2019 ASSEMBLY BILL 484

September 26, 2019 - Introduced by Representatives CABRERA, BROSTOFF, HAYWOOD, BOWEN, L. MYERS and CROWLEY, cosponsored by Senators LARSON, L. TAYLOR, SMITH and JOHNSON. Referred to Committee on Federalism and Interstate Relations.

- 1 **AN ACT to create** 59.26 (11), 66.0112 and 165.57 of the statutes; **relating to:**
2 limiting the cooperation of state and local law enforcement officers with certain
3 federal immigration enforcement activities.

Analysis by the Legislative Reference Bureau

This bill limits the extent to which the Department of Justice and local law enforcement officers may cooperate with federal immigration enforcement activities.

Under the bill, DOJ may not authorize a state or local law enforcement officer to assist a federal immigration officer in immigration enforcement activities, and the department must publish a model policy for local governments to adopt on limiting assistance with such activities. The bill defines "immigration enforcement" as any action taken by federal or state or local law enforcement officers related to the investigation or enforcement of any federal civil immigration law or any federal criminal immigration law that penalizes an individual's presence in, entry or reentry to, or employment in the United States.

Also under the bill, no city, village, town, or county (political subdivision) may authorize or permit its law enforcement officers to assist a federal immigration officer in immigration enforcement activities, nor may a sheriff or deputy provide such assistance. In addition, neither a sheriff, a deputy, nor a state or local law enforcement officer may engage in activities related to the investigation, interrogation, detention, or arrest of an individual for any purpose related to immigration enforcement, including actions related to determining whether an individual has satisfactory immigration status and detaining an individual on an

ASSEMBLY BILL 484

Immigration and Customs Enforcement hold request. Under the bill, satisfactory immigration status means determining whether a non-U.S. citizen is lawfully present in the United States.

Finally, the bill requires a political subdivision to adopt and implement the DOJ's model policy related to limiting assistance with immigration enforcement activities.
