- 1 **AN ACT** *to create* 20.370 (4) (cf) of the statutes; **relating to:** Groundwater
2 Coordinating Council activities funding and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the Groundwater Coordinating Council is attached to the Department of Natural Resources and advises and assists state agencies in the coordination of nonregulatory programs and the exchange of information related to groundwater. The council is made up of several members, including the DNR secretary and the president of the University of Wisconsin System.

This bill appropriates \$500,000 each to DNR and to the Board of Regents of the UW System for their respective activities related to the Groundwater Coordinating Council.

The bill also provides additional funding for higher education and for special education aid the Department of Public Instruction pays to school districts, independent charter schools, cooperative educational service agencies, and county children with disabilities education boards for purposes of maintaining compliance with maintenance of effort requirements of the federal Consolidated Appropriations Act and the federal American Rescue Plan Act.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
