The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Study Committee on Shared School District Services.

Current law does not provide state assistance to fund feasibility studies for school districts considering consolidation or whole grade sharing agreements.

The bill requires the Department of Public Instruction (DPI) to award grants of up to \$25,000 to consortia of 2 or more school boards to fund feasibility studies of school district consolidation or whole grade sharing agreements. Grant moneys must be used for a professional financial analysis, which may include a population study, of the effects of consolidation or whole grade sharing on the school districts. In order to be eligible for a grant for a consolidation feasibility study, each school board in a consortium must demonstrate that it has adopted a resolution to consider consolidation.

The bill provides a continuing appropriation of \$200,000 in the 2023-2024 fiscal year. The bill takes effect on the day after publication, or the 2nd day after publication of the 2023 biennial budget act, whichever is later.
