1 **AN ACT** *to create* 121.54 (2) (e) of the statutes; **relating to:** transportation of
2 four-year-old kindergarten pupils attending private school.

Analysis by the Legislative Reference Bureau

Under current law, a school board that operates high school grades must generally transport to and from school private school pupils who reside in the school district and who reside at least two miles from school, regardless of the grade in which the pupil is enrolled. This bill provides that a school board that does not operate a four-year-old kindergarten program is not required to transport four-year-old kindergarten pupils attending private school.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
