1 **AN ACT to amend** 19.36 (8) (b) and 59.20 (3) (a) of the statutes; **relating to:** public
2 records identifying confidential law enforcement informants.

Analysis by the Legislative Reference Bureau

Current law prohibits a law enforcement agency from disclosing records or parts of records in response to a public records request that, if disclosed, would identify a confidential informant of a law enforcement agency. Current law provides an exception to that nondisclosure requirement if the records custodian determines that the public interest in disclosing the record outweighs the harm done to the public interest by providing access to the record.

This bill extends that nondisclosure requirement concerning the personally identifiable information of confidential law enforcement informants to records or parts of records maintained by any official or body subject to the public records law, not just law enforcement agencies.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 19.36 (8) (b) of the statutes is amended to read:

6 custodian of the record, designated under s. 19.33, makes a determination, at the
