1 **AN ACT to amend** 301.029 (2) (a) of the statutes; **relating to:** department of
2 corrections contracts involving prisoner access to an individual's date of birth.

Analysis by the Legislative Reference Bureau

Under current law, the department of corrections (DOC) is prohibited from entering into any contract that would result in a prisoner performing data entry or telemarketing services and having access to an individual's financial transaction card numbers, checking or savings account numbers, or social security number. This bill adds an individual's date of birth to the list of information that a prisoner may not have access to while doing data entry or telemarketing services under a contract entered into by DOC.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
