5 elimination of the state lottery and pari-mutuel wagering, prohibiting new
6 claims under the farmland relief tax credit, providing a penalty and making an
7 appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the state conducts the state lottery and licenses and regulates pari-mutuel wagering. This bill eliminates the state lottery and the lottery credit and bans state-regulated pari-mutuel wagering beginning on January 1, 2001. As a result of the elimination of the state lottery and the banning of state-regulated pari-mutuel wagering, current law penalties that apply to the unauthorized playing of the lottery and wagering will apply to conduct that is currently authorized under the state lottery and state-regulated pari-mutuel wagering.

The farmland tax relief credit is a refundable income and franchise tax credit that is based on property taxes accrued on farmland and gross farm profits. Under this bill, no claims for the farmland tax relief credit may be made for taxable years beginning after December 31, 2000.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
