1 **AN ACT to create** 66.092 of the statutes; **relating to:** the regulation of firearms
2 by cities, villages, towns and counties.

Analysis by the Legislative Reference Bureau

This bill prohibits any city, village, town or county (political subdivision) from enacting an ordinance that regulates firearms in a way that is more stringent than state law. A political subdivision that has in effect on the effective date of this bill an ordinance that regulates firearms may continue to enforce that ordinance if the ordinance is the same as or similar to a state statute. Also under the bill, a county ordinance only applies in those towns in the county that do not have in effect an ordinance that regulates firearms.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
