1 **AN ACT** *to amend* 814.85 (1) (a), 814.85 (1) (b), 814.85 (1) (c) and 885.38 (3) (a)
2 (intro.) of the statutes; **relating to:** funding of guardian ad litem costs and
3 court interpreter fees and making appropriations.

Analysis by the Legislative Reference Bureau

Under current law, the state provides funds to the counties for the costs that they incur in providing court interpreters to persons with limited English proficiency who are unable to afford an interpreter and who are directly involved in criminal cases, cases involving juveniles or children, or cases regarding mental health commitments or protective placements. Currently, the state provides funds to the counties for the costs incurred in providing a guardian ad litem in appropriate circuit court cases. The money for this funding is generated from a court support service surcharge paid by most persons when they file a civil action.

Under this bill, the state will pay all of the costs of providing court interpreter services to persons with limited English proficiency, regardless of the type of case or ability to pay, and of providing guardians ad litem in the circuit courts. The bill increases the court support service surcharge to generate the money necessary to make those increased payments.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
