

## 1995 ASSEMBLY BILL 1000

March 7, 1996 - Introduced by Representative JENSEN, cosponsored by Senator HUELSMAN. Referred to Committee on Government Operations.

1     **AN ACT to repeal** 59.876, 59.877, 146.22, 167.22 and 170.03 of the statutes;  
2             **relating to:** the authority of a county board of supervisors to create a board of  
3             immigration, licenses for cats, flushing devices for urinals, manufacture of  
4             cigars in basements and appraisal of stray animals.

---

### *Analysis by the Legislative Reference Bureau*

This bill does all of the following:

1. Under current law, a county board of supervisors may create a board of immigration. A board of immigration is responsible for aiding in promoting settlement of vacant agricultural lands in the county and protecting prospective settlers from unfair practices. This bill eliminates such boards of immigration.

2. Under current law, a county having a population of 500,000 or more is authorized to enact an ordinance requiring licenses for cats. Any such ordinance must require that the owner of the cat present evidence that the cat is currently immunized against rabies before a license is issued. This bill eliminates this provision.

3. Under current law, the department of health and social services (DHSS) is prohibited from promulgating any rule that either directly or indirectly prohibits the use of manual flushing devices for urinals. In addition, DHSS is required to take steps to encourage the use of manual flushing devices for urinals. This bill eliminates this prohibition and requirement.

4. Under current law, no shop or place where cigars are manufactured may be located below the ground floor of the building. This bill eliminates this restriction.

5. Under current law, every finder of a stray animal of the value of \$10 or more shall, within one month after finding the animal, have the stray appraised by the chairperson of the town, and a certificate of the appraisal, signed by the chairperson, is required to be filed in the town clerk's office. This bill eliminates this requirement.
