### *Analysis by the Legislative Reference Bureau*

Under current law, a person holding a bear hunting license may use a dog to hunt bear or may train a dog for that purpose. This bill prohibits the use of dogs for hunting bear and prohibits the training of dogs for that purpose. Current law authorizes a conservation warden to kill a dog found running deer if necessary to protect the deer from injury or death. This bill expands this authorization to cover a dog found running bear. The bill also makes a dog running bear a public nuisance, thereby giving the state, a local unit of government or a person the right to file suit to abate the nuisance.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
