1 **AN ACT relating to:** increasing funding for the child psychiatry consultation
2 program and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill increases, by \$1,500,000 in each fiscal year, the funding for the child psychiatry consultation program. The child psychiatry consultation program generally assists clinicians, such as pediatricians, in providing care to children with mental health care needs.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1. Fiscal changes.**
