each member be knowledgeable about outdoor recreation issues and about trails used by ATV and UTV operators.

Under this bill, the off-road vehicle council must provide advice and make recommendations to DNR, the Department of Transportation, the governor, and the legislature on matters relating to ATV trails and routes and must make recommendations to DNR concerning requests for state funding for certain ATV and UTV projects.
