September 19, 2017 - Introduced by Senators WIRCH, CARPENTER, LARSON, RINGHAND and VINEHOUT, cosponsored by Representatives WACHS, BERCEAU, BROSTOFF, SARGENT, SINICKI, SPREITZER, SUBECK and C. TAYLOR. Referred to Committee on Elections and Utilities.

- 1     **AN ACT** *to repeal and recreate* 11.1112 of the statutes; **relating to:** political  
2           expenditures by corporations and cooperative associations.

---

### *Analysis by the Legislative Reference Bureau*

This bill prohibits corporations and cooperative associations from making any contribution or expenditure, or incurring any obligation to make a contribution or expenditure, for the purpose of influencing an election for state or local office. The bill does, however, allow a corporation or cooperative association to make expenditures or incur obligations for such a purpose under certain circumstances.

Current law prohibits corporations, cooperative associations, labor organizations, and American Indian Tribes from making contributions to any candidate committee, legislative campaign committee, political action committee, political party, or recall committee. Such entities may, however, make contributions to independent expenditure committees and referendum committees. The entities may also make contributions to a segregated fund established by a political party or legislative campaign committee to use for purposes other than making contributions to a candidate committee or making disbursements for express advocacy. In addition, consistent with U.S. Supreme Court cases, these entities may make independent expenditures for political purposes. See *Citizens United v. F.E.C.*, 130 S. Ct. 876 (2010).

Under the bill, if a court with jurisdiction in this state finds that a law prohibiting corporations and cooperative associations from making expenditures and incurring obligations to influence an election for state or local office is not enforceable for constitutional reasons, the Ethics Commission must publish a

**SENATE BILL 413**

finding to that effect. The bill then provides that, during a period when a finding of unenforceability is in effect, before a corporation or cooperative association may make an expenditure or incur an obligation for the purpose of influencing an election for state or local office, the corporation or association must register as a political action committee and file with its registration statement a document that indicates that the corporation or association received the approval of a majority of its voting shareholders to make expenditures or incur obligations or a document that indicates that the corporation or association has no shareholders.

The bill also provides that no owner, officer, employee, or agent of a corporation or cooperative association may cause or authorize the corporation or association to make an expenditure or incur an obligation prohibited under the bill. If an owner, officer, employee, or agent causes or authorizes such a violation, an action to enforce the law must be brought against the owner, officer, employee, or agent personally and the corporation or association is not financially liable for the violation. In addition, no corporation or cooperative association is permitted to reimburse an owner, officer, employee, or agent for any financial liability incurred by the owner, officer, employee, or agent.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1           **SECTION 1.** 11.1112 of the statutes is repealed and recreated to read:

5 or a statement that the corporation or association has no shareholders. No foreign  
6 or domestic corporation and no association organized under ch. 185 or 193 may make

21 or not applicable in this state, that a prohibition against the making of political  
22 disbursements or expenditures by the entities described under sub. (1) is not  
23 enforceable for constitutional reasons, or if any such court later finds in a reported  
24 decision that such a prohibition is enforceable, the commission shall promptly  
25 publish a finding to that effect in the Wisconsin Administrative Register. The

**SENATE BILL 413**

**SECTION 1**

1 prohibition against making disbursements and expenditures and incurring  
2 obligations under sub. (1) does not apply whenever a finding of unenforceability is  
3 in effect if the corporation or association making disbursements or expenditures or  
4 incurring obligations complies with sub. (2) (a).
