### *Analysis by the Legislative Reference Bureau*

Under current law, a city, village, or town may impose a special charge against real property for services rendered by allocating the cost of the service to the properties that are served. Also under current law, a city, village, town, or county (political subdivision) may make a loan to, or enter into a loan repayment agreement with, an owner or lessee of a premises for making or installing certain energy or water efficiency or renewable resource improvements (property assessed clean energy or PACE program). The political subdivision may collect a loan repayment under the PACE program as a special charge.

Under this bill, a political subdivision may only make a PACE program loan to, or enter into a loan repayment agreement with, an owner or a lessee of a property that is a residential property containing at least five dwelling units or a commercial property.
