### *Analysis by the Legislative Reference Bureau*

Current law provides that a pupil may be suspended from school for noncompliance with school rules, or for knowingly conveying any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives, or for conduct while at school or while under the supervision of a school authority that endangers the property, health or safety of others, or for conduct while not at school or while not under the supervision of a school authority that endangers the property, health or safety of others at school or under the supervision of a school authority or endangers the property, health or safety of any employe or school board member of the school district in which the pupil is enrolled.

A school board may expel a pupil from school if it finds that the pupil engaged in any of the conduct described above or finds the pupil guilty of repeated refusal or neglect to obey the rules, and is satisfied that the interest of the school demands the pupil's expulsion. Prior to expelling a pupil, the school board must hold a hearing.

This bill provides that a pupil must be suspended, and that proceedings to expel the pupil must be commenced, if it is determined that the pupil, while at school or while under the supervision of a school authority, possessed a knife that was of no reasonable use to the pupil, a firearm or an explosive.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
