Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the department of transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles they register with DOT. Special plates may be obtained for automobiles, station wagons, motor homes and certain dual purpose motor homes, farm trucks and dual purpose farm trucks that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is assessed for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special distinguishing registration plates were specifically enumerated in state law. Current law provides specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

Members of authorized special groups related to certain campuses of the University of Wisconsin (UW) System or to the support of endangered or threatened

In addition to the regular vehicle registration fee, special group members are required to pay a \$10 fee for issuance or reissuance of the special plates and an additional \$25 annual fee as a tax deductible contribution to this state's conservation fund.
