

## 1995 SENATE BILL 86

February 28, 1995 - Introduced by Senators JAUCH, BURKE and C. POTTER, cosponsored by Representatives BLACK, GRONEMUS, MORRIS-TATUM, TURNER, RYBA, GROBSCHMIDT and BOYLE. Referred to Committee on Education and Financial Institutions.

1     **AN ACT to create** 121.91 (4) (d) of the statutes; **relating to:** increasing a school  
2     district's revenue limit by the amount spent for school security measures

---

### *Analysis by the Legislative Reference Bureau*

Current law limits the increase in the total amount of revenue that a school district may receive from general school aids and property taxes in the 1993-94 to 1997-98 school years. In the 1993-94 school year, the maximum allowable increase per pupil was \$190 or the rate of inflation, whichever was greater. Beginning in the 1994-95 school year, the \$190 per pupil amount is adjusted each year by the rate of inflation. Several exceptions are provided. For example, if a school district increases the services that it provides by adding responsibility for providing a service transferred to it from another governmental unit, its revenue limit is increased by the cost of that service.

This bill provides that a school district's revenue limit is increased by an amount equal to the amount spent by the school district for measures designed to prevent criminal activity in schools.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
