### *Analysis by the Legislative Reference Bureau*

This bill changes the membership of the Wisconsin Artistic Endowment Foundation and makes various changes to WAEF and the Wisconsin regranting program administered by the Arts Board. WAEF is a nonprofit corporation created by 2001 Wisconsin Act 16 to support arts programs through tax deductible contributions. The WAEF is currently inactive.

Current law provides that WAEF's board of directors is to be composed of 14 members: eight nominees of the governor, two representatives to the assembly, two senators, the chairperson of the Arts Board or his or her designee, and the executive secretary of the Arts Board, as a nonvoting member. The bill changes the composition of the board of directors to four nominees of the governor, four representatives to the assembly, four senators, the chairperson of the Arts Board or his or her designee; and the executive secretary of the Arts Board, as a nonvoting member. Under the bill, all of those appointments must be made on or before July 1, 2024.

Under current law, WAEF may distribute moneys from the artistic endowment fund to the Wisconsin regranting program, which is administered by the Arts Board to award grants to local arts agencies and municipalities. Under current law, a recipient of a grant under the program must make a matching fund contribution

equal to the amount of the grant awarded. Private funds and in-kind contributions may be applied to meet this requirement. The bill adds a requirement that the matching fund contribution be from a nonstate funding source.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
