1 **AN ACT to amend** 11.50 (2) (b) 5. of the statutes; **relating to:** qualification for
2 a grant from the Wisconsin election campaign fund.

Analysis by the Legislative Reference Bureau

Currently, candidates for any partisan state office, except the office of district attorney, and candidates for justice of the supreme court and superintendent of public instruction may, upon meeting certain qualifications, receive state grants derived from general purpose revenues to be used for certain campaign expenses. One of the qualifications that a candidate for legislative office must meet is to raise at least 10% of the total amount of the candidate's expenditure limitation in contributions of money, other than loans, received from individuals in aggregate amounts of \$100 or less.

This bill requires, in addition, that in order to qualify for a grant, a candidate for legislative office must raise at least 50% of his or her qualifying contributions from individuals who are residents of a county having territory within the district in which the candidate seeks office.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
