2 118.076 (3) of the statutes; **relating to:** providing lifesaving skills instruction
3 to pupils.

Analysis by the Legislative Reference Bureau

Beginning in the 2017-18 school year, this bill requires school boards, operators of independent charter schools, and governing bodies of private schools to provide instruction in cardiopulmonary and cardiocerebral resuscitation in any health education course offered to pupils in grades 7 to 12 and to provide instruction about automated external defibrillators to pupils in grades 7 to 12. Under current law, a school board, operator of an independent charter school, and governing body of a private school are required to offer instruction about cardiopulmonary and cardiocerebral resuscitation and to provide instruction about automated external defibrillators to pupils enrolled in high school grades.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
